

CLEAN

“Why would anyone want to be here?”
 “You have not been upstairs.”
 “That is too good for me.”
 “That still does not make any difference.”
 “I needed it for that moment.”
 “I needed it and no more.”
 “It never bothers me that much.”
 “I get paid for as much.”
 “What is the investment?”
 “Paper.”
 “Where did this start?”
 “Is this an interview?”
 “There is an answer for every question.”
 “There is an answer, and there is a commentary.”
 “He talks about the biggest pack of shit with the same conviction as he talks about something important. Can you take any of this seriously?”
 “I can take it all.”
 “I am all aboard.”
 “Everything is distorted.”
 “You have such a lulling voice.”
 “Is that a good thing?”
 “Not for what we are doing.”
 “I AM SCREAMING.”
 “This is a manifesto for escaping this shit of a world that we are living in.”
 “Everyone else loves it.”
 “Yes they do.”
 “Everything is perfectly balance.”
 “That is the problem.”
 “I need a different combination.”
 “I did not think that it would get worse.”
 “She calls that happiness.”
 “There is no art.”
 “I am so fucked up.”
 “We will come at it tomorrow better than ever.”
 “Tickle me.”
 “Give me a ticket.”
 “I am going to win the drawing.”
 “Get the metal.”
 “It does not work like that.”
 “I can work this on my own.”
 “Every shit things matches with some other shit thing.”

“No questions.”
“Why do we go on?”
“He could be much more aggressive.”
“We are not going to ask.”
“Ask me much later.”
“Will you have an answer?”
“I will not care.”
“Cut off my nose to spite my face.”
“You are polluting my life.”
“Who else is left?”
“The machine keeps talking.”
“The machine keeps talking.”
“The machine keeps talking.”
“I fell asleep.”
“Your train is here.”
“I have been in a better place.”
“He promise me a ride on the train.”
“He gave me the train.”
“Anything works for me.”
“Ask me a question that is going to work for me.”
“I want the swan.”
“Do you want to sign him?”
“That will not work for me?”
“What happened at the end?”
“Remember me.”
“I do not see it that way.”
“He will close.”
“Keep me in a tower.”
“Do you know what is going on in there?”
“Then you tell me what you have.”
“Does anyone really believe your shit?”
“They all do.”
“If you went into a c, it would have had the same effect.”
“What are you doing?”
“I am speaking loudly.”
“Mumbling.”
“My investments will get me there.”
“Is that all that it takes?”
“This is all that it gives.”
“Walk away.”
“Wake away.”
“Cut along the dotted lines.”
“That is a cube.”

“We could get moving.”
“This would be our lives.”
“This is a hope that is a hope.”
“It works on some days.”
“That could free you.”
“I am free somewhere else.”
“I need an exception.”
“You have been accepted.”
“What is going to make you hang on.”
“I cannot follow the time line.”
“Are we all in?”
“Are we all forgiven?”
“That is an idealized projection.”
“What do we get?”
“You cannot do it.”
“Back to the tower.”
“That is all that goes on there.”
“And he is trying too hard.”
“Not even.”
“I will work a little harder.”
“It is a world when you can work harder.”
“You have lost faith.”
“You keep the faith.”
“That is a romantic connection.”
“Work does it.”
“Easy does it.”
“You do it.”
“We all do it.”
“He has already made a leap of faith.”
“I know how to fall.”
“I am on the other side.”
“Do not wallow.”
“In God, we trust.”
“I am paying cash.”
“What does that mean?”
“I want to be happy.”
“You can divest.”
“You will not.”
“No one will.”
“No one will.”
“What have you been doing all day?”
“Curing.”
“He does not cure.”

“There is still a chance.”
“Is he coming?”
“He is all here.”
“He is here for you.”
“That is more than enough.”
“That is more than not enough.”
“I am tied to an idea.”
“How can you get to an idealized projection?”
“You take so much.”
“You get a diamond.”
“Do you see me?”
“I do.”
“Solve the crossword puzzle.”
“You are going to have to sit out.”
“I need it to be my way.”
“I owe it to the mob.”
“I owe it to you.”
“Tell me true.”
“What has been left out?”
“You cannot afford it.”
“Are you kidding?”
“You are asking for the impossible.”
“Why should the world care?”
“That is what we are working out.”
“Do not stop talking.”
“That is pretending to be something.”
“This is a guerilla operation.”
“There are going to be some more coincidences.”
“He is unhinged.”
“I need to do better than that.”
“I had a confession yesterday.”
“I am a shithead.”
“That will not serve.”
“What more do we have to ask?”
“I know how to solve it.”
“We can all do it.”
“You do it.”
“That little extra.”
“You will do.”
“You will not.”
“Follow the line.”
“All the parts are connected.”
“Where are they connected?”

