

**FIGURE**

These are things that you are going to need to figure out on your own.”  
 “Doid someone call?”  
 “They all did?”  
 “There was a purpose.”  
 “I cannot hear the dialogue.”  
 “Follow the pictures.”  
 “You are losing your advantage.”  
 “Everything is coming apart.”  
 “He has it down/”  
 “I know how to tie it together.”  
 “Show me what you have?”  
 “Do you want to see my cards?”  
 “We are not measuring things that way.”  
 “What is the standard of measurement?”  
 “Something about our family life.”  
 “The family that e want to be a part of.”  
 “Do you get part of that.”  
 “What else is left?”  
 “I do not want to feel that good about life.  
 “There is too much balance here.”  
 “I am falling all over the ground.”  
 “Are you kidding?”  
 “You are losing your critical edge.”  
 “I will be nicer to you.”  
 “I have left. You do not get a second chance.”  
 “I can tell.”  
 “You got good at this.”  
 “I got good and fucked up.”  
 “What did he say back to you?”  
 “He was crashed out. I took his shit.”  
 “Did he catch you?”  
 “He is the best.”  
 “This is going to require some quick wits.  
 “Then I went to sleep.”  
 “Who else is with you?”  
 “That is your sentiment.”  
 “We were working on sentimental.”  
 “I really gave in to the shit.”  
 “What other options do you have?”  
 “I could work longer.”  
 “That is not going work for you.”

“Catch the ball.”  
“I am getting better at this.”  
“You are the other side of me.”  
“Will you come out of she shadows?”  
“We have always examined these facets.”  
“You could be nicer.”  
“Who is he?”  
“My trustee.”  
“What is in the estate?”  
“I took what I needed.”  
“Take some more.”  
“This was supposed to make sense to you.”  
“You are more into a personal commitment.”  
“Two nights in a row.”  
“I am keeping watch.”  
“You say this tonight. What will you say tomorrow?”  
“The same thing.”  
“This becomes a habit.”  
“There are two sides to the same thing.”  
“What did this mean to you?”  
“A natural stimulant.”  
“What did you put in the engine?”  
“Some kind of additive.”  
“Of course.”  
“Is this a harmony part?”  
“There were so many parts.”  
“No one will solve the crime.”  
“It is an inside job.”  
“I should quit while I can”  
“You can.”  
“We are already beyond ourselves.”  
“Explain it a little more simply.”  
“It moves on its own.”  
“How does it all work as one?”  
“A lot of training.”  
“We emerge from the worm stage.”  
“You guessed all too well.”  
“There are two way to do this?”  
“Fall asleep.”  
“I am better at this.”  
“That will not work.”  
“Just a few tries.”  
“This could be a game.”

“What are the rules?”  
 “First in, last out.”  
 “That is a long day.”  
 “What are you saving for?”  
 “Go to work every day.”  
 “I am suffering shock.”  
 “Tomorrow will be wonderful.”  
 “Will you remember me?”  
 “Surely.”  
 “I am better at this.”  
 “Will you close?”  
 “I have a purpose.”  
 “I have nothing else.”  
 “Take it.”  
 “You are more than wonderful.”  
 “I am not going to stop.”  
 “This is a different side of my character.”  
 “I have been there before.”  
 “How can this be you through the rest of your days?”  
 “I am clever.”  
 “You don’t even know that I am here.”:  
 “I swat away flies.”  
 “What difference does that make?”  
 “You need to get to the root.”  
 “That is going to kill you.”  
 “I have a train ticket.”  
 “I am the conductor.”  
 “You are electric.”  
 “I need another variation.”  
 “Leave some space for me?”  
 “What are you good at?”  
 “I have worked every variation.”  
 “Ask Lottie. She can figure it out.”  
 “There is a master schedule.”  
 “We are all working on the same thing.”  
 “The iron mine.”  
 “This is a good vein.”  
 “Rich iron.”  
 “You need to recycle.”  
 “Where is this headed?”  
 “You are all me.”  
 “I am not dancing with you.”  
 “Do not end.”

“Drink the milk.”  
“I want one more slice of perfection.”  
“Are we talking interest rates?”  
“They love all the work that I have done.”  
“I need to get all of this out of my head.:  
“This is getting worse.”  
“I broke my crown.”  
“They are all watching you.”  
“I am looking at th limit.”  
“Are you free?”  
“We are heading to the same place.”  
“Am I supposed to like this?”  
“These are forms of working and not working.”  
“What else should there be?”  
“I cannot keep this going.”  
“I am afraid of what is to come.  
“That is more than enough.”  
“I am not trying to figure this out. It will work itself out on its own.”  
“You do not really think that.”  
“This is not really about that  
“I am trying to get to the bottom of the matter.”  
“This is never the place.”  
“I want this more than anything.”  
“Why did this work?”  
“This is going to be important.”  
“What are we given?”  
“I want more than that?”  
“How much do I need this keep going?”  
“I am burning up.”  
“Speak my name!”  
“Judas.”  
“What does that mean?”  
“Who is the betrayer?”  
“Is there something that you need to tell me.””  
“You can close it own.”  
“This is not going to result in anything serious.”  
“What would you need to constitute real change?”  
“That is going to be good for you.”  
“Where are the ripples?”  
“You tell me.”  
“Where is this leading you?  
“Towards freedom  
“I need to sleep.”

