

THAT IS WHO YOU ARE

“Make it work for you.”
“I have switched allegiances.”
“Let them know that you care.”
“I am here to close.”
“He is going to have to do something if he drained all the assets.”
“He has his own plan.”
“Are you going to wake up?”
“It was wild for me.”
“Walk fast.”
“This does not really work for me.”
“What the fuel is that?”
“I ordered pancakes.”
“Can you eat anything after last night?”
“He worked on Stanza all night.”
“There is another.”
“Do you want me to believe that there is something else here?”
“I need to believe that there is.”
“I am glad that worked, because that is all that will ever work for you.”
“How is that?”
“They have asked me to leave you alone.”
“That is not how it happened.”
“You cannot stay here forever.”
“What is that?”
“The claim.”
“What about the mineral rights?”
“This is some rich shit.”
“NOTHING LASTS FOREVER.”
“This is going to be one long night.”
“What is this really about?”
“Are you ignoring me now?”
“I do not get this dynamics.”
“Somersault.”
“You are not loved anymore.”
“That didn’t last long.”
“This is the pleasure underground.”
“What is that about?”
“Do I need to watch?”
“You will see it all.”
“Do not ask?”
“If I don’t ask, I do not have to answer.”
“They picked me up for some crazy shit.”

“What are you saying? Was there jail time?”
“There was bad time.”
“Now, I understand.”
“Come with me, dear.”
“Now, it all makes sense.”
“Or doesn’t.”
“Colin is some kind of hero.”
“I guess that he is.”
“What are you after?”
“Everything explodes in my face.”
“I am not hearing the truth.”
“What do you think of things?”
“This is more than a journal.”
“They all love my shit.”
“All eyes are on me.”
“Hold on to what you’ve got.”
“Love is forever.”
“It burns in my heart.”
“I will never go hungry again.”
“Get me a plate.”
“They return me back to health.”
“You will never get what you really want.”
“The brownies.”
“They left on me.”
“Have another dose.”
“Helping.”
“I cannot love you.”
“Do not worry about this.”
“Who is this guy?”
“They told me that he was a DJ.”
“He passed out. He is not going to be able to manage much of anything.”
“I am skimming the surface.”
“Have you thought about us?”
“I have thought about a whole lot of us’s.”
“Uses.”
“I do not want to feel used.”
“No one does.”
“I am too late to make a difference.”
“What should I be?”
“A pleasure doll.”
“I have lost my focus.”
“It is total pleasure, and we hope to conquer those who get in the way of this feeling.”
“I accept my shortcomings.”

“You are in the right place.”

“I figured as much.”

“Or everything explodes in place.”

“I love it.”

“I let it all happen to me.”

“There is only so much latitude.”

“Who is helping?”

“They all are.”

“I am getting deeper in the shit.”

“Jimmy gets it done.”

“Whatever that means?”

“This is the universal touch.”

“I want a little more than that.”

“I can buy you each a yacht, or you can share a private plane.”

“I was thinking about an island.”

“That will work.”

“I do not even want to ask.”

“Ask away.”

“There is this feeling of isolation.”

“You have your words.”

“You are not going to be able to do very well at this.”

“I am better than you know.”

“That these internal emotional states mean much of anything.”

“Fit me in.”

“I erased all my worst characteristics.”

“That would be an ideal.”

“Really.”

“Everyone thinks the same.”

“The same.”

“THE PASSION STOPS.”

“The love continues.”

“I have no idea where this is headed.”

“Do not worry about it.”

“You could try to finish.”

“I am sitting in his living room. And he plans to get it on with these two women. And I am wondering what I am doing here. I didn’t feel like some kind of voyeur. And I did not want to be a part of this escapade. But I was not ready to go home. I was going to sit here and chill out. I was living in the moment. If they wanted to take their shit into the bedroom, that would have worked for me. However, I didn’t pay for a show. And I really had no idea how I got here. My friend was fucked up.”

“Where is this story going?”

“What are we wearing?”

“What do you do for a living?”

