

## FURNISHING

“You are not ready for the next step.”  
 “I do not have the outline.”  
 “There is so much garbage.”  
 “How am I supposed to deal with it?”  
 “Pay for it while you can.”  
 “We exploded in place.”  
 “How long will this last?”  
 “I could stay home and let his shit roll over me.”  
 “This is serious stuff.”  
 “We worry about things like this.”  
 “If I take the time. I take some serious time.”  
 “This is going to take some gymnastics.”  
 “That would look great in a movie.”  
 “And this is all that we are looking at. And we do not see anything real. We cannot see the decay of the self.”  
 “How much longer can you take this?”  
 “The personal demise.”  
 “I can hold on way beyond the worst.”  
 “I am done with all that shit.”  
 “Now, it gets good.”  
 “If you can stay up, you will see Santa Claus.”  
 “Or some facsimile.”  
 “Easter.”  
 “Things will close.”  
 “Shit will happen.”  
 “We can share.”  
 “Do not take from me.”  
 “I will fade on stage.”  
 “There is so much more.”  
 “And I learn to add.”  
 “And I add more.”  
 “Accessories.”  
 “Different kinds of commitment.”  
 “What is that stuff?”  
 “Let me dwell and understand.”  
 “And you can abide with that.”  
 “None of that is perfect.”  
 “Different shows.”  
 “There were no artists killed in this representation.”  
 “What happened to our dreams?”  
 “I am going to get sued.”

“What will the final result be?”  
 “We are back where we were.”  
 “The twins.”  
 “Something like that.”  
 “You are ruining the show.”  
 “How was I supposed to start out?”  
 “Why are they not here for you?”  
 “.Do not let them tell you any differently.”  
 “We play this fantasy game.”  
 “And this real game.”  
 “I am the writer.”  
 “Remember these two.”  
 “What else should I see?”  
 “Should I feel what you feel?”  
 “Take this an you will.”  
 “Where are you taking me?”  
 “I had life goals, and you are distracting me.”  
 “We could take it from there.”  
 “There is so much more to chronicle.”  
 “Do not make fun of him.”  
 “I remember things like that.”  
 “Can I know by seeing?”  
 “This is part of the miracle training.”  
 “Please send it to me.”  
 “I see what is going on.”  
 “You are negotiating your psyche.”  
 “You are unable to control yourself, so you complain about other people controlling you.”  
 “HE HAD A PIECE OF PAPER THAT SAID I AM GUILTY. WHAT COULD BE

WORSE?”

“We better follow.”  
 “My life weaves like a snake.”  
 “Then the snake devours me.”  
 “Squeeze tight.”  
 “This is not love.”  
 “You own this moment.”  
 “Distinguish today from yesterday.”  
 “The bell is ringing.”  
 “I need to ge up for work.”  
 “I am trying to devise a life where I do not work.”  
 “Work is liberating.”  
 “In this system, it can sap your creativity.”  
 “I went somewhere else.”  
 “We all did.”  
 “I felt as if I was immersed in every distraction in my life.”

“It can be more exciting.”

“He is waiting for me.”

“Sure, he is.”

“You are going to need to be up pretty early to get him to show his interest.”

“How early?”

“This is a test.”:

I was being put through all these tests to determine my artistic acumen.

“The dog hears the whistle.”

“Who is the watcher?”

“No one is watching this.”

“You believe that they are.”

“We all share something important.”

“These are two different representations.”

“One leads to the next.”

“Pure art.”

“Some people are caught in total devotion.”

“What is the appeal?”

“Is he coming back?”

“I need to get away from this guy.”

“What else is on the list?”

“I am hiding my origins.”

“He pretends so well.”

“That is mediocre.”

“That is way too tight.”

I was not looking for a geometry lesson. But I needed to follow all these lines.

“He is so smooth.”

“I cannot recommend his behavior.”

“That was not meant to last.”

“He has all these pictures of me.”

“What is he going to do with them.”

