

THE SUB

“I need to watch this.”

“This is what we watch before the confession.”

“I don’t have to go too far.”

“You need to find delight.”

“This is easier than you know.”

“How did he get this far?”

“Get rid of the shit.”

“I could have quit early.”

“You cannot quit at all.”

“There is more than that.”

“There is no real chaos here. People willingly surrender to bull shit. All the music is prefab. People pretend that they are rebels, but they are total conformists. The one moment of self-realization leads to bitterness.”

“I take what I want.”

“What are you really looking for?”

“Something no one can give me.”

“Something that you cannot get on your own.”

“I am a genius.”

“Without context.”

“Raise yourself from the dead.”

“Do not taunt me.”

“And this is your life.”

“You have swallowed your young.”

“There is a resurrection model.”

“And that lasts a lifetime.”

“This is the fun part.”

“They all their eyes on you.”

“Who are you again?”

“That is the worst.”

“Read this script.”

“Show more feeling.”

“I am afraid.”

“Smile back.”

“Who will come out of the darkness?”

“Rels, you are up.”

“I am in the middle of a better dream.”

“That is everything that you have ever wanted.”

“I need to do this on my own.”

“All your own.”

“I am back where I started.”

“Use the trash.”

“Now, we get to the real shit.”
“The ghost behind the ghost.”
“That is so fucked.”
“I do not pretend to be all here.”
“Pretend.”
“We are in the final period.”
“They always say that.”
“Toss me some crumbs.”
“What is the next step?”
“Who do you love?”
“I caught that.”
“What have you been through?”
“This is genius.”
“He showed them.”
“That is the metric.”
“How does it get manipulated in a force field?”
“Let them know.”
“Know what?”
“You do not have a clue.”
“I am going to jail for this.”
“Who is doing what to whom?”
“He can get away with that.”
“Give me a hug.”
“Give me blood.”
“You can try again.”
“I do not want to move.”
“I will be stateside soon.”
“You just discovered that.”
“You accept this.”
“We play king maker at the last minute.”
“He gives you all the credit.”
“She runs the moment.”
“Does it last?”
“Janelle?”
“She had it good.”
“Our love is just as frivolous.”
“Let the world know.”
“This shade tree mechanic is banging me in my apartment.”
“I want to present a more favorable picture.”
“This is the worst.”
“Why do you come here?”
“For that one person, who says what the fuck.”
“Give it all to me.”

“Is that all that it takes.”
 “As long as he does not take.”
 “I keep raising the ante.”
 “Am I worth it? Do you want to play?”
 “What about the guy wandering around playing with himself?”
 “He gets thrown out.”
 “He works with a metaphor.”
 “I am not looking.”
 “It would be all the same.”
 “Jump out.”
 “A few moments when it all made sense.”
 “It would.”
 “She has attracted a team.”
 “And they continue to flatter.”
 “Who has this?”
 “He used me.”
 “I used him.”
 “Who the fuck are you?”
 “I am good.”
 “The world loves me.”
 “They want one thing.”
 “She is gone for good.”
 “When do you realize that you need to leave?”
 “I get more done.”
 “I am back to the same damn thing.”
 “And that is all that it takes to get balance.”
 “There is so much that is out of kilter.”
 “Can you exchange it for something more lasting?”
 “They are all hiding in a corner pretending that they get it.”
 “The pretend music.”
 “You are already beyond that.”
 “No skills.”
 “I spent a lot to realize that.”
 “Reach out.”
 “You still have all that work to do.”
 “We need other ways to do this.”
 “This stamp of authenticity.”
 “She is not even part of the show.”
 “What are you looking for?”
 “A certificate.”
 ”Are you using me to help to protect your interests? And you will toss me out in a few days?”
 “You really have nothing else there.”

