

THE WATER

“What do you want to call this?”

“Do you have the privilege of naming?”

“Do you have any idea what you are defending?”

“Will you confess?”

“When am I supposed to do something to change?”

“CAN I CONVINCING YOU TO ENROLL IN A WELLNESS PROGRAM?”

“Is this supposed to be that difficult?”

“Do you have any idea where you are?”

“A top secret site.”

“I thought that I was at a mental health facility.”

“What is your problem?”

“I have no problems.”

“That is all that I need.”

“That is what they say?”

“WHAT IS THE STRESS POINT FOR THE BRIDGE? YOU NEED TO REINFORCE THE STRUCTURE THERE.”

“What are you talking about?”

“I had this dream that I was running an architecture firm.”

“Do you do the real shit?”

“What do they need all these superfluous social services?”

“What are we going to get from this?”

“Now, I get it.”

“I have a target.”

“Your eyesight must be good.”

“You assume that she is still here.”

“We are not talking about Brice.”

“I saw a clown do this song.”

“Where do you work?”

“In a private circus.”

“What is that about?”

“I have the right parts.”

“A surgeon’s trick.”

“That is what they call it.”

“And that stuff is supposed to be good.”

“I heard the song.”

“The way is paved for success.”

“I am part of a different fight.”

“We need to excuse ourselves.”

“You’re a little too chatty. Someone needs to shut you up.”

“That is a little mean.”

“Call it for what it is.”

“I am cooking.”
 “Cook it hot.”
 “I am not going down for your shit!”
 “You’re giving me a big head.”
 “We are going to do this.”
 “We just went to the next level.”
 “I did my home work.”
 “Are you working for the organization?”
 “I am the organization.”
 “What about the Director?”
 “There are new directives.”
 “What makes it a go for you?”
 “You blew me away.”
 “We are not going to solve anything here.”
 “We just arrived at a solution.”
 “Bunny rabbit.”
 “We need more words.”
 “Like what?”
 “I’ve got it all.”
 “You cut me open, and what do you see?”
 “We need to jump on this.”
 “Do what we can.”
 “Is that enough.”
 “The force moves perpendicularly from the main action.”
 “What does that mean?”
 “Will the displacement create a new force?”
 “What is the disruption.”
 “Who knows?”
 “I know the shit.”
 “This is a collection of my texts.

- I love you!
- I truly love you!
- The power of love.
- Where is this headed?
- I am really in the shit.
- I need you.
- When are you going to show?
- Who the fuck are you?
- I am lost in the wilderness.
- I am going to drown.
- This is dangerous shit.
- Don’t drink the water!
- It can’t get better than this.

- Silent night.
- I can't go on like this.”
This was where everything got really tricky.
“You are going to need force diagrams.”
“I am doing this of my own accord.”
“Should I answer to this?”
“You have been called.”
“Are you guys in uniforms?”
“What is next?”
“I am going to catch this little shit if it's the last thing I do.”
“I should be angry.”
“Be angry.”
“It is a straight line to your demise.”
“What is left for me now?”
“These are the team shirts.”
“I love the bones.”
“What do you got you in here?”
“You think that you are bigger than the role.”
“Do what needsd to get done.”
“SHOW UP.”
“ARE YOU AFRAID TO REVEAL WHO YOU REALLY ARE?”
“THIS IS WHO I AM.”
“They loved every minute of it.”
“Who put up the money?”
“We will just pay the fine.”
“I gave up my time to bull shit.”
“What do you have there?”
“We became really good friends.”
“Make noise.”
“It is a celebration of our lives.”
“Then it turned into a totally different vibe.”
“He coughed everywhere.”
“What is the source of the infection?”
“A belief in the wrong thing.”
“Who else is involved?”
“A love thing.”
“What are you going to teach me?”
“How to love myself.”
“How to love success.”
“I cannot move fast enough.”
“I just saw that.”
“How do you change that?”
“HOW DO YOU CHANGE THAT?”

