

ENDINGS

“We could finish tonight.”
 “You need to ask him.”
 “What do you need to ask him?”
 “When does the dialogue ned.”
 “You do not face the same crisis of conscience.”
 “Who does?”
 “IF IT WAS EASY, EVERYONE WOULD DO IT.”
 “There are villains.”
 “”Make the move.’
 “Give me your resume.”
 “I emailed it.’
 “It didn’t make it.”
 “This is beter than better.”
 “Now we are looking at other issues.”
 “Beyond job security?”
 “Is this an example of secure employment?”
 “I feel like a charm on your bracelet.”
 “There are other ways to express your feelings of alienation.”
 “I need you to do something for me.”
 “Do not play a game.”
 “We know, or we do not know, and we do not care.”
 “Get this in order.”
 “It is not that complex.”
 “We all need to figure it out.”
 “Was that a date?”
 “What is any of this about?”
 “Do not interrupt when I am interrupting.”
 “What is the physics?”
 “The physics of loneliness.”
 “I do not want to laugh.”
 “LAUGH.”
 “They make it up as they go along.”
 “There is a blessing here.”
 “It was not a date. He was my ex.”
 “And you were trying to get back together again.”
 “He was on me about my shit.”
 “And you are gone.”
 “More noise.”
 “We are back.”
 “We need to ask.”
 “I have been watching you.”

“CREEP.”
“It is not like that .”
“Where are you headed?”
“Somewhere that they will love me.”
“And she has arrived.”
“And it is all perfect.”
“What is the endgame?”
“Sell the house.”
“Sell all the securities.”
“This is getting desperate.”
“This is the end.”
“Not the end of the world.”“
”The end of a bad week.”
“Are you kidding?”
“You better care.”
“We are looking for more.”
“MORE.”
“Where else could you be?”
“I am going to ask her.”
“That still will not do it.”
“Did you get fined?”
“You need to protect yourself.”
“I could not stand 24/7 of you.”
“But you want my money.”
“We could make a deal.”
“I could supply a service.”
“I do not want to waste my time not doing anything about my life.”
“Get tough.”
“That show is over.”
“Do not look at me like that.”
“I am trying to get you to like me.”
“Or you like the shit that you have.”
“That does you well.”
“Does me well.”
“I can’t hold to the script.”
“This is off the rails.”
“We can slow it down.”
“You are back.”
“That once meant something to me.”
“Next week for it all.”
“Where are you all going?”
“There is a get together on my deck.”
“I do not like to be outside.”

“I am trying to escape how to get out of here once and for all.”
“That once looked great.”
“Give me a show.”
“That show could be a life.”
“What else is there?”
“Desire.”
“Lack of desire.”
“Caring.”
“Nothing.”
“Who made this chair.”
“Show me what you got.”
“That is hopeless.”
“That is what we are given.”
“And do you know what else goes along with his shit?”
“He turns me on.”
“I know.”
“Is it worth it?”
“You do not want the same thing.”
“Who is working with you?”
“That explodes in my soul.”
“Not at all what I need.”
“It makes no difference.”
“I once saw it differently.”
“No one knows anything.”
“Who will escape?”
“This is not good for the mind.”
“You believe that you have it all under control.”
“I cannot follow any of this.”
“BOOM!”
“It all goes deep.”
“What did you lose?”
“My desire?”
“Crawl.”
“It is so simple.”
“This implies touch.”
“Neuroplasticity.”
“I am losing my place.”
“It only goes one place.”
“It could be more complex.”
“There is so much nervousness.”
“I could help you to calm down.”
“I cannot control these desires.”
“Do not make it that simple.”

