“I understand this better.”
“Better.”
“I will do well.”
“What happens after that?”
“I asked him to quit looking at me like that. He believed that he had some kind of special connection to me. He got into my head. And I started to resent myself.”

“I cheat the system.”
“It makes sense.”

“Duh.”

“What am I learning.”
“Nothing worthwhile.”

“Let us do it your way.”
“Talk me down.”
“All exaggeration.”
“That is life.”
“Touch the flesh.”

“When will that go away.”
“This is deep.”
“The everything show is back.”
“There is no everything.”
“There is all nothing.”

“I hate you.”
“Those who can never be friends.”
“Those I need to talk to.”
“Those who cannot talk.”
“I am healing.”
“Shit.”

“I am running rings around you.”
“RING, RING!”
“Do you mind if I sit there?”
“Can I interrupt the flow.”
“Where is this headed?”
“What is on the last page.”
“I have arrived.”
“I need to give you time.”
“This is all you.”
“And I end up at you place.”
“This is all you.”
“I need to do my work.”
“You need to save for later.”

“We are not as sloppy.”

“This is all back on you.”
“They take themselves so seriously.”
“She is the director.”
“She ordered a whole case.”
“Who is paying for this?”
“How can I look in?”
“Do you know?”
“Give me some wedding cake.”
“Are you doing this on your own?”
“Where will that make a difference?”
“Clean this up.”
“It does not get clean.”
“You do this.”
“You needed to tell me.”
“I do not want to get involved.”
“I was way beyond this.”
“I learned it better than anyone.”
“And you made me head back to the start.”
“I got the money out.”
“I made doubly sure.”
“One little mistake.”
“How will this last me the whole night?”
“A plate of hot wings.”

“Gratification.”
“I just need to wait.”
“Any variation.”

“What are you about?”
“I need to join in.”
“Is that how you pronounce it?”

“To make the fantasy go.”
“Only for a while.”
“Where does it end up?”
“In a hot shower.”
“We are all here.”
“This is the erasure of important memories.”
“Does he have it?”
“They think that they do.”
“Does anyone care?”
“You need to break off from the group.”
“Not like this guy.”
“This does not help.”
“This will help.”
“I am losing track.”
“Hang on.”
“Someone else has your act.”
“This is a team.”

“How does that work?”
“Look at us.”
“One person truly has it.”
“It is coming at me from different directions.”
“She is good with one side of the equation.”
“Everything else has exploded.”
“I used to be a part of this.”
“I do not identify.”
“Indemnify.”
“Where does that end up?”
“Back in bed.”
“I cannot move.”
“He is giving you power.”
“Do I need to change if I want to change?”
“I love myself like this.”
“Where are we headed?”
“This guy does a dance.”
“I cannot go any further.”
“She knows.”
“I want to help.”
“It will take more than another drink.”
