

TIME AND SPACE

“I feel pretty much the same as everyone else. I do a few tricks, and I am in the stratosphere.”

“I only want to get out of here.”

“Tell me how.”

“They kept me afterwards to help clean. I was not aboard for that.”

“I am trying to please someone.”

“Are you pleasing yourself?”

“We will get to that.”

“Jump out.”

“Do I want that.”

“Should I take that.”

“You have it.”

“This is the next step in your existence.”

“Finish the show.”

“Finish while I am asleep.”

“What does this mean?”

“Give me an assessment.”

“I have found the stress point.”

“You have no idea what this is.”

“Your head explodes through sheer concentration.”

“I am trying my best to be nice.”

“We are all trying to do eight hours on eight hour endurance.”

“This keeps you where you are.”

“I am here.”

“This is marvelous.”

“Only one person can manage.”

“I need to get back to my life.

“I should not horn in.”

“You are too late for all of it.”

“This is when you wonder about redemption.”

“You do not have to quit.”

“Life is turned on its head.”

“This is hopeless.

“I cannot explain this.”

“Yes, you can.”

“This comes from a different place?”

“Do you have this down?”

“This once meant something.”

“I am going down the other road.”

“You work on it together.”

“HE IS DEEP IN THE MOMENT.”

“Can you come out of it?”
“This is only some one thing.”
“Who is running shit?”
“You tell me.”
“I can influence your shit.”
“What are you doing to help?”
“Do they have any?”
“That is a lot of shit.”
“You understand.”
“You have to go upstairs.”
“You know what the director is going to say.”
“Why will anyone care about this?”
“You got it wrong.”
“Who is left?”
“Take it from the beginning.”
“I am being hypnotized.”
“I need you to handle some shit.”
“That is how it is working tonight.”
“You are going go have go do some crazy moves.”
“What are you telling me? Am I risking my life? For what?”
“We only start this.”
“I hate this. This should be a lot more.”
“Who else are you working with?”
“I am so done!”
“DONE, DONE, DONE.”
“They will take you out in a box.”
“And why?”
“Why?”
“If you make it by them, you have made it by.”
“Move along.”
“This goes way deeper than I could ever understand.”
“It bounces back to you.”
“I am being followed.”
“You come back to life. All with this shit.”
“Who else wonders?”
“More of the same.”
“I have been there.”
“You need to move to lose.”
“I move.”
“Do you still love me?”
“I NEVER EVEN LEFT THE HOUSE.”
“She is connected.”
“That is an idealized projection.”

“Now, we go in for the serious shit.”
“Then came to get me out.”
“I do not want to pretend.”
“These are book ends.”
“I can give you that.”
“You are not running anything.”
“None of us are.”
“Do not try to interfere.”
“Do not try.”
“Do not.”
“Shit.”
“I think that I grasp it.”
“What do you own?”
“Everything that I cannot tie down.”
“You believe that.”
“There will be justice.”
“You could stop now.”
“I am deeper in flattery.”
“Where should I be looking?”
“We are living with elevator pitches as we sink down in the sewer of our making.”
“Who is saying this?”
“Are you fucked up?”
“I am saving this.”
“I have already tasted this.”
“Can you believe that this is anything?”
“This is everything.”
“Keep your eye on the door.”
“I was asked kindly to leave.”
“Maybe not,”
“I got stopped in my tracks.”
“What is that?”
“Not yet.”
“Pick me up off the floor.”
“Is something wrong.”
“I slipped on the wet floor.”
“Shoot the rabbit.”
“I’m not ready for rabbits.”
“Let me give you the treatment.”
“He is along for the tour.”
“Is this stuff for sale?”
“These are collectors items.”
“Is this a souvenir shop or an auction house?”
“They keep you after school.”

