

SCRIBBLE

“There is a difference.”
 “This is not a psychological question.”
 “They run the show.”
 “It would be nice if we could shield ourselves from this shit.”
 “It becomes a three-year plan.”
 “Can you really see something coherent here?”
 “You do not even know. You admitted to lacking historical consciousness. That is only one level of the questions that are being asked.”
 “Are you trying to come down on me?”
 “What kind of self-awareness do you need?”
 “WIGGLE THIS.”
 “Is that a program?”
 “What is your program?”
 “There is a difference.”
 “Do you know?”
 “She does know.”
 “That is what worries me.”
 “There are too many layers of bull shit.”
 “There is a lot sociology.”
 “The species.”
 “What holds us together?”
 “Go ask Maggie. She thought that she knew.”
 “We can play house.”
 “We can destroy the world.”
 “Cure my disease.”
 “How did you know?”
 “He is going to take your soul.”
 “I need some soul.”
 “She is not here.”
 “She left some jewelry.”
 “I put it in the safe.”
 “This is collateral.”
 “I am trying to connect the dust.”
 “It is difficult to get a point.”
 “I will take that as an insult.”
 “They all buy diamonds.”:
 “What is the risk here?”
 “I am important.”
 “Of course, you are.”
 “These are good times.”
 “None of that makes sense.”

“I am running a divorce court.”
“It is the world.”
“I saw that.”
“This is going somewhere.”
“Whose drink is that?”
“Do I have to learn that same shit.?”
“Small minds.”
“Smaller minds.”
“What is that about?”
“There are so many distractions.”
“We are way beyond help.”
“I am splitting in two.”
“Commentary will not fix things.”
“That is not enough of a message to shake things up.”
“I resent that.”
“That is for my future friends.”
“The diamond merchants.”
“We could do it here.”
“You can’t even show up to a lunch date.”
“I will not leave you at the altar.”
“Where are you going?”
“I am going out in the world to preach the gospel.”
“Which doctrine?”
“The one with the fish.”
“I am hearing a different vibe.”
“What do you want from me?”
“I want your soul.”
“I want your good times.”
“You are a drain.”
“I am glad that someone can contribute.”
“My home planet is calling me home.”
“It is a death star.”
“Shit!”
“I am going to sweat it out.”
“There is only poison left.”
“You were going to save me.”
“I tried to suck all the poison out.”
“You did not bring enough to the table.”
“I am at the operating table.”
“We are together.”
“He warned me to keep away from you.”
“There is too much of a mess here.”
“What else is here?”

“Where do you get that from?”
“I am afraid of the wave.”
“That will not work.”
“What is really going on?”
“I attain consciousness.”
“I need to be right.”
“You wanted to give out diamonds.”
“I read that book.”
“Where did you get that?”
“It was available for a song.”
“For a prayer.”
“I need to run away.”
“She is forlorn.”
“You are wanted.”
“You are unwanted.”
“Do not get on my shit.”:
“That is not right.”
“We love you.”
“That could not be any better.”
“Let me show you some tricks.”
“We take the diamonds out the equation.”
“What happens when the money achieves a balance?”
“It is going to fuck us.”
“You do not have to stay.”
“I hang deep.”
“There is a struggle ahead.”
“You will never get what you need or deserve.”
“Follow the numbers.”
“Follow the bouncing ball.”
“I will be free.”
“I cross the line.”
“I do not want to interrupt.”
“Where did this start?”
“You need more happiness points.”
“You are trying to heighten the pleasure.”
“Get off the treadmill.”
“I want you to have an idea.”
“We will praise you Vittorio.”
“I have crossed the line.”
“You give me everything that I need.”
“Can you taste it?”
“I cannot.”
“You need to get higher.”

“You need to stimulate the other side of yourself.”
“I necessarily mess with the good vibes.”
“Does that work?”
“That is so pleasant.”
“That is too loose.”
“There are ways to tighten the gears.”
“No one learns.”
“I was good at this.”
“Time to fight your way out of a paper bag.”
“Did you eat the sandwich?”
“I gave my love to you.”
“What?”
“What?”
“They are waiting for me.”
“Curtain call.”
“Operating theater.”
“There is one alternative.”
“Leap.”
“I am adept at making things happen.”
“Do not look.”
“I have seen the answer.”
“Do not insult me.”
“Is there a silver lining?”
“There are different ways to see myself.”
“I cut it a different way.”
“This is self-generation.”
“You need to watch me.”
“I cannot help myself.”
“And you do one more performance.”
“He is laughing at you.”
“He can get away with it.”
“Can you do this on your own?”
“It is all on paper.”
“I write it as it happens.”
“It is going to take a lot of work to make it happen.”
“Birthday time.”
“Moon years.”
“That will work for me.”
“Should I look?”
“It could be an avalanche.”
“There are alternatives.”
“The alarm just rang.”
“I am going to a run.”

