

**RADAR**

“Will this affect me in a negative manner?”  
 “It will get in your body.”  
 “What is the transmitter, and what is the receiver?”  
 “Look at me.”  
 “What else is there?”  
 “I am sympathetic.”  
 “That is not enough.”  
 “How much time do you need.”  
 “Do you want to watch?”  
 “That is manifest?”  
 “Do not ask.”  
 “I am going from the high dive.”  
 “You need to hit the water at the right angle.”  
 “He has what I need.”  
 “This is not a place for denial.”  
 “I need to give myself what I need.”  
 “I realize why there is total lack of mobility.”  
 “I do not want to hear any of this.”  
 “That really hurts.”  
 “Who knows?”  
 “Who knows?”  
 “You can start your life today.”  
 “What about the baggage?”  
 “Do you really want to be accountable?”  
 “Where is this headed?”  
 “Were you even inside?”  
 “I was deep inside.”  
 “We can do it all over again.”  
 “Explain it to me.”  
 “I am trying to learn.”  
 “Say what you will.”  
 “Again, do not ask me to help.”  
 “Everyone can see what you have been doing.”  
 “That is my favorite.”  
 “I want to be your favorite.”  
 “You need to prepare for what is coming.”  
 “You got it all wrong.”  
 “What did you hit on the first spin?”  
 “I hit all the key values.”  
 “What is next?”  
 “I need someone else in the power position?”

“I was there.”  
 “I am good with the video.”  
 “Do not mess it for the rest of us.”  
 “We are looking at this in very different ways.”  
 “That could be everything.”  
 “You keep saying that. I want to go along with that view. Let us say that you are an  
 artist. Or your life is work of art. Or it would take a work of art to describe your life.”  
 “Is that how my life appears to be?”  
 “Look at the first spin.”  
 “This is long-term operation.”  
 “You cannot hide that much.”  
 “You are in the glamor position.”  
 “I bring the fire.”  
 “I clean the machine.”  
 “There is one part of my life that is totally together. I want to explain that to you.”  
 “The head and the heart.”  
 “You are going to have to work on that.”  
 “There is a destructive part.”  
 “That is amateur stuff.”  
 “How am I supposed to be a professional? I am never going to have those skills.”  
 “Let me help with the diagnosis?”  
 “I NEED TOTAL PERSONAL CONCENTRATION.”  
 “This will be easier for the both of us.”  
 “I want a promise of a future life.”  
 “This is where Lancer loses the way.”  
 “This is supposed to be controlled.”  
 “And what are you doing?”  
 “I need to be quick.”  
 “The world is quick.”  
 “I can come back to this.”  
 “We can give you what you need?”  
 “I can limit the threats.”  
 “What is a pest?”  
 “These are human threats.”  
 “These are antidotes.”  
 “I have it all down.”  
 “She really has it down.”  
 “I want to control that moment.”  
 “All the fluid is flowing out.”  
 “We can give you a transfusion.”  
 “We may not get to that part.”  
 “That could be a big hope.”  
 “I remember you.”

“What else is left.”  
“I am concentrating on this.  
“I want a final resolution.”  
“Someone need to make sure that this works.”  
“What are you hiding?”  
“A place to hold it all together.”  
“I want this to matter.”  
“Then you quit.”  
“Stay.”  
“It is inside my head.”  
“You are going to remember this.”  
“How do you fight this?  
“This does not work for anyone.”  
“It works for you.”  
“Say no.”  
“I see it as a ritual.”  
“Are you a leader? Are you a participant?”  
“This comes back to me.”  
“And it heads into space.”  
“We need to explain the scale.”  
“I do one thing well.”  
“I do not ant to play with you.  
“Teach me something else.  
“Who cares about you?”  
“I am going to continue to take chances.”  
“I need to get another look.”  
“We are so different.”  
“He took my check.”  
“I gave him my card.”  
“I am holding on to this moment.”  
“I am going way beyond that.”  
“Am I supposed to remember?”  
“You need to show it in a particular way.”  
“I do not do it like that.”  
“It was never meant to be like that.  
“We can deal with that another day.”  
“We are sharing the same thing.”  
“You are treating us like guinea pigs.  
“Help me get out of here.”  
“Then you give it all up.”  
“Who knows?”  
“I cannot keep track.”  
“This broke apart in my hand.”