“How do you keep it going?”

“Total commitment.”

“Are you kidding?”

“That gives me reason to deal with these fallen moments.”

“And that was all that you needed.”

“I cannot sleep thinking about that.”

“You will forget it.”

“And get up and do it again.”

“Where is this taking me?”

“You are being a bad person.

“I am a natural.”

“We are in waiting mode.”

“The twins are a sign.”

“They are not signs.”

“Why are you seeing what you want to see?”  
“I need to go with something that I understand.”  
“Wasted nights.”  
“It could be worse,”  
“You are adding it up.”  
“It could be very strict.”  
“It is.”  
“I am trying not to be offensive.”  
“Worship.”  
“It is a form of ritual worship?”  
“Why not me?”  
“Look me in the eye.”  
“Why does that mean so much more to me?”  
“Be honest. It does not mean any more.”  
“I WILL TAKE IT.”  
“Is that all that you have?”  
“This will blow you away.”  
“You blow me away.”  
“Do not get so personal.”  
“There is nothing interesting me here.”  
“I feel tempted.”  
“That is so remarkable.”  
“I believe this.”  
“We have powers.”  
“Do not come on so strong.”  
“That is all that I know.”  
“I knew that the tidal wave was coming.”  
“Just finish me off.”  
“The twins fucked me up. And now I descending even more.”  
“How can you afford this?”  
“I do not pay.”  
“I do not eat.”  
“We are in next wave shit.”  
“Go ahead.”  
“No technology can measure this.”  
“Then we lose the trail.”  
“This guy gets it.”  
“Bring me my record.”  
“What did you contribute?”  
“We are so far along.”  
“It is worth figuring out.”  
“What is the choice?”  
“I am trying to explain this form of analysis.”  
“I am counting cards.”

“We have entered a new place.”  
 “Are they getting it?”  
 “The court ordered therapy”  
 “The court-ordered mind control.”  
 “And then you can change nothing.”  
 “Do you have total concentration?”  
 “It is more than that.”  
 “BELIEF.”  
 How could a cult-like belief develop from these few experiences?  
 “There needs to be some kind of jolt in the psyche.”  
 “What is the earthquake? Like a heart attack of the soul.”  
 “I need to be loved.”  
 “You set it.”  
 “I want to be surprised.”  
 “You are.”  
 “I wish that was me.”  
 “It will be.”  
 “What is the tolerance for bull shit?”  
 “The association with the cultish devotion.”  
 “Everything else is secondary.”  
 “The jacket that will not stop talking.”  
 “Then you are talking about me.”  
 “Who pays?”  
 “Get some shots from Palm.”  
 “Where is this headed?”  
 “I cannot move.”  
 “Why are you hanging on?”  
 “I was not picked for the awards show.”  
 “This is different.”  
 “Why so?”  
 “What if I am so disgusted?”  
 “I am waiting for the final transformation.”  
 “Then we make some joke about poetry.”  
 “This has historic proportions.”  
 “I can influence others.”  
 “Can you control those influences?”  
 “I want to eat my popcorn and go to bed.”  
 “We need one explanation.”  
 “I know what is next.”  
 “I want this to mean something more.”  
 “We will focus the dialogue.”  
 “Who is the speaker?”  
 “Who is giving the speech?”  
 “We will need to make changes.”

“I have crystalized.”

“Perversity.”

“Transcendence.”

“I am damned.”

“The world made us to create something greater than ourselves.”

“The diminishing returns.”

“The diminishing tax returns.”

“The gift that keeps on giving.”

“I do not see how he can keep acting like this.”

“He does.”

“The attachment.”

“I feel so empty after this point.”

“Make me feel more wanted.”

“I do not want to think about it. I do not want to feel bad.”

“Do you feel terrible?”

“Who even knows?”

“Bring me flowers.”

“Bring me love.”

“I want my own version.”

“Of emptiness.”

“The twins were supposed to fix this up.”

