

BUY ME A DRINK

“Do not interfere.”
“That is the directive.”
“Cut the shit. You are here to destroy the world.”
“DO ME AMERICA!”
“Let me last a few days more.”
“What is in the glass?”
“I can’t even look.”
“You are so mean.”
“Who are you?”
“Conditions can change any time.”
“I’m a drunken artist.”
“An artist of drunkenness.”
“I want a pork sandwich.”
“EST.”
“What?”
“It is not free.”
“You can work on this.”
“I am going to be back to work on Monday. NQA.”
“This is taking a while to get going.”
“They stripped some muscle tissue away.”
“Is this for endurance?”
“Why are you trying to remake the body?”
“Buyer beware.”
“I am screaming.”
“What is in there?”
“I am surveying.”
“You are almost that.”
“We all are.”
“You could narrate.”
“Be more soothing.”
“Eat the cookie.”
“It keeps coming down to your habits.”
“You cannot substitute for actual contemplation.”
“We are losing the contemplation imperative.”
“I have already lost the trail.”
“She is making excuses for me.”
“I want to feel it a little differently.”
“I need to make it all work.”
“When will I ever care?”
“Caring is not a possibility.”
“I really like this music.”
“Follow me people.”

“You led me to this God-forsaken place.”
“Good results await.”
“I have this down better than you do.”
“We have different goals.”
“You showed too much of yourself.”
“I was not supposed to leave the house.”
“I was wearing an ankle bracelet.”
“That is everything to me.”
“This is going to be your best moment.”
“They are all coming for you.”
“I do not want to lose my place.”
“They should have a drink for you.”
“I am not worried.”
“We need to leave.”
“The movie is over.”
“And that is what you have been fighting for.”
“I am going to lose that too.”
“This is down to the core.”
“Get it started now.”
“I am not going to play it any other way.”
“And this is your goal.”
“I am not even trying to speculate.”
“You are going to need to be victorious.”
“I live that way.”
“There is no accounting for taste.”
“Call it good will,”
“I am almost all the way to you.”
“That is not almost enough.”
“How did you get it to fill with blood?”
“A vampire trick.”
“Use the IV.”
“There is not enough blood in the body for that.”
“Someone was looking for you.”
“They all are.”
“I cannot think about that.”
“But you do.”
“This is all up to you.”
“Who are you?”
“This is all about emergence.”
“This is some kind of redeemer story.”
“You are going to need some scripture.”
“This is all too obvious.”
“Come out of yourself.”
“Do you want to tell me something.”

“You can predict.”
“I need a shampoo.”
“Can you do that on your own?”
“Tonight is different.”
“Where is that headed?”
“The walls are going to come tumbling down.”
“The song is right, but the intent is not.”
“Keep it under wraps.”
“I was so close.”
“Lyna disappeared.”
“Dusk knows things.”
“Everyone is going hate you.”
“Please, do not.”
“You cannot keep the rains away.”
“We are in your midst.”
“Amen.”
“What will you do for it?”
“What is it?”
“Where is it?”
“Get in the car. I can get you back to your place.”
“Where does any of that end up?”
“That worked.”
“That really worked.”
“You have no endurance.”
“Quate could give all of us a purpose.”
“Sure, she could.”
“This is a process of saying no over and over again.”
“There could be stand in words.”
“Trust might work.”
“That is not feeling good right now.”
“You are burning me.”
“What are the possible alternatives?”
“You end up the next day with a bad hangover.”
“That is special.”
“Who is on the blower?”
“I prepared for this moment.”
“I have some serious stuff to say.”
“I am not in a serious mood.”
“Do we all want the same thing?”
“Oatmeal.”
“Do not bring up my breakfast choices.”
“I AM SO FUCKING HUNG OVER.”
“Take all of this.”
“Bring me my mikshake.”

“You will work.”
“For what.”
“An accountant.”
“There is a line.”
“Clean up your mess.”
“I need ot recognize the mess
“No go.”
“Weird.”
“That is unique.”
“Still will not get me interested.”
“Where did this end up?”
“In the rabbit hutch.”
“I am giving you everytyihg that I have.”
“Do not hit me.”
“That says everything.”
“There is garbare to put out for collection.”
“You is pretty.”
“Shit.”
“There is no escape.”
“I only want to borrow a little,”
“A man wants to buy a horse.”
“Where do I look?”
“This is a honeycomb.”
“What does that mean?”
“Some of these things are real.”
“The revolt of the worker bees.”
“Keep moving.”
“The hive is expanding.”
“That does nothing for me.”
“Are you unique.”
“I thought about this?”
“We are losing the line.”
“What does he have that I do not have?”
“A massive headache.”
Ed with “Who else is left.”
“I want to stop this before it happens.”
“It happened.”
“What if Quate had stayed with the program?
“Find me what I need.”
“Some French toast.”
“That is not going to work.
“I am not in the sate.”
“You are destroying me.:
“That is not my intention.”

