

BREAKING THE MOLD

“What else do you do?”
“How do you ever hold a job?”
“I do not think about this stuff. I have some crazy stuff ahead.”
“Does that work for you?”
“How can I convince you?”
“Is Lyla supposed to come back?”
“She will be back. I am not sure if I will still be here.”
“What is that supposed to mean?”
“I am stretching out.”
“Do not ask me.”
“What did you do?”
“I am trying to imagine what it would be like being you.”
“Who else could fill in for me?”
“We would be more committed to our own well being.”
“Where did you discover me?”
“I cannot explain this.”
“The gang is here.”
“That guy is in my face again.”
“Your crew is all maladjusted.”
“I am not going to succeed.:’
“It is toxic here.”
“How much di that shit cost?”
“They found it in the ground.”
“There is some cutting and polishing.”
“I do not get it.”
“Bring me the head of John the Baptist.”
“I will get what I am looking for.”
“You can leave now.”
“Do you try to figure it out?”
“Now, it all fits into place.”
“They all know way more than I do.”
“Let us to to the mat.”
“There is only one mistake here.”
“Who are you working with?”
“That is not what that means?”
“What does nature say?”
“That is something that I put together on my own?”
“Lyla will never figure this out.”
“I have what I need.”
“She fails. What else is there?”
“I am stylish.”

“How does that work?”
“What are you studying?”
“What do you want to know?”
“Help me figure this out.”
“Everything is a risk”
“They are right.”
“What will the people say?”
“They are trying to quiet us down.”
“This is pretty crazy.”
“Where does this take you for the rest of the story?”
“You want this to mean something.”
“What are you saying?”
“I do not share this with guys. Gusys like you.”
“What is that about?”
“That is a complete view.”
“Every moment is accounted for.”
“You are not part of this.”
“I can make it mean something more.”
“Hang on.”
“I did.”
“I want to be inspired.”
“You do not need to create any solutions.”
“I have what you need.”:
“Heart powder.”
“I am going to collapse in a crowd.”
“Will I be loved?”
“I am not that comfortable with sharing.”
“No one is.”
“Where will that go?”
“Come to the light.”
“You are cut off.”
“There are more good times.”
“You will not hear the end of this.”
“I cannot reveal.”
“End it while you can.”
“You waited too long.”
“What do really contribute?”
“What important do you have to share?”
“Should I write this down?”
“Is that all there is to you?”
“You are very brilliant.”:
“That hurt.”
“Are you trying to give me advice?”

“I will dream about you for nights.”

“What will happen?”

“I will get bored.”

“I have spent all my time looking over your shoulder.”

“The reward become a curse.”

“Why don’t you shut the fuck up?”

“This is why our society is slipping into darkness.”

“Is there darkness?”

“What else is left?”

“What else is left?”

“I knew that you were a total idiot.”

“It is not like that.”

“Will you get what you want?”

“They are replacing batteries.”

“He loves you.”

“Do you listen to yourself. You are seriously boring. Your analysis of society is totally on the surface. You understand very little about the social fabric. How can you deal with your own ignorance about the world.”

“I do not see any of this.”

“No wonder they are burning books.”

“This is going to be fun.”

“Do we care?”

“Do we care?”

“Shut the fuck up.”

“And you two, when do you come in.”

“I am a million places at once.”

“I need all that to manifest.”

“We all have these moments.”

“Eat the burger.”

“Crunch.”

“Wow!”

“I am changing the game.”

“I need you to send money quickly.”

“This guy is so fucking stupid.”

“They complain about his friends,;’

“These males are so fucking stupid.”

“Slow it down.”

“I have the fashion down.”

“Please do not speak.”

“Is it that difficult?”

“That is who you are.”

“That is who you are.

“I can eat.”

“Fuck me.”
“Are you challenging me to a fight?”
“He really is charming.”
“Who else recognizes what is going on?”
“I do not want to ruin your fun.”
“You are really getting bored.”
“I would really get bored with you.”
“We share one thing.”
“One more thing.”
“I am so fucking high.”
“That will work for me.”
“That will work for all.”
“You really do not wonder about your wonderment.”
“Should I leave?”
“There is a lot of work to do?”
“What do I get for free?”
“I want to give it to you. Time just knocked you out.”
“I thought that this outfit was perfect.”
“You were perfect.”
“I am trying to be as precise as possible. How can I make things happen?”
“Do this. Take this. Be this.”
“I got closed down.”
“Look here.”
“You know what this is about.”
“I get hypnotized by the world.”
“She is wearing my clothes again.”
“I see what I need.”
“Swallow this.”
“What is that?”
“What you know, and what you can change.”
“What you want to change in the physical world but cannot affect.”
“That is not going to be good for me.”
“That is much closer than I know.”
“I guess that I changed my mind.”
“I need to entertain myself.”
“How do you do that?”
“This stuff cannot be solved.”
“The walls have ears.”
“Why can’t you ask?”
“There is a lot to explain.”
“You are sunk.”
“I need a ride.”
“Will you do that for me?”

