

THE DIRTY GAME

“Are you telling me that there are domestic operations?”

“That is all that there is. These are all excuses.”

“I am easily satisfied.”

“Are you only going along?”

“There are no concessions.”

“Does this begin in the playpen?”

“It starts with strategic dosing?”

“When did you start?”

“I want everything that you have.”

“You can. That is the intention. We show you how to get everything that you want.”

“I like the watch.”

“You are going to twist in the wind.”

“Turn on the orbits.”

“This is more than I could ever want.”

“Of course, it is.”

“It always is.”

“Break me down to nothing.”

“That is what they do.”

“This is for domestic consumption.”

“You need to be here a lot earlier.”

“That is everything that I need or want.”

“Do not try to compete with me.”

“Is that a statement?”

“I liked to play games.”

“You are destroying the balance of society.”

“Something has to be done.”

“Tell me what you want. Show me clarity.”

“I want another watch.”

“I want another car.”

“After this, we get self-destructive.”

“I am taking care of myself.”

“Indeed, you are.”

“These are not my choices.”

“This is for all the marbles.”

“This will stop.”

“I want to touch.”

“I want to learn.”

“What is beyond that?”

“Why are you angry with me?”

“This is not about anger. This is about facilitating something.”

“After this point, he changed completely.”

“There are not that many parts in the universe.”
“Don’t doubt me.”
“We aimed for the summit.”
“It is being presented in a literal manner.”
“They are tumbling down the mountatin.”
“You have a friend.”
“I will teach you how to be ruthless.”
“I see what you want.”
“A good job and some pece of mind.”
“I extorted you.”
“I got half of what I wanted.”
“How does this work in your world?”
“You exhibit this connection in your face.”
“We are not leaving.”
“We have all left.”
“You have to live with it.”
“I do not want to move.”
“They break us down more.”
“Where did you get the wardrobe?”
“I am a seamstress.”
“Did anyone compliment what you had?”
“This is another way of being here.”
“When will that last story grown old?”
“Is my whole life going to be like this?”
“I showed up.”
“I am at the mall.”
“I am not even trying.”
“Buy that for me, Mommy!”
“You cannot be helped.”
“Why does this work?”
“At one time, it did not.”
“I am resisting?”
“Does that feel great?”
“I remember you.”
“You have not changed.”
“I am getting closer.”
“We could start here.”
“I am good with people.”
“Raise me up from teh dead.”
“I cannot be what you want me to be.”
“I will melt in you.”
“What is the time?”
“The pets are calling.”

“That is more than brilliant.”

“That is nothing.”

“Help me to balance.”

“I remember all too well.”

“I need a better vantage point.”

“The water collected her.

“A lake.”

“An intellectual moment.”

“This is helpful for all of us.”

“You could not last.”

“That is the shit that you are used to.”

“The Vittorio role.”

“How long does that last for?”

“Are you willing to pay for your sins?”

“Do you know wha any of this is about?”

“Come ask me.”

“Where does the story end.”

“In my heart.”

“I like the house?”

“That is the real shit.”

“Every time that I see history play itself out for you, I feel this profound sense of resentment.”

“I am disoriented.”

“Use this to become something.”

“Some people know.”

“In what world is a a character.”

“In a world that kills people for sport. That is too close to you.”

“What will you reveal for love?”

“Another watch.”

“It sill is off.”

“By minutes?”

“By years.”

“This is so hideous.”

“It is all your doing.”

“Prepare for a skating routine.”

“I got knocked down.”

“I want the right friend.”

“I know stuff. And they are going to blackmail.”

“It looks right.”

“In what world, does that work?”

“In a world that kills for sport. One that needs an argument to justify its rapacious greed.”

“You just want a cut.”

“Why wouldn’t I?”
“What about the blood money.”
“Where do I start?”
“Trying to slither around.”
“I do not even know when this becomes good.”
“How long are you aboard?”
“I left a dog on the grill.”
“I do not grasp this.”
“Give me oxygen.”
“It all decayed.”
“There are ideas!”
“And that keeps you going?”
“There is only one proper way to do this.”
“Some people my find this pleasant.”
“You are not in control.”
“We are changing the policy.”
“I feel like a tool.”
“You are so ostentatious.”
“I scored a fair representation.”
“Where does that work?”
“Give me credit.”
“What do you want here?”
“Clarity of presentation.”
“I am definitely in the wrong place.”
“She isn’t. How can she control that kind of shit from here?”
“Someone is going along.”
“Where did you find that?”
“The walking wounded.”
“Where is the conflict?”
“In the home.”
“I am destroyed by whatsis good for me.”
“How is that working?”
“No one can be trusted.”
“That is an imitation of a life.”
“What do you need to add?”
“That is unbearable.”
“I will finish.”
“I will not give you what you deserve.”
“You are over.”
“This is official.”
“We do not have to deliver.”
“I will accept delivery.”
“We can sort it all out in the basement.”

