

THE PASSION

“Whose story is this?”
“What is happening here?”
“I am happy to have you aboard.”
“This could not be better.”
“Cenza’s story?”
“This is more than wonderful.”
“Where does this end up?”
“We were out the door.”
“What happened?”
“This guy happened.”
“Why am I even involved.”
“Should I be looking at the page?”
“The passion of Cenza.”
“What is that?”
“What game do you know?”
“Higher states of personal awareness.”
“One more kiss.”
“Am I participating?”
“How did you get me involved?”
“I want to pretend that there is something else to your life.”
“We are going to have to operate.”
“We can do this without cutting.”
“Total belief.”
“Why do I need this?”
“Why do you need this?”
“We never got started.”
“I know where they ended up.”
“This is not a question.”
“You are going to need to stay awake.”
“I am giving too much of my time to something that I detest.”
“What do you do with the money?”
“I sleep.”
“The meteor shower.”
“I do not want to fuck up.”
“Do not say anything.”
“How did this become Cenza’s story?”
“I am not sure that it is.”
“That smile.”
“That excitement.”
“You stole my soul.”
“This is going to be competition.”

"We are after different things."
"Long game."
"Shortcake."
"How long will this take?"
"Much too long."
"Give it another hour."
"What am I looking at?"
"The world is closing in on me."
"And it all gets loose."
"Are you working?"
"I am mapping my future."
"I am telling Cenza's fortune."
"Tell mine."
"There are new toys."
"I am your new toy."
"April gave too much away."
"Take it from there."
"This is my wife."
"This is my belief."
"Take me home in a station wagon."
"I feel great."
"What are you writing?"
"The gang is here."
"That is quite a lot of effort."
"Is she gone?"
"She loved me for a while."
"I was told one thing."
"Then I heard another."
"We heard about this place."
"One week later."
"Some things are working."
"And some have messed up."
"Start early."
"What do you have htere?"
"They found what they need."
"And that is why nothing goes anywhere."
"Cenza can help."
"Lower level management."
"You are stuck here."
"I have better days."
"Cenza will show you flowers."
"He appreciates what I have."
"April's story goes deep."

“Who will follow up?”
“Not Lurleen.”
“Not April.”
“Something better.”
“Frisky.”
“I know what I really want.”
“I am going by a different name”
“I am pure desire.”
“Skin and bones.”
“What is fresh?”
“I am not going along.”
“Cenza, I am in the next room. I can hear everything.”
“Is the place wired for sound.”
“Deer in the headlights.”
“You whole life.”
“Who is driving the truck?”
“That is worse than embarrassing.”
“You tell me.”
“I need some work done on my truck.”
“You need to keep your life more under control.”
“Cenza has it down.”
“Great smile.”
“The cosmology.”
“The world picture.”
“I am afraid that someone is going to ask me.”
“Should anyone really care? Should I be bothered?”
“Don’t you want to know what I feel down deep?”
“I am afraid that I do.”
“This is more spectacle.”
“I have got this down.”
“Is this a date?”
“Cenza, hang out with me.”
“Are you finally able to escape?”
“I like people who know what they want.”
“The Brad theory.”
“That is all that there is.”
“Do not look closely.”
“Look a little more closely.”
“You fucking idiot. Where do I put things.”
“The Vince Green method.”
“You can leave, but you cannot return.”
“I try to analyze Vince Green, and you want to leave on me.”
“Cenza, you need to solve this for me.”

“If I solved it, I would be long gone.”
“What else is there?”
“What is really going on in there?”
“Can you read a script?”
“I look nothing like her.”
“You can get into her accounts.”
“Just nod.”
“Why would you let this story be about my life?”
“More people, who will never know.”
“I do not care.”
“Make it real for me.”
“What did you lose?”
“Something that I was not supposed to have.”
“More bull shit.”
“And April tells me that she is going go to analyze this.”
“Cenza, do you need some assistance.”
“I need Vince Green out of my shit.”
“Someone will destroy you.”
“I want a short cut.”
“Here it is.”
“Cenza has more joy.”
“Can I tap it?”
“We are out back.”
“I know the type.”
“You need a solution.”
“You have it.”
“Darling, you have it.”
“I am watching.”
“So is he.”
“Cenza is falling asleep.”
“This could be her story.”
“Rels is here.”
“The dogs are loose.”
“Rels, you could have solved this.”
“No one understands.”
“I do.”
“I am planning for the future.”
“I need it to happen on these days.”
“I should be out of here.”
“HERE, HERE, HERE.”
“She is long gone.”
“None of this is permanent.”
“What brought you back.”