“I am not here to help.”
“I am trying to teach you a new dance.”
“How will that help me to manage my finances?”
“Why should you keep caring.”
“He will never give you what you want.”
“I am trying to get the whole story going.”
“What more do you want?”
“Nothing more.”
“Slow the world down.”
“My body is a science.”
“Explain that.”
“I am trying to figure it out.”
“What is your fascination with thrillers?”
“I like to visit houses where I am not allowed.”
“What is in the other room?”
“The dead sister.”
“There is no dead sister.”
“What does this really mean?”
“I am learning how to do this better.”
“The names are not spelled right.”
“You are really bored with your shit.”
“That seemed to be something that I needed.”
“I have decided how far this will go.”
“Imagine if you wanted to reveal everything about yourself.”
“You are really fucking with my life.”
“What did you leave off?”
“This is a long break.”
“Did you quit?”
“I did not even start.”
“You have the parts.”
“I do not think like you.”
“Wait.”
“What am I waiting for?”
“You will be blessed.”
“Do you know what I really want?”
“I am doing my best to hold it tight.”
“I need a different combination.”
“This symbolizes a better life.”
“I wanted a little more expressiveness.”
“This is all my doing.”
“You pushed someone at the edge.”
“Will that do it for you?”
“I can peel away another layer and observe how all the animals move together.”

“I have run out of possibilities.”
 “I can make it a little clearer.”
 “Do not mess it up for me.”
 “We can share.”
 “This is my legacy.”
 “He has you on the line.”
 “Can we get you out?”
 “I am envious.”
 “You believe your own pres.”
 “You are not producing enough.”
 “Turn me on.”
 “She can explain it.
 “Who is she?”
 “Someone with motivation.”
 “I will be who you want me to be.”
 “Where is this going?”
 “You can have a more detailed description of you life.”
 “Whatever you had prepared got messed up.”
 “This kind of social alientation was supposed to lead to something substantial.”
 “We lack consciousness.”
 “Everything has been made better.”
 “No one cares.”
 “That is not going to work for me.”
 “You have to waste your shit if you want to get it back.’
 “Are you leaving me to this?”
 “What do you do once you finish talking about the cult?”
 “There are numerous ways to see this.
 “Why are you punishing me for having a good time?”
 “Why are you doing this to yourself?”
 “That could have worked.”
 “You are being propelled into the heavens,. Where will it end up?”
 “I GIVE UP.”
 “RAISE THE WHITE FLAG.”
 “Is that your meaning of sacred?”
 “Do something.”
 “I am checking out.”
 “We can get you back for more.”
 “What is the equvalence?”
 “Hours of work. Hours of shit.”
 “YOU ARE CONVINCED THAT YOU ARE NOT GOING TO GET IT BACK.”
 “There needs to be a glimmer.”
 “You have this all solved.’
 “I know that you do.”

“You do.”
“When is the moment that you say no?”
“What the fuck?”
“You are tone deaf.”
“I need someone to propel this.”
“I could get very mean.”
“Be very mean.”
“Help me.”
“I cannot follow that adventure.”
“This could have meant more.”
“I prepped.”
“They ran over me.”
“You do not have a game plan.”
“What is your game plan, my seet.”
“I am all over the map.”
“You have a lot clarity.”
“There is a lot of surrendering.”
“That I can’t be perfect shit.”
“Just get it done.”
“This will not be personal.”
“We are doing different things.”
“I am not part of you convention center.”
“I like trying new things.”
“I am not like you.”
“I am on an IV drip.”
“This is not that difficult.”
“Stand tall.”
“That is shit.”
“This is some narc stuff.”
“You accept things that are not acceptable.”
“I will take it.”
“Are you friends?”
“Put it on dating site.”
“That is ruining the vibe.”
“You are getting too close.”
“YOU ARE NOT GETTING CLOE ENOUGH.”
“We can work together.”
“That is creepy stuff.”
“It is over.”
“This is some serious shit.”
“I fell.”
“I am lying here.”
“You are going to need more money.”