“In my mind.”
“This is a body connection.”
“I play to win.”
“There are other winners.”
“You can’t win just because you want to.
“Then help me work it out, motherfucker.”
“They left before they could do what they wanted.”
“I am devoted to this.”
“And I am not devoted.”
“What is next?”
“The healing.”
“The wounding.”
“None of that works at all.”
“I need you to interrupt me.”
“It could be different.”
“It isn’t.”
“Why should that make a difference?”
“We are going to need a result tonight.”
“That is the result table.”
“That tells me nothing.”
“We are immersed in our shit.”
“Why is this so much scribbling?”
“The diamond merchants are not here.”
“They did not leave.”
“Shit, they have really done a number on you.”
“I am going to escape.”
“That will not work for me.”
“It more than worked for you,
“How does that work?”
“It does not work.”
“Calm the fuck down!”
“Someone is carrying diamonds.”
“The guy with the bag.”
“These are my pains. These are my fears.”
“This is what is left.”
“The next step.”
“Immunity.”
“What is that about?”
“How else do you want me to say it?”
“I am looking for fun.”
“There is still some more shit to make it go.”
“I am glad that you have finally arrived.”
“I AM SO FUCKING IN THIS SHIT.

“Get that guy out of here.”
“I want the gems.”
“We can make a deal.”
“There needs to be an equivalence.”
“That is how you get out of here.”
“It is up to you to figure it out by yourself.”
“There is so much more.”
“I will take what I can get.”
“I need air.”
“Come, and go.”
“The clarity is being interfered with by some immense noise.”
“What is the population?”
“I am doing it by myself.”
“Are you one of the managers?”
“I am playing the guitar.”
“This is so bad.”
“You get one question.”
“Am I pretty?”
“Are you watching porn?”
“Sure, just like you. I am watching picture of you.”
“We are going to recast the scene.”
“What are you close to?”
“I am very close to you.”
“I want to be closer.”
“This is going get funny,”
“How did that work?”
“How did that work?”
“Do not mumble.”
“You are part of the show.”
“That was perfect for what we need.”
“What do you really need?”
“Communication.”
“We are moving.”
“This is all about you.”
“What have you been doing on the other nights.”
“That puts it all together.”
“Do not stare.”
“Do not touch.”
“I am not even looking.”
“We have him under surveillance.”
“He is under the blue flame.”
“I need to rob a bank.”
“I think that I have this.”

“Take it from here.”
“We can take it.”
“Who is running things?”
“I might think about this.”
“I want to take you to something exciting.”
“She did.”
“She didn’t.”
“I lost my eye drops.”
“What else is there?”
“Dreams.”
“Dreams walked out the door.”
“Where did you disappear to?”
“There is a secret passage.”
“There is.”
“Who is better at this?”
“I want to join in.”
“Very good.”
“Why are you thinking as you drift in space?”
“What do you want to know?”
“You need to get more fucked up.”
“I am hating this.”
“We are controlling all of this.”
“I have got this.”
“I know what you know.”
“You are going to need to do some running home.”
“How do I combine this?”
“Someone is going to have to fuck this guy up.”
“The diamond merchants. Fuck up this guy.”
“This is my pain.”
“Not a very good biology.”
“This is the worst.”
“How did I get there?”
“Now, we are too far along.”
“Where did you go?”
“Who is with you.”
“I am going to have to run this.”
“That is impossible.”
“Wrong place.”
“What are you selling?”
“I do not want to betray you.”
“Diamond merchants, guy fucked up, serious betrayal.”
“Guy pulls out his dick.”
“Adding cubes.”