“You lick your lips too much. What is the tell?”
“Do you have a special treat?”
“What else can you do?”
“Hypnotism.”
“This is some creepy stuff.”
“I do not hate hate.”
“Where do I touch?”
“The stigmata.”
“This is not symbolic. It is all real.”
“When did you rise from the dead?”
“After the bank holiday.”
“Am I alive?”
“I want to know that you will stay.”
“You get what you expected.”
“You almost fell on me.”
“This is mediocrity for here.”
“There is nothing else.”
“I am going to rise.”
“I picked you out.”
“Just smile.”
“There is a complication.”
“Why are you lying to us?”
“I need you to describe some real things.”
“Leave some cash on the table.”
“What are you trailing?”
“You were rejected.”
“You were accepted, and that is the worst part.”
“I am sorting through the double negatives.”
“Double trouble negatives.”
“None of this really matters.”
“You are trying too hard.”
“You are hardly trying.”
“Where do we start?”
“The backbone.”
“You need some talent.”
“I have more than that.”
“What are you afraid of?”
“What is in the bank?”
“This could be your chance.”
“Fix yourself up.”
“The rats got in the crackers.”
“How did tonight go?”
“I would get bored easily.”
“Then there are the superstars.”

“I would get super bored.”
“There is so much more.”:
“You do not even know the difference.”
“I am doing some public relations for you.”
“You are a superstar.”
“NO!”
“You are a saint. Do me a miracle.”
“Why are we here?”
“To get the ketchup.”
“Do something unusual.”
“What would that be?”
“I am a wonder.”
“Do not leave me this way?”
“I saw you at Walmart.”
“I am so last week.”
“I a good person with bad intentions.”
“I am smelling gasoline fuels.”
“I don’t have a problem.”
“How do they make people like that?”
“I want something to make me feel wonderful.”
“You look fantastic.”
“I know.”
“Do it one more time.”
“I want to get it on camera.”
“Punish me.”
“Tell the truth.”
“I do not have to fail to succeed.”
“You trained for this. Where did it go?”
“Let’s have some honesty.”
“This is only for thoroughbreds.”
“Wake up.”
“You better know.”
“This is my vacation.”
“Are you going to return to work?”
“Oh well!”
“Shit!”
“It is all there and more.”
“Ask!”
“This does not even feel like my life.”
“Ask me what do I want.”
“Someone to watch my money.”
“It is all about watching.”
“What is happening teo work?”
“I am heading back.”

“That is all that I need.”
 “This is not going to help you.”
 “I am a financial coach.”
 “Tell me about the origin of the bone disorder.”
 “What is that about?”
 “I was great at this.”
 “I am back at work on Monday thinking about all the bad things that have been happening to me.”
 “The more complex variations are coming later.”
 “I cannot explain this now.”
 “Time is an interruption.”
 “What do I get?”
 “You always ask the same question.”
 “Do something.”
 “Why am I so mean?”
 “You know so much about us.”
 “Let me see those nails. You have worked a long time on them.”
 “This is a symbol of something else.”
 “I am not going to be working tomorrow.”
 “You need to find other forms of entertainment.”
 “I am falling down to the bottom of the ocean.”
 “I do not want to abandon the flow.””
 “That is too close to me.”
 “I am only going to be here for
 “This will never end.”
 “Lyna, this is all your story.”
 “How is that?”
 “That is totally inappropriate.”
 “This is the best day of my life.”
 “Do we have to deal with that.”
 “We are dealing with that.”
 “You do not have much time to finish.”
 “You can solve the problem in your head.”
 “I can show it all to you.”
 “Do you understand?”
 “I want the number of all your off shore accounts.”
 “I am forgetting why I am here.”
 “You are making me work too much for so little return.”
 “I will remember.”
 “He did it all for you.”
 “Are you a good sport?”
 “Take this script.”
 “I have a creative project in mind.”
 “We shared some time together.”

“I will forget you.”

“I wish that we could forget all our life problems easily.”

“He could have helped.”

“I wanted to see where I was going with this.”

“It is not going to make any difference to the rest of us.”:

“These are pastimes with limited commitment. And they only take you out of the shit in your life. And you are right back in teh same place.”

“What else?”

“I am beyond inspiration. I need oxygen.”

“You are always going to go down the same road.”

“I got a picture.”

“You are going on in five minutes.”

“Do you like it like this?”

“I lost her along the way.”

“Hold your breath.”

“I am losing my breath.”

“Count breaths.”

“I spend all my time to be this. And it is not going to last And I ant to captrue it while you are like this. But I am going to lose you, and it will be all over. You could have completed things for me.”

