

EXPLAINING THE DESIGN

“Who are you explaining things to?”
“Those who need to figure it out.”
“I do not need that.”
“Is there a material aspect to the sign?”
“The words are like prayers.”
“I do not like those prayers.”
“Where else are we going?”
“They closed down the party.”
“We are all that are available.”
“I do not want to give in.”
“They are explaining the design in tower number seven.”
“What is that about?”
“This is the level with control over mathematical operations.”
“Step into a moving universe.”
“Do you understand me?”
“I love what I understand.”
“Are you an example?”
“How does the body embody this design?”
“Does this describe a physical gesture or a magnetic connection?”
“How do you want things to be?”
“How do you want me to be?”
“Turn on all the lights.”
“This is dangerous.”
“I have sonar like a bat.”
“The bats are biting.”
“What are you giving?”
“What do you want me to give you?”
“If the body reveals a connection to the universe, how does that connection emerge.”
“This is not just something that I feel.”
“This is something that I cannot feel.”
“I cannot expand on this anymore.”
“What if I do not feel it?”
“It may not be felt?”
“What is left?”
“That is not going to hurt me.”
“What did I say that I should not have?”
“You described something that is a little upsetting.”
“You are going to need to start a lot earlier.”
“Do not leave until you are done.”
“I am done.”
“You have a lot to fill in.”

“Then we get to the next level.”
“None of this is sequential.”
“What do you remember from these days?”
“Someone knocked on the door.”
“I am suffering.”
“We share that experience.”
“Do not touch me.”
“We have our own level of hurt.”
“This is like a pin-prick.”
“What is that really about?”
“I brought that feeling with me.”
“They are taking my time.”
“This is about something very simple.”
“That is not a design.”
“That is how we are designed.”
“What are we eating?”
“We reach out in the heavens, and we try to connect to something more lasting.”
“I shut the door.”
“I shut the door on history”
“I am not part of that.”
“You are not part at all.”
“You are too close.”
“You interrupted me.”
“What am I eating?”
“I do not pretend that will affect me.”
“This is a hunger that I cannot satisfy.”
“There is some crazy stuff ahead.”
“I am going to head to the edge of the night.”
“We keep trying to bend things we know.”
“I will not head to the sea.”
“Love it for what it is.”
“I am so good at offering the final word.”
“What is that?”
“Dinner is served.”
“The dog is having trouble with basic shit.”
“Are you good with barking?”
“Where is this headed?”
“Say no more.”
“He went his way.”
“I can feel it.”
“Here, take a piece of paper, and diagram it.”
“He has the simple things.”
“That will not work.”

“Am I represented in the design?”
“You are at the middle.”
“These are simple meals.”
“That is how my mind works.”
“Our ideas are simple means.”
“That is the core. You serve basic meals. Where it all go?”
“The lobster bisque.”
“What kind of idea is that?”
“I want to show you some designs that I made for dresses.”
“Do you want to eat with me?”
“Where is this headed?”
“I am going to move it all along.”
“I have this.”
“Hold on to this.”
“That will not help.”
“What buttons do I push?”
“All of them.”
“Sit there, and say nothing.”
“That is impossible.”
“Come to my house.”
“We are each part of the design.”
“It goes further than that.”
“Where are we headed?”
“You tell me.”
“This is my business.”
“They have pulled the plug.”
“We cannot continue this.”
“I should not be dealing with this.”
“Do not pull the rug from under me.”
“It is like this all the time.”
“This will take days.”
“It will never be finished.”
“That is worse than impossible.”
“There are two parts.”
“This is where it all takes place.”
“This should not take that long.”
“Stick to it.”
“Why are you listening to me?”
“I need a skeleton.”
“This is not what I want to hear.”
“You are invited to summarize what has been going on.”
“There is no focus.”
“How can you save yourself?”

“Go hide somewhere.”
 “No one knows. No one wants to know.”
 “You are going to have to train.”
 “THERE IS NO LONGEVITY.”
 “This is my memory.”
 “I love to celebrate.”
 “What is the story?”
 “You tell me.”
 “You could tell me everything that I need to know.”
 “I look at myself in the mirror, and it all makes sense to me.”
 “Is it still happening?”
 “I need you to pose for the camera.”
 “This is not a camera. It relates the image to the hypogeometric design.”
 “Look at me.”
 “Hope has a theory. It relates to how the universe wants to be seen.”
 “We want the universe to observe us.”
 “We are symmetric.”
 “I am a little weird.”
 “What are you going to give me.”
 “You have what you want.”
 “It does not work that way here.”
 “We can get it to you much more quickly.”
 “Are you going to leave a tip?”
 “You know, but you do not know.”
 “Help me out.”
 “I am trying to predict.”
 “The stars are aligned.”
 “They never align. Those are the conditions of the design.”
 “I could stare at you, and things would seem to be right. You are not even here.”
 “What gives me full form?”
 “We are no longer being served.”
 “What is left?”
 “The last step.”
 “Suck on this.”
 “I do not need a bottle.”
 “Who is taking care of the guinea pig?”
 “I am looking for a sign that you can know. What is in your heart? How does that reflect what is in the mind?”
 “This is the honeycomb.”
 “Move to the next floor.”
 “I feel as if I am learning from experience.”
 “What sets this on fire?”
 “The food is all cooked.

