

CATCHING UP

- “You weren’t able to control this.”
 “I am running out of energy.”
 “But you have big plans.”
 “I can do anything that I set my mind to.”
 “Jack of all trades, master of none.”
 “This is too much for me.”
 “It always is.”
 “Sure it is.”
 “Are you trying to tell me off?”
 “Where do I know you from?”
 “The acorn and the oak tree.”
 “What do you need to tell me?”
 “I am trying to clean up.”
 “Here, take this manual!”
 “Why does that ever work?”
 “Keep him talking.”
 “What is that about?”
 “How can we get you to reveal your ATM pin?”
 “A lot of people use their birthdays.”
 “This is not a big mystery.”
 “How can we zero in?”
 “When are most people born?”
 “In the summer.”
 “In the winter.”
 “I am working on this.”
 “Things get very difficult here.”
 “Why is that?”
 “I have got what I always wanted.”
 “You work fromhome.”
 “More than that.”
 “They put it all together from an idea inside my head.”
 “What do you know?”
 “I can feed the world.”
 “It hasn’t worked yet.”
 “Who owns the agricultural products?”
 “It is all about speculation.”
 “You need to change this system of distribution.”
 “You are not going to change things without some kind of systematic understanding.”
 “Explain that for me.”
 “That is never going to work.”
 “What is your place in this?”

“I cannot do it any differently. I do not have enough mobility.”
“None of that matters.”
“Do you mind if I say something?”
“I need to stop this from happening.”
“You need to relax.”
“This is your turn.”
“Where did you find that?”
“Whose phone is that in your bed?”
“Liz was looking for her phone.”
“Who is Liz?”
“Give some meaning to this experience.”
“What do you have there?”
“I have been staring at this all along.”
“What are you prepared for?”
“That is perfect for me.”
“That is all that matters for me?”
“We are playing a poker game.”
“I need more certainty. I cannot allow for back-tracking.”
“Who were you talking to?”
“Someone that we know well.”
“It all falls apart.”
“You understand what I have.”
“Your enemy is my friend.”
“Does that create a model for the circuit?”
“You only need on path.”
“What detracts?”
“All things being equal.”
“You are more tuned into this than I am.”
“What can you do?”
“Put on a costume.”
“Who is running this?”
“There is a boss.”
“I am glad that works so well.”
“All the possibilities are in my head.”
“How did you get to such an advanced state.”
“I was given a manual.”
“There are no other possible variations.”
“Where are we going?”
“We are going to examine the alternatives.”
“One fight leads to another.”
“You just want the bull shit out in the open,”
“Conrad has already been distracted.”
“There is a hate corridor.”

“What is that?”
 “That is where these rivalries ripple.”
 “This is a consolation prized.”
 “There is an organized theory, and this is where it all falls apart.”
 “There is grace.”
 “Where does this lead?”
 “I have memories.”
 “All the lights are off.”
 “This is the aftermath.”
 “I want your life.”
 “This is a lot to consider.”
 “You almost had it completed.”
 “It is complete.”
 “This is how I escape.”
 “I escape with you.”
 “There are only so many variations in my head.”
 “This is way too complex for you.”
 “The relationship between work and leisure is clear.”
 “He suffers.”
 “He suffers for his art.”
 “Why do you tolerate that?”
 “Does anyone?”
 “This is making me feel claustrophobic.”
 “These are the things that you really want. And these are the things that you do not want at all.”
 “This is the social theory. And these are all the terrible things occurring around me.”
 “These are all the terrible things occurring around me.”
 “Join us.”
 “Are we angry?”
 “We are all angry.”
 “What is the flavor?”
 “Where did he go?”
 “He needs to take a break.”
 “Honestly, I felt as if you used me. We were hanging around at a vulnerable time in my life. And you seemed to want me for just one thing.”
 “We could say that we both used each other. We had needs.”
 “We could also see that you have a very simplistic view of human nature, and this gives you the motivation to dominate other people. And I couldn’t even see what was going on.”
 “I am upset. I am really upset.”
 “Where is this headed?”
 “Where did it start?”
 “I realized that I had a power.”
 “I am enjoying myself.”

