

IN CAMERA

“You are sworn not to reveal what has happened here.”

“Is this a secret organization?”

“You are so fake.”

“I need to stay in costume.”

“What is your fear?”

“That seems perfect for you.”

“The box within the box.”

“Mystical.”

“These are different kinds of revelation.”

“What kind interests you?”

“The late night kind.”

“Manny, what are you looking for?”

“Acceptance.”

“She is waiting for me.”

“She has a candy cane.”

“Did I ever know you?”

“They did not think that was funny.”

“What do people think about on the ground?”

“I want to stare forever.”

“Manny, what is on the other side?”

“A different name. A form of brainwashing.”

“We are all working on that together.”

“The owner of the owner.”

“Coming around.”

“We never finished the game.”

“What was the game about.”

“They are going to use that against you.”

“What is loved?”

“The object of alienation.”

“Do you feel estranged?”

“I am not comfortable.”

“I am the cook.”

“I heat it up.”

“What are you reading?”

“Minds.”

“What is in the book?”

“True love.”

“You brought me back from death.”

“We will all work together.”

“I last here because there is nothing else to do.”

“I want to own the truck.”

“We can save you.”
“You are coming back.”
“I am back.”
“I can going to cry in front of you.”
“I have no awareness.”
“What is lucky?”
“For some people, not much.”
“This must be thrilling”
“Where is this headed.”
“To somewhere that you need to avoid.”
“And they are all doing well.”
“Each person adds one word.”
“Self-destructiveness.”
“Love me for what you are.”
“What holds you together?”
“A work situation.”
“I thought that we were together.”
“Manny, what did you say to her?”
“I asked her if she could stop herself.”
“Are you here early?”
“Do you even know? Do you even hear?”
“You are so fake.”
“We are both ending up in the same place.”
“The bone shop.”
“Anyone would love that.”
“Can you encompass all that?”
“This is a total covering.”
“A tarp for the floor.”
“It is all dripping.”
“This is art in action.”
“These are all the things that I want that I cannot get.”
“This would be pefect.”
“I can do it all for you.”
“We are dong the same shitty job every day. What kind of deal is that?”
“What is in the purse?”
“Why is perfection yours”
“That is all that matters.”
“I can praise you.”
“Your explanation is coming.”
“Manny, can you figure it out.”
“What are you looking at?”
“The only way out of here.”
“That is excellent.”

“I will give you one more chance.”
“That will never be enough.”
“Tell me.”
“There are numerous roles One will be here.”
“And one will be off the beaten path.”
“You cannot find a opening.”
“This all overwhelms me.”
“Where do we go buy things?”
“At the five and dime.”
“Ten and five.”
“This seems to have meaning.”
“All the lights whent off, then they came on again.”
“Were you blessed?”
“I got what I needed.”
“I am controlling things.
“Ah!”
“All that matters is your belief.”
“There is someone who has what I need.”
“I break down on the road.”
“It is very early.”
“Manny explains his theory of sanctity.”
“I have lost my place.”
“That is mine.”
“I have been counting the cards.”
“This is going to get messy.”
“They are out there for you.”
“Slow progress.”
“How will you contribute?”
“Wave.”
“We will not fight.”
“This is strange.”
“What is the GDP?”
“That will not change thing.”
“Describe it in a way that seems appealing.”
“So much show.”
“I was not invited.”
“I am here.”
“Stop me before I say too much.”
“I have said everything that I need to say.”
“Manny, you need to be more articulate.”
“That could never work for me.”
“That could never work for you.”
“I am going to reveal everything about yourself.”

“Interruption.”
“Get in my head.”
“Cannot be stopped.”
“Guess.”
“I said the wrong thing.”
“Bang.”
“Where did that go?”
“I was hopeless.”
“I got out of that part of ky ife.”
“Will that work?”
“How does that work?”
“Now is you chance?”
“Back where that is a thing.
“Does that bring back to the world?”
“Is this about garage doors?”
“Someoe was very mean?”
“I am going to close it down.”
“Slam it down.”
“This should be easier.’
“Easy.”
“The times required it.”
“How does that work?”
“I am so much behind the curve.”
“This is not potent for me.”
“Where were you?”
“What do I get?”
“You have the money to waste on this. Then you go back to the mediocre shit”
“I am doing this for you.”
“He wants to mow the lawn.’
“Let it grow.”
“Pull it out.”
“This will not change.”
“Still early.”
“Manny, what is in the book?”
“Great stuff.”
“Tone up.”
“Split the pot.”
“Split your description of the self.”
“You do not grasp.”
“Let him kiss you.”
“You do not understand.”
“This is all the same and boring.”
“I want to get all of this down.”

