

BAD DONE WELL

“I always want more than I have.”
“You gave it all to me.”
“My little dog.”
“What does this say about me?”
“I cannot trust you with my investments.”
“There are variations on variations.”
“I need to keep working to keep working.”
“Then the show quiets down.”
“You are being too mean.”
“I can tell you.”
“Do I need to pay for this?”
“You will pay.”
“That was my show.”
“But it did nothing for nobody.”
“This is not bad. It is only sloppy.”
“It can become worse.”
“I am losing my shit.”
“That is the only art.”
“That is the only financial position.”
“They are doing the work for your mediocre shit.”
“Did I become just like that.”
“You believed your own lie.”
“I have arrived in your life.”
“One false move.”
“You are fucing with my fuck.”
“Where is that going?”
“I want a little more from my life. I want a little more from myself.”
“What is that?”
“A different show, a different result.”
“You could bless me.”
“Make me think that I am right.”
“I am gliding at this level, and nothing seems to balance out.”
“We have rules here.”
“How can you say no?”
“That will kill you.”
“I have got the high.”
“What is the low?”
“I am working it.”
“Does he know?”
“Did she know?”
“Lancer has all kinds of government shit.”

“Who doesn’t?”
“This is when we cash it in.”
“CASH IN.”
“This destroying everything else.”
“Take it for what it is.”
“I know all that.”
“CASH IN.”
“This is not going to be good for anyone.”
“This is indigestion.”
“It will make your whole like seem to be something better.”
“They all got it to look better.”
“She will make it seem so much better.”
“That is a way of being.”
“That is like the time.”
“Can you calm the shit down?”
“I need someone to leave the game.”
“Did someone lose a wallet?”
“Did you take all the cash?”
“There is a balance. Some of these things are real.”
“I am coming close to a resolution.”
“I am not down with that.”
“I will never go with that.”
“You are a good place to end.”
“I am watching all of this.”
“I need a home base.”
“Like the moon.”
“A little less barren.”
“I want to see the while panorama.”
“And this is clever.”
“Then it all crashed.”
“Nothing is going on.”
“I need someone to help me to change the show.”
“Send her my way.”
“I need to ask you a question, Brice.”
“She is way out of here.”
“We can make it much more extreme.”
“Take the bones out.”
“You are going to have to do a lot more than that.”
“What happens when you are used to the very best?”
“You are going creepy on me.”
“I used to like you.”
“This is not going to last.”
“All these experiences have folded deeply in my consciousness.”

“Can you make things happen for me?”
 “I can make you feel much better.”
 “As long as the feeling manifests itself on consciousness, it can achieve a more lasting effect on the body.”
 “I can will a better world.”
 “What does that mean?”
 “What do you want it to mean?”
 “The body turns on the body.”
 “There can be other ways to see the world.”
 “What was announced at board meeting?”
 “We are all good as naked.”
 “We are as good as naked.”
 “You divest of all your investments.”
 “You have one hours to ask all your questions,
 “What you see is always a disruption of what you see.”
 “This could be more of an art museum.”
 “Does the museum kill the activity?”
 “Where did this start?”
 “This is your chance.”
 “I have a perfection that I do not want anyone to disrupt.”
 “I want to smell hyacinths.”
 “I am humming for you.”
 “You cannot repeat the same poetic shit again and again.”
 “What got this started?”
 “Are you well served?”
 “In your imagination, what do you see?”
 “All the senses interact together.”
 “We are talking about controlling people.”
 “Do you want to take away something that is mine?”
 “You are writing about getting in my heart.”
 “That is some kind of loneliness disease.”
 “Why did you come back?”
 “Eternal return.
 “So we were all hanging out in the hot tub. And we were discussing the women that we knew.”
 “Where was this going?”
 “What was the presence behind the presence?”
 “They do not ask questions. They only ask questions.”
 “What is behind the flesh and bones?”
 “How does that sustain you?”
 “You demonstrate the limitations of your words. You can never describe what is really going on.”
 “No one told me that I was wonderful.”

“We are such wonderful guys.”
 “Do you want to talk about what is possible?”
 “What is possible?”
 “This will go on forever.”
 “Who makes this a go?”
 “The financial system.”
 “The financial hot tub system.”
 “You are here.”
 “What is getting you up there?”
 “That is only going to get better.”
 “I can fill in.”
 “How can I answer that?”
 “What did the triumvirate say?”
 “Vittorio has a lot to figure out.”
 “It will only get better.”
 “It is not what you do. It is what the world does for you.”
 “What are you willing to offer?”
 “You could ask.”
 “I never reached that point.”
 “That could have been my moment.”
 “That is what you all said.”
 “You do not realize what is the catalyst for change.”
 “That is another level of coveting.”
 “Is that what motivates the story?”
 “Who else is in the pool?”
 “I guess that it is all me.”
 “What do you have to offer?”
 “We need to do more than that.”
 “This is all for my benefit.”
 “How do these things work together?”
 “This is not sonically pleasing.”
 “Who is running this?”
 “Get close to me.”
 “This was someone willing to share.”
 “We do not have to share. We do not have to share.”
 “There is something entirely privileged in your discourse. We are not that involved. We do not care.”
 “This could be everything for now.”
 “You generalize.”
 “I run out of the ability to make the particular into something general.”
 “Where is the source of fun.”
 “You all contribute a little.”
 “What more do you want?”