“Talk about mother.”
“I can’t stop.”
“That has nothing to do with my work.”
“This is not about that.”
“Do not get so close.”
“The population explodes.”
“I AM LOOKING FOR MY NAME.”
“What did you lose?”
“I kept it.”
“Why have you been lying to me?”
“And that will work?”
“For what?”
“Why should I trust you.”
“I have no way to come back from that.”
“Do not tell me what to do.”
“Tell me.”
“Force my hand.”
“That is hopeless.”
“I have enough character.”
“Who else knows?”
“So many options.”
“Where does it end up?”
“Is that who runs the show?”
“You were going to come back with an answer.”
“I am on to something new.”
“Andromeda.”
“Who is going to pay.”
“Someone will cut through all the shit.”
“Why do you think that you can do this?”
“I DO NOT CARE ABOUT YOU.”
“Creep boundaries.”
“How can we ever collect enough money?”
“How do you see this?”
“What am I missing?”
“It all exploded in my face.”
“When did you get here?”
“Sooner than I realized.”
“What dose that mean?”
“I am trying to use time to guide me.”
“We will all get tehre.”
“Everyone has a triple.”
“Paper dolls again.”
“What do you need?”

“A checking account.”
“A payday advance.”
“That was a big waste of time.”
“This guy is one breath away from the corridors of power.”
“That works for me.”
“I will take what I want.”
“I love you alienation.”
“That guy is a clown.”
“But he is funny.”
“Oh no.”
“She is not getting back in here.”
“I am working.”
“I am packing.”
“I could reach out.”
“And pull all the villains in.”
“What is left?”
“Big stuff.”
“That is not working for me.”
“I am getting all this stuff delivered to me.”
“What do you want to tell me?”
“We have it all figured out.”
“That is all that I need.”
“Could we make a movie about tihs.”
“I was not given enough.”
“How does that work?”
“I WAIT ALL NIGHT TO FIND OUT.”
“Do not lie to me.”
“I will get it right in a couple of hours.”
“We all have a set of clear principles.”
“A diagram of the motor.”
“I hurt.”
“Your method will not work.”
“I have one question.”
“NO.”
“That is what I am afraid of.”
“I want to live.”
“But not like this.”
“I can make it all right.”
“This gives me a headache.”
“What can Cenza do for me?”
“This is worse than hopeless.”
“I will meet you in class.”
“I dropped out.”

“I can only take so much creep.”
 “You have no idea what else there is.”
 “This was supposed to be a story about law enforcement.”
 “Or the lack thereof.”
 “New laws.”
 “I come here for work.”
 “I am do not care.”
 “This is boiling over.”
 “What else do you do?”
 “This is a position paper.”
 “Who is leading who.”
 “And this is not work for you? You walk back and forth looking for someone who is never going to come here.”
 “Is there a person?”
 “We can share the same level of alienation.”
 “What is that really about”
 “Do not punch me!”
 “He knows.”
 “You need to show up for the seminar.”
 “What is this really about?”
 “Always the same thing.”
 “Can I join you?”
 “What kind of life is this?”
 “We are negotiating for property.”
 “I am glad that works.”
 “Because nothing else works.”
 “A familiar face.”
 “I can read that face.”
 “I AM WAITING FOR ONE SPECIFIC PERSON.”
 “Then she arrived.”
 “And time started.”
 “You are monopolizing my life.”
 “We could see it differently.”
 “Why don’t you love me?”
 “I am not involved.”
 “I am always involved.”
 “Do not get any closer.”
 “I do not want to play”
 “This is worse than impossible.”
 “Then you took your shit and headed back for your place.”
 “What else is there?”
 “You took your shit back to your place.”
 “I cannot deal.”

“How much money are we making off of this deal?”

“Enough to retire.”

“You haven’t been working for more than a month.”

“I have a scheme.”

“Ask me.”

“They cannot figure it out.”

“I am the official writer.”

“She asked me to do her authorized biography.”

“What happens?”

“I have bones.”

“It keeps echoing in my head.”

“Do you like this?”

“Do you make this.”

“I need your help.”

“We can do it.”

“How?”

“You could ask.”

“Just crazy enough.”

“We are totally the opposite.”

“You are pulling me along.”

“That is wonderful.”

“I could say the end.”

“THE END.”

“They do not know, and they do not care.”

“They act as if they have historical awareness. But they have little conception of anything before their parents’ birth.”

“I could offer assistance.”

“This was supposed to be a history book.”

“This guy is waiting at his place for history to call him up and tell him to push things along.”

“What is the theory?”

“The independence of the working class.”

“All that is obscured here.”

“They all have an entrepreneurial mentality. But they are going nowhere.”

“I cannot help.”

“Make it help.”

“Boundaries.”

“I am breaking down all the boundaries.”

