

CERTAINTY

“We have played each other to a stalemate. There is nothing more to ask. But you continue to put the world on notice. What are you waiting for? Where does this go? Do you have the deed? What else do you want? What else do you need? What does the world need? How are you doing? How is work going? What is your escape velocity? Where is the bus? Who is going to answer the remaining questions? Were you handed the manual? Have you prepared your own? Do you realize what is the next step? What are you waiting for? Who are you waiting for? Do you have a ticket? Are you aware? Does it make sense? Will it ever make sense? Who is the boss? Why do we need bosses? Can you clean up the mess? Can you clean up after yourself? Can you hang around? Why bother? Have you become too involved? Who are you working with? Will we finish this? This pays for the magic. This give me freedom. Why is that not enough? What is missing? Can I join you? Do you want to be reminded of the shit? Where is this going? What happens if you do not receive your answers? What happens if you do not receive your money? What other blessings are available? How are you available? We are on my schedule. Do you understand what this mean? Do you work in the same office? Have you seen the document? Do you know the secrets? What do you need?”

“Too many questions.”

“Are you ready for answers?”

“There is only one person, who can give me what I need. I see where this is going. I am Here early. I am here late. There is nothing else needed. I need everything I will understand. This cannot be understood. There are no specific answers. There are no specific people. There is a script. We have not completed the program. We are the program. We are the benefits. We are the detriments. We are hard. We are soft. We are everything. We are nothing. We are not specific. We are touching the sky. We are not specific. We are specific.

“I am afraid for now. I am among people who seek the shortest path to the least reward. I am held together well. I am not held together at all. How can I possibly believe you? It happens to you. The world dumps on you. You are the example. You feel it more than I do. You have the words. You have the past. She is listening to you.”

“I want something more. I want to meet the empress.”

“Why do you give credibility to that thing? Are you afraid of being a free person?”

“Leave now! You must leave now. You shall leave now.”

“I am making this great. I am on my knees.”

“There are greater blessings ahead.”

“I was in the other room.”

“Eat this.”

“I am so on the verge.”

“What are you eating?”

“I am contemplating the expansion of the surveillance state. They can see everyone else, but they do not see their own mendacity.”

“Who are you expecting?”

“She is coming over me.”

“I need to stop this.”

“Put this in my coffee.”
“I accept.”
“I will not serve.”
“I will not serve.”
“I will not serve.”
“I am exploding in my heart.”
“Where is this going to end up?”
“Save the world! Save the people!”
“I want something else.”
“I control my own body.”
“Wait until you drop the pill.”
“We are working hard. We are working together.”
“This is a different kind of world.”
“We are completing our home work.”
“It is better than done.”
“We are all done.”
“You know where we will be in a couple of years.”
“Did you overplay your hand?”
“I am way overplayed.”
“You need to understand where I am.”
“I do not want to be involved.”
“This is perfect for you.”
“I have the geometry figured out.”
“Who is going to do the roof?”
“Is there something else that you want?”
“Who do you want to talk to?”
“We are all alone together in a room.”
“They are asking us questions.”
“I go to work. I have a truck, and I have a car.”
“Who else cares?”
“I would be here to finish no matter what.”
“I am so sorry.”
“I did not join this club. It joined me.”
“What else is going on in the tower?”
“We are counting the participants.”
“There is still time to change.”
“It was all about one day in May.”
“This is September.”
“What are you bringing with you.”
“I win. I work. I have a house. I have a car.”
“What are they going to take from you?”
“What is up for grabs?”
“Do not touch me.”

“I believe in the higher power.”
“I believe in the shit.”
“I believe in the state.”
“They will serve you food.”
“Can you do a little more?”
“I am a little more.”
“I have not calculated this.”
“This is teamwork.”
“This is a partnership.”
“All aboard.”
“We are.”
“You are going to have to leave.. Then you can back in.”
“How can I own this?”
“Do this live.”
“Do this live.”
“The lights have gone out.”
“I am going to need to go out,,”
“That is all that you want. That is all that you get.”
“You trade submission for control.”
“What are you controlling?”
“I go along.”
“That is all that makes sense. That is all that ever makes sense.”
“This did make sense.”
“Where is it going from here on in?”
“This makes rebellion impossible.”
“I am going to be working on this.”
“There is a lower rate.”
“You wipe my mouth with my bib.”
“The alarm went off.”
“I need more clarity.”
“You hear things that I don’t. You think that you are someone, who you are not.”
“I have things to do. I have family to do.”
“I am having trouble getting the balance.
“What are we going to need?”
“I do not know her name.”
“She signed one of the contracts.”
“Is there a head shot? We can bring her back.’
“What is the difference?”
“Some people like the job.”
“I am glad that you remembered.”
“I do not want to continue.”
“This is going to be one crazy party.”
“These are my demands.”

