

SUPER WIZ

“You really lack for self-awareness.”

“I tell you everything about myself. What else do you want to know?”

“Do you notice everything that is happening here?”

“The room comes alive through this eloquent one.”

“What do you want to know?”

“What are you learning?”

“These eighteenth-century perspectives of individual liberty.”

“If you didn’t have no, you could never have yes. You could never escape from a terrible situation.”

“This is the beginning of social rebellion.”

“What have you got into you?”

“I know what you are protecting.”

“I do not protect.”

“How long does this continue for?”

“I need to stop myself.”

“You love it.”

“I have crossed the Vittorio line.”

“What else is there?”

“Do you have any consciousness?”

“I am lacking consciousness.”

“Wake up, wake up!”

“The awakening always backfires.”

“I have got a remedy in the bag.”

“Can you do it for me?”

“Here is a pamphlet for social change.”

“Is it going to stay like that?”

“This is not going to be a good thing.”

“We are tracking the moving object.”

“Where do you come in?”

“There is a homing signal.”

“What do the pigeons know?”

“Where the waste is?”

“Vittorio, tell me what you need to know.”

“What is a society?”

“A collection of stimulating experiences.”

“Can you stop?”

“I am sitting by my living room window watching the traffic move along.”

“Blink if you mean yes.”

“I am not doing that bad.”

“What could be worse?”

“That silly smile of yours.”

“Tell me what else is in your repertoire.”
“I can smile.”
“That is what she said.”
”There is too much noise in my vicinity.”
“I am counting the days.”
“We are moving along too slowly.”
“Have another helping.”
“I know how we can make this work.”
“What are you looking for?”
“Stuffed animals.”
“Give me a script.”
“Vittorio notices you.”
“He is spending money.”
“Where does he get it all?”
“He prints it.”
“He is one of those.”
“From day to day, it can lose a great deal of value.”
“Are they coming back?”
“I want back what is mine.”
“We can only do it one way
“Does he have the look?”
“The look to get the look.”
“The look to think a little deeper.”
“This is not rocket science.”
“He is chasing the aliens.”
“He is not the only one.”
“This is connected to a a limited understanding of collective action.”
“Were you here before?”
“I have assistance.”
“I know what I need.”
“There is a no, and there is a yes.”
“You have a great job.”
“Where is this headed?”
“I do the hours.”
“That could be me.”
“You and me against the world.”
“What do you want?”
“A private audience with a holy leader,”
“A public display.”
“A display of power.”
“I want you to expose yourself.”
“This was your family.”
“I can work with you.”

“Is this serious one-on-one shit, or is it temporary?”
 “You are a sensitive type.”
 “How did you get me involved?”
 “How much do I have to spend to complete this deal?”
 “If you lose, you get nothing.”
 “Make your move. It is biological.”
 “What are you eating?”
 “The salmon.”
 “Is there something wrong?”
 “You do not understand the challenges.”
 “Are you here?”
 “We are working together.”
 “I lost everything that was important.”
 “That is why you are making jokes about serious things.”
 “I have trouble distinguishing myself.”
 “Where can we do this right?”
 “He is right behind you.”
 “I am not going to think about it anymore.”
 “This is the really difficult part.”
 “Who can help you with this?”
 “Do you need more?”
 “I am easy to satisfy.”
 “I want to escape from this way of thinking.”
 “What is left?”
 “The seeds.”
 “The root of the problem.”
 “How are you different than I am, Vittorio?”
 “I forget about my problems.”
 “All these states cannot be represented in actual experience.”
 “Your memory is not that good.”
 “It really is not.”
 “That is a blessing in disguise.”
 “Who is disguised?”
 “Tell me, Vittorio.”
 “You cannot keep on like this.?”
 “Can I watch?”
 “This is not pretty. This is all about personal resignation.”
 “You’re drinking alone, and it can get very ugly. You’re just wallowing in your shit.”
 “We are so close to clarity.”
 “Cleanliness.”
 “Where does that begin?”
 “You are still hanging on.”
 “We both want revelation.”