“I have fun.”
“I want it all to mean more.”
“That could be me.”
“I have a sketch pad.”
“What do you see?”
“This shitty life.”
“This wonderful thing that I call my life.”
“Then we get down to basics.”
“What do I see?”
“What do I want to see?”
“Things that I cannot talk about.”
“So I am sleeping in the bedroom. And they come in the house.”
“What is really happening?”
“Are you some kind of intruder?”
“I do not expect anything to happen.”
“I am not some kind of voyeur.”
“Why am I like this?”
“What are you going to give me?”
“Joy and pain.”
“And we end the story.”
“You will feel better.”
“Work hard.”
“This is good for you.”
“Or it is not good.”
“This is the only thing that matters.”
“I want to sing a song.”
“This describes it all.”
“Come on the show.”
“What do you want to tell me?”
“Nothing that I don’t already know.”
“That is what I am afraid of.”
“I do not want to change my life. I only want to celebrate.”
“They are going to take what you have.”
“I got ripped.”
“What does that mean?”
“That is how we work.”
“This is how I am surviving.”
“Survive.”
“I have it all.”
“That is brilliant.”
“It is all mind.”
“Ready in the moment.”
“We all want something deep.”

“Give it to me.”
“What else am I waiting for?”
“A port for my medication.”
“Damn.”
“You can do it for me.”
“There will be no more variations.”
“You have a very different view of the world.”
“In the beginning.”
“We become all quiet.”
“Or we say something deep.”
“The immortals.”
“I have spent all my time here. And I have squandered all my money, and all my belief.”
“But your body has been transfigured. What more can you ask for?”
“Who will love this sparkling form?”
“We are working on that?”
“I think that is the real issue here. Who are we here?”
“In think that I am going to need a few extra part to put is all together.”
“Why don’t they teach us that early on?”
“We were drawing triangles.”
“We are living triangles.”
“The shortest distance to love.”
“Whatever that is supposed to be.”
“We can laugh about it, but we need to live it.”
“Can you understand what I am going through?”
“I am doing my best to hear.”
“Why should I trust what people share with me?”
“Are you going to leave me?”
“You are my ideal.”
“I would like to invite you to participate.”
“You are invited.”
“I need to work on this.”
“We all have a method.”
“Who did this for you?”
“I sm hanging on.”
“I want the real thing.”
“I never plan.”
“I want to plan for you. With you.”
“Could it be worse?”
“Almost.”
“I do not have enough feelings to share with the world. I wake up. I work. I eat. I sleep.”
“Do you want to go anonymous?”
“That is how things are going here.”
“We have a long time left.”

“I hope that I am not talking your ear off.”
“I want to respect what you have to say.”
“And we are pretty glib.”
“Until we have nothing more to say.”
“That seem pleasnt.”
“Could it be worse?”
“This guy has a purpose.”
“We are trying to create purposes.”
“Look at Jimmy.”
“Speak to me, Jimmy.”
“Jimmy lives the life.”
“We are all going to Jimmy’s place.”
“This is what I do for a living.”
“Explain.”
“I move life along.”
“I assist people to enjoy themselves.”
“Can you even afford a place to live?”
“It is getting crazy.”
“DOES ANYONE READ THIS STUFF?”
“Jimmy likes to fuck.”
“He does not need a fuck book.”
“America.”
“The land of equal chicken sandwich fuckery.”
“What is that even about?”
“Tell me, lover.”
“Who is this now?”
“I would take you more seriously if you had something more substantial.”
“I measured it.”
“I lived it.”
“I hate to say, but that is all. This is not some kind of brilliant perspective of the world.”
“This is all happening so quickly.”
“What more do you want to see?”
“I have scars.”
“Look me in the eye.”
“I am not that focused.”
“What does this business make?”
“You tell me.”
“This needs to stop now.”
“How is that?”
“What took me here?”
“You figure it out.”
“Do you feel as if I have quotable things to say?”
“I woke up.”

“This is getting worse.”
“We all fell over each other.”
“Can I stare at you?”
“I want to be a person, who is not stared at.”
“Is this real?”
“This is too real.”
“Is this the end?”
“Run around the park.”
“What are you chasing?”
“A big dog.”
“A little rabbit.”
“It all is a crap shoot.”
“You need bait?”
“How do you bait the hook?”
“What do you want to eat?”
“What are you asking me about?”
“How did I get this way?”
“Too much love.”
“Close your eyes and enjoy.”
“I am going anonymous.”
“That is how we do things here.”
“I felt as if I used to know you. You do not have much to talk about?”
“Where is your head?”
“Surprise me lover.”
“New body, new things to love.”
“What made you like this?”
“What is really going on?”
“I am in a program.”
“I am in training.”
“You need to show more of your body.”
“I honestly do not feel that this body is mine.”
“What does it mean to get replaced?”
“It is happening all the time.”
“Are you a super-freak?”
“We all are. That is how we survive.”
“Do you love me?”
“More than that.”
“What even goes on here?”
“We buy a body?”
“How much does it cost?”
“You are in it for the long haul.”
“Julie and Dusk do not worry about these questions.”
“Show me what you are made of.”

