

EPILOGUE

“There is a lot more to come.”
“Does this work?”
“I am at the office.”
“That is impossible.”
“I am being called.”
“That guy is just as creepy.”
“The Charlie vibe.”
“We are gone.”
“We were never here.”
“I have seen this before.”
“Just keep it going.”
“I thought that there would be so much more insight.”
“What do you want?”
“Where is April?”
“She found what she wanted.”
“I thought that it was only a pose.”
“I want to describe what that is.”
“SMILE.”
“The shelves are full.”
“I need to talk to you.”
“I think.”
“We are so much alike.”
“What else is there?”
“Tomorrow is a wonderful day.”
“Wonderful.”
“And we fucked up.”
“We knew it would happen.”
“You need to profile this guy.”
“How did it all come to this?”
“I had a really bad day.”
“And where does that take you?:”
“I am looking at causes.”
“And who is making all that happen.”
“The king of France.”
“The white powder.”
“I am back in a hospital room.”
“Doc, come, and get me.”
“I am not getting enough stimulus.”
“I was there.”
“And I stopped being there.”
“It all ended like that.”

“I needed to be there.”
“He stood there, and he stared into space.”
“It was brilliant.”
“Come to the house, and do it all.”
“FREE ME!”
“You are growing on me.”
“This is a bad infection.”
“Take this.”
“There is so much more to this revelation.”
“There is a better explanation.”
“Provide it.”
“Are you working together?”
“Is this fictional?”
“More than that.”
“I do not even know what I am doing.”
“I have money.”
“I want my life to be better.”
“The Spider Goddess.”
“Ariadne.”
“That was a dead end.”
“Andromeda.”
“She is working on shit.”
“What about the factory?”
“Too many people watching me.”
“Where does this end?”
“Spread out against the sky.”
“There is more to the story.”
“I want to participate.”
“Who else is here?”
“In the sky?”
“My head is coming out.”
“Theater of Cruelty.”
“Theater of Denial.”
“There is too much emotion.”
“We need some purification.”
“I am having trouble explaining things.”
“It is almost my time.”
“We will all work together.”
“What is this really about?”
“Believing things that are not there.”
“What are some other ways of seeing this?”
“Duh!”
“It is still early.”

“What am I going to become?”

“The transformation is there.”

“There is still time.”

“This is all added shit that means nothing.”

“We are boiling in the pot.”

“Everything means so much more.”

“And it just means nothing.”

I decided that I needed to write out all proofs. I would need to work from my scientific vision. The repeated application of the negative value could yield all the results. It was the power of the system.

I was looking at something more desperate.

“I love him but I am not in love with him.”

“That car is a mess.”

“This will be much easier.”

“I do not want to drive.”

“You are easy to please.”

“I like dog food.”

“It is a focused form of food.”

“Tell me a story.”

“Damn.”

“I am losing my standards.”

“I am stuffed.”

“She found love.”

“Tell me how it works.”

“We are running out of time.”

“I need more than that.”

“I am hanging on.”

“I can give you some medication.

“What is the real issue?”

“I do not want to to interfere in your life.”

“In the bones.”

“The frequencies.”

“What if the frequencies are higher?”

“That is going to happen no time soon.”

“Tomorrow is another day.”

“Come and confess.”

“Do you like this?”

“I am pouring my heart out.”

“We are going to cut.”

“Or not cut.”

“How can you hold it together?”

“I figure out how to get here, and I figure out how to leave.”

“What are the consequences of this nonsense?”

“We long for what we cannot have.”
“Keep me awake.”
“We need to stop him,”
“It will not improve.”
“Or it will improve.”
“What will make me better?”
“I am not here to be friends.”
“This is scary.”
“What do you need?”
“Something sweet and crunchy.”
“Crunchy.”
“I got destroyed.”
“I have been waiting for you all my life.”
“What kind of life is it when you hunger and thirst for love and romance?”
“I learn how to say nothing.”
“Do not try to interfere.”
“I want to join.”
“I have thousands of stories.”
“And it holds together.”
“You are lying about us.”
“I want this to be me.”
“What do you have?”
“I need to sleep.”
“How can I hold all this together?”
“She has her own logic.”
“Who is she?”
“I lost my place.”
“What is really happening?”
“Can I watch?”
“What are you asking me?”
“I am tough with my words.”
“I think that it does not connect.”
“He does not.”
“There is a rumor here.”
“You need to leave the ship.”
“This is a hot spot for disease.”
“Why would I ever be here.”
“You are prisoner here.”
“We will free you if you take a bite from the apple.”
“You do not need all the cash.”
“How can I get it to work?”
“Promo.”
“A lot of talk.”