“You do not mean that.”

“I want to. Help me out.”

“Don’t give me advice. This is way beyond you.”

“You are moving too quickly to do damage.”

“He is the source of the problem.

“We could take it on two ways.”

“Walk on.”

“Learn to express it better.”

“You are too serious.”

“I am a saint.”

“You enjoy your pain.”

“I’m here to experience someone that I have never experienced before.”

“What are they going to do back to you.”

“I only want some one thing.

“I am suffering.”

“You can do this on another night.”

“We need to be well-behaved.”

“Fuck well-behaved.”

“You can do that another night.”

“That will never work.”

“It can work for you.”

“You need this.”

“Good, good loving.”

“This is not what I am actually doing.”

“She is a saint.”
 “That is a bizzarree faith.”
 “I do not want to hear any more.”
 “You would never understand.”
 “Do not get too angry.”
 “These are not gradations on a theme.”
 “Are you kidding?”
 “You can’t get rid of that much of the mind and expect things to go well.”
 “Sometimes, you need to cut out the offending parts.”
 “How do you know that it is the part?”
 “This is how I feel about it.”
 “You did not even move.”
 “I want someone to guide me.”
 “Why do you think that people will care about you?”
 “I am working on it.”
 “There is a point that your actions have nthing to do with how things are going in the world.”
 “That is a narrow point of view.”
 “It is too late for it to ame much of difference.”
 “There is shadow play.”
 “What is behind the shadows?”
 “There could be objects. But there could be other shadows. There is an intention to say and know things.”
 “There is the flesh.”
 “I need to go back to the origin.”
 “What do we start from?”
 “Did you learn from anything?”
 “I learned from my teachers.”
 “What did they teach you?”
 “To pay attention.”
 “I am everywhere.”
 “As well, you should be,”
 “Do not try to subdue me.”
 “We will make sense of this.”
 “That is what you say.”
 “Who like this?”
 “I want to join in.”
 “This was supposed to account for something.”
 “I am running out of parts.”
 “Ask me.”
 “Where does this take me?”
 “You need a better explanation.”
 “Just do what you feel.”
 “We are not planning a wedding.”

“What are the rules?”
“Don’t touch anything, and we will let you leave.”
“I do not even want to come in.”
“We all believe that there is more to it.”
“What were your first words?”
“I am not sure why this hurts.”
“I want to hear it echo in my mind.”
“You came back for me.”
“We say that, but we are a lot more mercenary in our desires.”
“I hope not.”
“I am struggling. I am trying to explain another point of view.”
“What is wholesale?”
“When do you lose your balance?”
“There is a solution.”
“That is what I hate. I do not want to go back to work.”
“You are back.”
“This is work.”
“That is presumptuous.”
“You care more about this.”
“What does that mean?”
“Don’t think about it.”
“I failed.”
“Was this meant to happen?”
“What does that really mean?”
“That will work.”
“I hate the fact that we are willing to settle.”
“I cannot do this on my own.”
“It is still early. Wait for reinforcements.”
“That is everything that you need and more”
“It only became worse.”
“How did we get here?”
“I am not into systems.”
“These are nasty behaviors.”:
“It is, Daisy, but a lot worse.”
“Daisy is not going to last.”
“Daisy is not meant to last.”
“You are selfish.”
“I am trying to love you, Daisy.”
“You do not know me.”
“I am looking for a starting point.”
“He has a carport, Daisy.”
“He also has a bicycle.”
“These combinations become more complex.”
“I didn’t know that there was such a mess.”

“Where else do you think we were going to?”
“This meant everything.”
“Then it meant nothing.”
“Daisy, tell me what you want.”
“I dropped a bottle of perfume.”
“We were almost there.”
“We are all aboard.”
“I fell off the back of the truck.”
“Hop in.”
“We are going nowhere.”
“Boom!”
“We need to quit soon.”
“I amused to quitting.”
“I want to be everyone’s friend.”
“That could be a beginning.”
“You notice the details.”
“What is in there?”
“Tomato soup.”
“What is the purpose?”
“We are trying to figure out what they are really doing with the water.”
“You need to hold your tongue.”
“What do I hold it with?”
“They are keeping track of what you are saying.”
“You are a little late the wedding.”
“Maybe, we need a ring.”
“Of Saturn.”
“I can tell you everything.”
“There are external influences.”
“He was asked to leave.”
“What is possible?”
“Do I need to work overtime?”
“The Agency never stops.”
“They have a car for you.”
“I do not want to know about this.”
“What do you really want?”
“What does anyone want?”
“A place to crash.”
“They will find you.”
“Let them try.”
“They have it all planned out.”
“What is that about?”
“Where are you headed?”
“Somewhere south of here.”
