

DEPROGRAM

“It is a fucking cult.”
 “I am able to gain greater control over my bahavior.”
 “They will take care of me.”
 “That is somethig that I wnat more than anything.”
 W“You need to let go of your desires.”
 “Follow me aournd.”
 “That is not going gto work.”
 “My pets want me back at home.”
 “I cannot explain this to you.”
 “I could transcribe the whole text.”
 “I want what you have.”
 “Take out one ingredient.”
 “This is history in action.”
 “There was someone who was willing to explain it all.”
 “I take up arms against my oppressors.”
 “What does that mean?”
 “What is the best way to slow down the system.”
 “Someone needs to fix the washer.”
 “You could follow a program, which would give you greater control over your behavior.”
 “Are you asking me to quit?”
 “I do not want to quit living.”
 “Do you want what I do?”
 “I am not going to get involved in a food discussion.”
 “I eat to survive.”
 “What are we surviving?”
 “What have you been thinking about”
 “Moving.”
 “You need to hold in place.”
 “You can be trained like a dog”
 “Why not a pony?”
 “What are you protecting?”
 “Follow you back to the treasure.”
 “I thought that the masonry was of a better quality.”
 “The Romans were busy.”
 “Is that a lesson?”
 “What else do you have?”
 “Am I supposed to come out of character?”
 “Give me the keys to your car.”
 “Where are you going?”
 “I will be back.”
 “That is not a great answer.”

“How much devotion do I need to give you?”

“What is going on out there?”

“Two cats are fighting.”

“Territory was established.”

“This is what I am expecting.”

“I am not that lost.”

“What motivates you.”

“Take it a little more slowly.”

“I saw it differently.”

“I just threw on whatever was clean.”

“You are looking for big chances.”

“I want to feel good.”

“You are making me afraid.”

“It is about time that you show up.”

“There are three options: you have a clear plan for what you want to happen, you let the shit in your world compensate for things that you cannot change, or you take a hold of critical tools in your environment to alter the material conditions.”

“Are you certain about that?”

“No, but you better be.”

“I do not do that.”

“Let the things speak for themselves.”

“You use all the rigid categories of European thought, and you pretend that you’re some kind of Asian mystic. Step off.”

“This is so fucking pretentious.”

“I want my corn flakes.”

“Do you know that they are corn flakes?”

“She will be coming later.”

“Are you keeping track?”

“This is all good for me.”

“That is what hits the spot.”

“How will this be in future?”

“Am I here?”

“I love love.”

“Give me your paycheck, and we can talk.”

“Where do you show?”

“There are not these wonderful solutions waiting for us.”

“I am your wonderful solution.”

“You can ask.”

“That is all you are asking for.”

“I want to stay comfortable.”

“This is not even close.”

“You just don’t have it.”

“Let me do my thing.”

“Why did you call the police on me.”
 “That is what I want more than anything.”
 “It is not that complex.”
 “I have different standards.”
 “STANDARD.”
 “Who is speaking?”
 “THE DUMB FUCK.”
 “He took the stage.”
 “I will let you provide a performance.”
 “That needed a better protection.”
 “I am flipped all around.”
 “Can you protect me against rain?”
 “I am going with clear reports of fucked up shit.”
 “What is in there?”
 “Ginger.”
 “This is more down your alley.”
 “I have someone buying shit for me.”
 “What else is there there?”
 “A new logic.”
 “I bleed for you.”
 “That is not going to work.”
 “What do I have to do for you?”
 “It is way more complex.”
 “You can hear it in my voice.”
 “You are going to have to do a lot more work to get out of your shit.”
 “This is some anachronistic shit. Everything is not everything.”
 “I had a bad day.”
 “Own it.”
 “You do not understand because you are advancing the system that you pretend to despise.”
 “Who is paying for this?”
 “Ask me.”
 “No culture has a unique privilege on social liberation.”
 “You probably won’t get this.”
 “You go back to where you started.”
 “What is the wisdom here?”
 “I am forgetting.”
 “Rush out the door.”
 “Is this good for you?”
 “This is only going to get worse.”
 “I was in a program.”
 “They asked me to leave.”
 “I was a little too noisy.”

