

BLAKE

“I could buy this place if I wanted.”

“Buy everyone drinks.”

“That is not going to mean much of anything.”

“That would have worked.”

“I have a million offers.”

“That succeeded. And that failed.”

“All the drinks are on your car.”

“There are different goals here.”:

“He leads to some real shit.”

“I could buy you.”

“Go ahead.”

“I am wasting too much energy thinking about you Blake.”

“This is where it gets real.”

I thought about what we could get from Blake if we kidnaped him. Is father had some money. And he would be willing to pay.:

“Why would I want to pay for that God damn son of a bitch. He has only caused me grief.”

“Join in.”

“I am a little sick again.”

“They are making me sick.”

His father was going to cut him off. So he decided to kidnap himself. And he could ask his daddy for money.

“Daddy, I love you.”

“Is that why you treat everyone like shit here?”

“This once mattered for something.”

“Where is this going?”

“We once saw him at a truck stop.”

“That little mother fucker. No one in the world cares about him. If his father felt that someone was going to mess with the kid, he would be overjoyed.”

“My daddy loves me.”

“How much money do you think he is worth?”

“I do not want to pay for that ungrateful little bitch.”

“Your own flesh and blood.”

“I can give you the money that you need for the flower business.”

“Is there a demand for flowers?”

“Freshly cut.”

“I am so fucked up that I am going to make the stupidest decisions.”

“Look at this guy.”

“I will buy you all drinks if you’re nice to me. Just don’t say anything bad about my daddy.”

“They shot my dog.”

“They were showing your daddy that they meant business.”

“Did you do this to Pooch.”

“I loved my dog.”

“This is a cameo.”

“You are difficult work with.”

“You opened me up like a just caught marlin.”

“Total personal exposure.”

“I cannot explain how bad it is.”

“What does that do?”

“They have the kid in a cabin in the mountains.”

“Are they torturing him?”

“That will happne.”

“The most obnoxious person in the world.”

“I know that guy.”

“He bought us all drinks.”

“What else can you do with money?”

“I could produce a movie.”

“Really.”

“I do not have that kind of money.”

“Tomorrow, it will all make sense.”

“How does this even work?”

“They hid him in the trunk.”

“They fucking killed him.”

“No way, I am ready for some more shit.”

“Did daddy do you good?”

“They hired me.”

“They all love scandal.”

“Daddy is happy about all that shit.”

“Are you trying to get in my business?”

“That was the start of all this shit.”

“Did daddy do you wrong?”

“And you think that is different.”

“This is the stupid freak show.”

“That exaggeration.”

“Will anything change?”

“Almost the beginning of the end.”

“The end of the beginning.”

“Where did you find these two.”

“You do not need to hurt someone.”

“What got you ready for this?”

“Was this planned?”

“This was once good.”

“This guy used to be nice to me.”

“Where did you get the sweater?”
“Should I ask?”
“Have a meal?”
“Are they starving you?”
“What does it look like?”
“I do not want to go back there.”
“I am beyond nice.”
“The trouble starts.”
“The sadistic guy wants to hurt him.”
“He is the one that he paid.”
“What does he hope to get for all this?”
“Daddy will raise his allowance.”
“Maybe give him a company.”
“Cut off an ear.”
“Cut off a finger to let him know what is really going on.”
“What is really going on?”
“How many parts remain?”
“He is doing well.”
“What got me here?”
“What got me out?”
“I have seen this story before.”
“Where does it end?”
“He escapes.”
“One of the kidnapers does something really stupid.”
“Really, really stupid.”
“I will get out of this.”
“Get me out of there.”
“It don’t take much.”
“Don’t hurt me. Don’t hit me in the face.”
“Blake, this needs to look real.”
“What do you all know?”
“This guy deserves whatever he gets.”
“MAKE IT LOOK FUCKING REAL.”
“What is your father thinking?”
“I am not in my right mind.”
“Maybe, you can take this time to do some thinking.”
“Who really knows how to get it done?”
“Pretend that you are not here.”
“I am here.”
“You look like a kidnaping victim.”
“He really’s got this.”
“Is that how they destroyed your world?”
“What else do you have in your favor?”