“They want me.”
“Precious.”
“I fall asleep dealing with your shit.”
“This is not going to end up well.”
“There is nothing tender.”
“This will be the last act.”
“Shit.”
“Do not get close to me.”
“This is another way of dealing with the same shit.”
“ONE WORD OVER AND OVER AGAIN.”
“ACCUSATION.”
“INNOCENCE.”
“CREEP.”
“Where did this start?”
“In your head?”
“You have been picked out.”
“I do not want to be chosen in that way.”
“The eternal return shit all over again.”
“We are working with other forces.”
“What are you talking about?”
“A friendly presence.”
“I am going to need a public defender.”
“What is that about?”
“I came to your defense, but it never is enough.”
“What more do you need?”
“If you expect something else, you could go to a different place.”
“What might that be?”
“This could be my whole night.”
“Who are you trying to get away from?”
“You need to watch who you are letting in your car.”
“This look seems so specialized that it has lost its ability to affect anyone else.”
“There is less time than you think.”
“I could keep it going?”
“Team rock would prefer that you finished.”
“So it is all finished.”
“Do not start it if you are unable to come up with a solution.”
“What is any of this about?”
“Can you get it done cheaper?”
“We are going to need to make it happen on our own.”
“What about Team Rock?”
“He has his own solution.”
“You need to be nice to anyone before you find out what that person is really about.”
“I have no idea what I am about.”

“I give you my heart.”
“I want cash.”
“That will work.”
“I collect pennies.”
“Let me count them all.”
“Do I need to stay here.”
“Keep in place.”
“This hardly seems fair.”
“It is not fair.”
“We could redo the map.”
“It is not what it seems.”
“Join in.”
“How does that affect any of us.?”
“We all deliver.”
“What more do you want?”
“This is a totally different situation.”
“Another animal.”
“What kind of animal is that?”
“The one that does not answer back.”
“The one that does not bark.”
“We are going to need to be more specific.”
“Be what you want to be.”
“Who is telling me this?”
“He does not have a dick.”
“Is that how he wants to tell it?”
“I want to dance in rhythm.”
“You do not understand what I am really about.”
“I desire.”
“That is not enough.”
“This is going to be a long night.”
“They always say that.”
“Dusk is going to get some sleep.”
“What you think is important is never important.”
“I cannot change.”
“Stay where you are.”
“There is home and away.”
“I am eating my heart out.”
“Do you remember this osn?”
“Do you remember this life?”
“Crawl on the ground.”
“I got hit.”
“They can fix me up.”
“But they took something important from me.”

“We always lose what we value most.”
“I wanted this to mean so much more than that.”
“You can describe how fucked up we are, but you can’t do much to make it any better.”
“I am the one who is going to put it all together.”
“It will be new and improved.”
“How does that make you any better?”
“It doesn’t.”
“That does not give you a privilege.”
“Everyone make her own way.”
“How can you do or say that?”
“I want to live in the moment. I want to respond in the moment.”
“After that, what is there. Honestly, why did you expect that there was anything more to my character.”
“If I cared more, I would care more.”
“CARE.”
“That would be a million lives.”
“And I am still on the clock.”
“I am the clock.”
“I am waiting for this kiss.”
“Will it come?”
“What do you want to give me to show me that you really care?”
“Make the world better.”
“Education, transportation, health care.”
“Change the channel.”
“You are too concerned how you feel about it. That does not do a thing.”
“Do it for me.”
“I do not get that same rush.”
“Do not touch me.”
“That could be dangerous.”
“What else do you have in there?”
“And that works.”
“What makes any of this work?”
“This is a system of control.”
“Or total lack of control.”
“Who is the nominee?”
“Who is the winner?”
“I need a green light.”
“You will need to be a whole lot more specific.”
“The dog barked.”
“Who is sleeping in my bed?”
“I love that movie.”
“We have different ways of telling the same story.”
“Not that close.”