“Take this.”  
 “That does work?”  
 “Surely.”  
 “I will take that.”  
 “I know that you will.”  
 “Where did you go?”  
 “I was trying to get away from you.”  
 “That is something else.”  
 “You missed that trap, but you hit the other.”  
 “I am watching you.”  
 “None of this works for me.”  
 “That is all over for now.”  
 “What if you are playing the long game?”  
 “Get a calendar.”  
 “I cannot tell from one day to the next.”  
 “That is what I want to know.”  
 “Are you pawning this stupidity off on me?”  
 “That is all that it takes.”  
 “I know. That shows me that there will be nothing more.”  
 “I am making a point.”  
 “I have more work to do.”  
 “This is up to you.”  
 “This is your name.”  
 “Do you have a dossier for me.”  
 “I have a dance.”  
 “What else does this mean?”  
 “This is only going to get better.”  
 “I have been flown in to do this crazy job. And it makes no sense to me. And I have to adjust my whole life to this.”  
 “You are getting in my space.”  
 “You should have never done this. I loved you until you go too close. You started expecting things. Then you turned into something that I hated.”  
 “I cannot fill in things.”  
 “No one can.”  
 “I am doing my best to understand.”  
 “That is something brilliant.”  
 “I cannot explain it.”  
 “Keep it going.”  
 “Who is this cat?”  
 “It goes deeper than that.”  
 “I need to practice this.”  
 “Practice is not going to work. You need theory.”  
 “Sometimes, you have way too much theory.”

“There is a place that I want to put this.”  
“I do not want to think about this anymore  
“They will love me for it.”  
“What were you hiding?  
“What were you hoping for?”  
“What are you really looking for?”  
“Better memory.”  
“That can come back to bite you.”  
“I needc to be a little quicker.”  
“That could be me.”  
“Then you would need quinine.”  
“That is not going to do it.”  
“Drink this.”  
“I need to find the answer inside.”  
“I see the answer outside.”  
“Get closer to it.”  
“Watch me.”  
“Do not interfere.”  
“I am trying to make senes of this.  
“Are you the one?”  
“You keep asking that.”  
“You are that girl.”  
“What does that mean?”  
“Who else is working with you?”  
“I do not want to keep on with this.”  
“Something will happen.”  
“What is the mission?”  
“Why have we become like this?”  
“You did some work on this.”  
“Your breakfast tastes extra good.”  
“That is the beginning.”  
“Important things seem very boring.”  
“We need another ingredient.”  
“What is that?”  
“GINGER.”  
“You are too close.”  
“Don’t people tell you that you are bothering them.”  
“They do all the time.”  
“I know what all the variations are.”  
“Make the move.”  
“What do they want you to do?”  
“Eat the candy.”  
“We are feigning care.”

“What else is there?”  
“I am giving too much of myself to the world.  
“You need to live things a little more risky.”  
“Thanks for being nice to me.”  
“This was funny as shit.  
“Why do you care?”  
“Start telling me the story.”  
“I realized that this meant something important.”  
“Freak show.”  
“It is elemental.”  
“I need to clean up.”  
“That is not going to happen.”  
“Case the joint.”  
“What happened before there was a mission?>  
“We flailed around.”  
“Butterfly wings.  
“Flap, flap!”  
“Give me some of your candy.”  
“I am not leaving here.”  
“You need to understand.”  
“He could never make sense of things.”  
“I was on the verge.”  
“She was great.”  
“No one else would have paid the fee.”  
“It is somewhere in the middle.”  
“This will take a while.”  
“Someone needs to do the corrections.”  
“Often, you know what happened.”  
“Pain.”  
“She could do it.  
“You need to move quickly.”  
“I am in it until the end.”  
“Why are you quitting?”  
“Where else could I wait?”  
“Who is running this?  
“Two levels of bull shit.”  
“Do not be so mean.”  
“We all have a cause.”  
“We all have an effect.  
“We accept.”  
“You get all that you want and more.”  
“Is there dessert included?”  
“You will need to move quickly.”

