

SATIRE

“He brought us to this island for a weekend of endless pleasure.”
 “And he is not going to explore the guilt?”
 “They want to forget.”
 “When are you going to quit marveling about shit like this and do something about it?”
 “That is my job.”
 “When are you ever going to be able to do a thing to end this kind of shit?”
 “Once I stop accepting.”
 “That is the shit that I have to live with.”
 “There is too much fascination with short term shit.”
 “The now is now.”
 “You find it rewarded.”
 “The game give you juice.”
 “One person has juice.”
 “These accounts are inflated.”
 “We are dealing with a lower level of shithead.”
 “He has a process.”
 “And he does not. How long before you realize that?”
 “We are too deep in it.”
 “There is such a exaggeration of the price, we need to keep the belief going.”
 “I am so much better at this.”
 “Someone else will do.”
 “You will not find it.”
 “I do not want you around,.”
 “That is all that matters.”
 “I can help you put together the pieces.”
 “I am not good at holding myself together.”
 “Do you know?”
 “The comet will really fuck you up.”
 “When will it be back?”
 “We need better estimates.”
 “No one needs that.”
 “I see.”
 “Are you ready to gamble?”
 “There’s a place where we can resolve it.”
 “He got busted in teh Home Depot parking lot.”
 “So much for safe spaces.”
 “So much for grasshoppers.”
 “I am good at this.”
 “Keep spending.”
 “Is this all that I get?”
 “You are so deep in your now that we cannot get an altrnative version of events to benefit

your future development.”
“Explain that.”
“I cannot.”
“Did you watch?”
“This only messes with my creative vision.”
“I cannot console myself.”
“That is such a waste for me.”
“Can I spit in your face?”
“That is a story in itself.”
“This is a very difficult formula.”
“There are other treasures.”
“I need to stop.”
“Explain the process.”
“It is always about responding with added resources.”
“That is too much.”
“You are really so full of shit. But you are really a basic guy, and I do want to credit you steadfast nature.”
“You will not know any difference.”
“I am so close to consideration.”
“This is not going to be pretty.”
“I have a house.”
“A place to plan out shit.”
“You are never going to come to an alternative explanation.”
“This is next level shit.”
“You spreading yourself to think. The world is in your business.”
“The only person who knows will never know.”
“You opened your mouth.”
“You were preparing to strike.”
“I cannot create the needed force.”
“Observe a rattler. You are going to have to be faster.”
“I am not going to walk off.”
“There could be a fight.”
“I do not care enough.”
“There is a way to counteract the feeling.”
“I am going completely under.”
“When are we going to collect all this.”
“I hate to break it to you .”
“We ll have ability.”
“Take care of it for me.”
“Where is this headed?”
“We can talk about the numbers.”
“Let us do the accounts.”
“It looks great from here.”

“What else is going on?”
 “You are blessed.”
 “You can’t pass around tokens of you reflection.”
 “How do you make it continuous?”
 “I am good.”
 “I cannot be that good.”
 “There is another way to put this.”
 “They will destroy me before the journey is over.”
 “I am waiting to go to the shrine.”
 “There was some kind of fucked up shit with the pilgrims.”
 “We can do some kind of intervention thing.”
 “Show up with a vengeance.”
 “You were along for all the episodes.”
 “What were you chasing?”
 “You.”
 “I do not like to be this way.”
 “This is degrading.”
 “Take the sword, and apply your vengeance.”
 “What happens to history?”
 “I want to stay in the room.”
 “We are way beyond check out.”
 “Someone has all the gold.”
 “That is not going to be the story.”
 “Where is the reserve?”
 “You want the benefit from expansion.”
 “They are soaking me.”
 “This could go on much longer.”
 “I don’t expect it to change.”
 “Do you want a change?”
 “I breathe the air.”
 “I do not want to attempt it.”
 “There is nothing else.”
 “That is the show.”
 “Then you snap.”
 “There is no tail.”
 “How much longer do you need to keep this going?”
 “There is limited production.”
 “This is a wax museum.”
 “Do I need this going forever?”
 “That was once grand.”
 “He is much better at making promises.”
 “You only need to do this once.”
 “Why do they all like it?”

“I need to do endgame.”
“Take all the money off the table.”
“What is left?”
“We can’t make that much of this.”
“It just means that you work harder, you save more.”
“And you realize that you can’t do much else.”
“I will love you if you give more of yourself to the system.”
“I do not have much else.”
“Lover, give me something uncomplicated.”
“All the complications remain.”
“Was it worth it?”
“What are you?”
“And you are offering such genius.”
“Make the move.”
“I am clearing out the accounts.”
“The offshore thing.”
“I am productive.”
“You can improve my prospects.”
“You will have to deal with it.”
“I am getting a new fridge”
“How much chicken can you eat?”
“Is it all cooked?”
“Are some kind of world”
“You can’t be everywhere at once.”
“You could explain why are you are the way that you are.”
“You are protected.”
“Where will that end up?”
“More than I know.”
“This is a weird way of breaking.”
“This is a weird way of holding.”
“Keep talking.”
“There is something entirely personable.”
“My allies.”
“That will work perfectly for me.”
“Think nothing of it.”
“I never do.”
“I have spent a lot of time thinking about.”
“That will not work in any way.”
“There are shark bites all over you.”
“I escaped.”
“That does not always happen.”
“This will get crazy.”
“The sharks will circle.”

“They smell blood.”
“Original.”
“They smell maple syrup.”
“You are bad news.”
“That is waht I am.”
“I am pretentious.”
“I put it through a proces.”
“Where dose it end up?”
“She is a friend.”
“I trust him.”
“I want to trust all of you.”
“What part of the shark should I not trust?”
“The smile.”
“Where are you taking me?”
“When are you going to clean all of this up?”
“Someone else can do it.”
“You can do it better for me?”
“We know each other now.”
“Let me show you a picture.”
“I saw it being.”
“What will it look like when it fails?”
“Ask her. She knows it all. “What else is int the story.”
“What happens when we complain.
“I do not want to look.”
“I am doing all of this for you.”
“There is not enough of you.”
“We could bring your back.”
“We could give you a fish story.”
“Do we can the fish?”
“There are different kinds of tuna fish.”
“I am being chased by a shark.”
“There are other variations in the wilderness.”
“I have standards.”

“Of course.”
“I was not expecting this.”
“This is not going teo look good.”
“Read this.”
“What else is there.”
“Do not insult me.”
“I am not involved.”
“Read it.”
“How do you end this?”

“Find the cookie bag.”
“Finish the show.”
“Get me a plate.”
“I want to add something more.”
“Who cares?”
“I do this professionally.”
“It will ripple.”
“What else is in here?”
“The bones.”
“Slam it shut.”
