

CHOP BLOCK

“You look a lot like someone I know.”
“Same wardrobe.”
“Who puts it together?”
“The beat hits.”
“All the fun stuff.”
“We are looking for some fun stuff.”
“How does she do that?”
“It is not her.”
“All not long.”
“Ask me.”
“ME.”
“I stood up on my own.”
“Closer than you know.”
“The moment when I am not here.”
“The planning.”
“Why would you do it like that?”
“The flavor.”
“The love!”
“Nothing more.”
“Can I stay with you?”
“Can I be with you?”
“I do not want to encroach.”
“Do what you do.”
“Do you know who you remind me of?”
“A nothing.”
“A way to start.”
“You had the moves.”
“Take it for what it is.”
“I caught you.”
“He arrived.”
“That cannot work for me.”
“We are very different.”
“Too different.”
“Where do we start?”
“Describe the car.”
“I am always picking popcorn off the floor.”
“I am hanging on.”
“I want big things.”
“Work for it.”
“They all love you.”
“Interference.”

“New day, same shit.”
 “You could talk on.”
 “Talk on.”
 “I could detail the fantasy.”
 “She has what she likes.”
 “And that would be more than wonderful.”
 “Can I look?”
 “I will come along with you.”
 “One month.”
 “I can advise you.”
 “I can learn about the different variations of me.”
 “The magic of the day.”
 “Where will this end up?”
 “Somewhere that hurts.”
 “Stay!”
 “Perfect timing.”
 “He walks around like he’s so cool, but he’s not.”
 “He’s too skinny for me.”
 “Get him two chicken sandwiches.”
 “That won’t do it.”
 “He entered a monastery.”
 “He had no more ideas for compositions.”
 “He could have repeated the formula.”
 “He was no bombastic. His arrangements were great. He had the perfect sense of proportion.”
 “We are going to another bar.”
 “Twin studies.”
 “I feel things.”
 “What else can you do?”
 “I’m not trying to start a family here.”
 “You can give me good advice.”
 “It’s as if someone that they hated just died.”
 “Who won the betting pool?”
 “The one who bought him a chicken sandwich.”
 “Are you still taking piano lessons?”
 “Quit trying to manipulate me.”
 “Dusk left.”
 “She discovered something important.”
 “Peter’s principle of perfect pickles.”
 “Get rid of excess waste.”
 “Keep the valuable shit.”
 “This is how a marriage is born.”
 “Who has the ring?”

“I am doing what everyone else is doing?”
“Seeing if the wardrobe matches the character.”
“You have to be a good follower.”
“That is so nonsense.”
“We are so used to taking shit. It becomes a career choice.”
“What do you expect?”
“No one likes her job.”
“I try to revive corpses.”
“That is the theme of the night.”
“I am preparing for tomorrow.”
“I have done this before.”
“I am going in a different direction.”
“What does she like about you?”
“She thinks that I am smarter than the average bear.”
“Any three year old could do it.”
“That is why we have terrible social services.”
“It will get better.”
“I thought that you were a nurse.”
“I could play a nurse.”
“You are going to treat sepsis.”
“Get to it in time.”
“Eat the spoiled sandwich.”
“The mayo does it every time.”
“That is the secret to perfect chicken.”
“I am experiencing writer’s block.”
“What important do you have to talk about?”
“Togetherness.”
“This means something else.”
“Are you playing me?”
“I respect you.”
“We coincided one night.”
“What is in your wallet?”
“I cannot compensate for what you do not know or do not care about.”
“That is perfect.”
“Can we harmonize?”
“There is too much dissonance.”
“You need to work with it.”
“These things need to be resolved.”
“Have another piece.”
“He is on the loose.”
“I thought that you liked me.”
“I only half like you.”
“What does it take for a full commitment?”

“You need to be less concerned with clothes.”
“Then there is not much a story.”
“Do I know you?”
“Should I know you?”
“This is all about social advancement.”
“What do you know about social advancement theory?”
“I need to tell the world.”
“She is so trashed that she is not responsible.”
“The world is responsible.”
“They said that they were going to do it.”
“I am giving too much of myself to the world.”
“That is religious.”
“I am much more positive.”
“We can do miracles for you.”
“I guess that is my fate.”
“What are you protecting?”
“I get rid of anything that could dissuade me from giving myself away.”
“And you give.”
“That is all that I can do.”
“You will find love.”
“I will.”
“You are perfect.”
“I need a plan.”
“I am not getting any money for this.”
“He will never understand.”
“He is not looking for marriage.”
“His love is like a prison.”
“They all know this.”
“You cannot escape what you are most attached to.”
“Do any of these theories matter?”
“Autograph this for me.”
“He says that he loves you.”
“Two stages of the same body.”
“That is my ideal.”
“Mary Magdalene.”
“No, the faith healer.”
“She is operating on me, and she takes the wrong part out.”
“Love is my art.”
“Are you into splatter technique?”
“I am providing you with cover.”
“Wait for me.”
“Tell me that I am good.”
“This won’t make sense.”