“They do not add perfectly.”
“Somewhere they do.”
“Only ask for the best.”
“Only ask for the bees.”
“I do not want to interfere.”
“I need some posing space.”
“What does it say?”
“He is hunting.”
“The end.”
“The end.”
“The end.”
“I need to get in there.”
“We all do.”
“I see what I look.”
“That is all that you get.”
“I can be very be happy.”
“That amounts to nothing.”
“I am going to burn up in the atmosphere.”
“That is not an exaggeration.”
“We can complete.”
“I can do better.”
“You need to leave.”
“This is more than a fire. The planet is on fire.”
“This is the outro.”
“Who is here for me.”
“Tell me what you need.”
“A warehouse.”
“This is some lip-kissing shit.”
“You were going to love me.”
“Here take a check.”
“Where is the rain check?”
“What is left?”
“How did you manage this.”
“This is light.”
“I will be back where I am suppose to be.:
“I am running this.”
“There needs to be more forgiveness.”
“How does that work?”
“Back to Malibu.”
“Who cares?”
“People who are having trouble consolidating.”
“We need to let go.”
“Come to the light.”

“Total loss of faith.”
“You can do a few miracles to patch up everything.”
“That is not going to work.”
“You are going to need to hang on to hang on.”
“Bad question.”
“Does not compute.”
“Does not make you live better?”
“I could be there.”
“Friends become enemies.”
“I hit the high notes.”
“Back to the bus.”
“I am not going to do that anymore.”
“What is there for me?”
“No one got better.”
“This is how the book progresses.”
“This is the big night.”
“Curtsey.”
“Cute.”
“We will finish.”
“I have been waiting for this.”
“You know what I want.”
“I could make it happen.”
“What do I get?”
“You know what this about?”
“The silent treatment.”
“The salient treatment.”
“The saline solution.”
“Blood transfusion.”
“The biological sea.”
“We have lost the trail.”
“The less that I know, the more that is in my accounts.”
“I am not looking for friends.”
“It does not function like that.”
“We will complete.”
“I am complete.”
“Where do I send the ring?”
“Where do I sent the box.”
“Cubes and cubes.”
“Sugars.”
“All together.”
“She was here.”
“Do not look!”
“I will take it.”

“Off to the project room.”
“This was you, but I lost you.”
“That is so terrible.”
“I will work with you.”
“And he got what he wanted.”
“The idiot brigade.”
“How many tries do I get?”
“ONE TRY, ONE SUCCESS.”
“I will take that.”
“They won.”
“I will take that.”
“What gives it that sound?”
“The lean.”
“That is the best part of all.”
“This is better than I now.”
“I could take it one more step.”
“He is the only step.”
“I am not going to do it tonight.”
“Does it work on its own?”
“That is enough for me.”
“I was good at this.”
“There is one more step.”
“Step up.”
“They stepped out.”
“What does that say?”
“The prediction goes nowhere.”
“She keeps looking better at looking bad.”
“We will take it further than that.”
“And that is all that I have left.”
“What do you have to offer?”
“Stupidity.”
“What else?”
“More of the same.”
“Now we are in repetition territory.”
“I get nothing more.”
“That goes nowhere.”
“Take over.”
“Sign here.”
“I did.”
“That is not my mistake.”
“Everyone is looking.”
“Should I wait any longer?”
“What is beyond what I see.”

“A lot of resentment.”
“Regret.”
“Hop off the wagon.”
“Hay!”
“Is there another way to see this?”
“Yes, I see what I want.”
“A project.”
“These are all projects that you lose before you come to a resolution.”
“There is a lot of room to expand.”
“What would be different?”
“I looked him in the eyes.”
“Did he look back?”
“He gave me a dead stare.”
“I want what he wants.”
“A life of heartache.”
“I will take it.”
“Anything more.”
“Do not leave until you are called.”
“I am really messing up.”
“You will have this down
“I need to be very quick.”
“That is everything for the world to see.”
“What do you have in there?”
“Heartache points.”
“Pints.”
“What is left?”
“I cannot talk.”
“You are not lost. I am.”
“I did not see that.”
“That is not working except for you.”
“He explained it well.”
“It works every time.”
“That is all that I expect.”
“I want something more aggressive”
“You will not be able to explain it.”
“What is she doing here?”
“She is an experimental subject.”
“Where else have you been working?”
“I have been mixing up the medicine.”
“You will have a chance.”
“I will not have a chance.”
“You can leave if you want.”
“I want the diamonds.”

“You only need one.”

“You need to be honest about this.”

“It needs to head in a different direction.”

“Where could that be?”

“She likes me too.”

“I love them all.”

“There is all this fake concern.

“Fake jealousy.”

“You want to get away with your shit.”

“She is way out there.”