“That is even sadder than I know.”
“The consensus is collapsing.”
“Then you will destroy it.”
“You can’t possibly know. You will never know.”
“I have been programmed with all this shit. It is supposed to make me feel better about myself. It is only increasing the level of self-hate.”
“I am going to finish this off.”
“We are sinking.”
“Nothing will be understood.”
“I need some help to keep this going.”
“I need a program to deprogram.”
“I have trouble sleeping.”
“Don’t worry about it!”
“I want to love the world.”
“The penalty phase is coming.”
“Some kind of third day shit.”
“More than that.”
“What do you really love?”
“It is all impossible.”
“Everything is getting too close.”
“Why does it matter?”
“Do it all.”
“I want it to be perfect.”
“There are different geographies. Do not generalize.”
“I am thinking about gelatin.”
“This is going to make me feel better.”
“I do not believe it anymore.”
“There needs to be human sacrifice.”
“I am sacrifice.”
“I feel as if I am divine.”
“What is that really about?”
“That is even more ridiculous than I know?”
“This is a game.”
“I am not playing this.”
“Where else are you going to go?”
“Lottie, where else are you headed.”
“I do not want you to hate me.”
“You show yourself.”
“They are serving one interest. Do not get too complex.”
“You understand all too well.”
“I see what I like.”
“How do you know?”
“I am hungry.”

“I am not an easy person.”
 “Just get me the corn flakes.”
 “What do you like that stuff?”
 “You get all idealistic after you have loaded up on Chips Ahoy.”
 “I need to go somewhere else.”
 “I am not holding my breath.”
 “There is some respiratory work.”:
 “He is not one of us.”
 “Are you kidding?”
 “I need some help from you.”
 “I asked you before.”
 “What do you think?”
 “It is all an effort to captivate the soul. It can originate anywhere.”
 “I surrender.”
 “This is not what you think.”
 “I have gone under.”
 “This is the only way to escape.”
 “Get me another drink.”
 “Move on!”
 “He does have a point. All your complex ideas end up one way. With the national security state.”
 “Are you secure?”
 “We need to make our break for it?”
 “I AM WALKING.”
 “Are you fucking out of gas?”
 “What powers things?”
 “Human belief.”
 “Are you holding on?”
 “Tightly.”
 “Look at my fingers.”
 “What do they say?”
 “I hope that works for you.”
 “You turn me on.”
 “I have saved my pennies.”
 “I HAVE NOT. I WAS LOOKING OUT FOR YOU.”
 “I have a system.”
 “A diamond ring and a house.”
 “What else is there?”
 “World destruction.”
 “You have aspired after that.”
 “Do you need to reset?”
 “I just want my check.”
 “I thought that you were some kind of super-mystic.”

“This is a blind date.”
“DAMN!”
“What I see.”
“What are your associations?”
“Sweet things.”
“HONEY, HONEY, HONEY!”
“This is so obvious.”
“That will work for me.”
“But it did not work before.”
“You had too much of a good thing.”
“Who is measuring?”
“He is my minister.”
“He is my miniseries.”
“What else do you offer?”
“I sell shoes.”
“I sell sea shell by the seashore.”
“Is that even legal?”
“I am no longer in the program.”
“I need a clear organizing principle.”
“But you don’t have a clear principle:
“It is more complex than you know.”
“Someone needs to help.”
“Do not stand in my way.”
“It is not always about the words. What do you want me to do?”
“I am not involved.”
“Get involved.”
“I am afraid of my imminent arrest.”
“This used to mean something”
“Eat the cornflakes out of the box.”
“Why do you flake corn?”
“This is all that is important for me
“I want what you have.”
“Milk.”
“There is a pattern here.”
“Pattern recognition.”
“See what you want.”
“Cookies.”
“Chips Ahoy.”
“That is a manufactured beleief:
“I need to understand.”
“I am going to mediate.”
“MJ.”
“Dear Mary:”

“There is more than meets the eye.”

“I only want satisfaction.”

“This is all that you need.”

“You are going to lose it all.”

“I am trying to get it to make sense.”

“What is your fear?”

“Who is playing in my head?”

“This will end soon enough.”

“I want to be that.”

“No one can be that.”

“This is not uniform.”

“What is your fear?”

“Your cereal is soggy.”

“What am I missing?”

“Fresh cereal.”

“It is all going to the same place.”

“South Dakota.”

“There are no corporate taxes.”

“We protect your rights.”

“I am the company.”

“Get me on a slow drip.”

“I like solid food.”

“Who brought me in here?”

“We found you passed out in the street.”

“I hopped up when you called my name.”

“Which name do you want to use?”

“Where is she?”

“She is on the next floor.”

“I am glad that you came alive for me.”

“I know what I want.”

“The bottomless bowl.”

“I need something more important in my life. You bring me to this place in the hopes that I can get my shit together. And I am a total mess. You have me playing ping pong all the time, and that is supposed to make me feel better.”

“Who is winning?”

“That is not the point?”

“Add to it.”

“Watch the ball.”

“That is an obsession.”

“We would like you back.”

“I am glad that works for you.”

“Love is the new technology.”

“Self-love is the new technology.”

