

**I HAVE TO ASK**

“What else do you have left?”  
“I want the world to tell me.”  
“None of that will change.”  
“It will for me.”  
“I need to stretch out.”  
“That is the five course meal.”  
“There is still something left wanting.”  
“I need someone to ask.”  
“Do you love me?”  
“I am almost all there.”  
“What do they know?”  
“How to immortalize.”  
“I never saw it coming.”  
“Where is this headed?”  
“In the dirt.”  
“You need to ask.”  
“Ask for more.”  
“This could be lucrative.”  
“I need to be discovered.”  
“This is a gift.”  
“That could have been great.”  
“What is left to do?”  
“I have my reservation in.”  
“There are so many combinations.”  
“How does this keep you going?”  
“I get it.”  
“This is where I started.”  
“See me.”  
“I am trying to describe the formation of knowledge.”  
“I want more.”  
“That is a nice combination.”  
“It will not hold together.”  
“I will be home sooner than later.”  
“Hours.”  
“You are going to ruin this vibe.”  
“And that is all that there is.”  
“And we lose touch with history.”:  
“And we lost touch with love.”  
“He is a great guy. He makes me feel great.”  
“I am tossed into the sea.”  
“Survive.”

“I survive on your touch.”  
“They will never survive.”  
“This is the most important thing that will ever happen for me.”  
“Fight it out.”  
“Are we being fair?”  
“That is the only fair.”  
“I am with you.”  
“Let us get tough.”  
“That is wonderful.”  
“I am being twisted like a top.”  
“Top it off.”  
“I am in a totally different place.”  
“Different than.”  
“Last play.”  
“Last play.”  
“Every time that I bring this together, it comes apart.”  
“This is going to be wonderful for a day out.”  
“I know that he does not have that much to contribute to my life.”  
“I am so distracted.”  
“This is our art.”  
“And the world says no.”  
“Should we worry.”  
“Go for the big stuff.”  
“I was there.”  
“And I am back here.”  
“With the oxygen tube in my mouth.”  
“This will take forever.”  
“Take forever.”  
“Eat up.”  
“Eat this.”  
“Be quick.”  
“What else is in there?”  
“The tasty shit.”  
“This is science.”  
“Who are your friends?”  
“Do not interfere.”  
“I wish that I was doing this.”  
“There are different choices.”  
“Rice pudding.”  
“Do no trivialize my shit.”  
“And we went to the last step.”  
“Why am I here?”  
“Rels, come to my rescue.”

“Be who you are.”  
“Be perfect.”  
“The noise is too much.”  
“Take it for what it is.”

“I am trying.”  
“It could have been worse.”  
“It is worse.”  
“This could not be closer without love.”  
“What is the range here?”  
“From laughing to crying.”  
“And you found something better.”  
“You learned how to quit complaining.”  
“All of the moves beyond me  
‘How does that work?’”  
“Is there a moment when you go silent?”  
“What do you call this?”  
“A message to the world.”  
“How did you miss this?”  
“I am just here.”  
“That does not work for here.”  
“What does work?”  
“A lot more commitment.”  
“I am glad that you are taking care of this place.”  
“None of that makes a difference.”  
“That is what we deal with all the time.”  
“I am not involved.”  
“Where am I supposed to sit?”  
“You have no idea what this is really about.”  
“I act like I do.”  
“This makes a difference to me.”  
“And it doesn’t.”  
“Why are you messing with my life?”  
“It would be easy to shut this out.”  
“But you were not able to do a thing.”  
“And you arrive early.”  
“This is a safe place.”  
“What is this: a casino?”  
“I have no more words.”  
“Neither.”  
“Do you even know the difference?”  
“The difference.”  
“That is all me.”

“There are four.”  
“There are three.”  
“There are two.”  
“I HAVE A MEDIOCRE SIDE TOO.”  
“Who even allows that?”  
“I can only take so much.”  
“Who are we talking to?”  
“Andromeda?”  
“Karina?”  
“Random shit.”  
“This will be done before you know it.”  
“What remains.”  
“What do you want to know?”  
“That is wonderful.”  
“What are you hiding?”  
“I am going to jail for this.”  
“She is not here.”  
“No one is here.”  
“She will arrive.”  
“I am not holding my breath.”  
“Everything is an after thought to you.”  
“Are you arguing with me?”  
“I do not know you.”  
“Should I?”  
“I want to know.”  
“This is the beginning of a conversation.”  
“I am pissed.”  
“This is hitting me over and over again.”  
“How does that work?”  
“You act like it does not affect you.”  
“That does not work.”  
“This is not a matter of the will.”  
“This is for you.”  
“I am being tortured with this. Where does it go?”  
“Love.”  
“I need to review this. An almost conversation, torture, and love.”  
“I prepared for this.”  
“I can go along.”  
“Are you really there?”  
“Do not interrupt.”  
“You left the group.”  
“That is not what is really going on.”  
“There is a report to the committee.”

