

THE RITUAL

“I am on my knees.”
“Do you have a prayer book?”
“What is missing?”
“You could have the genius.”
“There is another level.”
“You already got me before you got me.”
“This is pathetic.”
“Meant to be that way.”
“Meant to.”
“No shape.”
“I need to escape.”
“Help.”
“This is a freak show.”
“The vision calls.”
“That is so perfect.”
“You can leave now.”
“I will leave now.”
“I want one last chance.”
“You are so good.”
“I am not going to gamble on this.”
“Gamble.”
“Give blood.”
“Give sweat.”
“We need to explore our options.”
“Work harder.”
“She is part of the organization.”
“The meaning of work has changed.”
“Hang in there.”
“She is moving.”
“She is moving ahead.”
“I need a number.”
“I need a card.”
“I need a friend.”
“I need a rock.”
“She is moving.”
“Always be closing.”
“Always be sleeping.”
“What else is there?”
“Good brakes.”
“Good teeth.”
“I see a pussycat.”

“That is something else.”
“The moll.”
“That is terrible.”
“That was brilliant.”
“Shake it off.”
“That will work for me.”
“Scream it.”
“This is wonderful.”
“Slide it all the way.”
“It could not be anywhere lese.”
“I am reminded.”
“You go back to teh same place.”
“You could play it differelty.”
“What is in there?”
“I want to come by.”
“This is where we start.”
“Living to the fullest.”
“Cook it until it is baked.”
“The shit came down.”
“That is not working.”
“I have tried.”
“Why is this any different?”
“It is not.”
“It came back.”
“This is an art.”
“Do you know someone who can lean on a shithead?”
“You need to do your own work.”
“That is the same thing.”
“Give it to me where I need it.”
“How long should I wait?”
“We have primed that.”
“I am glad that I do not care.”
“Don’t they call you a bag man?”
“I am not here.”
“Say twenty minutes.”
“There is a secret pact.”
“What did I do wrong?”
“You signaled the pigeon.”
“There will be hell to pay.”
“We were waiting for you.”
“Press play.”
“That was brilliant.”
“Have I been asked along?”

“What would have been good for me?”
“Eat the fish dish.
“That was the one thing that meant anything.”
“Blow it up.”
“Where is this headed?”
“Make it work.”
“You go down to make it come back.”
“We have arrived.”
“Arrived.”
“Are you repeating everything that I say?”
“Say.”
“Shit.”
“I need to blow the popsicle stand.”
“And that is who you are. No questions asked.”:
“I expect the world will change.”
“She cannot be stopped.”
“I have what I ant.”
“That makes me afraid.”
“What kind of training did you do?”
“Super schmuck.”
“I have this down.”
“What is your team?”
“Mine is about to go.”
“There area few things left.”
“We wish to win.”
“You have what you need,”
“Why does it not work for you?”
“Does that really work?”
“I stay with that?”
“STOP!”
“I will be back.”
“I almost have it down.”
“It still makes no sense.”
“I can only hope.”
“What makes you tick?”
“A clock.”
“We will complete this.”
“I can write it out.”
“I can do a picture.”
“I will not stray.”
“What are you working on?”
“Why does it not work here?”
“Why does that matter in the end?”

“Who is giving us money?”
“You do not even know.”
“I need to power this.”
“I have got it.”
“What is missing?”
“Participation.”
“We can ask questions?”
“Why here?”
“Why here?”
“I won it.”
“I own it.”
“I am running from someone.”
“It is accidental.”
“I need to wait until you figure it out.”
“I do not have the skills.”
“That is it.”
“It is all falling apart.”
“How much money do you have?”
“How much powder?”
“That is all that I need.”
“Was that the end?”
“I am glad that someone has taken an interest in my stuff.”
“I am stuffed.”
“This is exactly what I want.”
“I need to provide you with an invoice.”
“That interlude is so boring.”
“This is the perfect endgame.”
“You said fashion design.”
“That will work.”
“He controls the time.”
“We need to endgame this.”
“This will not work for me.”
“I have a secret.”
“There will be one more show.”
“All done.”
“That is the same registry.”
“There is no order here.”
“You could ask.”
“I am not going too much further.”
“Add to the representation.”
“Devise a manifesto.”
“That is all that there is.”
“We could take it another way.”