“Here come the only witness.”
“You are going to need a witness.”
“That is way beyond me.”
“Everyone was perfect.”
“Until it became imperfect.”
“Spelling test.”
“Prison sentence.”
“Dead letter.”
“Dear Mississippi.”
“Where are you keeping him?”
“Freak show.”
“I got to know they rats.”
“They are fucking carnivores.”
“What is the joke?”
“Tell Daddy that I do not hurt.”
“I want to live.”
“Is that an option?”
“What do you care about?”
“Get all riled up.”
“And the things that you fought for.”
“We are going to come back.”
“You once hated me.”
“You once loved me.”
“The shirt was green.”
“And that is going to last.”
“What was he wearing when he was kidnaped?”
“Should I care?”
“Do you even care?”
“That is her ex.”
“Where is this coming from?”
“I felt the same things that you did.”
“And where did that come from?”
“Oops.”
“You are trying to fool me about that shit.”
“What is the real story?”
“I had a lot of money. And I fucked up.”
“Is Daddy listening.”
“Daddy, are you listening?”
“I have all this under control.”
“You are one good script away from success.”
“And we start with a good chorus.”
“I have been there.”
“We are good people.”

“We all are.”
“The long game.”
“What did they cut off?”
“They cut off his nose to spite his face.”
“Damn!”
“I can make you a star.”
“I do not make promises.”
“How do I know this is really my son?”
“Does that look like a finger?”
“That looks like some finger that you pulled off a cadaver.”
“This is where it gets really fun.”
“Save that finger. We can use it.”
“This guy was here one night. And he was so fucking obnoxious. He would not shut his mouth. He was treating all the women terribly. And throwing around his credit card. Some people actually loved him.”
“Where did you find him?”
“The kidnaper?”
“I put out an ad on Craigslist.”
“What did it say? Kidnaper wanted.”
“Roofer wanted.”
“Grave digger wanted.”
“Singer wanted.”
“Good liar wanted.”
“It don’t get any better than that.”
“Is the guy a good shot?”
“He does not have to be.”
“I cannot do a thing.”
“That is all that matters for me.”
“That is what he said before he got pinched.”
“Where are you going to dump the body?”
“We are going to let him go.”
“We rough him up, and we get more money.”
“How long can we keep this going?”
“That means everything.”
“Then I feel over it all.”
“We can close shop.”
“Was the shop ever open?”
“What are you asking me?”
“What is in there?”
“The really good stuff.”
“Shut him up. He is so loud.”
“You do not want to hurt him.”
“Can I just be alone for a while?”

“Nothing will change.”
“You will forget it all anyway.”
“You are shooting chickens.”
“That is more publicity.”
“You go at him.”
“You get out while you can.”
“Another talentless mother fucker.”
“Off with his head.”
“Blake, no one much likes you.”
“Did you do this while I was not looking?”
“There was nothing here.”
“Send him home in a box.”
“They will trace the body.”
“How do they do that?”
“There will be evidence.”
“This is someone else’s show.”
“Where does this start?”
“Hide him away while you can.”
“He tried to make friends with his kidnapers.”
“How did that work?”
“They did not take the gag off.”
“Wasn’t he paying them?”
“Did they even know?”
“He promised to give me waffles.”
“That is reason enough to get rid of him.”
“Put in your sinner reservation.”
“Someone is watching out for you.”
“He will get to you tomorrow.”
“Don’t make fun.”
“No one is trying to be nice to you.”
“One punch.”
“Be nice.”
“Let him go now.”
“We have not even discussed money.”
“What kind of cut do I get?”
“Everything that I do not keep for myself.”
“If we kill you now, no one will even care.”
“And that works for you.”
“He knocks down doors.”
“What do I need to do if I want to leave?”
“Develop a sense of self-importance.”
“What do you imagine?”
“I do not want to think.”

“This is not fantasy.”
“I get it for real.”
“Great job stud.”
“They are going to cut you in pieces.”
“Scatter me all over the city.”
“This is no longer worth it.”
“Cut him up in little pieces, and send him back to his daddy.”
“What do you need to work with?”
“It is not what it seems to be.”
“I was sure that we were much further along.”
“Then I needed to leave.”
“This guy was this arrogant fuck. And he was running his mouth. He would not stop.”
“So someone just got pissed and took him somewhere.”
“It might hae happened like that.”
“His father was contacted by someone who wanted money.”
“Give me a pose.”
“Do you need to fall to know.”
“They are going to beat the fuck out of that kid.”
“Give me what I need.”
“What more do you have left?”
“I am right in the middle of the shit.”
“Deep inside.”
“What do I understand?”
“Where does this end up?”
“A better world.”
“What is in there?”
“I assume something.”
“Do you know what I am giving away.”
“All my lies.”
“He wants to be in the story.”
“Was he in the trunk for a couple of days.”
“How did he survive?”
“He is going to spend some time in a hospital. Then more time in physical rehab.”
“They do not even suspect him at all.”
“He did the script.”
“He went to film school.”
“That is bull shit.”
“I want that same feel.”
“I cannot get myself together.”
“Get it together.”
“Borrow shit.”
“This is what I live for.”
“True romance.”