“None of us have much of a hope for our lives.”
“We could get married.”
“Are you going to marry her?”
“Of course, you are not. And you keep on as if you have something important to offer.”
“What could that be?”
“You are sorry for your shit.”
“I have one goal in mind.”
“I want to get you high.”
“How can I live off the consequences of your consequences?”
“My life is an aftershock.”
“That is the easiest part.”
“This is the body that I have been given.”
“Do you want to talk about the circulatory system?”
“I am running out of method.”
“This is the symbol.”
“We all want to be loved.”
“Where has that hand been?”
“We all ask that question.”
“You work hard.”
“Or it is all facsimile.”
“I can make you feel wonderful.”
“Tie it tight!”
“Tighter.”
“It could be anyone.”
“It could be in my head.”
“It is your turn.”
“It is always someone’s turn.”
“Follow me.”
“This is desirable.”
“Sure, it is.”
“There is a genius here.”
“We will not have time to explain it. We cannot distill it into one little thing.”
“I home in.”
“I am not your target.”
“You do not have the skill to get anything done.”
“I stole it all.”
“That is good stealing.”
“Will you break it down to the bone?”
“You mumble.”
“That is not going to work for me.”
“This is going to make you feel good about work.”
“This is going to make you feel good about paying your mortgage.”
“This is going to make you feel good.”

“Why is that going to work for anyone?”
 “And you consider that charming?”
 “I have to work hard.”
 “I can’t stop myself.”
 “Oh, what the hell.”
 “I want to feel that I have it together.”
 “We are going to explain it in simple terms. You have this book full of details about your life. And you are sitting here and reciting from the book. It is really a boring read.”
 “I could make it happen in twenty-eight days.”
 “You are so fucking boring.”
 “I work hard for my life. I was not given lessons in diction.”
 “Why don’t you just cry?”
 “I am going to cry.”
 “My failure walked out the door.”
 “I am going to have to do it right.”
 “Don’t let anything go to waste.”
 “It will not.”
 “Do you want drama? That is going to take more preparation.”
 “We do all the shit in your life.”
 “I left something very important.”
 “You left the soul.”
 “You are filling my time with time.”
 “A little behind the beat.”
 “Time out.”
 “That still is not an honesty depiction.”
 “We are going deeper.”
 “We are.”
 “Who is left?”
 “I can do cartwheels.”
 “I am part of the illuminati.”
 “Why are they so worried by that shit?”
 “He could have better talking points.”
 “You are not going to win this one.”
 “I almost took it all.”
 “I took it all.”
 “You cannot raise the ante.”
 “It is not that we disagree with you. We just get you wondering.”
 “That is crooked.”
 “Where were you?”
 “Where were you?”
 “This is not simply a matter of agrarian reform.”
 “What is your role?”
 “Not to be a proprietor.”

“I think that I understanding.”
“I want something perfect.”
“We could trace the social hierarchy.”
“Who is the jeweler?”
“What are the facets?”
“What about the bee colony?”
“What is it really about?”
“I surrender.”
“You have it all together.”
“This is brilliant.”
“Who is missing?”
“Fill up time.”
“How do I hold on to that feeling?”
“She touched my hand.”
“She pulled me down into the mud.”
“There was that feeling of hope.”
“There is the moment of joy.”
“I will see it moving. And I will bring it down from the sky.”
“BANG!”
“In case you missed it, you missed it.”
“I am good at this.”
“I am balanced.”
“Throw it in my face.”
“That might work.”
“There is a place where this all makes sense.”
“I do not like the costume.”
“Describe it.”
“There is no clear line.”
“What does that mean.”
“The fabric does not offer clarity about the display of the body.”
“I couldn’t do this if I wanted to.”
“This is tight.”
“Why is tension so critical?”
“Everyone is pretending.”
“How long does the pretense last.”
“That is the only thing that matters.”
“I want to be like this.”
“I want to be like this.”
“I need to be like this.”
“This.”
“You are giving me a blueprint for change.”
“That is more than anything.”
“Why did you have a purpose?”