“Is that the only way to find a balance?”
“You are either going to quit now, or this will become a lifetime habit.”
“What are the things to which we show allegiance? Are we ever going to say no?”
“Do you want to get better at saying no? Words never give you what you want.”
“What are you after?”
“I am all about the perfume.”
“We have very different goals.”
“I made promises, and they were never fulfilled.”
“I can only hope that the consequences are not that severe.”
“What are you afraid of?”
“That someone will love.”
“What are you afraid of?”
“That someone will not love me.”
“We exaggerate things in our lives.”
“That is all part of the system of risks.”
“It is all constant.”
“That is what I want to know.”
“It cannot be known.”
“They are all aiming at the same thing.”
“There is not much there to begin with.”
“That is how you describe life.”
“You want to fly.”
“You take flying lessons.”
“You go on a vacation.”
“You jump off the high dive.”
“I am dealing with the pain.”
“This is my condemnation.”
“I admit how I have failed.”
“And that is that.”
“That is that.”
“I accept that.”
“I pretend that it makes a difference.”
“How did I end up here?”
“I ran faster, and I jumped higher.”
“That is all a cover for what is really going on.”
“How does this work for my life?”
“Where do I know you from?”
“I am not going to follow you back to your party.”
“I am out of energy.”
“I am along for the ride.”
“Ride the particle to an explosion.”
“How does that work?”
“That was not going to work?”

“There is not resolution.”
 “I am fasting.”
 “I do not like the balance.”
 “Who asked you for a reading?”
 “Tell me about the book?”
 “Do you have some paper with you?”
 “What would I be doing if I was going this far? If I was going this deep? If I was going this crazy?”
 “She could seem to be a little better. What would her education imply?”
 “She is getting ready for bed. And she has surrendered all associated dreams.”
 “This is the last chance.”
 “This is the only chance.”
 “I need to erase your face from my memory.”
 “Clean the board.”
 “Start from a clear slate.”
 “But you love the punishment.”
 “How will any of that work?”
 “This is going to result in a worse of a mess.”
 “We are over the Vittorio line.”
 “Someone is going to pull out his penis.”
 “We are not looking for wieners.”
 “We are all among wieners.”
 “How do you keep him talking?”
 “This is charity. This is an excuse.”
 “I want to watch you bleed.”
 “This is the best that you are going to do for your life.”
 “Thanks for the vote of confidence.”
 “I need something to hold me together.”
 “You gambled something.”
 “What did you get in return?”
 “I got my deposit.”
 “Is that going to be enough?”
 “This is a casual game.”
 “Where is this headed?”
 “I am going to join the cult. I have no choice.”
 “Most people are not about to make the choice for their future.”
 “I do not believe any of this. You need to be stopped. That could be the most important lesson of the book.”
 “Maybe, you could shut up. You are the perfect symbol of my failure.”
 “It does not have to be like this.”
 “You are world class?”
 “Where is the world?”
 “The world is going to come a running.”

“Do you know what you stand for?”

“What?”

“A terrible education system and hand outs for corporations.”

“You are on a bad road.”

“Son, you need to try harder.”

“She works two jobs, and she goes to school.”

“She is looking for simple answers.”

“Hot dogs for all.”

“Did you already order?”

“What are you after?”

“I guess that you have all the things that you want.”

“I worked hard to get here.”

“And where are we? If you can help me to figure where we are, then I know we have arrived.”

“You need to know where we are, They are all looking at you.”

“They will read what you have written, and put you where you need to be.”

“I need to do so much to do so much.”

“You are going to need to take the steps.”

“We all do that.”

“Who really cares?”

“We will do that.”

“Are you really listening to him?”

“I need you to tell me.”

“You have joined the cult.”

“I did not sign my name on the contract.”

“I am hands down.”

“Who are you helping out?”

“What are you protecting?”

“We are friends.”

“We are way beyond that.”

“What do you expect to happen?”

“I am beyond expectation.”

“Will that work for you?”

“What did you sell?”

“A few souls.”

“How does that work?”

“What is left?”

“Make me look wonderful.”

“Pinch it a little.”

“What is that about?”

“He is still talking.”

“His soliloquy.”

“Does anyone listen?”

“He is on it.”

“We are heroic.”

“This is the best place for that.”

“I am going to ride it all the way home.”

“It was never supposed to end up this way.”

“And it didn’t.”

“You got your version of the same. The ring, the house, and the asshole guy.”

“I want to make an investment.”

“I am going to shut that down.”

“This is going to result in some really crazy shit.”

“We need to go further.”

“It is going to get worse.”

“Shake it up.”

“Shake it up, Donna.”

“What is that about?”

“If only I knew.”

“We barely knew.”

“What do you do about that?”

“Is that a political question? It is always about organization and subordination to a political program. But the program develops from the spontaneous experience of the individual. It all takes place in concrete conditions.”

“You see what you want to see.”

“There are a few alternatives left.”

“Get him talking again.”

“He knows things.”

“There are few things to know.”

“Do you see what is happening?”

“What do you think?”

“There are less lulls on the weekend.”

“Why do you need to tell me this?”

“That is too confessional for me.”

“What is the relationship between history and science?”

“How tightly are you going to tighten things?”

“Very tightly.”

“If I had the power, I would be the same.”

