

THE IMPOSSIBLE

“Did you bring that in with you?”
 “Do not give me up.”
 “You are not that good at science.”
 “Are you insulting me?”
 “This is a lot more complex than I know.”
 “We could break this down.”
 “Brick house.”
 “I think that I get it.”
 “Who is getting more of it?”
 “This is better than eating.”
 “I came for this”
 “Do you see this?”
 “No sausages.”
 “That is not a good way to see this.”
 “What is the choice?”
 “You are still with me.”
 “Who else is working with you?”
 “It is all staring me in the face.”
 “I am going to need to be more scientific.”
 “That will not work.”
 “Where are you breaking down?”
 “Hide over here.”
 “This is when the fun starts.”
 “I want you to love and cherish me.”
 “I want more.”
 “You are not getting more.”
 “You are awake.”
 “This was supposed to work positively for me.”
 “Where else are you going?”
 “Home.”
 “I will replenish.”
 “You have not even started.”
 “That is how I work.”
 “I write about beautiful things.”
 “That is not going to work form much of anything.”
 “We could starte the education.”
 “Really, it does not matter.”
 “That has nothing to do with me whatsoever.”
 “There are secret identities.”
 “You are at the top of the world.”
 “This could be so much easiser.”

“Just give me numbers.”
“This could be just right for you.”
“Take me to heaven.”
“Take me to a hospital room.”
“They will love you.”
“The sheets are clean.”
“For how long?”
“I don’t think about this.”
“They put me in a tower.”
“Was that a punishment?”
“This is hot and damp.”
“A rat crawled on me.”
“The cats are active.”
“Where is this headed?”
“He does not know how to slow down.”
“Just move forward.” “That works for me.”
“You could be more assertive.”
“I only want to escape.”
“It is echoing.”
“Take me from spiritual to physical.”
“You need a ritual.”
“Public sacrifice.”
“This is not going to work for any of us.”
“You are asking for the impossible.”
“You will be exiled with your own thoughts.”
“I hope that I did not create a monster.”
“We all love you.”
“You need to have started before we can make this mean anything.”
“I expect a little more from life.”
“Keep expecting.”
“They are all watching you.”
“What will change?”
“These are various levels of degradation.”
“I am being skinned alive.”
“You can head out somewhere else.”
“And that is enough for you.”
“I have never seen it worse than this.”
“You have not been looking.”
“You can follow us.”
“Who is the leader?”
“You go back to your life.”
“Limited talent.”
“I almost made it all the way.”

“And you are prepared for this.”
“You are prepared.”
“I am entrusting you with something important.”
“No one will leave the fold.”
“I like my life.”
“I like drinking alone in my car port.”
“What is that about?”
“I am powering up.”
“I hopped a curb.”
“You really dont want that much.”
“Everything is in place.”
“And that is what you get.”
“I am not wanting.”
“This is slowing down.”
“And you are going to love this.”
“This is a different kind of claim.”
“Which one are you?”
“That was easy.”
“It all is.”
“That was easy.”
“I only need a few dollars.”
“Is this an investment?”
“This becomes your life.”
“I don’t think that you will go any further.”
“I am seeing the world reflected in my eyes.”
“What kind of deisng are you entering.”
“You need vision.”
“This once meant more than that.”
“You do not grasp it.”
“I know that.”
“There needs to be a more extensive lexicon.”
“None of this matches anything.”
“I got off work.”
“What else did you do?”
“You are very afraid.”
“That is all that I need.”
“What are you looking for?”
“You work together.”
“A big nothing.”
“What the fuck is that?”
“That is what the fuck it is.”
“That is not part of my life.”
“Who will do this?”

“This is for your reel.”
 “You had a road map. What did you do with it?”
 “Sometimes, I need to take the shit.”
 “Who else is involved?”
 “Did you see?”
 “I knew that this would be my moment.”
 “I spent so much on this.”
 “What are you getting?”
 “That would work?”
 “Why didn’t you call me.?”
 “We are impossible.”
 “I am somewhere in between.”
 “Light could be something else.”
 “There is a unique kind of being.”
 “Were you part of this?”
 “I am part of the brain trust.”
 “Do not try to explain this.”
 “I know what this is all about.”
 “It will take years before this matters.”
 “I could die thinking about this.”
 “You probably will.”
 “That will not change things.”
 “What else will you have?”
 “You do not realize how important this is.”
 “I am doing it for you.”
 “I will own this.”:
 “Shut the fuck up. You are disturbing the world frequency.”
 “When will you realize?”
 “I want to love you.”
 “You are both terribly wrong.”
 “I cannot be a million places at once.”
 “You have your pictures.”
 “At some point, she must be stopped.”
 “One person can tell me to quit.”
 “I need to quit.”
 “You need to maximize.”
 “I can describe a complete program for personal improvement.”
 “You will never know this. You will never develop enough ambition. I could tell this from the beginning. You can have all these wonderful programs for self-improvement. You need to get a running start.”
 “This is worse.”
 “What are you telling me?”
 “Give me time.”