“I used to be fantastic at this.”
“Tomorrow is the day.”
“The day.”
“Another day.”
“You injured someone.”
“That was not my fault.”
“It was worse than that.”
“It is inside me.”
“Who the fuck is going to help me?”
“I am talking about all the shit that I am going through.”
“Nothing more important will happen.”
“My life is important shit.”
“This is all about belief.”
“Enjoy it for what it is.”
“A big turn on.”
“Total living in the moment.”
“You could make extra cash.”
“Doing what.”
“Total personal involvement.”
“How does that work?”
“Smile, and do not move.”
“How does that even work?”
“I show up.”
“I want to survive.”
“What kind of body is that?”
“We have other parts.”
“The breathing part.”
“I cannot care anymore.”
“We are going somewhere.”
“Then we are coming back to the beginning.”
“You stole this shit from me.”
“The roll of the dice.”
“There was some trust here.”
“What happens after that?”
“Why do you need me?”
“WHY DO YOU NEED ME?”
“I am breathing.”
“Then you went down.”
“Take this.”
“You are worrying about your opinion too much.”
“There is some science.”
“And she knows it.”
“He is calling you.”

“I know that.”
“That says it all.”
“I am way over that.”
“Over that.”
“Who is paying?”
“Fifty dollars.”
“More than that.”
“I thought that you were working together.”
“We were.”
“I was called.”
“They all were.”
“He has that for me.”
“There almost was a story.”
“I do not understand.”
“This is the total shit that I see all the time.”
“I am not involved.”
“A formed idea.”
“You could ask her.”
“I am in a different place.”
“This is what I do.”
“You can join the show.”
“I had a purpose.”
“This was your purpose.”
“I started in advertising.”
“That is not the way to go.”
“I want a life.”
“What is in there?”
“Get it while you can.”
“I paid for that, and I paid for that.”
“And that was not paid for.”
“This is for the soul of the country.”
“What soul?”
“What country.”
“I could have joined up.”
“You have all that is perfect.”
“The perfect now.”
“I paid for this shit.”
“You are going to have to do more than pay.”
“Sing along.”
“What else is in there?”
“Cream filling.”
“He gets what he wants.”
“I did not get deep enough.”

“You need a better map.”
 “We need more storage.”
 “We need to dig a deeper hole.”
 : “Why does desires melt into this big puddle?”
 “I am going to need more cash.”
 “There are so many layers of I don’t know.”
 “I do not have time for this.”
 “What am I missing?”
 “The delivery.”
 “That could not be worse.”
 “These are questions that can be answered.”
 “DO YOU REALIZE THAT THEY ARE PLANNING TO ASK YOU?”
 “Genius show.”
 “More doughnuts.”
 “I am glad that you have an idea.”
 “Drink this, and this will be easier for you.”
 “Sip up.”
 “I can tell one.”
 “SHE LOVES YOU.”
 “This is all about you.”
 “Are you going to give me a chance to talk?”
 “The aliens are about to show themselves.”
 “Why have you put me through this.”
 “I can fix a radio.”
 “That will work.”
 “What is causing the static?”
 “Take a shot.”
 “I do not have open net.”
 “This couldn’t be prettier.”
 “None of that ever works.”
 “I wanted to love you.”
 “The madness is about to break out.”
 “This guy is a physicist.”
 “That is good.”
 “He cannot handle these models.”
 “You do not understand.”
 “So we do nothing”
 “How is this helping me?”
 “They shut the doors on this place.”
 “The developers are in the house.”
 “WHY CAN’T I DO THIS?”
 “You did.”
 “There is a missing word”

“I am not even sure if any of it works.”
“It works for me.”
“There is one place where it really works.”
“My house.”
“We did all that work, and what do we have to show for it.”
“We make it up.”
“There are other ways to destroy yourself.”
“Say stop.”
“Is that a good thing?”
“We want to have a say in our future.”
“So this is your life.”
“Do you understand how this ended?”
“The machine told me.”
“They all love you.”
“Sure, they do.”
“Everything is about a sensation within me.”
“I have the seeds for a new world.”
“Let us say that worked.”
“There is so much to do.”
“She understands”
“We all try.”
“It knocked us out.”
“It did.”
“I broke some part.”
“They love me too.”
“I am tolerant.”
“Do the measurements.”
“This may not have happened.”
“It was not easier in the past.”
“He did not call the necrotic.”
“His brain was floating in blood.”
“What does that mean?”
“That stuff burns.”
“The cure is killing me.”
“We have to finish this.”
“I know that?”
“They have no idea.”
“Are you spoken for?”
“This is organized.”
“Some people do not get that.”
“It started with one gesture.”
“There is the real and the unreal.”
“By the time that I get to you the tissue will be necrotic.”