“Why can’t they be accurate?”  
“We are somewhere in the middle.”  
“This is more than I can take.”  
“Who is driving?”  
“I became what I saw.”  
“What was left?”  
“More love.”  
“I need to fix that.”  
“That is not good in any way.”  
“I get left with this desire for more.”  
“Do something about it.”  
“What is possible? What is desirable?”  
“What did I miss?”  
“I should not do that”  
“You are breaking free.”  
“I had more leeway.”  
“Freakshow.”  
“More than that.”  
“It is building interest.”  
“I should really leave.”  
“There is more in the account.”  
“Who is going to clean it out?”  
“Let it all hang out.”  
“Do you know that that really mean?”  
“I can see you.”  
“This is going to be more complex.”  
“This is about working in a steel mine.”  
“What is that really about?”  
“Get me out of there?”  
“I will take care of you.”  
“Did you ever listen to the words?”  
“I am the words.”  
“What do you see that I don’t?”  
“Too much personal involvement.”  
“This was not supposed to be like that.”  
“How did you do that?”  
“I am going to have to destroy someone.”  
“Are we working together?”  
“We are in different place.”  
“We always are.”  
“Who provides the love?”  
“Why was that so important?”  
“We stopped thinking about anything that could accord with human experience.”

“The life of a slug.”  
“Something like that.”  
“That would have worked for me.”  
“Why did you hit me?”  
“I did a lot of things.”  
“Where did it go?”  
“I want someone for now.”  
“You are all good.”  
“You are more than comfortable.”  
“I need to find a way that i do ot have to think about this.”  
“It does not work like that.”  
“Go in.”  
“Why did you take away the love?”  
“I never understood that.”  
“Can we roll the tape back.”  
“There was not tape.”  
“We are going to finish sooner than we know.”  
“What else will be left.?”  
“You are already snug as a rug.”  
“I want to go somewhere else.”  
“I will accept a substitute.”  
“Breakfast cereal.”  
“I am twisting in place.”  
“What did they take out?”  
“You do not have to wait for long.”  
“You will never catch me.”  
“They have the dogs involved.”  
“Do you do this for everyone?”  
“What am I missing?”  
“What is your objection?”  
“What time is it?”  
“What else is there?”  
“You need to hold on.”  
“There is no choice.”  
“How did you do that?”  
“You only need a burst of energy.”  
“There is a flow and an interruption.”  
“You are part of my workflow.”  
“How does that work?”  
“I am inside.”  
“I need all the good effects.”  
“That works for me.”  
“That is worthwhile.”

“They are coming next.”  
“There is a lot of time left.”  
“You made the cut, but you do not want to join the team. What is that about?”  
“I have a life of my own.”  
“We all see to have one.”  
“This is problematic.”  
“I am trying not to get involved.”  
“I never asked for this.”  
“No one did.”  
“I could find a conversation, and I could write it all down. But it would not be the same.”  
“Where are we going to end up?”  
“In your perfection.”  
“Get a blender.”  
“That is not what I want to talk about.”  
“It was perfect, but it is not.”  
“How did I know?”  
“I am sharing.”  
“Pay me.”  
“This is private. Someone is paying me to do this.”  
“That is how things are.”  
“They could build an awning.”  
“It can get really complex.”  
“It is not going to change for you.”  
“It worked this once.”  
“Lyla, you are going to get good at this.”  
“I have always been good at this.”  
“What happened to the show?”  
“We want to make improvements.”  
“Have you forgotten yet?”  
“She said that she liked me.”  
“Your friends are waiting.”  
“What else is there?”  
“I have different goals.”  
“You are my main goal.”  
“We work together.”  
“It could turn out badly.”  
“It could improve.”  
“Quit while you are ahead.”  
“I will never be in control.”  
“That will never work for me.”  
“Take what you can.”  
“That is too cruel.”  
“You can put that energy into another project.”

“Show me what you are all about.”  
“Nothing that you can do.”  
“I need to write quicker.”  
“The heavens are going to fall.”  
“How does that happen?”  
“It is one of those days.”  
“That is how I work.”  
“I had a different job.”  
“Don’t take chances.”  
“I am not.”  
“When you quit, you are done.”  
“I am ready to continue.”  
“I should have said something when I had the chance.”  
“Work harder.”  
“Work softer.”  
“The tender touch.”  
“Your time will come.”  
“You need to know.”  
“What else have you been doing?”  
“Some movie work.”  
“That is shit.”  
“Do you want to wait?”  
“I do not think that i can process it.”  
“It was perfect for the moment.”  
“Of course, it was.”  
“He was working with some strange guy.”  
“You changed the itinerary.”  
“Don’t let it affect you.”  
“I won’t.”  
“You do this so well.”  
“There is another side.”  
“Don’t make jokes at my expense.”  
“I am looking at the weather.”  
“Make a decision.”  
“I will.”  
“I was in it for the long haul.”  
“There is only one more load.”  
“What kept things going?”  
“You are back.”  
“Send her my way.”  
“You need a way out?”  
“Where will this end up?”  
“They are working hard.”

“Do not leave me.”

“You did that.”

“And it all comes crashing down,”

“Can you make it matter?”

“Make it matter.”

“It will touch you.”

“You cannot know.”

“I want to wait.”

“That is so precise.”

“You cannot make it any better.”