“How will today change from yesterday?”
“The design will emerge.”
“You look too good to be here.”
“You are trying to control your relationship with the universe.”
“Silly boy, you can’t change your fate.”
“There is a lot more to go.”
“Get the drum.”
“Did we fail?”
“You need to understand. I have done this before.”
“I feel comfortable. I want you to feel comfortable with me.”
“This is only beginning.”
“Revelation means something else.”
“I can make up a secret, But there are no secrets here.”
“I know what you are doing at home.”
“That is not the story that I want to tell.”
“If I wanted to tell your story, what would I say?”
“There is a point when those dreams that you were promised just go off the rails.”
“THE WORLD LOVES ME.”
“AMEN!”
“HE LOVES ME!”
“AMEN!”
“I am not going to get any futhre.”
“I am stuck in an elevator.”
“I am just stuck.”
“I would have said something.”
“Do you like the soup?”
“I was thirsty.”
“You do not feel what I feel.”
“What is something that you really like?”
“A catheter.”
“You need to leave.”
“I have what I want.”
“Great terms on real estate.”
“I have achieved silence.”
“Say no more.”
“Have another snack.”
“It is all falling apart.”
“I was interrupted in the middle of the action.”
“I need to write much more quickly.”
“Where are you?”
“You have been approved.”
“They will give you a card.”
“I want what we all want.”

“I have a card.”

“The words interrupt me.”

“I can figure out where we should be,;”

“Where is that?”

“At the bottom of the barrel.”

“Who can read this”

“Who wants to read this?”

“Then they take it all away from you.”

“They will give it back.”

“I am floating in blood.”

“You are much closer to the human residue.”

“That will tell me all that I need to know.”

“We work hard.”

“We all do.”

“Give me something that I do not have.”

“What is left?”

“Get me on the outside.”

“THIS IS ABOUT ACTUAL PERFORMANCE. IT HAS NOTHING TO DO WITH SOCIAL PROXIMITY.”

“This was the best moment.”

“I would rather give you intelligence.”

“We all know where the food is.”

“This is not a recipe.”

“This is a way of thinking.”

“What is behind that?”

“Solidity.”

“I needed to make sure.”

“The funeral is not the same things as the death certificate.”

“I am going to pay you.”

“You do not understand this.”

“I am going to need this.”

“Damn.”

“Do not give him points.”

“Give him a pointer.”

“The order of fries.”

“I like this better.”

“Who cooked this for you?”

“This is not a recipe.”

“How else should I do this.”

“We are going to drill.”

“I am here to love you. Do you want that kind of love?”

“I am not accustomed to that kind of shit.”

“This is what I have become.”

“I do not want to hesitate.”
“What did you take away?”
“Why does the audience care?”
“This could have been my moment.”
“This is my moment.”
“What do you need to know for you?”
“I already have enough here.”
“This is going to be more fun than you know.”
“There can be no ambassador.”
“There is so much that is not here.”
“I am trying to understand when I lost the trail.”
“Does anyone know?”
“I am on the wrong planet.”
“What else do you want?”
“Favor and flavor.”
“We brought our own party.”
“I am really wishing.”
“I am the people. Find me.”
“I see what I need to see.”
“This is a blessing, a blessing in disguise.”
“I have been shut down.”
“They do not have a clue.”
“Do not make this stuff up on your own”
“I need more than this.”
“I am doing my best to listen.”
“There is only one thing involved.”
“You would not be a good legal representative.”
“I am done.”
“You will never know.”
“Hold your breath.”
“I made all this possible.”
“This needs to be more casual than this.”
“This is making me impatient.”
“Honestly, how can you be different?”
“I am lifting you up from nothing.”
“I would rather be nothing.”
“This is the best that I can do.”
“I did the job.”
“Do not play a game with me.”
“I asked a simple question.”
“She has the design for what is needed.”
“We are at tower seven. There are all kinds of theories.”
“She works better than anyone.”