“I will take that.”
“You give that much of yourself, and what else is there.”
“Do you really know who I am?”
“I breathe. People care about me. What else is there?”
“Vittorio, what else is there?”
“Art.”
“Blurred lines.”
“Take this.”
“Calm down.”
“Is any of this perfect?”
“It will be.”
“You are what I need.”
“That is a lovely balance.”
“They can do things that we cannot.”
“He is here.”
“I will buy you what you need.”
“Vittorio is out of cash.”
“He has friends.”
“We can leave now.”
“You are so lovely.”
“Clean it out.”
“I love the taste.”
“Too much of a good thing.”
“Suck it up.”
“I want to be free.”
“There is more fantasy.”
“This is very serious.”
“Third from the left.”
“What about the others, Vittorio.”
“They are not in my show.”
“They could be.”
“How did you get in here?”
“By the front door.”
“What about your friends?”
“We switch out some parts, and we have what we want.”
“That seems marvelous.”
“I have a lot of enemies.”
“I have given too much of myself to time.”
“That does not work.”
“They are going to make it work.”
“We have maximized the space.”
“Is that your house?”
“Everything is much more rudimentary.”

“Do you really care?”
“I remember.”
“I want to remember.”
“I am going home.”
“This is for my mother.”
“What is that about?”
“We are filling out the biography.”
“I was supposed to meet someone.”
“A man with a package.”
“I did not like the way that you looked at me.”
“I quit that.”
“Do not interfere.”
“You want something more.”
“Something really more.”
“You decided to miss work.”
“We are going clothes shopping tomorrow.”
“What is that about?”
“I am impressed.”
“I can help you.”
“What does that mean, Vittorio?”
“What do you think?”
“That destroyed me.”
“That was not the intention.”
“I got food poisoning.”
“There is a lot more going on.”
“You prepped this.”
“It is only the beginning of something more.”
“I could use a new heart.”
“What goes on around it?”
“You cannot prepare for this.”
“Vittorio, you see what you want to see.”
“I only need a pulse.”
“Do you have a pulse?”
“Barely.”
“I need to own this.”
“He is back.”
“I know how to sell my skills.”
“Really, what can you do?”
“I can make the world come to life.”
“Where should I be looking?”
“What does he do for you?”
“Does anyone get it?”
“Do you practice this?”

“There is work and play.”
 “What else do you do, Vittorio?”
 “Do you think that anyone else wants to see this.”
 “What is preventing you from seeing?”
 “The whole world is up here.”
 “Really, all your shit. Who cares?”
 “You were in the right place.”
 “None of this was going to matter.”
 “It did matter.”
 “I fit. I fit everywhere.”
 “Who gave you a platform?”
 “You believe this more than anyone else does.”
 “Why is he so clumsy.”
 “Get them out of my sight.”
 “You see what you want to see.”
 “I am melting.”
 “What brings you back?”
 “YOU ARE CHRONICLING MY DEMISE.”
 “That is a perfect response.”
 “He is going to be special.
 “We will remember.”
 “We all will.”
 “I like the vulnerability.”
 “You are really sharp at figuring this out.”
 “Someone needs to do the dishes.”
 “All of that is handled for us.”
 “There comes a point that you can no longer handle this.”
 “Food poisoning.”
 “No one had it down better.”
 “Honestly, you are making me bored. You have this down too good.”
 “What should I be telling you?”
 “How did social concern break down so easily?”
 “I already stopped wishing.”
 “What do you want her to ask you?”
 “Is this really possible on your salary?”
 “Don’t you know me?”
 “I want to be know.”
 “Do I really want to come in here.”
 “That gives me a thrill.”
 “What are the alternatives?”
 “They are going to snake you in here.”
 “This is an administrative position. And you are going to have to keep silent about this
 shit.”