“I like the variations.”

“What is your dream?”

“Sociological research.”

“Car care.”

“Dealing with bullshit.”

“Go for it.”

“I meet this guy, who hates himself. And he has a little money.”

“This glib guy.”

“Do I seem to be that intelligent to you?”

“I get confused.”

“What is best?”

“I will walk through fire for you.”

“Then I will walk through shit for you.”

“That is amazing.”

“I cannot capture your character in twenty words.”

“Jellyfish.”

“Like a shark.”

“Are you trying to burn me?”

“You claim that you are advancing an underground culture. What are your underground values?”

“Honestly, you do not have a real plan for our life. You really can’t do something wrong.”

“I am not going to feel guilty about having fun.”

“Get me two of those crispy sandwiches.”

“I cannot save the world.”

“Just work on yourself.”

“And you get a ride back.”

“Close.”

“NO!”

“This is where it gets fun.”

“I show what I can do.”

“This is better than fantasy.”

“I am very precise.”

“I know where to put the gas.”

“And you break down on the way home.”

“They have what I am after.”

“He still drinking to no effect.”

“Five years of the same thing.”

“He looks like a ferret.”

“What does he eat?”

“Little food pellets.”

“Is this even a story?”

“I can make jokes about my life.”

“You look like Cenza.”
“I am not as good as I can be.”
“One less drink.”
“Where does this go?”
“I am too partied out to do any work.”
“Can you follow what I am doing?”
“Have you found it?”
“Was there money on the line?”
“We have escaped.”
“I follow your rhythm.”
“That is what you settled for.”
“He is a friend of mine.”
“I know.”
“Your phone will tell you.”
“I lost any sense of coherence.”
“Take seven more minutes.”
“And I have work to do.”
“What do I get out of this?”
“Did you call me by your ex’s name.”
“Does it really bother you? You are still racking up frequent flier miles.”
“What are you saying about me?”
“That you are always along for the ride.”
“There is someone who believes his shit.”
“I love the variation.”
“We went shopping together, but you found the jacket.”
“What sense does this make?”
“You were talking about marriage.”
“I am melting.”
“It is all that shit that you are eating.”
“I am hardening up.”
“Do not listen to this guy.”
“He is not even honest with me.”
“The other guy is a doctor.”
“She a neurosurgeon, and she cut out something. I no longer feel pain.”
“He does not articulate.”
“Some people think that he is cute.”
“He has a good memory.”
“What got me this way?”
“Is that really worth worrying about? Honey, what are you contributing?”
“I have so much style. And I have a tender heart.”
“I am not self-centered.”
“You look for a task master.”
“I am not going along with this.”

“I am this.”
 “And that explains something about who you are.”
 “The work empowers me.”
 “Then you hit the wall.”
 “That is so much work.”
 “He always give that same look.”
 “I have figured out that you fall for it.”
 “There is nothing else there.”
 “Nothing else.”
 “There is space to grow.”
 “That is all that you have.”
 “I can make it work for you.”
 “Cenza realizes that she can do it.”
 “I tried.”
 “You are lost irrevocably.”
 “I like my shit.”
 “I need to be more tolerant.”
 “Shoes and real estate.”
 “Tolerance.”
 “And the magic fades.”
 “Some people cannot get the signs.”
 “I see it.”
 “And what else is there?”
 “NOTHING. THERE IS FUCKING NOTHING.”
 “Work makes us this way.”
 “Take a stand.”
 “I am so deep in the quicksand.”
 “You are my version.”
 “I am trying to create some kind of fantasy. I just imagine that moment when I realize that you have nothing to defend.”
 “This was important.”
 “Do you really think that there will not be a moment when you are trying to recover from this?”
 “It is not that bad.”
 “I am not that bad.”
 “Cousin.”
 “Now, we are in the middle of the shit.”
 “Was it worth it?”
 “All of it was.”
 “I could not interfere.”
 “We will be so far along.”
 “I like what I do. And I will find someone who likes it too.”
 “This says everything.”