“Committee.”  
“You know what that looks like.”  
“The body says it all.”  
“There are so many other things that I do not know.”  
“A life of torture.”  
“That is not me.”  
“We need to spend more money.”  
“What do you have in there?”  
“You tell me.”  
“That functions for me.”  
“Tell me about your history.”  
“Say that you are drunk.”  
“I am not.”  
“You are a trustworthy guy.”  
“That is what I am afraid of.”  
“These are basic goals.”  
“We leave.”  
“I will be noticed.”  
“Notice me.”  
“That makes no difference.”  
“I prepared.”  
“This could be a night for Cenza.”  
“She has so much more to share.”  
“Cenza has this planned out.”  
“But Karina is much more for the moment.”  
“That makes you look tough.”  
“What did it mean?”  
“Easy reward.”  
“Work all day in the heat.”  
“Should I look?”  
“This is how the machine works.”  
“What is it really?”  
“You have no idea what is going on.”  
“That is not going to work for anyone.”  
“I need to take the next step.”  
“You have no idea.”  
“I run home.”  
“When will that stop working?”  
“When you have to interpret the script.”  
“What is your objection?”  
“Are you going to get up?”  
“I cannot pay for my dinner.”  
“I am drifting.”

“We love you here.”  
“What else is involved?”  
“Why does that work here?”  
“What are you wearing?”  
“Something that was in my closet.”  
“Play the song.”  
“What does that mean?”  
“I am trying to get my bearings.”  
“That qualifies for a real conversation.”  
“Did he even care?”  
“Many years ago.”  
“I am a beauty contest winner.”  
“We can go back and binge television series.”  
“That will not cut it for me.”  
“I hurt more than I know.”  
“More.”  
“Or less.”  
“What else is involved?”  
“I like the attitude.”  
“We are fighting for space in the car port.”  
“Do you know what gets me crazy angry.”  
“Clean up.”  
“This will not make sense for you.”  
“I work.”  
“What do you do?”  
“I am teaching you.”  
“What are you teaching?”  
“Politics.”  
“Identity.”  
“This is fun for a Friday night.”  
“Can you follow?”  
“How does that really work?”  
“I feel that there should be a code.”  
“Where is this key?”  
“Take me over the edge.”  
“This will never stop.”  
“Then you tell me to quit.”  
“I understand.”  
“I am loved.”  
“What difference does it make?”  
“It more than makes a difference.”  
“I can do it in another way.”  
“What is that?”

“You could use your skills for good not evil.”  
“You are the best.”  
“I will come back from this.”  
“No one does.”  
“You could get this down better.”  
“I am a master.”  
“Are you with the wedding party?”  
“I am the party.”  
“It smells like a urinal in here.”  
“What really happened?”  
“Things bubbled from below.”  
“We are cooperating.”  
“We start anew.”  
“They could tale the table.”  
“Run the table.”  
“He matches my every aspiration.”  
“I feel so much better.”  
“That is the perfect life.”  
“There are other things that I want to know.”  
“We were on off-shore accounts.”  
“What else is there?”  
“I could have given you everything that you need.”  
“I have arrived.”  
“That is how you explain it.”  
“I never thought ttat I would get weighed down like this.”  
“The plane is going to crash.”  
“What is left to the imagination?”  
“The imagination.”  
“You are the only one who can control this.”  
“How do you do this?”  
“I study.”  
“I closed my eyes and pretend.”  
“I do not think about it.”  
“You can do serious shit.”  
“I want this to mean so much more.”  
“It will.”  
“Where should I be looking?”  
“In the eyes of the demon.”  
“I need to figure this out.”  
“You could almost do it.”  
“Who am I?”  
“I am trying to figure that you.”  
“You said that you were working on commercial real estate.”