“You are spinning out into space.”
“You need to explain this.”
“You can taste it.”
“There is a brush fire near here.”
“That is a gas fire.”
“Who set it?”
“Don’t leave me now.”
“I have a ride coming.”
“That is not going to do it.”
“Damn. I could have saved you.”
“I am going to make a lot of money.”
“How does that work?”
“I gave you everything I have.”
“I need a cigarette.”
“Don’t leave me.”
“The ice cream melted.”
“An hourglass.”
“The second hand.”
“I cannot help.”
“I do not want to do that work tomorrow.”
“Do it now.”
“You’ve practicing all week.”
“That is the best moment of your life.”
“How is that?”
“You can combine education and performance.”
“How can you say that?”
“That is what you have been looking for.”
“Where is my wife?”
“They are all here.”
“They will slice you up.”
“I am not playing.”
“I feel paralysis.”
“I need to sleep.”
“Take some water.”
“I got asked to leave.”
“Leave.”
“It will make sense,;’
“Don’t be too possessive.”
“I could destroy with one word.”
“I need that.”
“Don’t bring me flowers.”
“Why is that good for any of you.’
“I make it in my home lab.”

“The kitchen?”
“Where were you?”
“Are you following?”
“Is that what you want?”
“I am in suspended animation.”
“At least, you have motivation.”
“You cannot be a million places at once.”
“I do not think that I can do this.”
“This is still a question.”
“What else is there.”
“A blast.”
“What about your dog?”
“It’s not as if I am going to go home and figure anything out.””
“It makes sense.”
“I need more work.”
“Slam the door.”
“Are you going to make an effort?”
“You are already in the car.”
“I need to use your gas card.”
“This is a rental.”
“Do not even ask.”
“I am asking.”
“Honey, I do not want you to leave.”
“Sugar, you are teh best.”
“Clean up.”
“Jack me up!”
“How does that work?”
“You need to remember this.”
“No, I don’t.”
“I will answer all your questions when we get back to your place.”
“What is the gate code?”
“How do I get your fucking mutt to shut up?”
“I am going to plug that animal.”
“That is me.”
“I cannot be that mean.”
“Be mean.”
“We are all mean?”
“I could have got a lot meaner.”
“Why did you leave me like this?”
“You feel sorry for yourself.”
“Who is this guy who you are talking to on the phone?”
“He is my sponsor.”
“He is the property investor.”

“This is worse than I can imagine.
 “No one will remember much of this shit.”
 “I will.”
 “And that is what you will have to do deal with.”
 “Things are getting very messy.”
 “I guess that you are out the door.”
 “Get rid of the dog.”
 “That is my watch dog.”
 “Do you know what I wish.”
 “I would make it all make sense.”
 “But it would not.”
 “If that dog bites me, I will fuck you up.
 “Everyone is looking for you.”
 “They want my money.”
 “And?”
 “It is tied up in property.”
 “You are trying to get away from the inescapable.”
 “Where am I staying tonight.”
 “You are staying in your car. I do not want you in here. And you are not in shape to
 drive.”
 “Who are these people?”
 “She knows who she is.
 “I would mess with him.”
 “You did,”
 “I can smell this shit everywhere.”
 “You are not taking care of the dogs.”
 “I am coming back to you.”
 “Push this a little harder.”
 “That is not going to be enough.”
 “It is close enough to the real thing.”
 “Give me your gas card.”
 “I thought it was electric.”
 “Let me in the house.”
 “Get out, or I will call the cops.”
 “Let me heat a hot dog. Let me have a snack, and I will leave.”
 “I am out of here.”
 “How close are we to a realization?”
 “There will be no realization.”
 “I looked in your eyes.”
 “I am possessed.”
 “I do not need some complex shit.”
 “They care for me.”
 “That is all that matters.”

“That will all be mind.
“You hate it as it is.”
“You are going to need to deal with it.”
“I can give you some bone work.”
“I want more than that.”
“That will not satisfy.”
“Wait until you get home.”
“I am home.”
“I am coming in.”
“I picked you out.”
“How did this become my story?”
“You were more than ready to surrender to the moment. It was all around me.”
“I have the house.”
“Do you have a bar?”
“What are you protecting?”
“Is that a bracelet?”
“It is a handcuff bracelet. I made it myself. It shows me for what I am.”
“Do you feel like a prisoner?”
“Look in my eyes.”
“I am afraid.”
“What do you need to tell me.?”
“I thought that you needed to tell me something.”
“What could that be?”
“I am not a victim.”
“Are you even living in your body?”
“I am trying to understand what that is.”
“You seem so happy.”
“The universe has blessed me with happiness,”
“And you want to share it.”
“Can I love you? Can I trust you?”
“I feel as if I cannot fucking trust you.”
“What is any of that about?”
“I was waiting for it all to dry out.””
“I have my own tools.”
“Cut close to the bone.”
“That is working.”
“You could be nicer.”
“I do not want to be fucking nice to everyone.”
“Are you making this happen?”
“How does that work?”
“What if you had one thing to tell the world?”
“I would say it in words.”
“What if you needed to rephrase it?”