“This will get dangerous.”

“What is the latest information?”

“This is what got me started.”

“We are such friends.”

“I wanted you in different ways.”

“How many days does it take to get to that point?”

“She is here.”

“Of course.”

“My eyes are on the hour glass.”

“Is that the same thing.”

“What do they have here?”

“Someone mixing apples and oranges.”

“They went hunting.”

“There is a reward.”

“I do not want to leave.”

“This is how they justify using the authorities in domestic context. There is complete violation of basic Fourth Amendment rights.”

“This is the advance level of being unable to stop.”

“Not much different than being unable to start.”

“Is this what got you started?”

“We go along with things.”

“There is no development of social consciousness.”

“You never realize that their party is over.”

“You know that I know.”

“I am still alive.”

“ARE YOU WATCHING ME?”

“Do you need me to watch?”

“Who is the lonely one?”

“Your isolation is not going to improve your talent.”

“I am practicing.”

“I cannot keep working on this.”

“You will not find rescue tonight.”

“Where did this come from?”

“Somewhere in the garage.”

“I cannot catalogue all these sentences.”

“The connection is beyond me.”

“I can finish the meal for you.”

“I do not want to stay here forever.”

“None of it matters.”

“You will understand the difference,”

“An excess of alienation.”

“This is when you realize that you have a life.”

“We are so far down in nothingness.”

“You need a shower.”
“Why are you running from me?”
“He is the apprentice.”
“Work on me.”
“That is getting more difficult to understand.”
“It is not easy to change.”
“Tell me a joke.”
“I made it possible for you.”
“The money is not going to work.”
“What will?”
“Another kind of connection.”
“Don’t think about it for too long.”
“You are not involved.”
“What else is here?”
“I could use your help.”
“I am trying to fight my way out of paper bag.”
“I am giving myself permission.”
“I am not even on that page.”
“I am not a reader.”
“You will never understand.”
“She is already in.”
“Where is this headed?”
“She is everything that she seems to be.”
“There are other layers.”
“I am no longer in the show.”
“We all want to be friends.”
“I got knocked around.”
“The hour glass finally emptied out.”
“I am on display.”
“It is all your doing. It has been coming to this point.”
“What do you have in there?”
“A defense.”
“You crave persecution.”
“Do you have a place for me?”
“This is fading quickly.”
“There will be a relapse.”
“Can’t you declare a victory?”
“I need evidence.”
“What do you have to show.”
“He is next.”
“Of course.”
“It is roulette.”
“Slow down.”

“How do they ever manage?”

“A theology.”

“Let me in.”

“I have been here.”

“Are you even honest?”

“I need a sugar fix.”

“Kiss me.”

“What is he thinking?”

“Who put something in the tea?”

“This is outrageous.”

“He wants to contribute.”

“The cause.”

“The effect.”

“Drink up.”

“When do you say no?”

“We build a monument.”

“This is part of our freedom.”

“Do not make fun of me.”

“I am not going to make anything of you. You can make a big fuss, But I am not going to make anything of you.

“I have a cuase.”

“I like these kind of guys.”

“Some people have an affection for ex-cons.”

“What more is there?”

“Someone is going to have to clean this up,”

“We fought to make us free.”

“Why did you bring back the disease?”

“We are saving you at home.”

“Am I free to increase the overall level of education?”

“Do not worry about that?”

“Why do they hate us?”

“They have nothing else to do.”

“She fell off the edge of the world.”

“Would anyone really say that kind of shit?”

“I cannot listen to any of this.”

“Buy gold.”

“There is a hierarchy.”

“Are you moving this stuff for yourself?”

“For domestic consumption.”

“She does like cruelty.”

“That is what you get.”

“Where did you get the pants?”

“The same place that you got the dress.”