“I know what this is about.”
“You never brought back what I needed to survive.”
“That one guy had no idea that I set this up. And he was roughing me up.”
“This kept getting weirder.”
“I need someone to hurt.”
“That is what he kept saying. Sometimes, I needed to remind myself that I was doing all this for a reason.”
“Someone hates you.”
“Someone truly loves me.”
“I am not going to be able to make it out of here.”
“That could be a love story.”
“And you get your revenge.”
“I was doing this to myself.”
“What happens next?”
“You are brilliant.”
“Turn on the bright lights.”
“Do you want to give a press conference.”
“What is going on over there?”
“Come to see me.”
“That is the guy who you are going out.”
“That guy is a real creep.”
“He got himself kidnaped.”
“Daddy paid.”
“This only gets worse.”
“Who else is working at this?”
“You could break from the shit.”
“He sells stock.”
“He finds trends.”
“What is new?”
“Does that work?”
“I walk on water.”
“You missed the most important thing.”
“That is all beyond me.”
“The wheels came off the vehicle.”
“There is such a difference in class.”
“He is a monster.”
“I could buy you, motherfucker.”
“And I could stuff you in a trunk.”
“The last play.”
“Where have you been all my life?”
“In a trunk.”
“You come out of it all full of lip.”
“Where have you been hiding?”

“With the fishes.”
“Be good to people.”
“This could turn into something.”
“Massive.”
“This needs to get done.”
“And you let others fill in for your personality.”
“You are some kind of expert because you have spent a night in the trunk of a car.”
“Two nights.”
“Did it get hot in there?”
“That is more than a little tasty.”
“Force yourself to respond.”
“I am taking care of her.”
“Come out of character.”
“You were breaking heads.”
“Adopt her.”
“He cannot give it to you.”
“They read from a script and pretend.”
“When things get rough, pull out your credit card.”
“There is nothing there.”
“She can play the role.”
“Keep looking.”
“You have all the game pieces.”
“And this will take forever.”
“I am on top of everything.”
“He never understood.”
“What is he doing?”
“What are you doing?”
“Flipping the script.”
“The car pulls a flat, and he is in the fucking trunk.”
“How do you get him out?”
“Pray that a cop does not show up.”
“What do you want to see?”
“I will give you all the answers that you need.”
“Who did the plumbing job.”
“That is some kind of code.”
“And you need to explain the joke.”
“You are still here.”
“I check in.”
“He does everything for me.”
“And he does nothing for anyone.”
“I know Blake.”
“Who knows much of anything?”
“You could teach me things.”

“And I could forget all kinds of shit.”
 “He is coming back.”
 “There is still a ways to go.”
 “Daddy mustn’t find out.”
 “Daddy rewards initiative.”
 “This is all good for me.”
 “She can do it all.”
 “We can all fill in.”
 “You are more real.”
 “I want someone who loves the trash.”
 “In the trunk.”
 “I am not going back in there again.”
 “This needs to look right, or your daddy will not pay.”
 “This is all on.”
 “There are places where it works better than this.”
 “He wants to dance around in a circle.”
 “I admire your guile.”
 “What does that mean?”
 “He likes to spend money.”
 “I am not involved.”
 “That is not how involvement starts.”
 “And ends.”
 “I do not hate you.”
 “Does Daddy hate you?”
 “He wants me to show initiative.”
 “How does this end up?”
 “I get some good advice.”
 “And what is the result.”
 “It all changes at midnight.”
 “What do you call good love.”
 “Not what you do.”
 “Cars.”
 “Garages.”
 “Trash.”
 “What is in there?”
 “Not what I am hoping for.”
 “Hold your head up.”
 This guy went off at the press conference.
 “That is all that you think about”
 “The Director wants to talk to you.”
 “I did not cause my own kidnaping.”
 “Who wants to know?”
 “You are all that I care about.”

“What qualifies as a conflict?”
“Sign here.”
“Do you want to see this?”
“Did you feel that they were going to kill you?”
“I prayed.”
“There is not a spiritual bone in that sick assed body of yours.”
“None of that ever works.”
“Where is she?”
“Are you going to celebrate now that you are out?”
“You see the trash.”
“We are all very different.”
“Very.”
“Do you want to come clubbing with me?”
“You just got freed from your kidnapers.”
“I want to mess with some new people.”
“That will work for a night or two.”
“Thanks for the push.”
“There are some things that I need to tell you.”
“He is trying to run this show.”
“And where is the talent.”
“I could buy this place.”
“What is Daddy saying?”