“Let it all go.”  
 “Are you kidding?”  
 “That is totally impossible.”  
 “Make the move.”  
 “I cannot make the move.”  
 “That was everything.”  
 “I need a thousand everything.”  
 “What is the scale?”  
 “There are gaps.”  
 “Everything is in-between.”  
 “I can believe.”  
 “That is a sculpture problem.”  
 “Solid rock.”  
 “How does that happen?”  
 “I am not part of this world.”  
 “What has she been working on?”  
 “Good things for all of us.”  
 “Where did you end?”  
 “What did you want to show me.”  
 “Does it get explained like this?”  
 “This is all coming at me at once.”  
 “You can control it all at the same time.”  
 “I understand all too well.”  
 “Where are we?”  
 “Back at work.”  
 “I can pretend.”  
 “I am pretending.”  
 “I need someone to map it out in a clearer manner.”  
 “You love it.”  
 “I am at a rodeo.”  
 “I am afraid of this.”  
 “What does that ever mean?”  
 “Total objection.”  
 “I have alternatives.”  
 “Keep it going.”  
 “I have been accepted.”  
 “We are not going to talk about it tonight.”  
 “Nobody wants your shit.”  
 “You are a donor.”  
 “I do not want to think of myself that way.”  
 “You are giving me loads of money.”  
 “You make the lights sparkle.”  
 “I will try. But I will not remember you.”

“Here is my resume.”  
 “I am trying to remember. Whisper your name in my ear.”  
 “I want to be able to do this on one day.”  
 “I want it to be completely different,”  
 “It will be.”  
 “Make it so simple.”  
 “I am glad that you stopped this.  
 “Only one person can make this mean anything.”  
 “How are we connected?  
 “Take this test.”  
 “I am looking at my bank account.”  
 “This will be massive.”  
 “You are a go.”  
 “I lose my mind.”  
 “What is happening?”  
 “Now, we ask the real questions”  
 “Is this my story?”  
 “No, it is mine.”  
 “Where will we end up?”  
 “Hope has been so good at controlling this.  
 “Do not shit on me.”  
 “I have the money to do whatever I want.”  
 “This is random.”  
 “The evil is among us.  
 “What do you want?”  
 “Something different than I used to want.  
 “Ice cream.”  
 “Gas.”  
 “Potato chips could be the answer.”  
 “They are not.”  
 “We will not be getting answers.”  
 “The Russian Revolution.  
 “How could that be an event?”  
 “People took history in their hands.”  
 “Why do you not want to hear that?”  
 “Why did you jump in?”  
 “I made a personal effort to make this happen.”  
 “Is this religious?”  
 “No!”  
 “What are you going to do tomorrow?”  
 “You need to be very serious about this.”  
 “In another place, you would be another time.”  
 “I work to work.”

“The self to the self.”  
 “We need to hit the big time.”  
 “It will all fit together.”  
 “I will wait.”  
 “You need to know right this minute.”  
 “I can get a head start.”  
 “This will be sheer genius.”  
 “Deep shit.”  
 “Surace shit.”  
 “A stain.”  
 “Tell me like it is.”  
 “We both have time.”  
 “No one can figure it out.”  
 “I am good.”  
 “These are points that do not connect together.”  
 “Follow the loops.”  
 “This will all make sense at home.”  
 “I only needc to do one thing.”  
 “I can get to source.”  
 “One minute.”  
 “Do you think that you can tell me?”  
 “There was supposed to be more.”  
 “There is never enough to make anything work here.”  
 “Don’t even think that.”  
 “You will destroy who you love.”  
 “That is not a good way to think about this.”  
 “Why can’t we complete the work of art here?”  
 “This is only a stop along the way.”  
 “What is the field of battle?”  
 “You plan it.”  
 “You are such tools of the dominant culture.”  
 “How is that?”  
 “This is a planned event, and you have tried to resist.”  
 “I cannot rescue you.”  
 “There is no rescue.”  
 “Pull out your check book.”  
 “Are we friends here?”  
 “You are dragging me through the mud.”  
 “Now, it all makes sense.”  
 “That is too much noise.”  
 “I gave you too much of my love.”  
 “Damn!”  
 “You know how to cut close.”

“Do I know who you are?”  
“I am drifting.”  
“Who knows?”  
“I do.”  
“That is the total disintegration of the individual.”  
“I am trying.  
“And you are going to give your money to this.”  
“You have no idea what this is.”  
“I will take the cash.”  
“I will make this a go.  
“I cannot stop myself.”  
“I CAN.”  
“I knew that you were obnoxious.”  
“Are you smart enough to know?”  
“He told me.”  
“Who told whom?”  
“This is digging deep.”  
“How can I tell?”  
“I can tell so much.”  
“Keep this going for me.”  
“Come running towards me.  
“I wrote about this.”  
“We can stop this forever.  
“What would have happened?”  
“There is not snes of differentiation.  
“And what is your dream?”  
“Do it for me.”  
“There is so much to do.”  
“I do not need to leave the house.  
“The house come to you/”  
“This is some crazy kind of prediction.”  
“I need help.”  
“Where will this end up?”  
“You want me to read your mind.”  
“I am looking at pictures of you.”  
“Where is this going.”  
“There is an alternative presentation.”  
“We could leave it at that.”  
“You had a chance to ask.  
“I am already past that.”  
“I want to pretend.”  
“When was this working?”  
“There is a lot of work ahead of us.”

