

THREE RINGS

“Why do they seem so damaged?”
“It is some kind of ritual.”
“You really made a bad mistake.”
“There will be no kind of resolution.”
“We talk about it.”
“This is not a circus.”
“He is putting me on display.”
“I want to know that this works.”
“I want to know that I work.”
“I have been exlied.”
“What does he like?”
“The pretense.”
“They all do.”
“Can you even hear it?”
“Look in to my eyes.”
“Perhaps, you are taking this the rightway.”
“I am not drinking.”
“They make him work for those ten minutes.”
“The silence.”
“You are going to have to run the race.”
“If it looks like a duck, make it waddle.”
“It is your turn!”
“Superstar.”
“What is my money?”
“In the bank.”
“That is not going to work.”
“Special schools.”
“I know.”
“Finish it for me.”
“I am back at my apartment.”
“Who else is there for you?”
“I am going through all these resumes.”
“And you hav not found an asisstant..”
“I have found some terrible shit.”
“What about?”
“And that works.”
“You need to make the move.”
“And I am here to finish it off by myself.”
“Someone loves me somewhere.”
“That is humanity.”
“The pain.”

“It is yours.”
“Chew on this gum.”
“What is it?”
“Pain relief.”
“I had billions.”
“My husband lost it all.”
“What did he leave you/?”
“He gambled.”
“I know what you did.”
“Give the rest to the foundation.”
“That hurts.”
“That hurts.”
“No relief.”
“You could finish it for me.”
“Is anyone listening.”
“The impressionable people.”
“Can I add the bull shit and make it mean something incredible.”
“You need to be selective.”
“I have already seen that.”
“Not going anywhere.”
“I am going to dream about that all night.”
“You could come to some bkind of political awareness.”
“I do not fucking care.”
“We are going to redo the body.”
“That will not work for me.”
“How is that?”
“I am not next gen.”
“I have a guide.”
“We are friends.”
“I heard about you.”
“There is a line around the block.”
“I have tickets.”
“You cannot reserve something like this.”
“Can you even tell?”
“What did I tell you?”
“Did I ever tell you?”
“You were going to send me what you had.”
“I lost track.”
“He has no idea.”
“I cannot hold myself together.”
“I need to vacate the space.”
“Stay awake.”
“When did you ever have it good?”

“That is what we wonder.”
“There is not much more to this.”
“Who do you persccute?”
“The penguins.”
“What is that about?”
“Be nicer.”
“I saw you.”
“He really would.”
“I am the perfect target.”
“Why did you quit?”
“I was sure that you were much further along.”
“I got things started, and I had to quit early.”
“Tell me the truth.”
“What would that involve?”
“Detailing your menu for the last week.”
“Can I order a la carte.”
“Things are getting crazy.”
“All included for a fixed price.”
“We all quit.”
“You were told to stay away.”
“You have not idea.”
“These are things that we tolerate.”
“Me stumbling around all the time.”
“Do you want to go shopping?”
“I cannot get ahead.”
“You are going to come through at the wrong time.”
“And then what?”
“This is not a gunplay book.”
“What is it?”
“Cooler heads prevail.”
“Who put shit in my food?”
“We expose the plot.”
“The polite.”
“We continue tomorrow.”
“What does this have to do with anything?”
“I cannot let go.”
“Then she started to reveal.”
“Were these things that you did or things that you had done to yourself?”
“Is this a prison situation?”
“More of a care facility.”
“I am not getting the care that I need.”
“What would qualify as real care?”
“The meals.”

“The revelation.”
“I care.”
“You care a lot too.”
“You are carving me up.”
“What is that really about?”
“I do not enjoy that at all.”
“I have been saving all night to tell you.”
“Spit it out.”
“I am not going to wait all night.”
“I am sure that you are game.”
“I am convinced that you are.”
“I do not want to do anything anymore. It is that simple.”
“What is really going on here?”
“You are playing with fire?”
“We need to quit using trite metaphors to describe our lives.”
“It is so much worse than that.”
“Can I get you to look me in the eye?”
“If you did better work?”
“I have one chance to get it perfect.”
“Try as you may.”
“You have no idea.”
“You have no idea.”
“You have no idea.”
“I will get this perfect.”
“Another operation.”
“I do not want to cut.”
“What did you eat?”
“What is that about?”
“I get here home. And I use my words on her.”
“That could have been me.”
“And you could have fucked up.”
“Better to have love and lost.”
“You are all lost.”
“I am working on this at hime.”
“Your kids love you.”
“There are no kids.”
“He found me.”
“And that is that.”
“That is that.”
“Brad.”
“That is that.”
“THAT!”
“Are you ever going to make it out of here?”