“We could squeeze the turnip.”

“All done.

“Take this.”

“These are the big boys.”

“I thought that you loved me.”

“I am wide awake.”

“I will remember. I will dwell.”

“That is everything.”

“There is no escape.”

“Not for you.”

“Am I dying here?”

“What does that mean?”

“My words do not have the authority. I am not able to exercise my voice. The silence overcomes me. Even when I speak, I used hushed tones. I want to emerge. I remain in the shadows.”

“I feel the exploitation.”

“Where does it happen?”

“We are all getting with the program.”

“Do not feel sad.”

“No one feels sad.”

“There are the refugees.”

“We are the thrown-away people.”

“None of this came from nowhere.”

“Fire up the grill.”

“Where will this lead?”

“This baked in.”

“How does that work?”

“Your rebellion does not amount to much of anything.”

“I am learning skills.”

“Where are we supposed to talk?”

“We can help with that.”

“The authority is about to speak.”

“I want to cry.”

“Do not do that on stage.”

“Whose birthday is this?”

“I have a trainer.”

“Who is the chemist?”

“We are making the parts in our head.”

“This is all part of the exposition.”

“This will all be coming back.”

“It depends on the guy.”

“This is a moment of total awareness. What do I combine it with?”

“We are going to regress you.”

“You need to respond to things around you.”

“There is a way to say ti.”

“Break the connection.”

“Break the glass.”

“I love the sound.”

“Do you want me to confess to you? I want all the things that you have. The land of milk and honey. But I am going to wait around here. And none of it is going to be available to me. And you will mock me for my failure, just as you congratulate yourself for your own success. If you complain, you will not get rewarded. You cannot have take out. You will not get a massage. You will not have a trainer. Your nails will look terrible.”

“I want to jump up in the living room and scream at the top of my lungs.”

“Just turn the volume up on the stereo system.”

“He has it up all night.”

“You really have so much lost time. When do you realize that it is lost life?”

“I do my homework.”

“When you realize that your life is so useless? Someone is controlling everything, and you will never come face to face with your opponent?”

“Please, do not do that here.”

“You have saved for this.”

“What is it worth?”

“It is worth whatever you can make it.”

“I have a purpose.”

“I am enhancing that purpose.”

“That is not going to help you.”

“What qualifies for assistance?”

“What do you want to know about me?”

“Are you committed to getting things done?”

“You are drooling.”

“I need to be more sympathetic.”

“There is still time.”

“You were waiting for me.”

“We do not tell time the same.”

“Will this ever dry?”

“That is the end.”

“You can be my stand in.”

“This is written on the flesh.”

“All this is overdetermined.”

“You can trust me.”

“You are interrupting my mission.”

“Is that all that you need?”

“Is this a design or a money thing?”

“It is a belief.”

“This is a set of interrelated beliefs.”

“Does that get you off?”
“I will be back.”
“What do you want to tell me?”
“You have this down.”
“I asked you to talk to her. You went to the restaurant, and you asked her out.”
“She asked me out.”
“I am not that involved.”
“I only want inspiration.”
“You have an expense account.”
“There is a lot more involved.”
“There so much more.”
“I am in the wrong part of the galaxy.”
“What part is this?”
“Nothing gets done.”
“Are you clean?”
“What are you asking me?”
“I am getting ready for this shit.”
“She is deep.”
“That will not work.”
“There is a different way of seeing.”
“I lost the bet.”
“Am I the bet?”
“I am a variation.”
“The jellyfish.”
“What am I looking at?”
“She is getting her love together.”
“I feel afraid to be a part of this.”
“No apologies.”
“You are the fatal one.”
“What does that mean?”
“It will take a lifetime to find that out.”
“You are the ideal who is not ideal.”
“How do you see history?”
“Through rose-colored glasses.”
“Through a plate of fries,”
“This is not healthy,”
“You fooled me.”
“This place killed me.”
“What is the choice?”
“Do not give in to your desires.”
“What does that mean for your development.”
“I want back to him.”
“He is holding the world together for me.”