“We all did.”
 “I wanted to be a leader.”
 “It requires a lot more.”
 “I need to listen.”
 “Go ahead.”
 “I want to get this moment back.”
 “Then you would have a complete story.”
 “I know where you are headed. I am headed in the opposite direction,”
 “Knock, knock.”
 “I want more.”
 “I need more.”
 “I am more.”
 “We are all growing tired of you.”
 “I am transforming.”
 “How do you do that?”
 “A change in diet.”
 “I am keeping watch.”
 “What did you leave behind?”
 “The bones.”
 “How do you arrange the bones to tell a story?”
 “There is too much consciousness to tell an authoritative story.”
 “I am going through this.”
 “I cannot make this happen for you.”
 “I need to write very quickly.”
 “The gang went somewhere else.”
 “There is creativity. There is volume. There is belief.”
 “That is not that funny for you.”
 “Be honest.”
 “I want your heart.”
 “That is not to be believed.”
 “I am going to create a world for you.”
 “I enjoy that so well.”
 “Come in the door.”
 “There is sacrifice.”
 “We are after different things.”
 “Heads and tails.”
 “Shrimp.”
 “What do you want to know?”
 “That is not going to work for me.”
 “There is nothing there anymore.”
 “It is a different arrangement of things. Resources and human effort.”
 “Have you been here all this time?”
 “You are not even here.”

“Think quickly.”
“We will succeed if we keep on with this.”
“I cannot explain it well.”
“You need to keep track.”
“Turn on the light.”
“I am getting ripped in two.”
“Who is waiting for you?”
“You have been super helpful.”
“This is a silly competition.”
“What are you getting for this?”
“I do not want to talk about the human touch.”
“I can hang on.”
“I do not like to work like this.”
“This is two waiting games.”
“Games.”
“Reliability.”
“I am so far out there.”
“He robbed from me.”
“He cannot steal enough to give him his life back.”
“I want someone to hate me.”
“Is this how Tempest got started?”
“There is time enough for one more act.”
“That is where I want to be.”
“You are having it really bad.”
“I am a gourmet.”
“I can give it back to you.”
“I want to jewels.”
“What good is that going to do for me?”
“You are almost there.”
“We all are.”
“There is a competition.”
“There is a performance.”
“There is a game.”
“This is a different kind of messing with the truth.”
“That is all that they can do”
“It is not even entertaining.”
“I am living off the kindness of kindness.”
“I will take that.”
“What is that?”
“What is the art?”
“Buy a drink.”
“I feel better about myself.”
“Settle in.”

“Settle back.”
 “I need to accept that kind of acceptance.”
 “The theory will not be enough to hold it together.”
 “I swear.”
 “If he succeeds, he has it all together.”
 “He has got it done.”
 “This could not have been better for me.”
 “I do not want to interfere.”
 “That will still not be enough.”
 “One day, you are going to turn to me, and you will tell me what is not working for my
 life.”
 “Does he really have it going for himself?”
 “I am not even going to try.”
 “You don’t get this. This is all about a method for waking up in the morning. You stop
 being able to wake up.”
 “Where is this going?”
 “I need a simpler way to escape.”
 “Will there be an endgame?”
 “I could just return home.”
 “Your head fell off.”
 “It all fell off.”
 “I need this to be more precise.”
 “Precise.”
 “Stop that!”
 “It doesn’t make that much difference for me anymore.”
 “You are only seeing one thread.”
 “I get it.”
 “I get it.”
 “I get it.”
 “There is not much to talk about here.”
 “I want it to be tighter.”
 “There is not enough to work from.”
 “We all have a connection to the universe.”
 “This is all in the book.”
 “I do not want you to feel sorry for me.”
 “You are hiding a side of yourself.”
 “You do not have a very big world view.”
 “This is way beyond charming.”
 “This is disarming.”
 “I am not even worried about this.”
 “This is total joy.”
 “You have a book of all this shit.”
 “What do you want?”