“Demographics.”
“Someone who gets what I am doing.”
“How does that work?”
“I prepared for this.”
“Bone graft.”
“More than that.”
“What then.”
“It is biology.”
“There is a lot of time left.”
“It keeps getting closer.”
“We do not even talk”
“Here is the real shit.”
“Life or death.”
“I am not some kind of adenaline junkie.”
“This is not one of those nights.”
“You take my breath away.”
“The same every time.”
“I want to know.”
“I can only give so much of myself.”
“Who can give more?”
“Sacrifice.”
“You took out the only thing that mattered?”
“The flour.”
“Papier-mache hearts.”
“What do I need to do to prove myself?”
“Eat the burger.”
“Where did you take that?”
“That is when it all makes sense.”
“I want to get a trophy.”
“This is a test.”
“Rels is the best.”
“Is this a contest?”
“Is there another version of this shit?”
“You made it to the top.”
“Are you teasing me”
“Polizei.”
“What is that about?”
“INVASION FORCE ONE.”
“Where is that headed?”
“Check to see what you need.”
“We have different goals.”
“That works for me.”
“You use to have plans.”

“Are you looking at my plans?”
“I could make you into something.”
“More ritual shit.”
“I do not like the odds.”
“The principal needs to talk to you.”
“Will we ever talk about American international policy?”
“You are fucking things up?”
“I told you that I loved you.”
“When was that?”
“They are all waiting for you.”
“You are getting ready for some bad shit.”
“Time served.”
“What is the actual sentence?”
“If you ate all that shit, you would not have to carry around.”
“He is good.”
“He is too.”
“I am back for more.”
“I need something to stare at while I pass the time.”
“I am more than a little pissed.”
“I prepared.”
“I could not find that perfect emotion.”
“Invite me.”
“Disinvite me.”
“You needed to work on this longer.”
“How long should it last?”
“What is missing from the picture?”
“Ask him.”
“ASK YOURSELF!”
“What would it mean to dominate things?”
“I have confidence in myself.”
“She descends.”
“And I get distracted from what I need to do.”
“Add is all up.”
“I am going to live in the moment.”
“It is not your moment.”
“We are working on some radical shit.”
“What else is on the plate?”
“This will clean you up.”
“Who trusts you?”
“Everyone.”
“Where have you been?”
“Hiding under a rock.”
“Is that Biblical?”

“You have no idea what I am talking about.”
“Someone gets it.”
“The rock moves.”
“She is so daffy, she has no idea what is happening.”
“Do you care enough to be here?”
“I want to share my opinion.”
“I am here.”
“And that is all that I ever wanted.”
“To get away.”
“You are away.”
“Far gone.”
“Long one.”
“Who is this?”
“You can drive back.”
“I will not get involved.”
“There is a lot more to think about.”
“The competition.”
“You get ravaged.”
“I am not going to move.”
“Daffy does not get any of this.”
“We all keep on as long as we can.”
“Who care? Who can fix a thing?”
“Why should that work for me?”
“This gets more complex.”
“We have not peeled back the layers.”
“More feeling bad about feeling bad.”
“That is the night.”
“Where did she go?”
“Where did any of them go?”
“New residency.”
“I am too far along.”
“I found the meaning.”
“One more guy.”
“What the fuck are you wearing?”
“I forget the most important thing.”
“I need to get out while I can.”
“There are two ways of seeing this.”
“I get left behind.”
“We could collaborate.”
“You are too unhappy for me.”
“So is Rels.”
“She is trying something.”
“Can I keep you company?”