“You cannot ask.”
“I am not asking for this.”
“I need a guide.”
“You cannot do that here.”
“I have my people.”
“Where is this headed?”
“I am polishing stones.”
“I need to risk more.”
“Hey buddy, you need to leave.”
“That is the purpose.”
“Are you my purpose?”
“We are working on this together.”
“A team.”
“That will not amount to much.”
“What are you really after?”
“I need to be more aggressive.”
“That still does not do it.”
“Keep it in the family.”
“You need to control that car of yours.”
“I want to quit while I have the chance.”
“Why is that a chance?”
“I killed the rabbit.”
“Not you.”
“Not me.”
“She will think about it.”
“She will ask.”
“She needs to ask.”
“I need a writer.”
“Please ask.”
“I am holding here.”
“He has no clue.”
“This is not about clues.”
“What is the major determinant?”
“You need to quit this.”
“What is behind the door.”
“They hate me.”
“Lane.”
“I am going to finish this.”
“Why do you hate each other.”
“This is not her story.”
“Cenza, sort this out.”
“I do not want to get my heart broken.”
“Do this on another night.”

“I want to understand the causes.”
 “Vince Green wants to know.”
 “Lurleen, this is all you doing.”
 “I want you to have fun with me.”
 “I am creating a different body.”
 “Go have fun.”
 “Hammer away.”
 “Do you want to understand.”
 “Another freak.”
 “Another one.”
 “I need to leave now.”
 “That is way over the top.”
 “Cenza, you can take me to the ends of the earth.”
 “Whoever you are, you are not giving me a chance to explain myself.”
 “You better make your claim.”
 “I do not have that much to say.”
 “Who else is here?”
 “I need to head back.”
 “I can tell that you have so much energy to share. You understand the true dynamics of the romantic heart.”
 “Do we have a conversation coming?”
 “And that is your life.”
 “Special.”
 “I love the emotions.”
 “I need to ask you one special thing.”
 “I need to shut this down.”
 “I am not here to sort it out. It is enough trouble sorting out bewilderment.”
 “Tragedy.”
 “This is a double whammy.”
 “Casual.”
 “Where are you?”
 “What does that mean?”
 “Grace under pressure.”
 “How long have you been doing this?”
 “The bank holiday.”
 “How are you even standing up.”
 “We stuffed her with bread.”
 “That is not going to absorb the alcohol.”
 “Cenza, save me.”
 “What is going on at the restaurant?”
 “Did I say that I work at a restaurant?”
 “He is going to give me what I need.”
 “The farm.”

“I still believe.”
“What is the basis?”
“Why do I even think this way?”
“Pay me.”
“This is the last episode.”
“Make it episodic.”
“Do you leave?”
“This is not Cenza.”
“Let me tell you what I do.”
“WE NEED TO TALK.”
“I better see cash on the table.”
“They have paid for all the drinks.”
“April is a mess.”
“Are you a mess, honey?”
“You do not even know me.”
“You are going to knock me out of here.”
“All your troubles.”
“Be nice.”
“There is no nice.”
“I can hear the bull shit from here.”
“Keep it going.”
“Tortured souls.”
“Only one thing will save you.”
“I took lessons.”
“I came here for just this one thing.”
“Cenza, would you be different?”
“Do I look as if I am?”
“I do not want to show my resentment.”
“Take it from here.”
“What follows?”
“I do not need words.”
“I have enough shit in my life.”
“This is the best that you can do for now.”
“That is over.”
“You planned for this.”
“Are you kidding?”
“You have no idea.”
“Do they hate me?”
“Sure, they do.”
“We are digging the bootom of the barrel.”
“Who gives me the good stuff?”
“There is no science.”
“They do not make things.”