“What is that about?”
“You have been waiting too long for a whole lot of nothing.”
“What else do you know?”
“You are not part of the show.”
“What does that mean?”
“This is something sacred,”
“I will give you the rest of book.”
“Are you good with prophecy?”
“What do you have in there?”
“Does that work?”
“I have an exhaustive description of human kind.”
“Every type of person.”
“That does not fit the stars.”
“How many stars are there?”
“How many do you need?”
“I am going to need more skills for tomorrow.”
“You are draining me.”
“I have my own currency.”
“How does that work?”
“My word is God.”
“How does that work?”
“It is not only built on promises.”
“What is real?”
“That works.”
“You are a little bird ready to fly.”
“That was only an inkling.”
“Who are you working with?”
“A fortune teller.”
“Good answer.”
“You are going to need it.”
“More time working.”
“A schmuck with a lot of lip.”
“We do the work.”
“The free society.”
“I guess that worked.”
“That is what makes it all funny.”
“HA HA!”
“Do not hurt others.”
“And that works.”
“Screw me over again.”
“Is that a threat?”
“It is all some kind of threat.”
“No one bothers.”

“I am thinking of you.”
“Where do you work?”
“How can you keep this going all night?”
“Look in my eyes.”
“Now, you are talking about mice.”
“These are golden mice.”
“That really hurts.”
“That was good for a while.”
“Do you have answers?”
“There was a moment.”
“What do you go home to?”
“A barking dog.”
“And that works for you?”
“Enter in single file.”
“I am saving money.”
“That will not work.”
“You make my life feel as if it is so much more than it is.”
“I have a choice.”
“I was on the verge.”
“When does the act finish?”
“What do you resent?”
“What are you making?”
“Alligators.”
“How do you do that?”
“I add pepper.”
“That is not helping.”
“Where is this headed?”
“Go around in a circle.”
“Is this some kind of history?”
“What did you do wrong?”
“I cannot hold on to the words.”
“Leave while you can.”
“Who has the cash?”
“I need someone to turn down the volume.”
“Who do you hate?”
“The original maker.”
“Lead me there.”
“The maker behind the maker.”
“Not you.”
“You know what you want.”
“Become the story.”
“Then it will be over.”
“Do not pay.”

“Are you taking care of it for me?”
“Did it knock you out?”
“I will take it.”
“I made a mistake.”
“Where can I hide?”
“I did it.”
“The world loves me.”
“And that works?”
“I have not left my place.”
“I play some scenes. Then we shut down.”
“I get postponed.”
“You need to leave.”
“Why do you understand?”
“I have limited expectations.”
“What are you on?”
“She is waiting for me as well she should.”
“She does not have the means.”
“Take it.”
“Just take me to the warehouse.”
“What does that mean?”
“Find a place where I can hide.”
“Make it work.”
“Get me sauced.”
“Sauce, what else do you have?”
“A way to get clean.”
“That only works for you.”
“That does not work for you.”
“I will be back for that.”
“Over time, that will seem better for me.”
“There is no time.”
“That is why you keep fucking up..”
“I paint by numbers.”
“That why it all gets me sick.”
“It pisses us all off.”
“That works for me.”
“He left on us.”
“Something bad happened.”
“You always say that.”
“Are you a dominatrix?”
“You always say that.”
“What do you want me to say?”
“This job is exploitative.”
“And that works for you.”

“Do not react.”
“I won’t.”
“Finish the meal for me.”
“What does that really mean?”
“There is nothing going on in the attic.”
“That is not a good way to think about it.”
“I wanted to feel it out.”
“That never works for you.”
“There is no more show.”
“All the matching elements.”
“What is percolating?”
“It is all at resting state.”
“Why do you keep on?”
“I want to pretend.”
“That is all that I want.”
“And now you are back.”
“You made a promise.”
“I did not keep it.”
“No one here remembers.”
“I remember.”
“They are all shutting down.”
“Do you remember.”
“I got involved.”
“Do you even read this?”
“Why do you like this?”
“There is a history.”
“There is a time.”
“I am almost there.”
“I cannot understand.”
“What will work?”
“We have gotten away from something shitty.”
“The protective zone.”
“Why can’t you get to a solution?”
“What are you doing when you are not doing it?”
“This is too much to figure out.”
“Figure it out.”
“You remind me of someone.”
“Do me well.”
“Where is this going?”
“How do you do that?”
“Where is that headed?”
“I want to know.”
“Do you know what you are looking at?”