“And I call it out.”
“For what.”
“Even Dusk is not willing to take a true risk.”
“And she finds the perfect specimen.”
“She embalms him.”
“And that is that.”
“Have another piece of chicken.”
“You can’t ride the chaos forever.”
“I wore a disguise.”
“I want to win the game.”
“He is so full of pain.”
“This will end without any resolution.”
“Colin will claim that he won.”
“I pretend that it was not me.”
“It was not me.”
“I want you to keep liking me.”
“Someone had plans.”
“I do not want to get distracted.”
“What would you consider a winning move.”
“I go with the unhappy childhood gambit.”
“You look very serious.”
“I am serious about you.”
“We are planning.”
“She is communicating with another planet.”
“How does she does this?”
“You give me something that you take away.”
“You are not worthy trying to hold it getoerh.”
“This is when you get brutal.”
“I want to think that this is a solution.”
“I am trying to master the now.”
“I was told that he cared.”
“You no longer know the difference.”
“Who am I trying to keep track of?”
“Who has the cash.”
“Look at this doll.”
“Everyone is looking up at the tower.”
“There is so much more to go.”
“I have quieted down.”
“Nothing that you can give me.”
“Who is working with you?”
“Is there still time to have influence?”
“We need to talk.”
“No one is going to protect you.”

“I have so much work to do.”

“I partied so much.”

“I am not looking for anything else.”

“This guy is a jerk.”

“He thinks that he has the bull by the horns.”

“Are you angry at me?”

“I was not looking for anything.”

“Do not hurt me?”

“They are taking him out.”

“I only want to forget.”

“How much?”

“The bad memories.”

“There is an operation.”

“I will wait until the end.”

“Crack the nut.”

“What does that mean?”

“There are ways to escape.”

“Where have you been?”

“Why does this work?”

“The story is that it does not work. I have been fucked over that I want to feel the power.

I want to forget.”

“My ex.”

“My dog.”

“Bark.”

“I have this.”

“Who are you working with?”

“I have a method.”

“I have a machine which answers my questions.”

“What are the forces?”

“I cannot follow this.”

“I have way more to say.”

“I only need to be perfect for me.”

“This is pure genius.”

“I expect wisdom.”

“She tried to cause problems.”

“I can help with your kid.”

“I can help with your dog.”

“I can help with your shit.”

“Did you report back?”

“I am not what I seem to be.”

“You are not kidding.”

“Are we the same?”

“This is where you need to be strong.”

“What else is there?”
 “You seem like a creative person.”
 “Oil and water.”
 “That is all that there is.”
 “I never needed to take any risks.”
 “That is hopeless.”
 “My happiness enables me to stretch out.”
 “More hurting music.”
 “I need a stronger presentation.”
 “You ain’t kidding.”
 “Dusk did not take it to the end.”
 “She took a risk.”
 “And she did not.”
 “This is all for public consumption.”
 “What else are you doing?”
 “I do not want to be seen.”
 “LOOK IT, FUCKER, I DO NOT WANT TO BE SEEN.”
 “I looked.”
 “What difference would it make if I succeeded.”
 “Tell me, Colin.”
 “I am way beyond losing it.”
 “You do it.”
 “If you want to use that fucking program, do it.”
 “He is pure genius.”
 “He is not going share.”
 “Say what you will.”
 “This is your last chance to get awarded.”
 “Reward yourself.”
 “They closed the libraries.”
 “Do you really think that they want to read?”
 “YOU CERTAINLY DO NOT. YOU DID NOT LEARN FROM THE FALL OF THE
 ROMAN EMPIRE.”
 “This is where we admit that we really have nothing to share.”
 “We have nothing to share.”
 “What more can I do?”
 “Buy me a fucking drink.”
 “Put it in my bottle.”
 “What is that about?”
 “I will be cured.”
 “What are you even doing?”
 “Even you are hopeless.”
 “They will come to you when it is time.”
 “Why do you think that is cool?”

“Someone tell him that he is obnoxious as fuck.”
“That guy wants to hit you.”
“I am losing the ability.”
“Too much to think about.”
“The world cares.”
“The world does not care.”
“I do not have to move.”
“I said that the Red Sea would part.”
“He cannot know.”
“Be nice.”
“I have something important to say.”
“And you go back to being who you are.”
“Or you do not go back to anything.”
“Then someone slams all the doors.”
“You own this.”
“I make a graceful exit.”
“Another level of eternal schmuck.”
“Someone could help you.”
“Someone could tell you.”
“This is almost completely terrible.”
“I am hanging on for so much more.”
“Give them all a chance to come back.”
“COME BACK.”