“I want to fill these moments with something more stimulating.”
“The boredom is eating away.”
“Vittorio, they all want us.”
“What do they want for their lives? What skills to they have?”
“All these skills fall away.”
“What can you do?”
“Vittorio, Trey, and Van.”
“What do these guys want?”
“We have what we want?”
“What do we not want?”
“That would be everything.”
“That would be a whole lot of nothing.”
“If you could only leave me alone.”
“This is a reduplication of the world as it it.”
“We share one thing.”
“I did not share a prison cell.”
“We are going to take you to jail.”
“I have a house. What else do you want?”
“Prolonged periods of silence.”
“What is that about?”
“That is the only thing that means anything.”
“I got rejected.”
“We never experience rejection.”
“What else do you have to contribute?”
“You can stop.”
“I cannot stop. I can never stop.”
“Who else is involved?”
“I do it all the time.”
“Someone tolerates this shit.”
“You do not understand.”
“What are you offering?”
“What does the group offer?”
“I try to give you everything. But each night m there is a new everything.”
“That is perfect.”
“Do you have a reward for me?”
“This is our life a few weeks in the future.”
“We are accepting things that are not acceptable.”
“Are you afraid to say hello now?”
“I am very afraid.”
“What is this really about?”
“This all made sense in my mind.”
“I cannot give that to you.”
“What happened to the promise?”

“I am too good for this place.”
“Vittorio, what do you do with her?”
“She does not understand the challenges to her well being.”
“Are you looking at the deed for this place?”
“What else is here?”
“You are here.”
“We all have a first time?”
“That is a great presentation.”
“How can we say no?”
“Is that your fear guys?”
“What do you really offer?”
“What do you really want?”
“I will not ask you for money.”
“I will pay for things.”
“This does not seem like an example of friendliness.”
“We are more acquisitive.”
“I cannot share this.”
“We are there to rescue you.”
“There are a lot more like me.”
“Do you have the antidote?”
“The poison is always worse than the cure.”
“You are the cure, Vittorio.”
“I am saving for a friend.”
“I remember that day.”
“I need a trainer.”
“Van, you are so full of shit.”
“I like to share.”
“Where is this headed?”
“I am going where I want to go?”
“Have you applied yourself?”
“How did Van even get in here.”
“The story is changing.”
“This is the first stage of manifestation.”
“What comes next?”
“You are next.”
“There is a soft side.”
“What is softer?”
“Maybe we can slow down the interruptions.”
“Where have you been all my life.”
“Vittorio is becoming sentimental.”
“There is really nothing for me.”
“Maybe, you can do more.”
“Make a commitment.”

“You can do something to change.”
“What else is left?”
“I wasted all my investment capital.”
“You regenerated.”
“I had something left.”
“There was an alternative.”
“It is a touch not a bite.”
“What is that really about?”
“Have you recovered your focus?”
“Where are you taking me?”
“He will not be following me anymore.”
“There are people here.”
“What are you trying to say?”
“Vittorio, I need you to explain this.”
“Why did you change the names?”
“Does this need to keep on like this?”
“This will spin around me until it is done.”
“I come out of myself.”
“This is not something that I want to participate in.”
“You are not included.”
“I need this to go away.”
“Vittorio, you will be served.”
“I am not even that good at doing this.”
“Was there a problem?”
“Who complained?”
“We asked the problem to leave?”
“Vittorio has overstayed his welcome a few times.”
“Where does that end?”
“Who else should not be here?”
“You are going to have to do this another ay.”
“I am saving it for you.”
“That is all well and good.”
“Good.”
“Do what you need to do.”
“This is going to go on forever.”
“We could use Conrad to complete a bridge game.”
“There are other body parts.”
“What can you interchange?”
“Tell me Conrad.”
“I am glad that you know, and you can share.”
“What else do you want?”
“You tell me.”
“And you do tell me.”

