

PARTIAL EXPOSURE

“Are you prepared for the future?”

“We all ask this question.”

“Are you prepared for what is going to come?”

“Is there a direct relationship between work expended and the quality of the art?”

“Where is all this stuff going?”

“The ER.”

“Where else could you be working?”

“You ruined my shit.”

“You could have taken your time.”

“I could close up shop now.”

“There is some good stuff on the horizon.”

“How did I end up here?”

“You were complaining about shit.”

“Should I get some bone work?”

“What are you asking?”

“What is the source of our humanity?”

“Do not leave.”

“You are selfish.”

“I am afraid.”

“Let us pretend that I am explaining it.”

“This hurts so much.”

“What is your obligation?”

“I want to pretend.”

“Tell me what you really think.”

“I am taken by own bull shit.”

“How is that?”

“I am being exposed to the rest of the world.”

“What does this have to do with me?”

“Eating becomes a performance for me.”

“I find a stage.”

“What do you think that I really wanted?”

“Blood.”

“What is really going on?”

“They are mocking you.”

“You are trying to destroy us.”

“What sare you origins?”

“What is your training?”

“There is this cultish aspect.”

“Touch the totem.”

“He gets it.”

“That isn’t all.”

“I am rearranging the parts.”
“Where does it end up?”
“Where were you?”
“At the restaurant.”
“Which one?”
“What good does that do?”
“Do you feel safe?”
“It was all second hand.”
“I did not want to go this way.”
“I live it.”
“I arrive later.”
“I can help you to make some money.”
“I am doing some time work.”
“I am afraid.”
“They are doing it for you.”
“There is a threat.”
“Do you really think that I believe that shit?”
“Keep asking.”
“Open a door.”
“I only want to eat.”
“I only want to sleep.”
“That is not the biography.”
“What else is there?”
“Have you found out where you will find the caring universe?”
“He loves himself a great deal.”
“What else is there?”
“I can do this for you.”
“Try.”
“Try away.”
“Look at these hands.”
“They are bloody.”
“I am looking for the truth.”
“What got you into this shit?”
“How secure are you?”
“I have promised things.”
“I want to participate.”
“Do you think about it?”
“I want someone who really cares for what I care about.”
“Good luck.”
“You have arrived.”
“What do you have in there?”
“My personality.”
“Don’t hit me with the brush.”

“Is that a punishment?”
“What are you afraid of?”
“That the drugs will not cover for my sense of insecurity.”
“I am selling something.”
“Do you really think that someone wants to live with your shit?”
“You tell me.”
“Encapsulate it.”
“This could be different.”
“They all have one dream.”
“And what do you have?”
“A world in tatters.”
“I got out of this.”
“Now, I am deep inside.”
“Sacrifice leads to the sacred.”
“You are acting tough.”
“I am a tough version of the same.”
“You don’t have to be like this.”
“Are you telling me that I can improve things without making any effort?”
“Don’t think that I haven’t tried.”
“I would need something more to share.”
“All the dreams fade.”
“And you are back in the same place.”
“What is even possible?”
“If someone else listened to our conversation, why would they even care?”
“You can home school your kids in a garage.”
“She wonders about simple things.”
“How do I stop?”
“This is the deep shit.”
“The self-centered--can’t leave the house shit.”
“Be like me.”
“I am like you.”
“Can I read what you are writing?”
“No, you cannot.”
“I needed to tell myself to settle down.”
“And what is the final result?”
“We have a reunion.”
“Fun time.”
“This brought me here.”
“I am back in Charleston, West Virginia.”
“What do you do here?”
“I only need to make it out of this.”
“Be my bank.”
“Be my bandit.”

“How is that supposed to go?”
“We are pretending.”
“This is real.”
“You live beyond your means.”
“That is not what you told me.”
“Give me everything that you have.”
“The wilder West.”
“What is wilder than that?”
“I was there today.”
“The body does that for all of us.”
“And what do you do?”
“I am so deep in this.”
“Let’s see if we can get the money.”
“Someone turned on the AC.”
“In January?”
“In March?”
“This goes wild.”
“That is all that I care about.”
“We all believed it.”
“Go with it.”
“No one knows.”
“The writer breaks it down.”
“To what?”
“What else are you going to do with your time?”
“Some crazy stuff is going to happen.”
“So much can happen in one night.”
“This is stage one.”
“The belief.”
“I have already got over the humiliation.”
“Come on in.”
“We all love you.”
“Is something missing?”
“You have no idea.”
“Keep talking.”
“About what?”
“The situation in the world.”
“Which side am I on?”
“The one that makes great vodka.”
“Bread for the masses.”
“What is the source of rebellion?”
“You want more than bread.”
“I am accepting this.”
“How do you get that sound?”