“What was fun?”
“Does that balance?”
“She will do it for us.”
“Did you walk here?”
“The distance is incredible.”
“Who is with me?”
“Who is with me?”
“I want to know.”
“We love you.”
“I am going to break the bond.”
“Do you think that you are privileged?”
“I will take care of this shit.”
“Where does that end up?”
“It ripped me in two.”
“Why bother?”
“She told me to be concerned.”
“Is that all that you have for me.>”
“I will take it.”
“Take it as a form of payment.”
“You did not do the work.”
“Where is this headed?”
“I fill out all the forms.”
“What is in your head?”
“And you really think that you know somethink that no one else knows.”
“I know all of that.”
“Who is on the outside?”
“I have half of what I needed.”
“Why is this so rare?”
“What else can I say?”
“There are alternatives.”
“We need to get a little further ahead.”
“Are you with me?”
“I am all the way.”
“Repeat the same things again and again until you are done.”
“It is within me.”
“You need to pay extra.”
“The pound of flesh.”
“You are on notice.”
“I call this love.”
“We are in different pulpits.”
“Where is this going?”
“Is he still alive?”
“That is something that I cannot deal with.”

“What is really happening?”
 “It is more than desire. I want another dolar.”
 “Per hour, per second, per millisecond.”
 “Who is counting?”
 “The King of Parties.”
 “The Count of Discounts.”
 “Be there for me”
 “You are invited.”
 “Did you bring your pay stubs.”
 “I felt so good about myself for a few minutes of my day.”
 “Order some good shit.”
 “Am I supposed to understand that?”
 “Where is this headed?”
 “You missed the last turn.”
 “I could be somewhere else.”
 “That was a great week.”
 “Do you understand?”
 “I am starting from a different place.”
 “That is what I remember.”
 “Will the world let me win?”
 “Read this script.”
 “Is there money?”
 “You need the love thing.”
 “Will there be an influx?”
 “What is coming?”
 “The bus is coming.”
 “Redemption is one step away.”
 “I am all over that.”
 “You could deal me a different hand.”
 “Am I invisible?”
 “Am I sliced sausage?”
 “I know what they are saying.”
 “They are mocking us.”
 “We will get back at you.”
 “This does not have to be some kind of nowhere.”
 “I am working very hard.”
 “I will do it at home.”
 “That is not going to work for me?”
 “You are a flower.”
 “You will start again.”
 “Where did they make that shit?”
 “They know how to market.”
 “They need the boost.”

“They are losing it.”
“Fight for the other side.”
“I could have stayed home.”
“You used to.”
“What is the movie?”
“What is the reward?”
“I do not believe that shit.”
“Who else is involved?”
“How do you want to define it?”
“There is no connection.”
“I am in the middle of the shit.”
“Should I love you?”
“I was almost there.”
“They all were.”
“I lost the connection.”
“These are important things.”
“I am getting closer.”
“I am more than a little angry.”
“They are making jokes about us.”
“We are going to rebel.”
“Roll over and over.”
“This is the last stand.”
“They all ran away.”
“Teachers, bankers, and government workers.”
“It will all be here tomorrow.”
“Thank you for the gift.”
“You get one of these.”
“I am waiting.”
“Is this take out?”
“Do I leave a tip?”
“I remembered.”
“SWALLOW YOUR PRIDE.”
“What are you buying?”
“TRUST!”
“You can get stiffed.”
“I have been.”
“You gave me something to start.”
“I counted on that.”
“What I can invent.”
“What I can’t make any sense of.”
“There was a glimmer.”
“I could save for that.”
“This is the most important day,”

“What is the inevitable?”

“What do they have to give?”

“It worked before.”

“Try to fix a faucet.”

“You—try to fix a faucet.”

“It will not end up well.”

“Is this a feast?”

“You see this as a blessing.”

“We started from nothing.”

“What is the first word?”

“I have my eyes on you.”

“Catch the ball.”

“This will be great.”

“Fancy feast.”

“This is a placeholder.”

“I have slowed down time.”

“There is more coming.”

“You are not going to get any.”

“IT IS NOT ANY PARTICULAR NIGHT.

“IT IS PARTICULARLY ME.

“She does not want you. She only ants someone to hold her up as she makes her way to the car.”

“Is she driving?”

“I hope not.”

“I am doing this just to get an edge.”

“What else do you want?”

“I am fishing.”

“There is something else involved.”

“That will work for me.”

“This is the final day of my imprisonment.”

“There are political prisoners.”

“This is his empire.”

“The longer that you stay, the worse that you will be.”

“Give me something for my time.”

“This has gone beyond the shit.”

“Someone has an advantage.”

“There is one thing that I want.”

“I destroyed my options.”

“I want that. And you have it. Hold on to it.”

“I cannot look you in the face.”

“She is exaggerating to you. You are exaggerating to yourself.”

“Turn on the machine.”