“They have a different belief system.”

“That could be you.”

“It would end with total devotion.”

“How does that happen? You look at a picture. How do you become entranced? You start seeing shit that is not there. How are we open to suggestion in that way? The mind seems totally impressionable, like wax. And we end up acting totally weird.”

“We are like little children. And these feelings take over the psyche. And this become our nature. We doing the most fucked up shit. And we can no longer excuse what we have become. We are erratic. And these spirits arise from within. Nightmares come to life.”

“Maybe there was some experience that caused the break.”

“Why do they hate us?”

“Because we are losing our way.”

“The money system is being transformed before our eyes.”

“What did you do about it?”

“I ate asparagus.”

“And that did it.”

“I don’t know what happened.”

“This is not way to be.”

“The dreams were potent. They were chasing me down the street.”

“This goes back.”

“I do not want to be in the body.”

“Go for it.”

“Be with me.”

“We all love.”  
 “The favor has turned into a forever.”  
 “We will manage this.”  
 “How will you do that?”  
 “I have a remedy.”  
 “And what is that?”  
 “You need to ask.”  
 “What happens after that initial encounter?”  
 “You have people rolling on the ground. And they have n idea what they have got into.  
 This is total commitment of the soul and the body.”  
 “I DO NOT WANT TO FUCKING KNOW.”  
 “We have so much more to figure out.”  
 “I do not even need to use my imagination.”  
 “That is fucking sick.”  
 “I cannot draw the boundaries anymore.”  
 “Do what you need to do.”  
 “I am so fucked up that I cannot say anything more.”  
 “I was destroyed by the cheese sandwich.”  
 “You are getting stopped in your tracks.”  
 “I am so glad that you are a part of this.”  
 “Finish me off.”  
 “If that is you, I will follow you to the ends of time.”  
 “There is a procession.”  
 “And I got left behind. :”  
 “I will wait.”  
 “I do not surrender what I cannot take back.”  
 “Did you get money?”  
 “I got love.”  
 “Now, I see what it is rewally about.”  
 “We are on our way out.”  
 “And I see fucking shit.”  
 “Out, out candle.”  
 “Tell the ghosts to quiet down.”  
 “Wander around until it touched you.”  
 “Was this something that you planned for?”  
 “The planning is not happening inside of me.”  
 “You can go further.”  
 “Then it all gets out of hand.”  
 “Can we know who we are?”  
 “Take your shit.”  
 “I saw what I need to see.”  
 “That is a great story.”  
 “Everything is very natural.”  
 “Tomorrow will change all that.”

“Do you have something that you can bang on?”

“We are all active contributors.”

“What are we sharing?”

He had my number. Maybe, we could make plans to rob a bank.

“What is the initial investment?”

“If you put in too much, then a lot needs to come out.”

“Bad investments.”

“I am the perfect bad investment.”

“I am not unhappy.”

“There is a method.”

“We are in the middle of things.”

“It will come to more than this.”

“So much more.”

“Do you have a plan? Is there something that you care about?”

“This is all about forgetting.”

“We have given them so much. Why do they hate us?”

“I think that it goes back to your attitude.”

“Explain that.”

“There is a balance. There is all this time that I give to work. And all this time that I give to myself. Why can't I provide a more accurate model of the world?”

“You are one of the happy few.”

“I sense that is a criticism.”

“Quit guessing.”

“He is bitter.”

“Mother, sleep will call soon.”

“Where does that get us? There remains a lack of class consciousness.”

“How is that good for either of us?”

“How is that food for either of us?”

“What are you writing?”

“You epitaph.”

“Is that a threat?”

“Don't you already take the warning?”

“There is a lot more to think about.”

“You are putting together all the pieces.”

“You get home, and nothing fits in place.”

“How did you get stuck here?”

“I have simple goals.”

“Love.”

“A cup of coffee.”

“A roof over my head.”

“And end to the bull shit.”

“You cannot end what you are creating yourself.”