“I would find other ways to say it.”
“What do you have in there.”
“That is something relatable.”
“I may seem to be complex. I am a very simple person.”
“You told me that your name is Theresa.”
“What do you want to make of it.”
“Look at my license.”
“Come close to a solution.”
“What else is there?”
“I am holding myself together.”
“It has been revealed to me.”
“How do you know?”
“It is in the body.”
“Can you explain that?”
“I am close to something that no one else knows.”
“Are you waiting for me?”
“You showed me where you lived, and you asked me to wait.”
“I will help you to become better.”
“How do we do that?”
“We hold our breath.”
“We criss-cross the world.”
“I have been many places, and I have returned to this place.”
“And what is going in there.”
“Do you know what is going on here?”
“I am not innocent.”
“Are there bodies buried in the basement?”
“I designed this knife. It is doubly sharp.”
“Is there anything that you hoped for that you never received?”
“I am not part of you show.”
“I need to jump in.”
“I need to deal with your worst.”
“It is becoming like that.”
“Theresa, you are exactly like this.”
“I am becoming so much more than this.”
“I will take it for what it is.”
“We are already pretty late.”
“You have been redesigning your life.”
“I am clean.”
“What does that mean?”
“There is a perfection.”
“How does that change anything?”
“What is that really about?”
“What are you really about?”

“This is something immensely important for me.”
“How did you make it happen?”
“Tell her to look over here.”
“What do you want to tell me.”
“Someone wants to destroy your life.”
“I am doing a good enough job on my own.”
“This is part of you deep life.”
“We could develop a plan. I could live in your guest room.”
“I could pitch a tent.”
“What else is happening?”
“I only want to get here.”
“I am not going to invited you back.”
“There are types.”
“There are types of types.”
“I no longer know who I am.”
“Where is any of this headed?”
“I want to pile it in.”
“What do you think?”
“I am not trying to get down on other people.”
“This is too fast for me.”
“You invited me to sleep on your couch.”
“I invited you in my bed.”
“What does any of this mean? I just passed out wherever I could.”
“Did you reveal?”
“That is not where I am headed.”
“What else is missing?”
“How do you do this?”
“I thought that I was some kind of witch.”
“How does that work?”
“I get what I want. I fuck with those who fuck with me”
“What else is there?”
“I do what comes naturally.”
“This is more than I could have hope for.”
“I have been transformed.”
“Are we kidding?”
“I do not believe any of this.”
“I want to share in your good cheer.”
“I can’t see it any other way.”
“This is all talk.”
“It is heading toward some kind of resolution.”
“We work on what we can change. The rest will follow.”
“There is more to it.”
“What did you give me?”

“Do not be angry with me?”
 “How can that happen?”
 “I want to play along.”
 “You are not that far out there?”
 “I am living at the edge.”
 “You are fucked up, Theresa.”
 “I am talking back to myself.”
 “I staked my claim.”
 “I know what I want.”
 “I want to leave.”
 “You have a ride.”
 “Am I coming back with you?”
 “I can show you my ID.”
 “I am going to be arrested.”
 “What did you do?”
 “I threatened someone.”
 “I didn’t know that you had it in you.”
 “This is all glamor.”
 “Do you want to tell me a secret?”
 “I am trying my best to be nice.”
 “We are all friendly people.”
 “Do you know your limit?”
 “If I know it, I do not need someone else reminding me what that is.”
 “Can I come in?”
 “This will work out for the both of us.”
 “My dog can sleep in the guest room. I will sleep on the couch, and you can have my
 bed.”
 “That describes something complex.”
 “For every good thing, there is a very bad thing.”
 “I have been waiting for that.”
 “I have never experienced anything so wonderful in my life.”
 “Do you want to invest?”
 “You get along with my dogs so well/”
 “You yawned.”
 “I need to get some sleep.”
 “That is the worst.”
 “How long do you want to wait?”
 “Until the milk man arrives.”
 “What is that about?”
 “You tell me.”
 “That seem like an easy way out of here.”
 “I will eat it up.”
 “You need to leave.”

“You were going to give me your bed.
“You got all weird on me.”
“You are not that nice.”
“I did not get weird.”
“Who is being weird?”
“Weirdness abounds.”
“This is science. And we cannot accept the freaks.”
“Are you arguing for a norm?”
“The survival of the species.”
“What if I accept nothing else?”
“Give me a key.”