“Three bears.”
“A burger and fries.”
“Another chicken sandwich.”
“He is preaching.”
“This guy is way beyond me.”
“He is.”
“What else is left?”
“Get back to me in a week.”
“I will not be here.”
“It was silly the first time even more ridiculous the second.”
“He seems like the perfect mark.”
“If not these two, then these two.”
“Who will ever figure it out?”
“I believe what you believe.”
“He is a good person.”
“He is my banker.”
“It is good money.”
“I understand this better than anyone.”
“You have my knife.”
“Where did the writer go?”
“The woman with the anthro book.”
“You are going to need acting lessons to make this happen.”
“I will need more than that.”
“Where are you headed?”
“To the mismanaged world.”
“I can give you the words that you need.”
“Where will that go?”
“When did that matter?”
“Welcome to the honeymoon suite.”
“Is there room for three?”
“What?”
“My guardian angel.”
“How could I turn this into a method?”
“There is this cultural divide. And you are on the other side.”
“Who else is there?”
“Why do you think that this is working?”
“Who got a hold of you?”
“What are you willing to do?”
“I found this to be pretty much the same thing.”
“It was not.”
“It was.”
“You could be Stanza.”
“Maybe, less interest in the bizarre.”

“I have enough strangeness in my life.”
“Who wrote this?”
“Why am I any different?”
“This is my job.”
“You are my future.”
“You sit on my couch.”:
“Or I do not let you sit on my couch.”
“Do you have some extra cash?”
“For what?”
“A new couch.”
“What do I need to do to get to that point?”
“That is ridiculous.”
“I want to give a lecture.”
“What do we call that?”
“I remember being there before.”
“More here and now.”
“I just need a show for now.”
“I want to say one week.”
“It should take more time.”
“Why are you trying to hold me back?”
“I want to read your story.”
“Then I get distracted.”
“Then I get hit in the head.”
“I am so fucked.”
“That cannot be fixed.”
“Who are you creating these intricate scenarios for? That has nothing to do with anyone’s life. You only add another level of contrivance.”
“Or another level of expectation.”
“We design a face.”
“Or another one.”
“We could have done that.”
“Time has not deformed me.”
“I can attest to that.”
“Meet me.”
“I need somewhere to lay this out.”
“Drive it away.”
“How many coats?”
“Spray it on.”
“I am not making fun of you.”
“Who listens?”
“I have a listener, that I pay.”
“This is comfortable.”
“Dusk, this is too much comfort.”

“We were on the verge of an understanding.”
“Too much instability.”
“Walk away.”
“Walk away.”
“So you get a bodyguard and a ghost writer to make up for your deficiencies.”
“What else is there here?”
“I got saved.”
“You look like a chipmunk.”
“Is this a plan?”
“What else is there?”
“A bigger plot of land.”
“Or they burn it up.”
“Burn it.”
“No one walks away from this.”
“Resurrection in fire.”
“Please stop.”
“I am afraid that you are going to fall on me.”
“Do you have a better plan for the world?”
“He made contact.”
“He found what he was looking for.”
“They are way over the top.”
“Who is running this?”
“You are. You have no more desires.”
“Take it from me.”
“That is your job.”
“I collect garbage, The more garbage that I create, the more that I collect.”
“That could be the precipitous end of the story.”
“You could take it from there.”
“Rels has a plan.”
“This is sad.”
“You are sad for the ages.”
“A tragic character.”
“With loads of motivation.”
“That will work for you at 8:45 on a Saturday evening.”
“Standard time.”
“There is nothing standard about these people.”
“I am not hurting.”
“No one is.”
“You have no idea.”
“Now, we do.”
“How do you like it.”
“Mary has a little lamb.”
“Save the lamb.”

“This is a democracy.”
“What happened to that?”
“I have fifty more cents.”
“Do not touch me.”
“We work.”
“I can tell.”
“Can you help me?”
“I am not inebriated.”
“Is this how we are going to end this relationship?”
“We are not related.”
“Do not bring them back.”
“They are in my hair.”
“I love this.”
“You are this.”
“For those with simple needs.”
“I do not need a repetition of the same thing.”
“This guy is an idiot.”
“And he is another.”
“The tycoons of industry.”
“You could wonder or ask.”
“Come on over and destroy my life for what it is worth.”
