

PICK UP YOUR PAYCHECK

“The control of information and the information of control.”
 “We know the sources of oppression. If you try to obscure those sources, you collaborating with the system.”
 “Those are harsh words.”
 “You have no idea where this is going.”
 “I am naturally in opposition with the society.”
 “Should I believe that shit.”
 “Where is this headed?”
 “To the gas station.”
 “I am headed to the cereal aisle.”
 “What is the band-aid for?”
 “Give me space.”
 “You don’t know what you’re talking about. I have a Ph.D.”
 “I failed your class.”
 “Call it for what it is. Do not add more jargon.”
 “What is the tail of the comet?”
 “Where the action is.”
 “You are working for the intelligence services.”
 “I am an adjunct.”
 “You are the high priest.”
 “When will this end?”
 “When I tell you to stop.”
 “Damn!”
 “There needs to be another way to see it.”
 “You describe people from different eras while using this simplistic view of time.”
 “It is all now.”
 “Then there is no political influence.”
 “Close it up!”
 “What is your hope?”
 “I want to find the words that are necessary for my freedom.”
 “They are looking over your shoulder.”
 “They have been doing this since you were young.”
 “What was actually said?”
 “Let me see your ID.”
 “What more is desired?”
 “I need to hide.”
 “You do that.”
 “Everyone sees me.”
 “What is that all about?”
 “I worked on that at home.”
 “Where are we headed?”

“The meet up spot.”
“Who has the money.”
“You are so certain that you have what you need.”
“Oppression can be endemic to all societies. But there is also the foundation for change.”
“How do we do that?”
“I am asking simple questions. We are talking about shit.”
“Are you testing me?”
“Am I testing myself?”
“You have to understand that I am not prouder than I am.”
“Don’t tell me that I don’t know what I am talking about.”
“I read the book.”
“You have a hot head.”
“You came up to me.”
“I am blessed.”
“We all have it down.”
“Don’t leave me this way.”
“I was there before they said breth.”
“I am becoming afraid.”
“Fear is part of the human condition.”
“Spoken like a true tyrant.”
“When does the show begin?”
“You need to understand what I am really about.”
“Who has an easier time?”
“I am tolerant, but there are limts.”
“That is more than anything.”
“Calm down.”
“You destroyed my life.”
“You took my dinner.”
“What is the fear here?”
“Do not be afraid to ask.”
“You need to get over the shit if the shit is not going to overcome you.”
“Sometimes, you cannot prepare if the wave is greater than you know.”
“I am going to run this one.”
“We have a list of complaints.”
“Respect the process.”
“Don’t come to my house and muddy up the floor.”
“Do you have a house?”
“This is where things get difficult.”
“We are all less than we are.”
“Show up.”
“I want you to love me.”
“Are you jealous?”
“Jealousy is all about abolutism. You think that the world owes you tribute.”

“I can find you a space in heaven,”
“What do you respect?”
“I make it up in my head.”
“My head is working.”
“The fabric needs to be complete.”
“Never abandon me.”
“There is no abandoning.”
“We have not reached the top.”
“What else is there?”
“It is all heading in one direction.”
“Do not do this every night.”
“I need to find a way to stop.”
“The word is out on you.”
“This is what I care about.”
“We need a new form of currency.”
“IT IS HUMANITY.”
“It is not the few for the few by the few.”
“You know what this is about.”
“Don’t crease my shirt.”
“He might appear from the dead.”
“I am helping you not to go all the way.”
“I am so far beyond the wrong way.”
“Are you bored?”
“Where will this end?”
“Is there another human form?”
“I am going to restrain myself.”
“Why did you do this?”
“It is coming for me.”
“Is this a law?”
“What is the law?”
“Something we make.”
“Something that we stretch.”
“Something that we find.”
“What else do you want?”
“Perhaps, you do not understand.”
“What do you want from me?”
“The road to enlightenment.”
“He does not like the progress of light.”
“This is the basis for a critical attitude to all societies.”
“Why are you meddling?”
“Permanent revolution.”
“Revolutionary permanent.”
“Are you going to bother?”

“What do the times say?”
“Do you have what I need?”
“You need a future. How can you get it from me?”
“There are some things that I never say.”
“Get a grip.”
“Get a grip on history.”
“The past in a story.”
“The past on a bun.”
“What kind of sandwich is this?”
“What is permissible.”
“I want it to fit with the recommendations of my nutritionist.”
“He will rescue you.”
“You cannot know.”
“I know.”
“I know what ails you.”
“This is where things are going badly.”
“I do not want you to hate me.”
“You can lie me.”
“I told you to walk away.”
“I want your sandwich.”
“Take it, and walk away.”
“They all love me.”
“Do they love your commitment?”
“What does that mean?”
“I do what I do.”
“Let me listen.”
“You disappeared on me.”
“Live, and let love.”
“Go deeper.”
“I want a different kind of connection.”
“No one will love me.”
“Keep it at the same volume.”
“What else is there?”
“You got caught.”
“I planned this out.”
“This was not an accepted form of behavior.”
“I did not bite you.”
“Where is this headed?”
“Downtown.”
“What does that mean?”
“Can I have what you have?”
“You are all good people.”
“I am trying to be polite.”