“You are here to bankrupt the world.”  
“Do not try to bankrupt the world.”  
“You were invited.”  
“I did not take the bait.”  
“That is all that matters.”  
“I see what I like.”  
“How does that work?”  
“I can help you to feel good about yourself.”  
“How do you do that?”  
“There is another story.”  
“Cenza, handle that.”  
“I am guiding the world.”  
“That assumes that something real is happening.”  
“I am putting together different representations/”  
“Shall we operate.”  
“The temperature is rising.”  
“This is a sign.”  
“I DO NOT WANT TO BE MISUNDERSTOOD.”  
“How does that work?”  
“This used to be so important.”  
“He is asking me to grab me, but I will never get it.”  
“Cenza, what do you realize?”  
“They will find my heart.”  
“And what else will remain?”  
“And I will surrender to my emotions.”  
“This must be some genius kind of conversation.”  
“It is.”  
“She will come back.”  
“What did you spill?”  
“Blood.”  
“That was not smart.”  
“We will not be able to deal with crimes of our ancestors.”  
“That is how it works.”  
“Do you remember me?”  
“That is my question.”  
“Who are you?”  
“I am a good friend.”  
“I am someone who you can trust.”  
“Do you expect me to believe that.”  
“Do not breathe in my face.”  
“This is an act of love.”  
“I am way beyond this.”  
“Everything is a glimpse.”

“They are going all the way.”

“The car port, the kids, the education.”

“Why should I trust you?”

“You are making a spectacle out of me.”

“We will only know when it is too late.”

“I broke the code.”

“I have money.”

“That does not matter.”

“We want the world to know.”

“Guide me in the dark.”

“If I was that communicative, the chapter would be always finished. What are you sharing?”

“My first memory.”

“My last relationship.”

“What do you call this?”

“Living in a backwater community.”

“Where is the delta?”

“That said everything.”

“It all moves towards or away from a source.”

“Do not interfere in the effort to find solutions.”

“I am on to something.”

“What do you want?”

“Total liberation from any kind of dependency.”

“That is turning into a habit in and of itself.”

“I didn’t want to look.”

“These are new people.”

“I am in the final stages.”

“Of discovery.”

“What do you really want to know?”

“To be confused.”

“Are we back to where we have been.”

“We are done with all that.”

“I didn’t not turn my head.”

“It will all make sense.”

“What do you want me to do?”

“Put a buy order in.”

“We have exhausted our resources.”

“The solution is only temporary.”

“We cannot help.”

“Making myself better.”

“What the words cannot say.”

“You can only stretch so much.”

“You can try to make ends meet.”

“Crack an egg.”  
“I am so far gone.”  
“It is your time to win.”  
“When does this end?”  
“Every action causes more inaction.”  
“We get down to brass tacks.”  
“I know where this goes.”  
“Less knowledge.”  
“He is back.”  
“He has one goal.”  
“To clean up.”  
“This is where desperation sets in.”  
“What kind of life do I have ahead?”  
“We need a place to store this stuff.”  
“The universe opens up.”  
“I no longer have an accountant.”  
“He is an expert.”  
“They all come at once.”  
“This is so well controlled.”  
“What will we do when this ends?”  
“We will start anew.”  
“We need to make some changes.”  
“Is that conversation still going on?”  
“What was promised?”  
“That I could get in the inner chamber.”  
“That will nonever do it for me.”  
“I only need some one thing.”  
“Pretend for me.”  
“We were going to get it together.”  
“We match.”  
“Stretch it some more.”  
“This exemplar owns that shit.”  
“That will not help.”  
“I had the move.”  
“They are all shaping time.”  
“All they can do is leave.”  
“She left her purse.”  
“She is leaving behind her old life.”  
“What good does that do for me.”  
“The caring thing.”  
“Caring for but not caring.”  
“An interest.”  
“An appetite.”

“Bite down.”  
“I do not want to bleed for something that is not a cause.”  
“How does that work?”:  
“Get to know history.”  
“Get to know yourself.”  
“These are all poses.”  
“Why does that not work?”  
“I can explain it better than anyone.”  
“She told everyone.”  
“That is the basis for love.”  
“Heartbeats.”  
“Blood.”  
“Anatomy.”  
“Endurance.”  
“Reality.”  
“Self-awareness.”  
“It is a long season.”  
“There is money to be made.”  
“This is how you make new friends”  
“Then it all gets going.”  
“And it gets going from now.”  
“I will be there.”  
“Do not disrespect me.”  
“Who is your supplier?”