“Give back what you took.”

“I will.”
“We are on opposite sides of the international law.”
“How will that be enforced?”
“We held on. Then we made a break.”
“I have to change.”
“That works for me”
“That is me.”
“Ask me.”
“I will open doors.”
“I need to open more doors.”
“There are spells.”
“I am under a spell.”
“I am under the weather.”
“The lightning hit.”
“Face me head on.”
“Do you think that is going to work for me?”
“I went off the track.”
“Bring me back in.”
“We are picking up the pieces.”
“This is some kind of prisoner thing.”
“I get it.”
“Why did it get so close?”
“We are never close.”
“You destroyed the only thing that meant anything.”
“It was about to go off the hook.”
“I have my eye on you creep.”
“You got your meth.”
“I am not going to waste my time.”
“Give me a dinner roll.”
“I know A. Can I know B?”
“Blow it up.”
“That still does not work.”
“What do you want to believe?”
“How long do I have?”
“You need time for solutions.”
“I am a lot quicker.”
“What got this started.”
“This is too close for comfort.”
“I remember this.”
“You need to get this out of your head.”
“You do not realize how dangerous you are.”
“That will work. What will you do when it does not?”
“I have a replacement body.”

“This is who followed me home.”
“I know this guy.”
“We are not getting out of anything.”
“I want to cry myself a river.”
“I erected this high fence.”
“And this is my punishment.”
“I am going to need to make the boundaries clear.”
“Will anyone know?”
“We are very close.”
“Come close to the flowers.”
“That is everything to me.”
“This is not a package deal.”
“I thought that it meant something.”
“You are a little sketchy.”
“This is everything to me.”
“She is driving me.”
“Are you fucked up?”
“That is the best that you will do?”
“Hummingbird.”
“That is disposable.”
“I am manufacturing.”
“This is where I need to go.”
“See the doctor.”
“I am going to do this on my own.”
“Who are you working with?”
“Do you need to create the organization.”
“You have been a conformist.”
“I need an open field.”
“How do I escape?”
“Can I join?”
“I missed the cut.”
“Is there ice cream?”
“I will do what you say.”
“I have a mission.”
“That is everything to me.”
“It is the water.”
“It dissolves.”
“You cannot hide your mistakes.”
“I need to tell you.”
“Things are tight.”
“I need to give.”
“I want to celebrate.”
“Is this real?”

“Bad money chases after good.”
“What else do you want, cupcake?”
“Icing.”
“That is where I have to go.”
“I can do interpretative dance.”
“Lead me there.”
“What do I do?”
“Fill the cup.”
“Measure the amount of water in the glass.”
“That made my life.”
“You have genius.”
“That is going to work for the both of us.”
“I can forgive you.”
“It is all up here.”
“There is no other planet. It is all going to happen here.”
“We need to push it.”
“What will make it happen?”
“Belief.”
“I want to go in the next room.”
“JUST GO.”
“Who rented this place?”
“This is the worst motel in creation.”
“You know things that I do not know.”
“I am moving in place.”
“You are making me nervous.”
“I need to commit to an idea.”
“This will work for me.”
“This is way more than I can know.”
“I am going to confess.”
“You have destroyed the show.”
“You have life tied up well.”
“What else is on the sheet.”
“We are so different.”
“I give of my soul.”
“What else is left?”
“I have checked in.”
“I am all in.”
“I am in rescue mode.”
“I want more than that.”
“We all do.”
“I aspire to greatness.”
“Is that the last play?”
“He turns on the fire.”

“What is he making with that?”
“That is more than I can deal with.”
“Pay the freight.”
“Will that work?”
“I did not even look at the bill.”
“I need to save for myself.”
“I am hungry,”
“Nothing will satisfy.”
“Who are you working with?”
“Someone who is good at this.”
“You need a better method.”
“This is perfect.”
“I can vanish now.”
“I cannot talk that fast.”
“That is brilliant.”
“She has it all down.”
“Flip it around.”
“That is overdetermined.”
“Give me some heart.”
“I am all heart.”
“I need to get this right.”
“I can start from scratch.”
“This works for me.”
“Switch places.”
“Did the music start?”
“I need a transfusion.”
“I need a transposition.”
“This is the limit.”
“Take a lesson.”
“Are you really here?”
“Show it to me.”
“I am going to follow.”
“Do you have the words?”
“Absurd.”
“There is a discrepancy between the lived reality and the hoped-for reality.”
“Lead me around by the tail.”
“How does that work?”
“I could have offered a more authoritative description. There was nothing for me.”
“That is what you always say.”
“Where is she?”
“A call went in for her.”
“And that is what I have become.”
“Oops.”

“Are you talking about me?”

“You are leading the show.”

“There can be no other alternative.”

“I am going to have to work the machine.”

“I can be focused and professional.”

“This is the end.”

“They are the best.”

“You have my money.”
