

EXTRA CAUTION

“How will this change things for tomorrow?”

“It will not.”

“It is not about that.”

“I was watching this show about cults.? And it described how the cult leader would indoctrinate his followers. He would find a way to get in their heads. He would feed on their sense of desperation. It would get worse from there. They would depend on the individual to provide them with a framework for understanding. They would seethemselves in the terms of the leader. They no longer had an independent identiy.”

“That seems like a strong influence.”

“It is almost worse than that. The individual self is eroded to such a degree that there is no longer any sense of personal assertiveness. The cult leader si completley empowerefd. He can do no wrong. The other member make an effor to dsicipline the self. And the self assimialtes all the beliefs of the leader. So she is indoctrinating the self. She make it impossible to quit. The self remain caught in this system. There is a permanence to this belief. It leaves an indelible mark on the soul.”

“I thought that we were finished with this.”

“There are always new recruits. People want siple idease. They ban all be boiled down to an insignia or a word or a sentence.”

“Will I ever be able to assert my integrity again?”

“What are you doing to me?”

“I told you that everyone is involved. It is a death cult. It touches every aspect of our experience. We think about nothing ese. We do it all the time.”

“It is related to the margin of error in our experience. At each stage that we feel able to escape, we are drawn back in. We are seeking a certainty.”

“Have you found it?”

“We wish that we understood things better.

“How did you get to this point?”

“We do something silly. And we need to walk away. We make the world walk away from us.”

“You can never leave the group.”

“I can feel it.’

“HE SMILED AT ME.”

“What happens when you want more?”

“I am looking for so much less.”

“What does that involve?”

“I drift around.”

“They want to hurt me”

“Why do you want to hurt me?”

“This is not a pain thing. This is a belief thing.”

“What is the difference?”

“There is suffering, and there is redemption.”

“How did it get this way?”
“You need to take care of this.”
“Where are we?”
“You need to take care of this.”
“They take away the one thing that makes a difference.”
“Remove a bone.”
“I have a relic.”
“Do you want an explanation?”
“The spirit travels.”
“It leaves the body and travels. Then it returns.”
“What is that all about?”
“I want to believe that I am different.”
“You are unique.”
“You are more than unique.”
“I need to ask you a few questions.”
“Where are the exit wounds?”
“It is all absorbed beneath the surface.”
“Tell me more about the cult.”
“We are looking at the after effects.”
“This is something that I feel.”
“I will get you a startedr pack.”
“What else is in there?”
“What has been left out?”
“This will never end.”
“You have a deed and a key and a map for life.”
“No one else will grasp this.”
“What makes you nice?”
“We are beyond the surface.”
“There is a battle here. There is no other way to see this.”
“You cannot keep saying this kind of thing.”
“These are just words.”
“This is just life.”
“Why should I feel as if I know any better?”
“I am tracking different paths together.”
“Leave the fold.”
“They will not allow you to get away.”
“Are you an authority?”
“Move ahead.”
“What is a deprogramming?”
“How do they manage that?”
“Is this some kind of cold water immersion program?”
“How would that work?”
“Despite the end of these influence, there remains a constant effect of this program.”

“You deprogram.”
 “You are chewing gum. You are not all here.”
 “What does that mean?”
 “You have that brittle lack of frustration.”
 “They have got you. And you have not slipped away. Down deep, you want to same thing again and again. It is that same trigger.”
 “Am I believing any of this?”
 “I am trying to explain this to you simply.”
 “You want a level of total devotion that I cannot give you.”
 “I am getting you down for the minial contribution.”
 “There is too much obliteration.”
 “I am being served.”
 “That is all that you need. That is all that you want.”
 “I am going to need a lot more of that.”
 “You do not understand total devotion.”
 “I need to give everyone a little.”
 “You have been trained well.”
 “You have all been trained very well.”
 “I need to get this down.”
 “There was a moment when you had a great deal more control.”
 “I was a powerful mother.”
 “Where did the power go?”
 “I gave in.”
 “WHO IS TALKING?”
 “THE LEADER.”
 “Follow the leader.”
 “I did, and it was hellish.”
 “He found your body.”
 “What do I truly want?”
 “I am the last.”
 “I still have room.”
 “I will be back.”
 “Why do you seem as if you can never know?”
 The wound is too great.”
 “We pay together.”
 “Do you understand?”
 “What wil turn you on?”
 “How do you know that you are hungry?”
 “What could another physical aler mean?”
 “We all need to get in on this.”
 “We are all in.”
 “I am going to need more space.”
 “Is that all that you need?”