“One day, I am going to shut it all down.”
 “I need to be honest.”
 “This is not the beginning. And this is not going to work.”
 “You didn’t say a thing.”
 “That does not mean that I am guilty.”
 “Why do you believe that history has a movement in itself.”
 “I do not want this shit to continue forever.”
 “This is the only way that I can feel all there.”
 “I am being erased as I speak.”
 “Hang on to this.”
 “I listen to that song every day.”
 “We all feel it in the same way.”
 “I have that shot.”
 “I still do not have what I need.”
 “You ran into a wall.”
 “I love the human contact.”
 “Collective action implies a set of related events.”
 “What does that mean?”
 “Look.”
 “Keep looking.”
 “This is going to be worse than I can image.”
 “Follow the river.”
 “The river can go the wrong way.”
 “Do not lose hope.”
 “Tell me one thing that you do not want to hear.”
 “The bunnies are lose.”
 “What does that mean?”
 “We planted lettuce in the garden.”
 “I have had bad days.”
 “You have this positivistic view of history that we are moving towards some favored goal.”
 “What would that be?”
 “Dinner.”
 “If you are in the midst of a monumental change, you need to credit that event.”
 “What did you do last week?”:
 “I smiled for the world.”
 “I made an adjustment.”
 “Where is this headed?”
 “What works well for you?”
 “What is happening in the world.”
 “Too much of your consciousness.”
 “I am unable to shut up.”
 “That is a strange memory.”

“We are among the guys.”
“What else do you want to know?”
“That is hideous.”
“There is food all over your face.”
“What are you saving?”
“More than you know.”
“There are gifts.”
“Are you prepared for what is happening?”
“This is the big one.”
“Do you want to change things?”
“There is not going to be this great event that put everything into perspective.”
“You favor all these micro-revolutions.”
“You are all dosed.”
“All this stuff works together.”
“You fear the one world currency.”
“You benefit from this currency.”
“What needs to change?”
“Show me your passport.”
“This is more of what I resent about this place.”
“I am glad that they gave you cookies.”
“I could try to explain this in simpler terems.”
“You have this nervous way of talking. Are you afraid of what you believe in?”
“I am doing this for the world.”
“What do you love?”
“What loves me.”
“This is not about this anymore. We need to get things going.”
“I am tough.”
“This is a special place. The special place of the special place.”
“I am willing to hear what is the wisdom.”
“Chill out.”
“Settle down.”
“We are all settled down.”
“I do not want to touch your shirt.”
“This is important for me.”
“I am trying to hold my breath.”
“You have a special relationship with time.”
“I am time incarnate.”
“Where is this all going?”
“Down river.”
“Some one will have to clean all this up.”
“I listened.”
“That is marvelous.”
“I am your advocate. Admit that you have done something wrong.”

“I see it in a very different manner.”
 “I have one question.”
 “What did he really know?”
 “They are hear for you.”
 “Damn.”
 “Do not abandon me.”
 “They have your life all worked out for you. Wouldn’t you call that a history?”
 “You are breaking my heart.”
 “Say it for what it is.”
 “A broken cookie.”
 “Do you want to ask?”
 “How do I mend it?”
 “You could try to cook it again?”
 “What kind of sense does that make.”
 “Watch the cookie crumble?”
 “Why do you do this kind of thigg?”
 “Flow to the light.”
 “Is this what you want to see?”
 “There is more to reveal.”
 “Do not feel any fear.”
 “What is going on around here?”
 “You were in my space.”
 “It was more than that.”
 “There is an indelible mark on my face.”
 “You have given me everything that a person can give me?”
 “Do you have the answer?”
 “Explain it to me.”
 “I need to get out of there before the storm hits.”
 “I need another kind of solution.”
 “What would that involve?”
 “I need more answers.”
 “Follow the trail.”
 “Solve that for me.”
 “You said too much already.”
 “I am trying to remember.”
 “I have given too much of myself.”
 “Now, you let all those difference dissipate.”
 “You cannot even do this another way.”
 “You need to give me something that I need,”
 “That is something that is expected.”
 “That is something that is accepted.”
 “What is the origin of the species?”
 “The gnawing response.”