“I made this happen on my own.”

“Jesus Christ, I am never going to get out of this.”

“I got the look.”

“I go home, and I think about what this is.”

“I think about each of the stages in my development.”

“The escape from the house.”
“I emptied the safe.”
“This is marvelous.”
“Money and securities.”
“You are a financial coach.”
“Extra close.”
“Closer than closer.”
“More than love.”
“THE END.”
“Do not pity me.”
“I am not going to give you a chance to say anymore.”
“I am trying to work out rules for human behavior.”
“I was in a different place.”
“I will get back there.”
“I do not want to die in your arms.”
“Paramedic?”
She nodded.
“Everything is happening in the now.”
“There is more to the story.”
“That is another book.”
“NO!”
“This hurts.”
“NO!”
“You did not do it.”
“What is your real objection?”
“I get it.”
“Should I eat this.”
“More than that.”
“I head is spinning around.”
“There is no more that I can do.”
“Charlie has suggestions.”
“Charlie is swimming.”
“I have always wondered about you.”
“So have I.”
“I am not getting myself together.”
“I need you to drain some of the fluid out of the system.”
“They will not all love me.”
“Find enough of them.”
“I am better than good.”
“When does he shut up.”
“When does anyone shut up?”
“I do not want to get stuck here.”
“Where else can you go?”

“Back to the house.”
“My house is my office.”
“I need to reveal.”
“I want to do something stupid.”
“There goes my ethical argument.”
“I CANNOT DO IT.”
“I am being controlled by forces that are destroying me.”
“Look at the clock.”
“This is perfect.”
“I cannot give blood.”
“We need another martyr.”
“That is not a fair deal.”
“I will take it.”
“If not Cenza, who?”
“Pull me closer.”
“Rels will never show.”
“I will never react to her arrival.”
“Who else is there?”
“Rels, Rels, Rels.”
“Cenza has arrived.”
“I can only give so much.”
“Then it is all going off the rails.”
“Definitely a serial killer vibe.”
“That could be attractive.”
“For the giver or the receiver.”
“Where do you want to end up?”
“I will go where they take me.”
“Break it down.”
“Close to the bone.”
“They love the rules.”
“I can make you materialize.”
“Precipitation.”
“TURN ON!”
“Is this what you do for fun?”
“WAIT FOR IT TO COME.”
“I do not have to do a thing.”
“Ask me.”
“Everyone loves you for one night.”
“Then we see the true you.”
“THE END.”
“FADE TO BLACK.”
“After this, it is all feak show.”
“This was once important.”

“But nothing came of it.”
“Did you even listen?”
“Someone will.”
“There is no kind of greater motivation.”
“Why do you keep doing this?”
“So I can do this tomorrow.”
“Brilliant.”
“Now, I am afraid of myself.”
“What is really happening?”
“It meant something.”
“Then it did not.”
“There is an opportunity for something else.”
“I lost the focus.”
“I cannot concentrate.”
“I need to go to the clinic.”
“Who will fix it all up?”
“Then you confess to your whole life.”
“It will be no better for me.”
“Should I look?”
“He punished me.”
“I cannot tell.”
“Give me the seed.”
“Shit.”
“That is ridiculous.”
“Will this last.”
“I feel as if you are draining me of everything that I have.”
“HONEST?”
“They did some kind of coup.”
“What is this about?”
“How do you respond?”
“I want that some one thing.”
“Do not hurt yourself.”
“How can I save myself?”
“This is not for Hollywood.”
“She cannot relate.”
“I am all out the door.”
“That must be worth something.”
“I am here.”
“Did you find it?”
“They found me.”
“He does this all the time.”
“We all do.”
“I want the real thing.”

“Deep inside.”

“And I cannot stop.”

“This guy is just spectator.”

“You are some kind of freak.”

“You have no idea.”

“Now, it is all balancing out.”

“OUT.”

“What is your objection?”

“This seems as if it is important.”

“These are people who cannot sustain a conversation.”

“Blow him off the table.”

“I am not at this table.”

“You cannot hurt the machine.”

“I do not want to be mean.”

“Are you the guy?”

“That is true.”

“This is more than crap.”

“Are you waiting for something.”

“Who is your little friend?”

“Death.”