“This is all part of total personal exposure.”
“Where do I start?”
“Does anyone understand that?”
“The dinner menu will not solve any of this.”
“I want some snacks.”
“I am coming at you.”
“Who will be here for the final cut?”
“I am strong.”
“Stay strong.”
“I am trying.”
“I will put it all together tomorrow.”
“What is better than this.”
“This needs to shake me up a little more.”
“You are going to need stronger motivation.”
“The body adds to that.”
“You are cutting me in two.”
“Which side do you want?”
“Others have done a better job.”
“I lived this.”
“Live it again.”
“You are in my head.”
“You are a genius in your own way.”
“Where will that get me?”
“I am shocked by what I have become.”
“I am hanging on.”
“You are going to need a wardrobe update.”
“I cannot evern make any sense of this.”
“What else did you do?”
“Is love available to all?”
“You are going to watch your money lose value.”
“I still have the skills.”
“You need to talk to HR.”
“Who used to be in charge?”
“This was a three man operation.”
“Don’t look at me like that.”
“What do I do with him.”
“They stole the cream corn.”
“Did they enjoy it?”
“We can go lower still.”
“I will pull myself together.”
“Why are you laughing at me?”
“Look at yourself.”
“They drew a line on the bathroom floor. It was the beginning of some kind of fight.”

“I am putting together the entertainment.”
“Give me a little more.”
“Clean up.”
“The guy was a jerk. He stole my paycheck.”
“It is all in my purse.”
“I want to buy you things.”
“I need better inspiration.”
“I will be back for more.”
“That is hardly fair.”
“What are you teaching us?”
“To obey.”
“We could be more flexible?”
“Do you have the parts?”
“I need someone to work out the statistics.”
“How do you find love?”
“Give them what they deserve.”
“What do they seek?”
“Everyone wants sympathy.”
“I never say the word love.”
“I never say the word me.”
“I never say I.”
“I never say hurt.”
“What is in there?”
“A tough nut to crack.”
“This is cellular biology.”
“What are you telling me?”
“What do you need to hear?”
“Silence.”
“I am fasting.”
“I had a hard roll.”
“What about the turkey?”
“Too much self-doubt.”
“What makes you certain?”
“Hard work.”
“Is he in there?”
“Who locked the door?”
“There is a danger that no one will come out.”
“I will not give you more of my time.”
“My time.”
“I am on the other side of the world.”
“I am all alone.”
“I am totally together.”
“Give me money for who I am.”

“How much money is needed to make all this a go?”
“What are we working on?”
“I am doing my best to understand.”
“First first.”
“There is somewhere else that I can hide.”
“Hide on your own.”
“That will not last.”
“The long and the short of it.”
“Jimmy knows about it.”
“My body is ready for you, Jimmy.”
“Slim it down.”
“Where is this headed?”
“To the molecular level.”
“What do we start with?”
“Explain it to the world.”
“I am doing my best to guide you.”
“There is a task.”
“What does the baby know?”
“How to wash her face.”
“I am watching the same scene again and again.”
“I hear you talking about Jimmy and a sex scene. I can join in.”
“Where are the emotions?”
“Tell me what I need to hear.”
“Colin can give you lessons.”
“I will remember you.”
“Droll.”
“I will remember how you fucked with my life.”
“That is a blast.”
“I am not looking for a clown doing tricks.”
“Comedy show.”
“Are you going to laugh at my body?”
“This is not the body that I wanted for the night.”
“What would be the alternative?”
“Take a chance.”
“Be a chance.”
“Be a change.”
“This is your turn to step up.”
“Step down.”
“I am falling apart.”
“I do not want you to leave on me.”
“What kind of body is this?”
“The perfect one that the Lord gave me.”
“Jimmy, your turn.”

“I am exhausted.”

“Why are you letting him get away with this?”

“This is a gargling exercise.”

“Do this until Jimmy is ready again.”

“Brush your teeth.”

“Shit.”

“If it is a chicken sandwich, will you know which one to buy?”

“And you think that this makes a difference.”

“You accept the insults.”

“Then you get personal.”

“I CAN SAY BAD THING ABOUT YOU, BUT NOT VICE VERSA.”

“VERSA.”

“I need better inspiration.”

“Touch me, Jimmy.”

“He is an active guy.”

“He is falling over.”

“What do you do?”

“Are you a runner?”

“Are you in construction?”

“Dusk, you explain this one.”