“I want to keep things clean.”
“You ask for something that cannot be given.”
“I see history receding from view.”
“What do you want?”
“I want you offered as the eternal routine.”
“How does that work?”
“It is the same job again and again.”
“You can give us something more.”
“Take the door.”
“Take the ceiling.”
“Take the floor.”
“I said too much.”
“I need to sleep.”
“Can I drink that?”
“Did you find me?”
“I went looking.”
“It is your turn.”
“I want to create an understanding that is constant. It can lead to growth.”
“You are not going to find anything.”
“Trust me.”
“Give me what I need.”
“That is more than I should have to take.”
“Where did you spend the rest of your time?”
“On vacation. I can write about your education.”
“That will not work.”
“Do it.”
“Give me what you need.”
“Take what you cannot eat.”
“That is not going to help.”
“She left.”
“She is preoccupied.”
“Self-love.”
“There is no other.”
“You are getting close to an explanation.”
“It is in the flesh.”
“I do not want to repeat the same thing.”
“Today is a wash.”
“You need to understand the layers of experience.”
“That is all that he can do.”
“This is a ritual.”
“This is not trusted shit.”
“You are giving too much away for too little.”
“I apply myself.”

“I want less.”
“Have you touched down?”
“My feet are on the ground.”
“What comes next?”
“You tell me.”
“You have everything you need.”
“I want you to wake up.”
“You are everywhere.”
“Why are you clowning me?”
“How will this end?”
“When will you realize?”
“There are a million possibilities.”
“Give me one.”
“This is going to get electric.”
“I want some power.”
“This is too early for that.”
“He is working alone.”
“That is it.”
“That is it.”
“Is that all that you want?”
“That is all.”
“Is that all there is?”
“I am here for all of you.”
“Do not betray me.”
“He closed.”
“She did not.”
“Where will I be in three weeks?”
“I am asleep in your car. Where are you?”
“I need to come upstairs.”
“You need to leave.”
“Where did you go?”
“How can I answer this question if I am no longer around?”
“I am doing the opposite of you. Then we are doing the same thing.”
“I will be what you want me to be.”
“You will be what you want me to be.”
“Where do we go from here?”
“Take that to the bank.”
“Deep shit.”
“Off shore shit.”
“Then I arrived home.”
“I thought that you would understand this part.”
“I am blessed.”
“What does that mean?”

“What is the organization that would bless you?”
“How much money did you drop?”
“There are equivalences.”
“You get up the nerve and ask.”
“Are you trying to break my leg?”
“I am doing what I need to do for now.”
“There is too much closeness.”
“I am supposed to wait.”
“Do they remember?”
“Transact it now.”
“The design is here.”
“Transact it in an effective way.”
“There are complex possibilities that I cannot contemplate.”
“I know here.”
“The planet is heading in one direction.”
“How fast is the movement?”
“We can switch it up.”
“Use everything that we know.”
“Did you escape?”
“She is the voice of change.”
“I could wear the wedding garment.”
“That is not going to result in belief.”:
“What else is left?”
“I am not like that.”
“I let go when I am supposed to hang on.”
“We rescued you.”
“World two.”
“Life three.”
“Keep talking.”
“Bark, bark.”
“You made promises that you could not keep.”
“Who can I tell?”
“Tell my mother.”
“Be quick.”
“I have been waiting for this.”
“You are going to need to run.”
“What am I running from?”
“The shadows.”
“Take care of it.”
“This is almost a lesson in itself.”
“Take it for what it is.”