“How do you know that you have it?”
“You are weird.”
“Too much coke.”
“Do you do some kind of martial arts.”
“I like to get hit.”
“I am trying to develop the design.”
“I do not work like that.”
“You are not going to get a sympathetic hearing.”
“I only want a boxed lunch.”
“I am hearing this differently.”
“We already went through that.”
“Others have heard it the way that you did.”
“Why do you believe?”
“He is picking up the rent.”
“He is part of a foundation that takes care of this.”
“This could not be worse.”
“It could.”
“This hurts more than you can know.”
“This is tower five.”
“There are proofs. But there are no designs.”
“What is this hypogeometric shit?”
“This is totally idealized projection.”
“It is better than staying without satisfaction.”
“Is that all that will do?”
“I would rather be like that. Hate me for it.”
“Who is running this?”
“What is the ideological connection?”
“Who is protecting the results.”
“What do you want to see?”
“Look at me.”
“This is how things are.”
“You will leave before the fun.”
“I am at the fifth tower. I have learned to accept things.”
“What do you want?”
“I need to be prepared.”
“You were supposed to free us.”
“You have us in the gun sights.”
“You do not know what happened.”
“And that is all that matters.”
“HA HA!”
“He will never know.”
“No one.”
“Move.”

“Move your body.”
“This is so bad.”
“How much did you pay?”
“Everything that I had.”
“You do not realize that I am coming down on you.”
“I do not want to leave your bedroom.”
“This is becoming a lot worse.”
“They wanted more.”
“Will this succeed?”
“This cannot be the design.”
“This works in the shithole suburbs.”
“The mall is crawling with rats.”
“All the stores have closed.”
“Who is reading?”
“All of you.”
“None of you.”
“You cannot sit here.”
“Why would you leave the house?”
“Show me the results.”
“Do you hate me?”
“I can beat you at this.”
“I am going to find you where you are not protected and beat the shit out of you.”
“I have a body guard.”
“Where does this come from?”
“We do not love each other.”
“This is where everything really goes to shit.”
“Why would I go there?”
“I am way beyond that.”
“I am beyond.”
“That was perfect for me.”
“I have a special on HBO.”
“I only need to get in the door.”
“He has been training.”
“There is nowhere that I can hide it.”
“And that is supposed to work.”
“Are you kidding?”
“At least, I can put one foot in front of the other.”
“What is left?”
“I could leave now.”
“There is a cut in the design.”
“Just when you think that you have found a clear path.”
“Who else is here?”
“I saved up all this.”

“Smile for me.”
“Thank you.”
“I am collecting.”
“I need a driver.”
“You can call a service.”
“Nothing can be traced.”
“That creep is there again.”
“I want to ask.”
“I know a better way.”
“IIIIIIIIIIIIIIIIIIII”
“Puke.”
“Pay me for being in proximity to you.”
“I need some quick lessons.”
“Can I come to house?”
“Are you going to love this?”
“This matches the design.”
“The final frontier.”
“The worm is moving.”
“I slither along rthe ocean floor.”
“Is that you?”
“I dumped him.”
“There is another kind of battle.”
“The battle for souls.”
“False consciousness.”
“You could have asked.”
“None of it will matter.”
“It could be you.”
“It could be her.”
“You go before me.”
“I am looking at a different level of competition.”
“Are you talking to me? I really hope that you are not talking.”
“I need to work?”
“How does that work?”
“When is this over?”
“It will never end.”
“Who is going to clean up?”
“Do you remember me?”
“We all want a complete deal.”
“You give me the audience that I want.”
“I am fucked. This design is not going to get me anywhere.”
“You sent over all this stuff from tower two.”
“How high does this go?”
“I want to touch the heavens.”

“I am really fucked.”
“You need to help to train me.”
“That is a waste of time.”
“The movie is up and ready to show.”
“What is missing?”
“Who turned me on to this shit?”
“There is another level.”
“I eat every night.”
“You could leave.”
“I need the credentials.”
“You could do that at home.”
“I cannot bother.”
“The shit is already coming down.”
“This was some scary shit.”
“What was damaged.”
“History.”
“How did that work?”
“You cannot see that you cannot touch.”
“You do not do that at home.”
“Your friends.”
“This is success.”
“What part of the design is this?”
“You assume that this is all that there is.”
“This is all that there is.”
“Is it over?”
“It is over for you.”
“I wish.”
“Do I have to stay for this?”
“They have arrived.”
“Where is your head?”
“Where are you?”
“Down at the other end.”
“The geometry.”
“I am being stretched.”
“He destroyed himself.”
“The caring is not well cared for.”
“I wished that I had it down like that.”
“Why do you want to hurt me?”
“I cannot understand that?”
“This how we become something other than we are.”
“We control our desires.”
“Where are you running to?”
“That does not mean anything.”

“I think that you care more than you should.”
“Why did you trust me?”
“You seem to be trustworthy.”
“I do not like that shit.”
“This is a society headed for the dumps.”
“This is a dump headed for a society.”
“Was I invited?”
“You were in the middle.”
“She will give you what you need.”
“What else is there here?”
“I swallowed the grape.”
“I need a showdown.”
“You have it all,”
“Take him out,
“Give me what I need.”
“How does that work?”
“It spins in place.”
“I have a goal.”
“What did he say?”
“That is everything.”
“The human design.”
“There needs to be more going on.”
“I am trying.”
“I am going to become an expert.”