“I could withdraw.”
“This is a taste.”
“There are multiple tastes.”
“What is the flavor?”
“What do we share?”
“A desire.”
“A product.”
“How can you know it?”
“The feeling persists.”
“I need to get out of here.”
“The feeling is everywhere.”
“Some of this persists.”
“Will you love me if we are not the same.”
“Why are you angry?”
“Are we different?”
“You cannot escape every time.”
“Give me money to avoid this from happening”
“What do you believe?”
“Why do you need to do this?”
“We are not well-liked.”
“That is how a cult works.”
“I only needed a few things.”
“We are going back.”
“We are never going back.”
“Who is going to win a big hand.”
“We need to run the table”
“Add more.”
“I do not see what I need to see.”
“I am here, and I am not here.”
“We are different.”
“I am totally in control.”
“I love you.”
“We are loved.”
“This is going to be different.”
“We are all members.”
“The exaggeration.”
“The marks.”
“The soul.”
“The soul marks.”
“This must mean something else.”
“When did you mean something else?”
“You skimmed the meaning.”
“This is going to be big stuff.”

“Do not leave me.”
“I am in a different place.”
“I really want to see.”
“This cannot be seen with the eyes.”
“What else do you have for me?”
“Eat, and you will be healed.”
“What am I missing?”
“I never saw this side of you.”
“This is real freak show.”
“You promised that it would never be like this.”
“Follow the thread.”
“This can continue for a long time.”
“Do one thing right.”
“Can you settle down?”
“They gave me something to calm down.”
“You can see the mistakes, but you cannot see the system.”
“I need to escape while I can.”
“They will not let you back in.”
“I had no idea that was what you were about?”
“What else do you need?”
“How do you make it pure?”
“Follow the lines.”
“Understand the meaning.”
“This is written in a rainbow.”
“Can you explain that?”
“I am going to do something special,”
“That is all that there is.”
“I am back in baby’s arms.”
“You blessed me with your input.”
“I am doing what I can to be patient.”
“I have found the door.”
“I wish that was all that it took.”
“I do not want to seem greedy.”
“What else is there?”
“There are different ways to see ourselves.”
“What is the result?”
“You need to guess.”
“I do not want to seem anxious.”
“Do it while it is still possible”
“That is all that really matters for me.”:
“You need to move a little faster.”
“The witch has needs.”
“We all do.”

“How do we know?”
 “You exaggerate the sensation until it all means something more.”
 “What is something more?”
 “I feel it way differently.”
 “There is not that much magic there.”
 “Let us get down to brass tacks.”
 “Hammer it all in.”
 “I feel every motion. It all means something to me.”
 “Then the supernatural sets in.”
 “There are these correspondences.”
 “Who is this guy?”
 “I need a helper.”
 “I keep writing.”
 “There are a million ways to Sunday.”
 “I feel every one.”
 “I WANT TO EXPLAIN WHAT I FEEL.”
 “The explanation makes me feel something. “
 “How is that?”
 “There are so many things that are not seen. They are not expressed. They are not said.”
 “Say it all for me.”
 “We will get back to the place.”
 “Touch me in the heart.”
 “Know me in the soul.”
 “YOU ARE MISSING THE PROPER PATH.”
 “We are working together.”
 “I will make it mean anything for you.”
 “Then I need it to mean some one thing.”
 “What is missing?”
 “YOU CANNOT SEE IT. BUT YOU WILL KNOW IT. YOU WILL FEEL IT.”
 “What was not working?”
 “I know when not to ask.”
 “This is going to be a big deal for you.”
 “They are making bread.”
 “You are satisfied.”
 “Not in a good way.”
 “We carve out this part of ourselves over which we have no control. And that becomes a lasting pattern for our lives.”
 “I want a little more faith and a little less affection.”
 “Where is this headed?”
 “What did I miss?”
 “Stay busy.”
 “I needed to see that.”
 “You both did.”

“Are you hearing this?
“You could be somewhere else.”
“It is the progression.”
“What are the steps?”
“Find other words?”
“Some one will find you.”
“You look like you need money.”
“It has been a long time.”
“It is a long time”
“Why can’t you just be original.”
“I have the right number.”
“Why are you pushing me?”
“Do you want to be pushed?”
“Are you trying to get to the right location?”
“I paid for it.”
“I want to look around.”
“I see you reflected in other faces.”
“I am bringing it back.”
“That is a lot of work.”
“What is really involved?”
“You can make more.”
“Look at me.”
“They destroyed me.”
“What are the risks?”
“This is all about safety.”
“I know what you want to here.”
“Pretend that this is it.”
“This is it.”
“I already know which one I am going to get.”
“The rhythms get me there.”
“I am thinking about it.”
“Know that it is there, and you cannot have it.”
“You can have it.”
“Is someone taking care of you?”
“That becomes a good refrain.”
“It really isn’t that.”
“I have eyes for something important.”
“What is the last step?”
“You really have to love this.”
“Then you were trapped.”
“You are right in the middle.”
“You could make this different.”
“Take this little manual home with you.”