“I need to blast out of here.”
“Does he have what it takes?”
“That is what I am afraid of.”
“Why did you go off on your own?”
“I can tell you things about myself.”
“You may not like that, but that is how things are.”
“I pass it around.”
“Some people may not like that.”
“I am deep in the shit.”
“When you really understand it, you do things to yourself to help you forget.”
“He came back.”
“They wanted more.”
“I wanted more.”
“From the tip of the tongue.”
“All lovely.”
“They will get to me.”
“I like what you have.”
“A better way of doing things.”
“I need you to make it work.”
“Then we close shop.”
“We close shop.”
“We are back.”
“What are you planning for?”
“I get caught up. Then I am right back in the shit.”
“We will be good in a month.”
“Will we?”
“Ask me.”
“I only want someone who is breathing.”
“It is not that busy.”
“Did they get what they wanted?”
“Lettuce.”
“Why did the record skip?”
“That is nonsense.”
“I got it started.”
“I need to stay awake.”
“This is going to change the world.”
“We need to start somewhere.”
“You can make this work for you.”
“What is the principle?”
“I want what I cannot have.”
“I want what I do not want.”
“You need to make it all perfect.”
“This is bigger than you can know.”

“We are going to free another prisoner.”
“You are trying to make it sound important.”
“He is working harder than I am.”
“Someone needs to get blood from a stone.”
“A turnip.”
“The barbecue sauce.”
“That could be a lifetime.”
“It keeps getting crazier.”
“I am heading there.”
“We will all be together.”
“I love it.”
“This is the method.”
“What is behind the veil?”
“A ritual.”
“You said that already.”
“We are going to the heart of who we are.”
“Indulgence.”
“Should I keep on with this?”
“I do not relate to anything that you tell me.”
“I keep spending money on this.”
“What did you get?”
“This was good four years ago.”
“You have no idea where this started.”
“I need to look at the references.”
“Look away.”
“That turned me on.”
“Turned me off.?”
“Did you make it up as you were going along?”
“What do you need to ask?”
“Did you sign in?”
“That is the last show that matters.”
“Is anyone listening?”
“I remember when it mattered.”
“You are an optimist.”
“I need to start over again.”
“What are you really about?”
“How do you make it all a go?”
“You have been invited.”
“I was part of the inner circle.”
“I fell off the merry go round.”
“This is work.”
“There is something more.”
“I do not see it.”

“Have the wings!”
“I think that we are working on different things.”
“What does that mean?”
“I am redeeming the hopeless.”
“You feel very smug.”
“I do not have much, but I have my dreams.”
“Where is this headed?”
“I can see things that no one else can see.”
“That is the source of the delusion.”
“I need to stay with that belief.”
“Take it for what it is.”
“I should have stayed in the capsule.”
“What do you have going on?”
“This is like a small nation here. What are all the people doing?”
“Lean on me.”
“I am thinking about so much more.”
“You caught me at a bad time.”
“What would it mean for it to be a good time?”
“I am trying my best to understand.”
“There is a standard form to fill out.”
“Do you need to declare that you are running a religion?”
“There are issues of tax status.”
“You can easily be bought off.”
“Show me how you feel.”
“Eat up.”
“That is how belief works.”
“I need a day off.”
“I do not want to hear about it.”
“Let’s be honest: there is not much to talk about.”
“I am not working.”
“Are you working for redemption?”
“What would that mean?”
“I have found all these lose souls.”
“They can help keep your empire going.”
“You give people a puprose.”
“You mess with the body.”
“You screw up the body politics.”
“There is an extra screw.”
“She ran out of here before we could have the political discussion.”
“You can only shed so many tears.”
“Do you know what the next step is?”
“That is where things get really frightening.”
“I wish that there was someone, who could really call it for what it is.”

“And that is.”

“Do not go along.”

“You have been so nice to me.”

“That is not really the basis for a belief system.”

“We could reveal it all to you.”

“It is a code.”

“We could all learn it.”

“We have to give too much of ourselves.”

“Where is this going to end up?”

“I am going to pretend.”

“You really think the world is going to change.”

“That should be my questions for you. Do you like how this goes?”

“I have enough to think about.”

“Are you creating a savior?”

“I die in your arms.”

“What did you have to do with thiw.”

“This is not a good person.”

“What happens next?”

“You leave.”

“Someone takes your place.”

“Here is you chance to act as if you are some kind of authority.”

“Authority!”