“That works for you.”
 “I want more than that.”
 “You want to own things.”
 “You do not realize how much you submit to the shit hole dominant culture.”:
 “Roll over me.”
 “Where is Lottie?”
 “Here, take her script.”
 “I could stop all the action with one word.”
 “Take all the cash.”
 “Be nicer.”
 “Lead me to the promised land.”
 “What is promised?”
 “Milk and cereal.”
 “That is an historical distortion.”
 “Why do you feel it that way?”
 “I rose from my exile.”
 “What does that mean?”
 “I am among the living.”
 “You program people are so weird.”
 “I lost the thread.”
 “Pop this in.”
 “WE HAVE NO EXTERNAL INFLUENCES.”
 “This is a bad day.”
 “This is a better life.”
 “I got out of the program.”
 “I will analyze all of it.”
 “I need to provide more emotional support.”
 “You have no idea where I am going to end up.”
 “In your tub.”
 “Who are you?”
 “I am the head of the cult.”
 “How would I know?”
 “I need a review.”
 “I did so, so many bad things.”
 “The program forgives.”
 “I never went along. It wasn’t me.”
 “You need to be deprogrammed. That is the only way that you will accept any kind of
 accountability for your actions.”
 “Please tell me.”
 “I am doing no one any favors.”
 “You need to be able to do this without any kind of assistance.”
 “There is all this shit in my head.”
 “It is bleeding out.”

“You need to have better control.”

“The program will not do it.”

“What gives me what I need?”

“The now.”

“Who is your auto mechanic?”

“You are not going to get a clear definition of any of this. The cult leader wants to give you answers.”

“It is not a cult. It is a program.”

“If you keep getting fucked up, you are not going to come to a clear awareness.”

“What is it like on your worst days?”

“I am sorry if I am God.”

“How does that happen?”

“Kiss me, and submerge.”

“That is some wild theological shit.”

“I want to be right.”

“You are not going to come back.”

“There is this eternal return shit.”

“He wants a better criticism.”

“The corn flakes are soggy.”

“We should have been friends?”

“I do not want to go back in time.”

“The corn flakes were once crisp.”

“I need more system.”

“The vehicle is slowing down.”

“Use vegetable oil.”

“That is ruining my vibe.”

“Are we ever going to ascend the mountain?”

“I can work to organize things a little better.”

“You have a chance to complete this episode in your life.”

“How does that go?”

“I do things that I do not want to do.”

“Who else is involved?”

“How can I be safe?”

“Eat your breakfast.”

“I know that I had it right.”

“Lottie, is that true?”

“Where do I come in?”

“We are no longer serving breakfast.”

“Where else could you be?”

“I am in no particular place.”

“We are only getting started.”

“You need to be honest.”

“Make it work!”

“Not my love, not my show.”
 “There is a lot more to go before you get out of this shit.”
 “I remember you from the other night.”
 “I need to get back to my place.”
 “That is not going to work.”
 “What am I waiting for?”
 “Collect them all!”
 “They told me what to say.”
 “Forgive everyone.”
 “That is some crazy cult shit.”
 “How are you accepting bany level of accountability?”
 “This is never going to end.”
 “Some things cannot be forgiven.”
 “If I don’t enter a program, I will never know. If I enter a program, I avoid the
 circumstances of knowing.”
 “This is why you are the way that you are.”
 “DON’T DO IT!”
 “This is part of my nature.”
 “Which part?”
 “The sick part.”
 “What is not sick?”
 “Do not believe him.”
 “What is the choice?”
 “HANG DEEP.”
 “What is the center of the world?”
 “The Kellogg’s factory.”
 “That is all that I need to know.”
 “What is going to help you to known better?”
 “Stay clean.”
 “Get me some water.”
 “Go stronger.”
 “Blood, sweat, and tears.”
 “The cellular fluid.”
 “The ancient sea.”
 “What does it mean for the now?”
 “What do you want it to mean?”
 “The basket.”
 “So many things to buy.”
 “So much to pay.”
 “Give your sacred heart.”
 “How does that work?”
 “Some supernatural shit.”
 “How do you hold your attention?”

“I think about dinner.”
“Does that last for a long time?”
“There are other meals.”
“There are other truths.”
“How do you hold in there.”
“Sheer will.”
“How does the will impress its force?”
“Are you participating?”
“Is there anything I can do?”
“STOP!”
“Let me join in.”
“That will work for me?”
“I live by the word.”
“How does that work?”
“Total concentration,”
“Freeze drying.”
“It all went in the garbage.”
“That sandwich was half-eaten.”
“The rats are loose.”
“It comes from inside.”
“We are much further along.”
“My head is going to explode.”
“Who is the guide?”
“I need to say these things.”
“You will have to train.”
“That is what I need.”
“Total immersion.”
“Can you hold it together?”
“Do you have what I need?”
“The fruit of the earth.”
“That is too direct.”
“I do not want to quit.”
“What do you have left for me?”
“How did I get this far?”
“Someone whispered in you ear.”
“Whisper.”