“I got that. Honey, I got that.”
 “What else do you want?”
 “We cannot know the day or the time.”
 “Come along with me.”
 “We are all being processed in one way or another.”
 “You are next.”
 “Show me the map.”
 “Is this your date?”
 “This is my location.”
 “I am all here.”
 “I am breathing.”
 “Old time comedy.”
 “New time love.”
 “I am going to need to know this.”
 “Guide me to the promised land.”
 “I am better than at this than anyone else.”
 “You are afraid.”
 “Of course, I am.”
 “I am going to take away what you have.”
 “Try.”
 “I do not try.”
 “I have already succeeded.”
 “Where is she?”
 “She missed her boat.”
 “I am swimming upstream.”
 “What are we serving?”
 “This is a professional commitment.”
 “I wish that this was my show.”
 “You need more lights.”
 “I have been trained to mess with things.”
 “Is there a final result?”
 “What would that be?”
 “Something that I could eat.”
 “Let’s be honest. You are both in the same circle. I can be close to her through you. I can be closer to you. There is no her.”
 “What is that about?”
 “Add some additional candles to the cake.”
 “I need you to take the shot.”
 “I cannot hear that.”
 “I follow in that direction.”
 “What if I move?”
 “I am your date for the night.”
 “What is your political persuasion?”

“This is my guess.”
 “There is another place on the bus.”
 “Who is putting in the gas?”
 “It runs on the will.”
 “I am so messed up.”
 “There are many more days like thiw.”
 “There are no more.”
 “Tell me, honey.”
 “Where is this going?”
 “Do not lose anything.”
 “I really get it.”
 “I want something that I cannot have.”
 “What is your objection?”
 “Help me out.”
 “I will let it all happen naturally.”
 “That is barrier against serious damage.”
 “I understand.”
 “She wants nothing more.”
 “You have only a few minutes to make this work.”
 “I want one thing.”
 “We will get it.”
 “I make good choices.”
 “You need me more than I need you.”
 “Feed me, and clothe me.”
 “What does that mean?”
 “Ther is a forcethat is working against your efforts.”
 “There are twin poles of representation.”
 “There are a million pole of representation.”
 “You are silly.”
 “This is nonsense.”
 “How can we apply that?”
 “I wish that could take me somewhere.”
 “What would that be?”
 “What would the trappings of success be?”
 “I am strong.”
 “Who is looking for you?”
 “I will go with you.”
 “I may not hit a jackpot.”
 “You need to build on your fortune.”
 “How do I do this?”
 “Just give me a plate.”
 “Keep busy.”
 “You got too close to the flame.”

“I am going to be dependent on you.”
“This is beyond depending.”
“I want to read the whole book.”
“What are the odds?”
“I can give you that power.”
“I can take it away.”
“Do you think that you are God?”
“I am trying to explain why I am ignored.”
“You are everything that I could ever want.”
“You are everything that I could ever want.”
“DO YOU WANT TO KNOW?”
“If you tell me, that will give you a special privilege.”
“I want to check one thing.”
“Do you have a blood pressure meter?”
“I am nervous.”
“What was that about?”
“Some kind of gang thing.”
“We cannot explain any of that?”
“What is the difference.”
“This will require some training.”
“I can explain so much to you.”
“I have no idea who you are.”
“I am looking out for that.”
“You could ask me more than that.”
“I do more than that.”
“Do you have the shape to shape time?”
“That is hideous.”
“Someone needs to take care of that.”
“I am maximizing my time.”
“THERE IS SOMEONE WHO KNOWS ME AND GETS ME.”
“What happens if you really go out there? Do you really want to be known?”
“Chill out!”
“What are the odds?”
“One to one.”
“One to ten.”
“This is the Lord.”
“It is a creative moment.”
“We need to balance this.”
“You got distracted.”
“Do I have enough momentum for this?”
“Is that really love.”
“This is going to be combustible?”
“There is an accompanying manifesto.”

“Where is that going to take you?”
“I love it.”
“DO YOU LOVE IT?”
“I understand it better.”
“Everything needs to be precise.”
“When are we allowed to quit.”
“Very soon.”
“Never.”
“Dumbshit, you are really acting like God right now.”
“What would be happening?”
“We cannot know.”
“I do not know.”
“This combination of theory across different historical eras has an air of naivete.”
“It works online.”
“Rescue me.”
“This is supposed to help me.”
“In a different place, a different time, we would not act like this.”
“You are in my sight line.”
“Why this?”
“What are you planning?”
“Why did you wear this? What are you planning?”
“I have been looking at that”
“I missed the pool party.”
“I missed the fucking pool party.”
“Everyone into the water.”
“The sharks are included?”
“I am so good at this.”
“Where are you?”
“We want different things.”
“I want some one thing.”
“What kind of art will get all this moving?”
“Lyna has this under control.”
“I want to be really nice.”
“She is working hard.”
“That is not an accurate description of your actual power.”
“You have to turn your back on these narrow geographic categories.”
“What does Lyna’s friend know?”
“This is all too obvious.”
“When is the rescue?”
“Ask for it.”
“I was waiting for one thing.”
“I run this show.”
“I run this show.”

“I run this show.”

“Are you God?”

“I am fucking tired.”