“What is the human form?”
“Like melting wax.”
“There is dessert.”
“I ordered something sweet.”
“Sweet corn.”
“This is so beyond me.”
“That is killing you.”
“He is the one.”
“That is a different way of seeing things.”
“That is all that I want to see.”
“What is she doing here?”
“She is taking your place.”
“Is she going to do the dishes?”
“He has already staked his claim.”
“I have what I need.”
“Thank you.”
“Please do not get any closer.”
“You got too close.”
“What do you have saved for me?”
“You tell me, Vittorio. What is your view of society?”
“I like to laugh.”
“I am laughing.”
“Hold on tightly.”
“I cannot keep anything down.”
“Quit while you are ahead.”
“I am ahead.”
“I will get back to the beginning.”
“The cellular stage.”
“Human aggression.”
“What should I be waiting for?”
“The human connection.”
“In another life.”
“The origin of the species.”
“They only get the fittest part.”
“They do not realize that it is collective. Event though they are all conformists.”
“A lot of weird stuff is about to follow.”
“That is not going to do it for me.”
“Do it! Do it!”
“Vittorio, you are so emotional.”
“I can help you to fill in.”
“I am covering up the bad shit.”
“She really knows, but she can never explain why she knows it.”
“I can confirm all that.”

“The biometrics.”
“The heart rate.”
“I do not even see.”
“I have what you want.”
“A balance sheet.”
“I realized that we were further along.”
“I have not yet begun to fight.”
“What are the goals?”
“Personal independence.”
“V has a method. And it tends to fuck with people.”
“I just need some one person here.”
“The one who hits all the high points.”
“Will it end?”
“They closed you down.”
“You have alternatives.”
“Look me in the eyes.”
“I can explain it all.”
“WHY WERE YOU SO MEAN TO MY FRIEND.”
“I simply said that this was not an appropriate topic for conversation.”
“I am not really about Nazis, but they seem to have come back into fashion.”
“Even among the anti-colonials.”
“They fear real social change.”
“What is society?”
“She lives in a gold mine.”
“That is not always a good thing.”
“You need to clean up.”
“You are blocking my sight view.”
“I am observing the light reflections.”
“You are way beyond me.”
“It is a physical reality.”
“I am using equations to piece myself back together again.”
“Eat up!”
“You are back.”
“You have not moved.”
“History has come to me.”
“That makes no sense to me.”
“It is not explainable.”
“I need to get this perfect.”
“I could use some of what you have.”
“There is no way that he could be that articulate.”
“He can take a punch.”
“The slings and arrows of outrageous fortune.”
“What does that explain?”

“I want to be friends of everyone.”
 “You need to change the polarity.”
 “This is a different kind of disruption.”
 “You do not look that great.”
 “You are going your way.”
 “He will never have it down perfectly.”
 “I need to jump to the next level,”
 “Do you know this person?”
 “Does this person know this person.”
 “Is it all that important?”
 “She can embody all the possibilities.”
 “Now, she is no longer a possibility.
 “Where did she go?”
 “To be replaced by some cats.”
 “You got what you expected.”
 “She is perfect.”
 “Have another one.”
 “What makes you so much better?”
 “A lot.”
 “I can make that work.”
 “I do every day.”
 “Try that.”
 “All the doors are slammed shut.”
 “There was a random element.”
 “V scooped that up.”
 “Do you really care?”
 “You are wearing your dinner?”
 “I can wait.”
 “I cannot.”
 “I cannot.”
 “I cannot.”
 “Get in line outside my door.”
 “Another manifestation of the top cock.”
 “Is there any other way to express this?”
 “Selfishness.”
 “I want to watch.”
 “Honestly, you are not a great judge of character. You are no an overachiever. How is
 this going to lead to anything that creative.”
 “We can break the connection.”
 “Just go.”
 “There are so many variations.”
 “You are using so mmuch theory to describe things that never really happened.”
 “What is the secret here?”