“Nothing will be solved.”
“This is your fucking life.”
“We have a pool.”
“I do not want to come outside.”
“You challenged me.”
“This is when I want to hop on board a Westbound.”
“There is a different kind of balance.”
“You will never appreciate the variations.”
“When will this end?”
“Do you understand the difference.”
“There is nothing to understand.”
“Of course there isn’t”
“I made a mistake.”
“I still did not solve the problem.”
“Lucifer knows.”
“She knows too well.”
“What comes next?”
“Bedtime.”
“Take the dog for a walk.”
“Say yes.”
“That is hopeless shit.”
“Really hopeless.”
“What do you call this?”
“I am trying not to insult anyone.”
“This is the theater of cruelty.”
“I am going to go home and think about this.”
“I claimed you.”
“This is not even close to a resolution.”
“You are not solving anything.”
“We can kill our failures.”
“You always do.”
“What is that about?”
“You need sacrifice.”
“I am there with you.”
“This is so fucking boring.”
“You have to dispose of all the bodies.”
“This is a domestic operation.”
“Garbage disposal.”
“I do not know what is worse.”
“You could be everything.”
“What do you need to do to arrive?”
“It was something that I worked on casually.”
“That is beautiful.”

“Where do you think that we are?”
“This cannot be better.”
“This is epic.”
“For the ages.”
“I want to look.”
“You cannot have everything that you want.”
“The guest of honor.”
“Lucifer.”
“She is slaying it.”
“She is a killer.”
“That is obnoxious.”
“There will be a resurrection. Do not worry about the consequences.”
“He will kill for me.”
“That is good to know.”
“That is all that we can know.”
“Is it all over?”
“What happens when I turn to the next page?”
“It is blank. It awaits personal dedications.”
“What the fuck. I will use it.”
“You will be responsible.”
“Posture.”
“Now, I understand.”
“I am all about cause and effect.”
“I see what I want.”
“That never works.”
“Are your hands clean?”
“How close are you?”
“It is your job to sort it all out.”
“I cannot explain this to you.”
“You have absolved yourself.”
“Smile.”
“What have I missed?”
“Stand on your head.”
“The confident.”
“We all have our memories.”
“They asked.”
“You were betrayed by one of your own.”
“What else is in there?”
“I am connected.”
“Like some kind of sacred shit.”
“Go ahead.”
“How did you manage that?”
“This will only get better.”

“I do not want to think about this.”
“You do not have to.”
“I am impressed.”
“That is not helping.”
“Will that really make any difference to me?”
“How do you rate any of this?”
“I do not.”
“Isn’t your dog calling you home.”
“This is my home.”
“Good for you.”
“I am omnipresent.”
“This is not about presence.”
“Surely, it is not.”
“There is a place where you can wait.”
“A waiting room.”
“That fills me up.”
“I know where it would be much better.”
“Where?”
“In your car.”
“I can’t wait.”
“Say it matters for now.”
“Should I watch with you?”
“What are we looking for?”
“You are supposed to look at who is coming out of the house.”
“I am looking at who is in the house.”
“They are coming for you.”
“GO HOME!”
“I am.”
“There are layers of bulls shit.”
“Honestly, are we enemies.”
“We are.”
“Why can’t you love me at home?”
“There are spies.”
“You make what you will.”
“I will cheat.”
“I need to.”
“I do not accept things like this.”
“Love awaits me.”
“I hate being mean.”
“I reserved a place.”
“Do you want me to touch that?”
“I cannot heal.”
“You can hate me if you want to.”

“You do not have to remain in the room.”
“I am the door person.”
“Lock the door.”
“Why is your mouth open?”
“I am at a wedding.”
“I will be fed.”
“Do not eat the cake.”
“How did we get to this pint?”
“They have chipped everything.”
“Where is this headed?”
“To the poor house.”
“Where is Fanny?”
“Kitty has taken over.”
“What does she see?”
“Truth and love.”
“This will continue on forever.”
“It will bless me.”
“I want more than that.”
“What are you doing here?”
“How did I end up here.”
“This is all part of the same show.”
“Do you know what they call that?”
“A colony.”
“There is no core.”
“I am breaking.”
“What do I get now?”
“Everything that you deserve.”
“I will take all of it.”
“I have been very busy.”
“That stuff is going to go to waste.”
“You went one way.”
“We have arrived.”
“Announce it.”
“That does not stand up.”
“I make fun of him.”
“I make fun of him again.”
“You have only one choice.”
“They are going to tear me apart.”
“They are going to eat me.”
“That is why they are monsters.”
“You will always want my soul.”
“Let us think about recent past.”
“You ran into me.”

“I had the angle.”

“There are no angles.”

“How can I explain it?”

“You need to be it.”

“You need to live.”

“That is hideous.”

“Do not destroy me.”

“I get born.”

“What will you give me?”

“I am not going to ask for what I cannot have. But I do want all the parts.”

“Where is this going?”