“I would take that.”
“Can you remember everything that you see?”
“Vittorio is really in touch, but he is so out of touch.”
“This has already become an uncontrollable proposition.”
“Are you here for me?”
“Are you interrupting me?”
“I would have done something.”
“That is worse than hideous”
“There is Vittorio and his friends.”
“Some are clumsier.”
“We have needs.”
“They serve us.”
“And they do not serve us.”
“What is missing?”
“You only have a few things to do?”
“And you get none of them done.”
“And you get none of them done.”
“What can you accomplish in a short time of time?”
“Vittorio, are you fucked.”
“We are all here because we have unique talents.”
“And what are you doing?”
“We have an audience.”
“The bees cared.”
“These bees only want to sting.”
“This is only an early stage of stinging.”
“What else is possible?”
“Who else is possible?”
“What do you want to reveal?”
“I want to make a difference.”
“Are you going to complete the son, the dance, the movie, the art work?”
“And there is an audience.”
“Thank you for your gifts.”
“Where is this headed?”
“What happened here?”
“We are not giving anything to you.”
“We are only giving to you.”
“All this is connected.”
“All this is not connected.”
“You have my key, you have my jacket, you have my life.”
“Take it, and get out.”
“What else do you want to try?”
“Read this, and weep.”
“I could do this.”

“But you cannot do what I am going to do?”
 “What are you really doing?”
 “You once gave me what I needed?”
 “I am putting together all the pieces.”
 “These are buildings.”
 “This is destruction.”
 “Now, you are back.”
 “This is destruction.”
 “I am getting better.”
 “Vittorio, where is this going?”
 “You are going to complete your homework by yourself.”
 “I am very good at achieving a resolution.”
 “We are all in a program together.”
 “This works in totally the opposite way.”
 “What is the board going to decide?”
 “This is how you start.”
 “Give me a beat.”
 “That is a nasty interference.”
 “What else do you want to know?”
 “The board has more decisions to make.;
 “That will work?”
 “What do you want to know?”
 “Where does this work?”
 “This works for all these guys.”
 “I could comment on the color scheme.”
 “These are happy times. This is not a funeral.”
 “This is a better vision of the same thing.”
 “Everything means some one object.”
 “I do not understand.”
 “You asked.”
 “You told me what you wanted. A conditioned dog. Conditioned hair. A conditioned
 life.”
 “Why are we not connected?”
 “That is the agreement.”
 “Enough is enough.”
 “It will get trickier than that.”
 “I am over all this.”
 “How do you get around?”
 “I get everything that I have been asking for.”
 “Everything is tied up so tightly.”
 “I do not want to show any other emotions.”
 “Trey is having fun.”
 “He will say what you want him to say”

“You don’t say.”
“This is the practice.”
“Do you want something else?”
“I want a lot of something.”
“I am easily satisfied.”
“Are we allowed to socialize?”
“We control all of this.”
“Yes, Trey, you all do.”
“You are search and destroy. And Van is all make up.”
“I have forgotten all that?”
“I will never want again.”
“Where does that come from?”
“The dig-a-deep-hole movie.”
“Why should I bother?”
“I like my life as it is.”
“There is no history.”
“I can show you my journals.”
“This is a historical novel.”
“Make it happen right now.”
“It is happening.”
“There is no satisfaction.”
“You are not here.”
“I will make it work.”
“Do not talk to me about work.”
“The state could not be better at making people forget.”
“We will wake up.”
“On the street.”
“We could redo it all.”
“Are you the empress of ceremonies?”
“Who else is waiting?”
“I need to walk the dog.”
“How did everything come to a precipitous end?”
“Could I do more?”
“Could you do more?”
“It is on.”
“You are going to have to sort through shit.”
“I need a cleaner view.”
“You were not willing to pay for that much rent.”
“That would be everything.”
“That would be your everything.”
“What do you get?”
“A deal on interest rates.”
“It does not work like that anymore.”

“These lots came at a reduced rate.”
“You made it happen for yourself.”
“Where is the site of your avowal?”
“You know so much more than me.”
“We are back to the closeness issue.”
“Do you have that kind of time?”
“I have everything but time.”
“We are moving it ahead.”
“I was so close.”
“I got my arm twisted.”
“It will all end up here.”
“That will not work for any of us.”
“This is therapeutic.”
“The dog is calling.”
“And it ended like that.”
“I open another chapter.”
“Tell me, Vittorio.”
“You are notorious.”
“At least, you shared your confessions.”
“That did not last for very long.”
“I lost something important.”
“We all do.”
“That was too long to wait through.”
“Did someone take minutes?”
“It was all recorded.”
“Vittorio, you have such love appeal.”
“Where is this headed?”
“I want another representation.”
“We are all working.”
“This is about you, Conrad.”
“How do I escape?”
“You are already gone.”
“Are you waiting for me?”
“You made such an effort.”
“Be there at dinner.”
“I signed a contract.”
“From now on.”
“I am really distracted.”
“How did you get this gig?”
“None of us are working.”
“I do sales.”
“The girls would do anything for me.”
“This all explodes in my face.”

“Can we leave now?”

“We are almost there.”

“I promised not to act like that anymore.”

“Are you going to be better?”

“That is a good way to start?”

“He will accept anything.

“That is why Van is at the back of the line.

“He acts socially adept.”

“Ask me.”

“I AM NOT THAT DESPERATE.”