“I need to get my message out.”
“We could work with the parts.”
“We have some great parts.”
“Where is this going go go over time?”
“There is not enough time.”
“You are so caught up in this.”
“I am already bored.”
“I need it tighter than that.”
“Pull tighter.”
“I am a villain.”
“You are supposed to be the villain.”
“Bad training.”
“It became more than it was.”
“I wish that it could be my story.””
“I enough enough to give to you.”
“That is not going to help anyone.”
“Honestly, do I want to take that kind of risk.”
“Take the risk.”
“I need a pledge.”
“You seemed so close.”
“He is not doing well.”
“He has friends.”
“I like the last play..”
“Who are you going to bless?”
“I am trying to listen.”
“You are not listening.”
“Why should I?”
“These are not engaging characters.”
“There is too much interference of interference?”
“This is the perfect exaggeration.”
“I need to come back to talk to you.”
“I need a better model of personal investment.”
“You do not want to know.”
“Give this all to me.”
“That is all that happens in the hive.”
“Nothing risky. Nothing new.”
“Nothing risky.”
“You know that you have it.”
“How do you have it when it comes to the really serious questions?”
“I can feel for you.”
“I can.”
“That will work for me.”
“I will get out from under.”

“I am all by myself.”
 “You need more pieces.”
 “I want this to be me.”
 “You are not trying to steal from me.”
 “You are getting too possessive.”
 “You got it wrong the first time, And you are messing up again. Why don’t you get upset about something important.”
 “What is your role in this?”
 “I am the theoretician.”
 “This is very far away.”
 “Much farther than you know.”
 “Out of mind, out of heart.”
 “That is awful.”
 “I am working too hard for his.”
 “Do you want to go out?”
 “Do you care for me?”
 “Not where I am right now.”
 “He will not save you. No one will.”
 “You do not even have a method.”
 “I fast.”
 “No, you do not.”
 “I am only little ways messed up.”
 “This will work for me.”
 “Why did I pay for that?”
 “That is all that I need to survive.”
 “Someone has everything that he needs.”
 “That did nothing for me.”
 “I have a real life out of this place.”
 “No one can believe that shit.”
 “I wish that there was another way to present this.”
 “I do not want to be here.”
 “We have another earth for you.”
 “We have another paradise for you.”
 “Some people add a little bit to the show.”
 “Add the sugar.”
 “Here, take the sugar.”
 “Why is that going to work?”
 “What other options are there?”
 “I believe that there are none. There never were options.”
 “You need to have a better memory.”
 “I have a tip.”
 “Tip off.”
 “I have been there.”

“None of that is real.”
“None of that is real.”
“I could play along.”
“You will never get it.”
“You will never get it.”
“You do not take a bad picture.”
“I can go to acting class with you.”
“Wait a little longer.”
“Make the final move.”
“You cannot grow potatoes in potato vill.”
“What is that about?”
“Do not take a breath.”
“What did you leave?”
“What is the objection?”
“I am so sorry.”
“I made a decision.”
“Get things right.”
“You are not making me feel safe.”
“There is no other possible resolution.”
“How did you manage to pull that off.”
“I did not have complete authority.”
“Where is the memory?”
“Someone is pulling a thread from the fabric.”
“Is this not the right one?”
“There is never enough clarity.”
“There is only one way back.”
“I can do one thing right.”
“This is going to take a whole lot more than that.”
“You give too much of yourself to something that never comes back to anything.”
“We all see it differently.”
“You can stay, but you cannot drink.”
“You can drink, but you cannot speak.”
“Are you taking away my basic freedom?”
“What are you going to do for me?”
“Only one thing is going to do anything for me.”
“What were you thinking?”
“Look in the face.”
“This is not going anywhere.”
“This is not going.”
“What other parts are there?”
“What else is in there?”
“What do we need?”
“It is nothing like that.”

“Scurry around like a squirrel.”

“What is this about?”

“I cannot say much more.”

“You will be back with another answer tomorrow.”

“You could be more authoritative.”

“What I could or couldn’t do.”

“I could do nothing.”

“That is all that you get.”

“I AM NOT THAT DEEP!”

“You are assuming there is some kind of depth that accompanies the image.”

“You are manipulative.”

“There is a treaty.”