“What should I eat? When should I rise? What should I believe.”
“I believe all of this an more.”
“This is a good time to leave.”
“You cannot leave.”
“I want this to be perfect.”
“I need you to add some things.”
“I want you to set the scene.”
“There is going to be more involved.”
“Just in case.”
“We are going one step at a time.”
“You cannot come in here.”
“Enter.”
“Where do we start?”
“You are invited.”
“You are going to put it all together.”
“Do you want to be in it?”
“I am way beyond this.”
“This is still fresh.”
“When did we finish?”
“Is that all that you need?”
“I need to count it all.”
“I do need to outline it:
“He thinks that he is important.”
“I am important for now.”
“You are.”
“What else is here?”
“Speak your mind.”
“You are not the one.”
“Do it for now.”
“Let me explain why I am the one.”
“It is not going to work.”
“Or it is not going to work, and I am going to have to rememver all this shit.”
“It is written all over you.”
“We all want a taste.”
“That is slipping from me.”
“I am hanging on.”
“Do you want to join in?”
“How do I do that?”
“Take risks.”
“What kind?”
“Hold your breath.”
“Do not hurt me in private.”
“Do not hurt me in public.”

“I will tell you. But there is a lot more at stake.”
“What is this about?”
“Can you get any deeper?”
“Where did that start?”
“Am I going to have to listen to this?”
“Of course.”
“I knew that.”
“You are trying to get me involved.”
“Who is the boss?”
“I need you because you can help me realize what this job is about.”
“I need you to show up now.”
“Give me a song and dance.”
“There is another part to this story.”
“I will take it all.”
“How do I participate?”
“This is all cash.”
“Cash it out.”
“Leave a record.”
“I know it.”
“You need to get all parts of the tail.”
“There is an extra part.”
“What else could you be doing?”
“There is that special moment.”
“You cross over, and it is forever.”
“I have come back for you.”
“Some kind of Orpheus shit.”
“It is all going to go somewhere else.”
“I can take more pain.”
“It is all gone.”
“I love perfection.”
“I am only here for a short while.”
“You are speaking in riddles again.”
“I am trying to collect all the riddles.”
“You get good at this.”
“And it is done.”
“I can make it wonderful.”
“Do you recognize what you are looking at?”
“I am looking at the Constitution.”
“There is much more than that.”
“You have been informed.”
“How else are you going to do this?”
“How would this work for someone else.”
“I will escape.”

“Slow down.”
“Go back to where you need to go.”
“She could be the one.”
“I am the one.”
“I am going to make a move.”
“That will make it all happen.”
“I am really settling for some shit.”
“These are different kinds of combinations.”
“They are supposed to mean something.”
“You cannot play.”
“This is going to be something very serious.”
“And you think that has value.”
“Let us start from the bottom up.”
“Only one person will be able to make sense of any of this.”
“You are going to need another option.”
“You have a little too much lip.”
“We could get rid of what was not necessary.”
“You have already treated me badly.”
“I loved it.”
“Someone is going to have to come out of character.”
“Few people are willing to make those steps.”
“You want all this and more.”
“You will not get second chance.”
“Of course, I will.”
“You are not a member of a cult.”
“You say the perfect thing.”
“I am getting to the bottom of things.”
“I want to be more loved.”
“I want to be competent.”
“Why do you need us?”
“That will all make sense.”
“I missed the changing of the guard.”
“Are you finished?”
“You were not coming back.”
“Was there ever a worthwhile variation?”
“I want to keep going, but I do not want to start another game.”
“Are there any alternatives available?”
“I do not want to see that last option.”
“These are things that I need to work on.”
“You can feed what I do. But you cannot become what I am.”
“Say your prayers.”
“Do it for the people.”
“They want to hear it.”

“You only need to add a little more.”
 “We could hold out.”
 “Nibble on this.”
 “What am I leaving out? What is making it difficult to understand?”
 “I do not want to take a look.”
 “That is perfect for you.”
 “What is the back story?”
 “Are you observing.”
 “How would it be different at home?”
 “I am part of a big sorry.”
 “And what else is there?”
 “Is there something that you want to tell me?”
 “I told you everything.”
 “I do not want to feel as if I am back at school.”
 “What is not going right?”
 “I am in real estate class.”
 “When will we have our opportunity?”
 “He is taking away our advantage.”
 “You are saying that there is too much other there. Then you get all pissy when they try to take it away.”
 “This is a vacation.”
 “What are you in your other life?”
 “I am available for consultation.”
 “I need to practice.”
 “Do you want to practice with me?”
 “I will tell you how I am. Look at what I am wearing.”
 “I am.”
 “Do you see the method?”
 “We look at the alternative presentations. We decide on an effective one.”
 “That is still not going to work for me.”
 “This is part of me all the time.”
 “You are exaggerating what you have.”
 “I need to find the door.”
 “What is possible?”
 “I work. What are you going to change in my life?”
 “What do you want changed?”
 “I need to excise this part of experience.”
 “Who really gets it?”
 “There will be one person.”
 “How did you get that way?”
 “I got one part right.”
 “I got the best part, right?”
 “I do not want to mess with your show.”

“Will you do this for me?”

“NO!”

“I have been a millions places.”

“I know.”

“I get it now.”

“I need to show you.”

“I need to show everyone.”

“I couldn’t tell.”

“TELL ME. TELL ME WHO I AM!”

“I am going to need a book to explain what you have just told me.”

“Is that working for you?”