“Accept it.”

“This is more than it is.”

“Look at me.”

“Look at me, mother.”

“I messed with you.”

“How much longer?”

“I am all jacked up.”

“So is everyone.”

“Get what you need.”

“It is going to blow.”

“You really would do this kind of thing.”

“I am not that aggressive.”

“What is working for you?”

“Smart ass.”

“There is a power failure.”

“It is getting tight.”

“Did you poison me?”

“What are you doing to yourself?”

“That is the beginning of the story.”

“It is coming out of me all at once.”

“Who are you?”

“What are you defending?”

“What do you want to add?”

“And it is going to get more comfortable.”

“Someone feels very comfortable.”

“I was cured.”

“The faith healers are doing well.”

“What is at the bottom?”

“Who is at the bottom?”

“I am rolling in the dirt.”

“This is a teaching moment.”

“The redeemed.”

“The eminently comfortable who are protecting their position. They are not really making much of anything. But they are protecting everything that remains.”

“The holy transaction.”

“I paid for my drink.”

“I brought it to you.”

“I paid.”

“We need to get you out of here. Put you in a car.”

“This went a lot longer than I expected.”

“We cannot love each other.”

“There is a quarrel.”

“I am a good guy.”

“With very bad consequences.”
“You did that to me.”
“You were trying to tell me something.”
“It is for the atmosphere.”
“What kind of atmosphere are you looking for?”
“What are the alternatives?”
“I need to stay the evening.”
“I need a place to crash.”
“They wanted to get ahead of the curve.”
“They crashed into the median.”
“I am dealing with the breakdown of the immune system.”
“I am doing better than I did last year.”
“And you want to tell the world what to do.”
“I don’t want to wait that long.”
“Someone is working with me.”
“You are not begging in the street.”
“What if you were?”
“I am waiting for the next stage in human development.”
“Do you see the difference?”
“I am going to take the master bedroom.”
“Things are going to get pretty unstable.”
“We are all listening well.”
“What is happening here?”
“This has been going on for a million years.”
“What is the resolution?”
“You are casual.”
“This is the consequence of only caring so much.”
“What more can I do?”
“Do you want me to work on answering the question for you?”
“I get it.”
“You are narrating your life again.”
“This is a work thing.”
“I identify.”
“The movie.”
“Show me what you have.”
“Are you calling my hand?”
“I did not think that I was paying.”
“We both gambled.”
“I need to go off the rails.”
“Who is driving me to the convention?”
“What is that about?”
“You are both looking for an excuse to go off on the world.”
“Saints.”

“I am raising the dead.”
 “I am feeding the living.”
 “Are you waiting for someone to look you in the eye?”
 “We care.”
 “Are you working hard?”
 “Harder than you know.”
 “Every day brings new questions.”
 “Human services.”
 “We all do it.”
 “You have done it time and time again.”
 “Tempest has something to say.”
 “It is pain not suffering.”
 “What does that mean?”
 “Everything leads to greater pleasure.”
 “The cruelty underground.”
 “You do not even realize what are your crimes?”
 “You cannot make this stuff up.”
 “We are much further along.”
 “Are you dressed for the occasion?”
 “There is advancement at the job.”
 “What do you want to ask?”
 “What happened in Reno?”
 “This is not that story.”
 “What story is it?”
 “I am immune.”
 “It will hit me when I get home.”
 “Your cat rules the roost.”
 “What does that say?”
 “Someone ate something that she shouldn’t have.”
 “That would have been perfect.”
 “You interrupted.”
 “I did not like the atmosphere.”
 “There is something wrong with you.”
 “I am at a loss. I thought that I could provide a more critical eye to what is happening around us.”
 “That is fucking with my head.”
 “Are you coming back?”
 “This is supposed to be dramatic.”
 “What did you do today?”
 “I woke up.”
 “And how does it look?”
 “Much better.”
 “Do you have anything else in you?”