“You are good with the accounts.”
“This is how you make a million.”
“Do you remember me?”
“In a night.”
“You are not going to ask.”
“You have one thing, and they know it.”
“They do not ask you to do the hard tasks.”
“There are no hard tasks.”
“I am going to have to break some eggs.”
“Walk away.”
“Be a genius.”
“That has no effect on me.”
“I am suitably scandalized.”
“I do not know what got into me.”
“Do you know what I want to do?”
“A direct hit.”
“I could make a mistake.”
“I am powerful tonight.”
“Roselaine gave you the moment.”
“I need another tool.”
“Use this.”
“This is so bad.”
“Listen to the intent in the content.”
“You will be home sooner than you know.”
“Make these last few minutes last.”
“Life and death.”
“I feel like an insect.”
“Do not look me in the eye!”
“I am not looking at you.”
“And you pretend that you are on to something.”
“No one cares.”
“No one cares.”
“If they could, they would fucking tell you off.”
“You are creepy.”
“You have no idea.”
“Raise me from the dead.”
“Honestly, he cannot know.”
“He knows about labor.”
“They all want to be the boss.”
“Do not interrupt.”
“Did he interrupt your development.”
“Is this only for now?”
“That is even worse.”

“She is moving her head up and down.”
“And down.”
“Tragedy.”
“Nothing is learned.”
“That is impossible.”
“More of that.”
“Second hand knowledge.”
“I do not have to live it. I only pretend.”
“No one cares about you, sweetheart.”
“The mourner does.”
“I hope that was not him.”
“It could have been.”
“He might as well have stayed at home.”
“One side to the other.”
“This is a high-powered version of that.”
“I gambled.”
“Arrive when you arrive.”
“Those who accept this.”
“And nothing changes.”
“You could do it.”
“I have someone who can explain it.”
“Why are you letting her stay in there?”
“She is about to win.”
“That is all that you can do.”
“Does anyone think this is good?”
“Do not join in.”
“This is all that you have.”
“Do you own this place?”
“Look in my eyes. Do you think I would allow this shitty music if I owned this place?
Someone needs to free the animals.”
“I am trying to understand.”
“WAIT!”
“I am back at the same place.”
“The genius musician.”
“Magician.”
“Should I look?”
“It is you.”
“Toss it away.”
“This is the government shit.”
“The stuff I need.”
“The free car.”
“I am going to jail for this.”
“Sleep in the car.”

“Are we pals?”
“Killers three.”
“This will get better.”
“There is no redemption for this.”
“This is not revenge.”
“That was her thing.”
“I do not know who wants what.”
“I really want shit.”
“And this is all you get for investing all that money in the real estate deal.”
“Everyone finds that educational.”
“What are you looking at?”
“My world is falling apart in my hands, and someone catching me.”
“Catch.”
“JOIN ON IN.”
“I do not want to think that it is that easy.”
“I got supplied.”
“Just enough posing”
“Not enough of a let down for a build up.”
“This was once something that I needed.”
“Where does this go?”
“I say what needs to be said.”
“And that changes anything?”
“It lasts for a while.”
“They love me.”
“And I need to work one more day.”
“At this job.”
“You took me away from the only thing that I truly loved.”
“We reset.”
“This is my life.”
“My real shitty life.”
“Should I look?”
“Look all that you want.”
“Don’t touch.”
“The cash does it.”
“How is that?”
“There are babies working in the mines.”
“That is their form of liberation.”
“If you think that.”
“Will he ever discover?”
“Damn!”
“I meant the driver.”
“He is holding in place.”
“You have created a self, who can never truly know because they all know for you.”

“Why didn’t it work.”
“I felt that I could get further out.”
“And you did.”
“Where is that headed?”
“I have a better story.”
“What can you do ?”
“One more mistake, and that is your everything.”
“The vehicle is taking me back.”
“I have lasted to this point.”
“They are going to use this against you.”
“I am an expert.”
“I practice.”
“You are going to have a recital.”
“They all love you.”
“I am so invested in it that I can never have a moment that is outside.”
“That is why you need to leave so quickly.”
“You will never escape from your sponsor.”
“Who is running this show?”
“We can finish it.”
“Leave it for another night.”
“Do a little at a time.”
“Do more than you know.”
“Claim a politics.”
“What is the mechanism when you are only a spectator?”
“We need to go.”
“As it always works out.”
“Can you take a stand?”
“Stare.”
“Dwell.”
“Appear in the night.”
“She suffered whiplash on that one.”
“I am going to have to go a lot deeper than that.”
“The peacocks fight each other.”
“This is getting good.”
“Take a bow.”
“This is more than happenstance.”
She wouldn’t stop looking at the camera.
“We are leaving.”
“He wants to run this.”
“Give him majority ownership.”
“Janelle wants to run the show.”
“None of them can know.”
“This guy is the worst.”