“Sink all the ships.”
“We are way beyond you.”
“We will bury you.”
“They already have.”
“There is no sensitivity to the moment.”
“Have one for me.”
“What is left?”
“How is that going to work?”
“I want it all.”
“Are you honest?”
“He has tried to make you a springboard for the future.”
“What does that mean?”
“That is beyond me.”
“Cenza could sort it out.”
“How is this going to be any different?”
“Some Chelsea.”
“Pay her no mind.”
“What brought you back?”
“The doughnuts.”
“The canned chili.”
“This is really bad.”
“The sloppy Joes.”
“We are going deep.”
“How does that happen?”
“Clean the garage for me.”
“That is all the story.”
“You have no idea how bad it is.”
“Buddy chases rabbits and eats shit.”
“Damn.”
“We have different way of talking about this.”
“I am not here.”
“A tech loser.”
“Cut off his head.”
“Are you making things happen?”
“Do they love you?”
“They are looking out for me.”
“I will give you everything that I have.”
“Blood.”
“That does not work for me.”
“Whatever.”
“I am trying to follow.”
“This is my girl.”
“Cenza, you do not even know this guy.”

“I do not seem myself as a poet.”
“What are you doing?”
“Complete the sentence for me.”
“I will do more than that.”
“You used to do that shit.”
“I have got my life better.”
“We are all a mess.”
“I need a springboard.”
“What more is there?”
“Take me back to the bank.”
“Crazy shit.”
“Do you really like that stuff.”
“It works.”
“You are trying to service this hypothetical audience.”
“I should have never left the house.”
“Cenza, we love you.”
“They all love me.”
“Time to leave.”
“You went back to bull shit.”
“I do not understand that kind of acquiescence.”
“It is making more sense to me.”
“I really get distracted.”
“Get distracted.”
“Cenza, it is your turn.”
“Can I draw you?”
“That is not good for me.”
“I need a big favor.”
“Do this as a tribute.”
“It is time.”
“Keep talking.”
“Did he marry you yet?”
“Bad thoughts.”
“Go back to Chicago!”
“How long do I need to keep this going?”
“Why did you cut out of here?”
“You never gave me your number.”
“I am not looking for anything lasting.”
“Are we having fun yet?”
“Get rid of the guilt, and you will not worry about having fun.”
“Cenza has a lot to think about.”
“She is going to be at work late tonight.”
“This is Sunday, and tomorrow is a holiday.”
“This is where things get fun.”

“You can correct the mistakes.”
“Some kind of witch got in my car. I am hearing weird noises as I drive.”
“Why do you want to remember this?”
“I was good.”
“If it’s not good, I need to do it again.”
“Why do you need to tell me this?”
“Why are you trying to be so funny?”
“We are all part of the party.”
“Do you want to come in the dark closet with me?”
“What is going on in this place?”
“You have no idea what is really happening?”
“We are not really touching.”
“Do you really dig what I am doing?”
“We can close our eyes and pretend that we are one.”
“There is no oneness here.”
“That is why I need to get away.”
“What is this database?”
“Are you allowed to take info like this?”
“He’s another form of a cop. He is keeping tabs on all of us. But he gets pissed if we do the same to him.”
“Do you know where I can get some favors?”
“What is that really about?”
“I need you to show me what you are really about.”
“Cenza, do you think that you can keep this going?”
“I am going to need a method.”
“That smile is a method.”
“Can we take that to the bank?”
“What is the banker thinking about?”
“This is a money operation.”
“You get paid if you don’t give more of yourself.”
“Love me, or hate me.”
“What else do you have going on?”
“How many days are there in the week?”
“I am going to give you some solid soul.”
“Everyone promises a belief system. That is not really enough.”
“Is this a fair deal?”
“I am going to need more of a commitment.”
“Give me whatever you’ve got.”
“I will take it.”
“They are all clean.”
“Do I start from a clean state?”
“What is transitional?”
“Kiss me.”

“Will that connect the dots?”

“She makes me feel as if I am going to pull it all together.”

“I still stay on the outside.”

“No one cares.”

“What does the body do?”

“What can you do for me?”

“I do it all.”

“We need to plan this.”

“He cares about me.”

“Tell yourself that.”

“He cares about me.”

“April took what she could get.”

“He is cute.”

“In what world.”

“I cannot hang on.”

“Hang on.”

“This is all about destruction.”

“Tell me more about yourself.”

do.”

“We all have simple needs.”

“I want to have fun.”

“Go to it!”