“Do I need analysis?”

“Do I?”

“It depends the time of night.”  
“I am rewarded for closing my eyes.”  
“Do not cheat me.”  
“Do you have original ideas.”  
“Don’t we all.”  
“Is this a target?”  
“Why are you here? What do you want for your life?”  
“I can’t pay you.”  
“I put an order in for a therapist. I do not need that now.”  
“Sleep it off.”  
“Our whole world will sleep it off.”  
“Why do they hate us?”  
“They don’t really see you. Why do you hate yourself? Why do you spread your hate across the globe.”  
“You are one of those.”  
“I want a cigarette.”  
“I want someone to love me.”  
“I am not long for this world.”  
“I am not long for this place.”  
“You do not have to love me.”  
“You do not have to trust me.”  
“You do not have to do anything.”  
“Who are you waiting for?”  
“The savior.”  
“The knowledge.”  
“The good times.”  
“This is philosophy.”  
“This is a hand.”  
“And this is another.”  
“I do not want to get deep about this.”  
“We are going to have to pull you out of the fucking mud. We are deep.”  
“I need an identity.”  
“What do you mean?”  
“You identity card.”  
“I know who I am.”  
“Will you a bit later in the night?”  
“Do you want to join in?”  
“Do you want to love me?”  
“Do we match?”  
“What would be better?”  
“If I came later. If I did not devote so much of my life to expecting a solution.”  
“I am not this.”  
“Everything that you do has consequences.”  
“Smart ass, some of those consequences are not worth worrying about.”

“Chains of command.”  
 “Chains of causality.”  
 “And you peel off a hundred dollar bill and give it to me.”  
 “What is the organization?”  
 “What is the organization not?”  
 “There are people who sit around and worry about things like that.”  
 “If I thought that we were both working on the same thing, I would be on top of that.”  
 “You were not.”  
 “Type away.”  
 “These are the life-changing moments.”  
 “You do have problem.”  
 “You tore my brain in two.”  
 “I gave you glue.”  
 “That does not do the trick.”  
 “I am waiting for the moon to align.”  
 “With what?”  
 “Are we doing star shit because you cannot develop the motivation to leave your room?”  
 “It is nice in here.”  
 “It is better out here, but you would have to take a step.”  
 “Are you criticizing me?”  
 “And you got hit. And that is all that matters.”  
 “I do not want to be here.”  
 “I do not want to be anywhere.”  
 “The eternal thing.”  
 “Yes.”  
 “Lincoln can make you feel like a shit.”  
 “He has good intentions.”  
 “And we try to save the world.”  
 “What are we saving for?”  
 “We are saving for the moment when we can provide you with a coherent explanation.  
 Until then, we will flatter you by telling you that you stuff is simply brilliant.”  
 “Physician, save yourself.”  
 “Oh shit! You always want free advice.”  
 “I could do better with television.”  
 “Can I pull up a chair? That guy over there is bothering me.”  
 “That life over there is bothering me.”  
 “Can we develop a coherent social awareness?”  
 “Do unto others.”  
 “That can be subterfuge.”  
 “Do unto your friends.”  
 “That can be favoritism?”  
 “What do you have that I do not have?”  
 “I know you.”  
 “I know you.:"

“And I know you.”  
“Are you writing about me?”  
“Not tonight. You would have to pay me. Then you would wonder why.”  
“You have a future and a lot of shit. Everyone does here.”  
“What makes you better?”  
“Nothing. But are you better than you were last week, and do you care?”  
“What can you do?”  
“I can help you forget.”  
“I am doing that for myself.”  
“Have you left?”  
“You have little bit of that thing.”  
“What is that? When can we truly see that?”  
“Is that a church thing?”  
“How is that?”  
“You eventually see.”  
“I see.”  
“Do I need to watch and listen?”  
“You need to learn the old songs.”  
“You need to try escape from your life.”  
“You need to see this?”  
“Do I now?”