“She is waiting for me.”  
“That is what she always says.”  
“You gave up, and the difficult stuff was yet to come.”  
“I didn’t know.”  
“I DO NOT WANT TO KNOW.”  
“He has done his part.”  
“We all do.”  
“That cannot affect me.  
“What were you given?”  
“I had the will.”  
“What made you pure?”  
“I could make you pure?”  
“That is an investment.”  
“How does that work?  
“They are coming to me.”  
“You make your own world.”  
“I was almost there.”  
“I am there.”  
“This is real vulnerability.”  
“I do not want that.”  
“I was crushed.”  
“What is there?”  
“Why do you like that?”  
“It responds to a need inside.”  
“What is that?”  
“Faith.”  
“A pattern.”  
“A design.  
“Does it match? Does it work?”  
“Where do we go?”  
“We get serious.”  
“We make it matter.”  
“Do the spins determine the design.  
“These are different symmetries.”  
“This is purity.”  
“I see it all.”  
“Follow the right path.  
“There are different branches.”  
“Do not let your pencil leave the paper.”  
“I want to create a little design here.”  
“That will not work.”  
“This is part of the soul. None of you understand.  
“Did you have fun?”

“She will explain it to all of us.”  
 “This is so far beyond me.”  
 “Who is going to complete the job?”  
 “If you cannot represent think the theory, I will not see it.”  
 “There is work. There is a theory of work. There are things that we do. And there are emotions.”  
 “This is not me.”  
 “You are not part of the design.”  
 “I have got you ready for this.”  
 “This is an angry delivery.”  
 “This is some kind of controversial shit.”  
 “What is beyond this?”  
 “Ownership or discipline.”  
 “Investment.”  
 “More of living with shit.”  
 “Where is this going?”  
 “Smile for the camera.”  
 “I do not want to show that much of myself.”  
 “Try.”  
 “I am trying to keep up.”  
 “I cannot keep up”  
 “I can fill in.”  
 “I need this to be a mystery.”  
 “Life is the one big mystery.”  
 “I cannot participate.”  
 “I need to practice.”  
 “This needs to be exact.”  
 “I am trying to face myself.”  
 “Face the room.”  
 “You will not be able to bring him down.”  
 “I did.”  
 “It is a symbol.”  
 “This is so simple.”  
 “There goes all your money.”  
 “I never thought about it this way.”  
 “That takes the edge of.”  
 “This is a bigger pond for your shit.”  
 “I am already in the next orbit.”:  
 “How did you get away?”  
 “I would take a chance.”  
 “Sit up.”  
 “Where will that take you next?”  
 “That is too much noise.”

“We are going to report.”  
“What do you want to say?”  
“Someone had to do the dirty work.”  
“The dirty person.”  
“How did you figure that?”  
“I did not see it like that.”  
“Where will this end up?”  
“Around the island.”  
“This may not be an island.”  
“Cross the bridge.”  
“That is an impossibility.”  
“There is a rule.”  
“Do not scare me.”  
“Spend more money.”  
“You only have to spend more until you have won the auction.”  
“I win.”  
“What do you do?”  
“I get touch with life.”  
“I let it show in my face.”  
“It is more than that.”  
“Show me the face of sadness.”  
“There is a lot more than that.”  
“I am glad that ended like that.”  
“I get one more appeal.”  
“And what else is there?”  
“Lies.”  
“Purity.”  
“It is not supposed to be like that.”  
“I cannot react.”  
“What more do you want?”  
“More humanity.”  
“A better historical perspective.”  
“You are so over.”  
“There will be forgiveness.”  
“I AM NOT BIG ENOUGH FOR THAT.”  
“Make me jump.”  
“I have a bank account.”  
“This is my turn.”  
“Go off shore.”  
“They will catch up.”  
“That shit is not worth anything.”  
“I am glad that is over.”  
“Who is protecting your interests?”

“What is the waddle?”  
“Who is paying for breakfast?”  
“I am skipping.”  
“That is all that we want.”  
“I got what I wanted.”  
“It made sense back at my place.”  
“I had the machines.”  
“Turn it up.”  
“How does that function?”  
“A wine cellar.”  
“What is really down there?”  
“Ask Lancer.”  
“I do not want to apologize.”  
“That is all that there is to it.”  
“I wanted a little more.”  
“Take it.”  
“Take the shot.”  
“Some stupid cop shit.”  
“I will take care of it on my own.”  
“It is pretty much the same thing.”  
“I am a million different places.”  
“I get it.”  
“The energy levels increased.”  
“That is all part of the theory.”  
“The irrigation project failed.”  
“We all failed.”  
“Are you waiting for me?”  
“There is no waiting.”  
“I am there!”