“She spent a lot of time working on this.”
“This did mean something to me.”
“How were you able to save?”
“Things really took a bad turn.”
“I am at a stalemate.”
“This will come back to you.”
“Taking much longer than I th”ought.”
“That is why there is a story.”
“Take it.”
“There are options.”
“I feel as if you are pressuring me.”
“I want it to work itself out naturally.”
“They are pushing buttons.”
“I am glad that makes a difference.”
“They are picking people up and putting them in a bus.”
“Where are they ending up?”
“The ranch.”
“Another ranch story.”
“And you come back to same place.”
“This is admiration for something that you can never hold in your hand.”
“THIS IS THE FORCE.”
“No one has any social awareness. It is all the here and now.”
“Then I realized that I was going to get sick.”
“Who is not here?”
“I need to call in.”
“I need to take some time off.”
“I do not want it to end like this.”
“He is not here.”
“He is not here anymore.”
“This could be a sort of requiem.”
“He has the keys.”
“He has them too,”
“That is all that there is to the story.”
“Are they happy?”
“They have deeper beliefs.”
“They have greater disappointments.”
“That is all that matters.”
“You have everything but the one thing that you need.”
“My memory is great.”
“I could get you thinking about this.”
“What makes it a go?”
“How long did it take to make yourself like this.”
“I go a lot deeper than you know.”

“You have no idea where this is going.”
“I am doing the numbers.”
“The children’s hour.”
“I am here.”
“If only there was a system of belief, that would make all this come together.”
“Mother, I am home.”
“You need to ask.”
“I have been waiting for this.”
“Lock the door.”
“I trained for this.”
“Where else do you want to go?”
“That is beautiful.”
“I need to figure something else.”
“What do you want to ask me?”
“It just takes a little effort.”
“I give it all at work.”
“You need to give a little more of yourself.”
“I am so close.”
We are running out of time.”
“Do not interfere.”
“How long have you been doing thiws?”
“I hoped that you could sort it out.”
“Security.”
“We will get inside.”
“All the outside is way outside.”
“Could I have made it any easier?”
“You arrived in the nick of time.”
“Can we figure out who you are by putting together your story?”
“This is a different kind of showing off.”
“I don’t want to do this anymore.”
“These are things that happen to me.”
“That is not this story.”
“What is going on in the world?”
“Turn on the news.”
“The propaganda machine.”
“You are an artist.”
“This is what you are looking for.”
“I have this weird feeling.”
“And this weirder feeling.”
“Rels will help me to make sense of it all.”
“You need to figure it out on your own.”
“What did you have for lunch?”
“This is not about that.”

“Now, you know how the rest of the world feels.”
“I feel so much better.”
“I need to ask a favor.”
“I KNEW THAT THIS WAS COMING.”
“I am going to come to live in your guest room.”
“It is a music room.”
“I need so much more than that.”
“What is this?”
“A book about going places.”
“Can I head out with you?”
“Same story.”
“Are you having trouble sleeping?”
“Are you daring?”
“You are going to have to run home.”
“I got here.”
“No one loves me.”
“Give it time.”
“It is love someone sometime night.”
“The shit is already in my head.”
“Keep it out there.”
“We almost came to a revelation.”
“Not a good person.”
“How do you develop a faith?”
“Do you believe in me?”
“You take it from here.”
“Were you home schooled in a climate-controlled garage?”
“The world will make it right for me.”
“No one can arrive at a religious understading.”
“I am back.”
“The black cat is running things.”
“Have another bite!”
“We have arrived.”
“You need alternatives.”
“Do not touch me.”
“You look lovely.”
“Take a breath.”
“This is the bottom of the barrel.”
“Take what you will.”
“I am delirious.”
“You are on my side.”
“I cannot wait any longer.”
“No one can.”
“Pretend that nothing is happening.”

“Drain the honey.”
“This is you.”
“The moral one of the bunch.”
“And this gets worse.”
“That makes a difference for me.”
“The revolution betrayed.”
“My personal struggle.”
“That could be my story.”
“You did it.”
“Already years later.”
“I hurt.”
“That is perfect.”
“You are dying a thousand deaths.”
“I can roll it all back.”
“This is more than nonsense.”
“A million lives.”
“Where is the redemption?”
“These are evil people.”
“What does that mean to you?”
“Who is doing this to us?”
“Why are they doing this to us?”