“This would be the best that could happen for me.”

“Do you follow the currents?”

“It is wonderful that you are such a specimen.”

“Where do we cut?”

“What remains?”

“I will take that and more.”

“You do not know.”

“Are you kidding?”

“That is comforting for me.”
“You need to work a little more at this.”
“I am working.”
“Go a little faster.”
“Close your eyes.”
“The rats have you.”
“What else is left?”
“A circus.”
“Cartwheels.”
“You need to get to the end of the routine.”
“I am panting.”
“There is a lot of noise.”
“What do you want to know?”
“What is the appropriate move?”
“Hold in place.”
“That is some scary stuff.”
“He said it.”
“That crazy stuff really is going on.”
“I need you to be more specific.”
“What is happening to the political system?”
“How did we get to that point?”
“Ariadne has it all right. There is all this other shit. But you get down to business.”
“The business of love.”
“I want what you have.”
“The diamond trade.”
“Why did you do this to me?”
“I need something that lasts.”
“The world is moving much faster than this.”
“How can there be much else to worry about?”
“He is making that historical argument.”
“We are going to get a little tighter.”
“I want some solutions.”
“Are these industrial diamonds?”
“We are cutting to the heart.”
“That will not be sufficient.”
“That is the agreement between science and history.”
“Too many mistakes for one day.”
“I am going to have to perfect my dive.”
“Why are you looking in my purse?”
“Is that my only resolution?”
“The dog is barking.”
“Where did you bury the money?”
“There is not money. It is all good will.”

“I will take that.”
“You always did.”
“That is a terrible privilege.”
“You have what you are going to have, and no more.”
“There are greater rewards waiting.”
“This is almost brilliant.”
“What did I miss?”
“Sort it out.”
“Deal the cards.”
“What are the alternatives?”
“She likes happiness and money.”
“In that order?”
“I do not know. We are in the middle of some crazy stuff.”
“You said that before.”
“Stuff, stuff, stuff.”
“None of that shit listed.”
“Stuff, stuff, stuff.”
“This is the half life of my whole life.”
“I was here the other day.”
“Nothing adds to nothing.”
“Nothing adds to nothing.”
“That is what I want more than anything.”
“What is the real heartache?”
“Something that we feel, but we cannot tell anyone else.”
“You need to hide better if you want to reveal.”
“You get me every time.”
“I think that I could be better.”
“We could.”
“Someone could step up.”
“Then I erased my memory.”
“I was thinking. I was trying to recollect.”
“That could be perfect. It could be the beginning of something else.”
“Do you have me?”
“I am very dramatic about a whole lot of nothing.”
“They are coming on.”
“Thanks to your friend.”
“I am stopped dead in my tracks.”
“Will that do?”
“It is all too automatic.”
“What else is left?”
“Come on over to the house.”
“Too much has been done to me.”
“There was a time.”

“Then what happened?”
“You have this down.”
“I want it in a different way.”
“Do you know how that works?”
“I am out of stories. This is real living.”
“I can predict.”
“All good.”
“This is the moment.”
“That will not do it.”
“You can ask.”
“The bottom of the basin.”
“The top of the world.”
“World shit again.”
“This is going to get deep.”
“It will be like a wrestling match.”
“There will be more casualties.”
“I do not see myself that way.”
“I have been protected.”
“I have all that taken care of”
“How long have you been working?”
“I have spent a long time at it.”
“And what happened?”
“Nothing good.”
“How did I get here?”
“We are coming at it from different directions.”
“How did I get here?”
“A lot of pride.”
“You are pretending something that is not happening.”
“It is on.”
“More exaggeration.”
“Are you willing to try?”
“I cannot go along.”
“How did I end up here?”
“I was here before.”
“Where does it end?”
“On a hill.”
“The visitation myth.”
“One of us will be chosen.”
“There is not enough to go around.”
“I cannot see it that way.”
“Where is that going?”
“Off the grid.”
“I have not got there.”

“You lose.”
“You lose.”
“That is more sunk cost.”
“What do I have to do to get there?”
“How is that possible?”
“A lot of planning.”
“We are done.”
“I know what is really going on, And I am not a part of this.”
“You get what you want.”
“I have it.”
“This is all about me.”
“That is what she said.”
“I am at the door.”
“I am at the door.”
“I am the door.”
“That will be perfect.”
“Give me another look.”
“I cannot get that.”
“I breathe.”
“I do not want to deal with that.”
“That is all that matters.”
“You are a great actor.”
“Seriously.”
“You are performing for yourself.”
“You are going to have to bend some steel.”
“Who can raise the ante.”
“There are two more possibilities.”
“That is a raise.”
“That is more sunk cost.”
“That is all that I want.”
“I was trying. I did not reach it.”
“He can’t fill it in.”
“Take it to the bridge.”
“Someone can figure it out.”
“Someone cannot.”
“I need a complete trail.”
“We are both at it.”
“I lose track.”
“Damn.”
“I had this.”
“You really did.”
“Go for it.”
“I need to get out.”

“And you go back.”

“You need to follow this.”

“I am on it.”