"I have all that it takes."
 "This is a new crew."
 "I do not need some one person. I need some any person."
 "Shit."
 "Where have you been hiding?"
 "In your closet."
 "That is some real creepy shit."
 "This is not supposed to be a thriller."
 "Are you imitating my shit."
 "This does not work for me."
 "Why is that balcne so important?"
 "I can pick and choose."
 "You took waht you were given."
 "I was on the verge."
 "I can tell you how to spend your money."
 "None of this continues."
 "That does not work for me."
 "What is the follow spot."
 "What are you hoping for?"
 "That is really doing something for me."
 "You ruined my night."
 "There is a lot more ruining to go."
 "We are observing the bears."
 "We cannot come back after this."
 "We cannot come back after this."
 "I am impressed."
 "Is there something more that I can do?"
 "Get the shit our of my shit."
 "I am really losing it."
 "Have some of this."
 "That does not work."
 "Where else can I make sense of this?"
 "You cannot."
 "That is not really working for you,"
 "There could beb a clear question and answer thing."
 "It could not be any clearer."
 "Let me take you out to the car."
 "You make it."
 "Are you an arms merchant?"
 "I would try another technique."
 "MEAN."
 "Can I come visit you in your place?"
 "I will work at this."

“How did make it?
 “Keep speaking. That way no one will discover that you have nothing to say.”
 “Nothing.”
 “I can work with this.
 “How will you do this?”
 “She has arrived.”
 “That is all that matters.”
 “I always wanted you to matter.”
 “Why am I responsible?”
 “What are you afraid of?
 “You have no idea what this is.”
 “You are the thief.”
 “I am getting you closer to a confession.”
 “Then you revealed everything that there was to reveal.
 “Play your song for me.:
 “I am glad that you are easily satisfied.”
 “I am in treatment.”
 “You are easily satisfied.”
 “I could pretend.”
 “This reminds me of my childhood.”
 “These memory implants.
 “Someone will get this.”
 “Thank you.”
 “Thank you.”
 “Thank you.”
 “There are the physical, the social, and the historical markers.”
 “Things will get better.”
 “Spit at me.”
 “Are you trying to make a deper point?”
 “This is a PR venture.”
 “Everyone serves one master.”
 “Do not offer economic observations when you do not provide much economic awareness.”
 “Let the price fall.”
 “That will work for me.”
 “How tight can you make it?”
 “This guy is pathetic.”
 “There are streets paved with gold.”
 “There is gold paved with silver.”
 “What else is ther.”
 “Do not blame me.”
 “Do that again.”
 “I need to go to work.”

“I just think that you want to do something terrible to me.”
 “This is all that I can do.”
 “We could hang out there.”
 “We could.”
 “I did not even know that you were there.”
 “Do you know what that is really about?”
 “Do you know how to do it?”
 “That is what destroyed it.”
 “It snapped.”
 “That is how things work.”
 “Can you get me some shit.”
 “Crawl on me.”
 “It does not work like that.”
 “What is the sequence?”
 “You need to train.”
 “That is your shitty life.”
 “There is no almost. Follow the formula.”
 “You cannot do that here.”
 “He has arrived.”
 “This is your cue.”
 “Are you staring?”
 “Fuck, what is this about.”
 “That was endgame. The only choice is to attack me with the board.”
 “Is that all that you have?”
 “I keep thinking that things will be okay.”
 “They will.”
 “How will that happen?”
 “Get to the core.”
 “That is all that I need.”
 “This reminds me of the terrible things that happened me as a kid.”
 “Did you confess?”
 “They never got to the core.”
 “I usually would hate this, but it has been so horrible all night that this is some kind of a spiritual improvement.”
 “Return to the scene of the crime.”
 “There was no crime.”
 “That would explain things.”
 “Come out of yourself.”
 “Speak more clearly.”
 “That will not suffice.”
 “What will?”
 “There is another world where it all makes sense.”
 “The image is blurry.”

“Do not try to fool me.”
“Give me what I need.”
“That is some creepy shit.”
“That is some creepy shit.”
“Everyone wants a head start.”
“Take what you need.”
“There is money in the trunk.”
“I resurrected a body.”
“How did you do that?”
“Medicine from the Amazon.”
“Accept the end.”
“And that works how?”
“We could describe it in other ways.”
“I need to dry off.”
“Then you subtract yourself from the scene.”
“Do the numbers.”
“I give myself.”
“Give more.”
“Then you face the core.”
“I am so sick.”
“We are going to need to do some thieving.”
“Can you destroy someone for me?”
“The story does not work that way.”
“I am calling on you.”
“Stuff yourself.”
“I just need to plan.”
“You get rescued.”
“You start again.”
“I have something left.”
“That will work.”
“That will more than work.”
“That is one level.”
“The repetition of the same thing.”
“We will never escape.”
“You promised some hidden movie.”
“Never have I ever.”
“Given into hate.”
“You are taking advantage of my vulnerability.”
“That is you. All your gestures.”
“That is not the real me.”
“Nothing is nothing.”
“We go back to the null set.”
“And you forget everything you ever learned.”

“You could be nicer.”

“No one will be nice.”

“Shock treatment.”

“I could just say that you are mean.”

“I cannot help.”

“Who will fix this.”

“This cannot be fixed.”