“Where else could you be hanging out?”
“In your bedroom.”
“In the breadroom.”
“It is rising.”
“It will overtake me.”
“Are you joining?”
“Do not let them in.”
“Manny, how are you doing I am sressed.”
“You do that for me.”
“I talk nonsense because you do not want to hear the real stuff.”
“The real stuff.”
“Too much to think about.”
“Thinking about you.”
“Who did you say that to?”
“What else is going on there?”
“Many things.”
“Manny tells us what is bothering him.”
“Time to go.”
“That has a limited understanding to what I understand.”
“A confession.”
“You need to do some bad shit.”
“I can stop.”
“I want it cool.”
“What do you not accept abot yourserlf?”
“I want it all to be simpler.”
“It is much easier to understand.”
“I want to be sympathetic.”
“You are way along.”
“I need to solve it.”
“It will be solved.”
“It is done.”
“It is slammed shut.”
“Take it and slam it.”
“Shut.”
“Shut.”
“Not funny.”
“There are a million variations.”
“We are going to need a trillion here.”
“I only want one.”
“That does not come with the meal.”
“How is that?”
“I am losing direction.”
“I adapt to your incredible cloyness.”

“Something else.”
“We will hide at home.”
“That is a different person that went down.”
“You gave me the opportunity.”
“I am so good at this.”
“I was there before.”
“That will never work for me.”
“It is not meant to.”
“What else can you do?”
“Triple threat.”
“You can leave now.”
“Do not come it.”
“Will feel wonderful.”
“What answers do you ant in a book? Manny, you want things that cannot be stated.”
“I am glad that you are going to give me all that you need.”
“I am like a grocery store.”
“Leave now!”
“That is everything.”
“Hold your breath.”
“That will be everything.”
“Stated imperfectly.”
“What can you add.”
“This is compensation.”
“TOTAL FREEDOM.”
“What is that?”
“You need to take account.”
“I need to do things that can have effects.”
“I do not want to be mean.”
“Come back.”
“Manny, is she coming back to you.:
“She will if you wish for it.”
“That is all that I desire.”
“We love you.”
“I will be loved.”
“What is missing?”
“What is here?”
“The angles.”
“How can you do that?”
“I can do it many ways.”
“Clean it up.”
“She is good at hlding her breath.”
“The educational theory.”
“The big lie.”

“The bigger lie.”
“How did I get like this?”
“I did it on my own.”
“We move to points of force.”
“I am the puppet.”
“Tell me what to say.”
“How wil that serve?”
“It serves for now.”
“We serve for now.”
“There were no weak points in the structure.”
“There were no structures in the weak points.”
“Manny, this is your chance to explain.”
“That is not going gto work for me.”
“Tighten up.”
“That is not going to work for me.”
“Indepdent.””
“These sentences with an x next to them are infallible truth.”
“What come afterwards?”
“We all desert our posts.”
“We drop the glass statues.”
“I took care of it.”
“I need to follow up.”
“There is only one day left.”
“They are a team.”
“Adult stupidity.”
“What kind of store is it?”
“A place for silliness.”
“The mix.”
“Where did this start?”
“In a playpen.”
“I do not want to think that my life ends up that way.”
“That will work for me.”
“I burned through my millions.”
“Did it taste good?”
“I want someone to fill it in.”
“Is this happening outside my line of vision?”
“Manny, you can offer an explanation.”
“I am doing my best to keep up.”
“There is a lesson to be learned.”
“Will you love me forever?”
“That is what my patient asked.”
“That is a different belief system.”
“Who were you working with?”

“All the doors closed.”
“They did for all of us.”
“You are good.”
“Too much stress.”
“I am breaking in two.”
“I am trying to explain the method.”
“CONCENTRATE ON ONE IDEA.”
“Sugar candy.”
“I want a different taste.”
“Who else will be along?”
“The rest of the wedding party.”
“People like simple explanation.”
“You did not make this up yourself.”
“This is the best moment.”
“Nothing of you.”
“Better be good.”
“You bathe yourself in the miraculous waters.”
“They seem dirty to me.”
“I want a little more.”:
“You are getting ahead of yourself.”
“Why should we end it here?”
“Can we do this again?”
“I gave too much of myself.”
“There is nothing else.”
“This is the illusion that you are wanted.”
“I am giving too much of myself to this.”
“You went away.”
“They relieved me of my duties.”
“You will make me think that I am way more than that.”
“This is a new kind of education.”
“Words, words, and more words.”
“What is this about?”
“I remember.”
“That memory is etched on my brain.”
“How does that happen?”
“A differential.”
“That is too regimental.”
“That is too haphazard.”
“We are running out of options.”
“We are running out of opinions.”
“You took away what I needed.”
“Something dropped.”
“I was sure that you understood.”