“And you think that this matters.”
“DAMAGE.”
“DOMMAGE.”
“The dog in the manger.”
“Go for it.”
“And you have it figure out.”
“That is worse than bad.”
“This is the decline of liberalism.”
“Even our allies will do us in.”
“Who is in the wings?”
“The eagles.”
“Will E.”
“There is enough resemblance for me to think that it matters.”
“Did you get over the whiplash of history.”
“Which side are you on?”
“The one who is laboring.”
“The one who is not you.”
“The one with words.”
“Is this a competition?”
“I did not mean to kiss you.”
“I did not mean to kill you.”
“Shit.”
“This is too far along.”
“And you arrived.”
“It is already part of the story.”
“What is the flip side?”
“Someone expecting an explanation. :”
“This far along.”
“You were part of this.”
“I am crazy, but I am not psycho.”
“The world made me this way.”
There is nothing left for you.”
“Get me a sandwich.”
“Chew it for me.”
“I am not helpless.”
“We need to speed this up.”
“The production thing.”
“You do it for me.”
“Then more we.”
“What else can you do?”
“I can add the water.”
“You will need soap.”
“That is some kind of explosive.”

“Do not ask for what they cannot give you.”
“The four acres.”
“What good is that?”
“This is the power move.”
“Stop it while you can.”
“I am selling shit.”
“That is deep in my head.”
“Currency exchange.”
“What is safe?”
“Something backed with steel.”
“Rice.”
“Wheat.”
“The transformation of the world.”
“Where does this end up?”
“They melt all the gold.”
“The giant cow.”
“Worship central.”
“How can you switch cows in midstream?”
“Listen to the cow.”
“Shut up.”
“How far will you go?”
“I am a guerilla in some random jungle.”
“He used to talk about that shit all the time.”
“This country is like this.”
“They drop you in some random place, and they tell you to kill.”
“Kill, kill, kill.”
“Mother knows best.”
“Take some aspirin.”
“There are too many windows.”
“This did not start with a script.”
“I cannot keep up.”
“That works in its onw way.”
“Everyone does some one thing well.”
“You are desperate.”
“He is good at this.”
“They all are.”
“You have your own crew.”
“You culture.”
“You only need a script.”
“This is so evil.”
“Give them all the same name.”
“There are two styles.”
“On and off.”

“What are you doing?”
“Admitting to my nature.”
“They put you in some random place.”
“You all figure it out.”
“I am looking for a real expert.”
“How long does any of that shit work?”
“I have been doing this all night long.”
“We get home, and I ask if this is human nature or the nature of humans.”
“This is all revved up.”
“What is he taking?”
“There is nothing more to say.”
“Those are the only elements that I need.”
“You start off with the signs. And they lead you to the savior.”
“The right savior.”
“We are determining that.”
“Then he says game over.”
“Game over.”
“That is so tragic.”
“And that is enough to keep you turned on.”
“There is noise coming from inside the cave.”
“You are going to complete the story in your own way.”
“What do I need?”
“Turn it up.”
“You will hear nothing else.”
“I am good at making you laugh.”
“That is all that I need.”
“It finally makes sense.”
“That is all that ever mattered.”
“I could try that.”
“None of this will be resolved.”
“Do not try too hard.”
“A bigger cow.”
“Do not ask for something that cannot be done on its own.”
“And that is all that there is.”
“Return to clean up everything.”
“You need to ask.”
“Why worship?”
“Does it reveal something that you do not have?”
“I did not claim that I would be able to solve the idol problem.”
“What would be wrong if you left now?”
“There would be another idol.”
“One is the right one.”
“That is the real question.”

“It is not whether it is the right question. Will there be an opportunity to ask it?”

“I wish that it would be a little easier for me.”

“We could make a deal.”

“What would be the result?”

“I need to make a chart.”

“Who else is here?”

“They announce the arrival.”

“There is this prophet.”

“I like what I’ve got.”

“What do you really want?”

“Is this a sign or a symbol?”

“There is a real connection or an implied one.”

“What hold the belief in place?”

“You believe in something that you cannot see.”

“How does that work?”

“I talk to the animals.”

“The Lord answers.”

“The golden calf stands for something behind the golden calf.”

“The corporation.”

“Can you taste it.”

“You taste it, but you do not eat.”