“Good thing that I ate before I got here.”
“She is spoken for.”
“Rels will rescue us all.”
“Finally.”
“Is that all that it takes?”
“This is only part-time.”
“Where did you work this out?”
“They took my words from me.”
“Leave me a drink.”
“That is all that I need.”
“You need to be smooth.”
“Nothing is smooth here.”
“Three nights.”
“And you have more than enough.”
“You cannot even know.”
“What is that?”
“Why should I bother?”
“Bother.”
“Care.”
“We live for it.”
“You took my blood.”
“I want to enjoy.”
“No one does.”
“I had no idea.”
“The book stops here.”
“There is a minor problem.”
“Did you send it?”
“That is all the money that I need.”
“I AM TOTALLY ON DISPLAY.”
“TOTAL PERSONAL EXPOSURE.”
“What is the pattern?”
“Spill your guts out.”
“There is a spill your guts out moment.”
“I want what you want.”
“And I will have to leave.”
“And I want that.”
“And I want that.”
“When we last left off.”
“We last left off.”
“I am unhappy.”
“And you are bitter.”
“I want to be everyone’s friend.”
“I’ve got a hangover.”

“I get it.”
“You are loved.”
“I am regressing.”
“Pay the taxes.”
“Pay the taxi.”
“That is not your actual concern.”
“What is?”
“This is really out here.”
“HA! HA!”
“Blood on the tracks.”
“What the hell does that mean?”
“You are going to need a little more to pull this off.”
“I realize what I should want.”
“Not here.”
“All here.”
“She realizes it.”
“She does not.”
“This is where it all bubbles up from the ground.”
“Someone gets thrown under a bus.”
“Someone is driving the bus.”
“Someone is the bus”
“THE BUS.”
“BUSTED.”
“How do you feel it?”
“I will take that?”
“And love occurs.”
“Where is the funeral happening?”
“The war that never ends.”
“Why?”
“I have a smart ass thing to say.”
“There are two conversations.”
“And there is Brice.”
“Some of my friends.”
“I am a friend of the family.”
“WHAT I DESIRE.”
“WHAT I DO NOT DESIRE.”
“Who is going to destroy the world?”
“Power it up.”
“I need to be patient.”
“PATIENCE.”
“Why did you do this to me?”
“I am so close.”
“Salt on my lips.”

“We need to talk to you.”:
 “Salt on my lips.”
 “I am back at the same point.”
 “That will work better.”
 “I am a devoted person.”
 “The believers.”
 “I am trying to find out what it is.”
 “There is one strong region of energy.”
 “They destroy worlds like that.”
 “Whose show is this?”
 “This is a crisis in human consciousness.”“
 ”This was a mistake.”
 “I am making a point.”
 “There are the generals.”
 “We are not writing about them.”
 “They are burning in the shit.”
 “Every little bit.”
 “This is not that complex.”
 “Where will this end?”
 “In your head.”
 “What did you do to me?”
 “Kiss you on the lips.”
 1. There are people who I meet randomly who represent a way of life.
 2. There are people who I meet who want to be known.
 3. There are people who I meet who want to know the unknown.
 4. There are people who are the unknown.”
 5. There are people, who are the people.”
 “Like Rels.”
 “This is your moment.”
 “NOW.”
 “I am going to cry on stage.”
 “The tears represent a confrontation with the pain of the world.”
 “What do you represent?”
 “Who are you?”
 “I am bouncing back.”
 “There are superheroes.”
 “There is pain.”
 “She is going to meet you.”
 “She doesn’t want to meet anyone.”
 “She is noble.”
 “She is she.”
 “I do not see what I want.”
 “I am wanted.”

“Superhero.”
“The shit.”
“And that is the end.”
“He is guilty.”
“I have a life.”
“Good for you.”
“What is in there?”
“Refrigeration.”
“I cannot get you there.”
“I am going to have to sacrifice something for results.”
“This is YEAR ONE.”
“The common theme of science fiction.”
“I want oatmeal.”
“Only a few times.”
“I will pay for this.”
“Pay for this.”
“This will work.”
“What else is going on?”
“It all holds together.”
“You are too involved.”
“You are not involved enough.”
“What is in there?”
“The saints.”
“I can fix this.”
“I am having a flashback.”
“What is the past?”
“The dungeon.”
“I was there before.”
“So many varieties.”
“Someone loves that lure more than me.”
“I am done.”