“It does one thing here, and something else over here.”
“Science.”
“Spells.”
“We can leaver now.”
“There is more that is needed for total revelation.”
“How does Manny command so much respect?”
“That is a lesser definition of the same thing.”
“Yes, pumpkin.”
“That feeling passed over me.”
“Wake up.”
“The public relations.”
“You are good with the floors.”
“What are you doing on me?”
“What do you do when you leave the room?”
“Too much to contemplate.”
“We were on the verge.”
“Massive distraction.”
“Manny, we need you to figure it out.”
“Do you think about it all the time?”
“I do way more than that.”
“I was totally focused.”
“I lost the force.”
“I am not going back to that place.”
“I cannot get any closer.”
“I never go the necessary revelation.”
“You need better scripture.”
“We have a different way of dealing with it.”
“Why is the writing important?”
“I am doing my best to help you.”
“What will make you wanted?”
“There is an alternative.”
“That is all that I ever wanted.”
“And you get all this other stuff.”
“It is a work thing.”
“We are almost ready to close.”
“There will be more.”
“You roll it off.”
“You cannot have what I have.”
“Some people did not survive.”
“Are you all supporting?”
“Who has the books?”
“We are spending as we go.”
“That is tight.”

“That is tighter still.”
 “I do not like this.”
 “It is nothingt like I felt.”
 “What does that mean?”
 “Are you an expert at this?”
 “Where did you buy this? Do you have the receipts.”
 “What else do you have there?”
 “Did you work on this?”
 “This is easier than you know.”
 “I can do it from the house.”
 “That is not even working.”
 “I want to get ahead.”
 “None of this does it for me.”
 “Update me, Manny.”
 “I do not want you writing like that.”
 “I have a book in me.”
 “Yes, you do.”
 “I want something else.”
 “Manny, you are not going to get it.”
 “I need a road map.”
 “Admit that you are lost.”
 “That could almost be me.”
 “I am not clean.”
 “Who is?”
 “You enter a space here you are not trusted.”
 “That is not the look that goes here.”
 “You get frustrated that it does not work.”
 “Where else does this go?”
 “Any questions?”
 “I am looking for her. I dod this shitty job. And no one can perform that well. They are all coming apart in public. “Then she shows up.”
 “What are you talking about?”
 “Who is that?”
 “Manny, you are assuming that there are things that do not exist.”
 “Love me for what I am.”
 “Love me for what I am not.”
 “Why do you have all these quotes?”
 “I am having a discussion with my friend, Manny. And these people keep bothering me.”
 “Bring something else along.”
 “You do not see the world going down before your eyes.”
 “I do not have eyes.”
 “I want something of substance.”
 “Chew up?”

“Where is this headed?”
“I think about this.”
“Rush to me.”
“Will any of that work?”
“Finally.”
“I am afraid of one thing.”
“And you can strike the fear of the Lord in me.”
“Get off my property.”
“I want to get my ball.”
“It is my ball now.”
“Why do you keep coming on my property?”
“You brought me back to life.”
“We can quit, or we can move ahead.”
“We can stay where we are.”
“Someone needs to give more of his soul.”
“Either you love it, or you don’t.”
“I do not.”
“Why did you come here?”
“You are different than I am.”
“What do you want to know?”
“Why are you nice?”
“I only want one person to love me.”
“Manny, she is waiting on the patio for you.””
“She is the furniture for you.”
“There are so many lists.”
“I am always ahead of them.”
“These are two things that i love.”
“Can you make it work?”
“This is beyond you.”
“There was a connection.”
“We are stars.”
“That is not going to work for any of us.”
“What do you need?”
“I am accepted.”
“Give me a story.”
“Were you waiting for me?”
“Is that what you said to her”
“Wait for me!”
“You are the best thing here.”
“Do you own my time?”
“This is another form of interference.”
“What do you have in there”
“The hiding formula.”

“I need to move to that design.”

“He will keep it going until the break of day.”

“That is all that you are doing.”

“I will worry about it tomorrow.”

“That is making it difficult.”

“That is really bothersome to me.”

“I can feel the presence.”

“They are waiting for me.”

“Get the word out.”

“You do not remember.”

“This is an accepted part of my life. I adopt a new secret identity each night.”

“That will work for Manny.”