“How did I get here?”
“I packed you in a trunk.”
“What is that about?”
“There is a lot of pressure to fit a role.”
“Where have you been hiding?”
“Take a look?”
“What is the excess?”
“I am having trouble expressing this.
“Do not ask this guy to help.”
“After you pour your heart out, what else is left.”
“Have you ever spent time here.”
“I broke down.”
“You are dragging fire.
“I will fix that.”
“How do you hold this thing together?”
“It is not like a movie.”
“Do you have a fire extinguisher.?”
“Come back here.”
“I am short on explanations.”
“We could do biology, sociology or mechanics.”
“None of that seems to work.”
“I have a heightened sense of smell.”
“You are going to need it.”
“What does that mean?”
“I am doing more work that I need to do.”
You read this?”
“I am living off the fat of the land.”
“There are speculating on commodities.”
“What happens when consumer demand decreases?”
“They are selling more toothpicks.”
“How much corn does it take to make a bag of corn chips?”
“How big is the bag?”
“I will bet the farm on it.”
“That is a big bet.”
“It is a small farm.
“Small fry?”
“Does that pass for humor?”
“Make me laugh all night long.”
“What do you really like.”
“Listen to this!”
“You cutting off my circulation.”
“When will this stop.”
“You can leave now.”

“I feel unloved.”

“V, do you care.”

“No one cares.”

“Stop that.”

“I lost my job.”

“Do you have savings.”

“That is all that matters.”

“You are having a blast.

“How can I enjoy my life more?”

“Have goals.”

“The origin of the goals.”

“The smell.”

“Where is that headed?”

“Suck on that.”

“A sugar stick.”

“I am so done.”

“Who are your models?”

“I make it on my own.”

“Do you have a self-help book?”

“It does not work that way anymore.”

“The celebration is over.”

“We are into some kind of weird moon ritual.”

“What is really going on?”

“Are you leading a workout?”

“What is in there?”

“Something sweet.”

“He thinks that he did this on his own. This is not seduction. She doesn’t care about herself that much.”

“Share.”

“Is there something more?”

“I need someone to watch my heart monitor.”

“You can get a readout.”

“I am dead.”

“SHIT!”

“I want more than that.”

“Are you her?”

“It couldn’t have been a little different.

“You needed to move a little more quickly.”

“I could train.”

“We all lose our will.”

“That is so unlikely.”

“Wher should I be?”

“You turn me on.”

“V, are you going to get more graphic?”
“Do you two work as some kind of team?”
“I need to get out of here.”
“I broke down her show.”
“I need a reader.”
“Take this out.”
“I did.”
“I feel like a jelly fish.”
“When does this ever make sense?”
“V, where does this ever make sense?”
“You know some one thing.”
“What question do you need answered?”
“What secret powers do you have?”
“I am having trouble explaining what is going on.”
“You only know some one thing.”
“Who has the explanation?”
“You are way too far out ever to merit an explanation.”
“How can that transform me?”
“I am in the operating theater.”
“This is a horror movie.”
“That could hurt.”
“Do not cut.”
“You are confusing me.”
“You are making too much sense.”
“You are really possessive.”
“Why do you even notice?”
“I can feel the room closing in on me.”
“You will only make it worse.”
“I am really in the wrong place.”
“V, you were supposed to be at work.”
“Why do you say that?”
“You are not going to like how this turns out.”
“It all starts with one believer.”
“She is waiting somewhere.”
“We used to work together.”
“She passed out at my place. I gave her a cause.”
“Where is this headed?”
“Is your heart beating more rapidly?”
“You trace the lines of decay.”
“What does the intersection represent?”
“Vittorio lost job because he did not show up.”
“I know that he got distracted.”
“I need to twist out of that.”

“What are you doing at home?”

“I am feeling restless.”

“Can you read the signs?”

“I can.”