“A transfusion.”
“Where have you been?”
“Showing what I have.”
“That is hilarious.”
“Eat the sandwich.”
“Where is this headed?”
“I need to show my stuff.”
“Are you on something?”
“Truth.”
“That is more than a little fucked up.”
“Get to the next point.”
“An accounting problem.”
“We are not going to get off the ground.”
“I would not travel to get messed.”
“If I put it in a different way, would it work?”
“Count the breakdowns.”
“This is preventing you from coming to a solution.”
“Move faster.”
“I crashed and burned.”
“You were part of a revenge plot.”
“Why does she trust you.”
“That is a deep question.”
“You are messing with things.”
“Is that an antique.”
“Put your money where your shit is.”
“There is so much more involved.”
“More securitization.”
“MY WORK IS WORTH NOTHING.”
“That is fancy.”
“What is in the tank?”
“Where will this end up.”
“Who else wants to join the show?”
“Love is all of us hating each other.”
“Is that mathematical?”
“It could be.”
“This is long division.”
“That is a clue.”
“It is always the same.”
“You take a little from a little.”
“And there is nothing left.”
“There is nothing left.”
“I think that we can move thiw along.”
“Put it in technicolor.”

“Use the colored pencils.”
“Is this a package deal?”
“We are going to neutralize all endgame.”
“Do you hate me for that?”
“I am getting off on that representation.”
“AM I HERE?”
“AM I HERE?”
“THAT DOES NOT MATTER.”
“IT SHOULD.”
“You have skills.”
“There are one hundred ways to see this.”
“More.”
“I have multiple aliases.”
“Let me tell you what is my wife’s name.”
“This developing.”
“I want to go beyond this.”
“We could try to run it without names.”
“How do I call you?”
“When does it stop being perfect?”
“Why should we ever stop?”
“That is too much pain.”
“You paid for this.”
“This is not a peep show.”
“Peep in.”
“What am I seeing?”
“I cannot die sitting here.”
“That is all that it takes.”
“I am going to order something that I do not want.”
“What is left?”
“I am itching.”
“What is that about?”
“You are not finished.”
“There is a lot left to do.”
“We will take care of it.”
“That is a mess in itself.”
“A mess.”
“I am trying to tell you something.”
“I do not have much time for this.”
“Are we going to handle it now?”
“This cannot be figured out.”
“We could work without names.”
“We are doing that.”
“That is how we do the exam.”

“Look at me.”
“I do not need to know persons.”
“Look at me.”
“You do not know a thing.”
“I do not want to know about regret.”
“We have an extra person.”
“Sin or sinner.”
“All is forgiven.”
“What is your fear?”
“I will like this more than I should.”
“He promises to do things for me.”
“Some kind of savior.”
“We are supposed to be beyond that.”
“We are beyond that.”
“Write faster.”
“That is pretty much the same.”
“I am babbling.”
“More babbling.”
“Bubbling.”
“Can you hear the words?”
“Where am I going next?”
“What did I miss?”
“Your lives.”
“That is some insulting shit.”
“What are you telling?”
“I am home working.”
“You are not very well organized.”
“I want to be here.”
“I am so messed.”
“I need gas for my car.”
“Do you have cash?”
“I have rocket fuel.”
“You always have that shit. It does not make you travel faster.”
“I travel light.”
“I can explain you.”
“Are you going to pay me to listen to your shit?”
“You can come to the warehouse.”
“And you will need to take days to explain this.”
“This is not explainable.”
“We can go back to the start.”
“This is blood.”
“What is the type?”
“I am transfused.”

“Was that a natural?”
“Did you get hurt?”
“I am going to have to finish the job.”
“”Let me finish this.”
“You need to leave my room.”
“Knock this out of the park.’
“Who else wants to know?”
“There is no one else in the house now.”
“Too many things to worry about.”:
“We don’t.”
“I do not want to be bothered.”
“Take it for what it is.”
“Here is your check.”
“I am going to get sick.”
“Sure you are.”
“I do not want to know.”
“The line is line.”
“But it is all out of my house.”
“Is there anything else?”
“Is there anything else to this shit?”
“I do not think that there is a mystery.”
“I am just a fuck up.”
