

CHANGES

“This is when the heartache comes.”
“What else do you do?”
“I pretend that it is not me.”
“It is you.”
“You could say no.”
“He would change the locks.”
“Did you ask?”
“That is what you are going to be forever.”
“I think that I get it.
“The time line is almost saturated.”
“I have so many more lives.”
“Change the station.”
“Change the balance.”
“I need thing to move a little more quickly.”
“WHAT DO YOU CALL THAT?”
“I do not even know who you are.”
“Ask me something more.”
“Is it real?”
“Close your eyes, and touch it.”
“We will sort it out.”
“Where were you?”
“You got all this started.”
“Always be closing.”
“Get it to me.”
“I can trust you.
“You are pushing the envelope.”
“This is what I can do.”
“I needed to ask.”
“This will not work.”
“You are the poison.”
“I have no idea where I am.”
“You will not even tell me you name.”
“I am in your car.”
“You can power me up.”
“I am losing the sequence.”
“You do not have a prayer.”
“You have a heart.”
“It beats for you.”
“Of course, it does.
“You are even more brilliant at nothing.
“What else can you do?”

“Dodge a bullet.”
“I was there.”
“I am there.”
“And you are selling real estate.”
“There are promises.”
“Someone is seriously cleaning up.”
“There are networks on networks.”
“The organization.”
“Why is that so close to what I want?”
“What you want is nothing.”
“You get cleaned out.”
“You are international, but no one sees.”
“No one sees.”
“I can do this anywhere.”
“This is a total lot of nothing.”
“What failed?”
“You cannot join in.”
“I am clean.”
“He said that he would take you places.”
“The eggs are scrambled.”
“Remember that phrase.”
“I do not pretend that anyone will grasp this.”
“No one will.”
“And that ends.”
“And that is what you get.”
“You make the property deal.”
“And you build out.”
“Is that really worth anything?”
“You will destroy me.”
“You are supposed to ask what I am doing. What can you do for me?”
“THE CENTER DOES NOT HOLD.”
“It is not meant to hold.”
“Follow the winding path.”
“And you do not.”
“Funny.”
“Can I get rid of you?”
“There are alternatives.”
“I know what the difference is.”
“Total concentration.”
“The body gives over to the influences.”
“It better improve.”
“And you accept that.”
“Are you testing me out?”

“There is a complete story here.”

“I hope not.”

“I hope.”

“That does nothing for me.”

“Take it for what it is.”

“Give me some soul.”

“I forget by immersing myself in the very conditions that have accelerated things to this point.”

“The present representation embodies some kind of direct connection to the economic circumstances.”

“This is something different for you.”

“That does not matter.”

“That does matter.”

“How will the break occur?”

“There are two points of focus.”

“What I wanted and what I will want.”

“What I want but what I cannot have.”

“That does not register.”

“The birds are circling around my head.”

“The moment that I move, I leave.”

“You have not had a chance to embody any kind of position.”

“I had a bad day at work.”

“I had a terrible experience.”

“I am making the best of things.”

“Are you going to make the world more wonderful?”

“Look at the signs.”

“This was not a great day.”

“We will make it great.”

“I am staring at the posters on your wall.”

“How did I get here?”

“Do I have to stay here?”

“Are you clued in?”

“Can I stay here?”

“At this moment, you appear to have everything that you need.”

“I need to close.”

“What are we going to do?”

“We are going to watch.”

“Will you complete the job?”

“Who is helping you?”

“Who is here to help?”

“This is only the beginning of something greater.”

“Where does that come from?”

“Where is that headed?”

“That will work for you.”
“This is deep-rooted.”
“We are not talking about that.”
“This is where I become very confused.”
“What are you giving, and what are you getting?”
“You are good at this?”
“I make my own way.”
“I am good at this.”
“I am good.”
“Am I good at this?”
“Do you want to reveal?”
“What do you want to see?”
“This will take longer.”
“Where do you think that you are?”
“Where do you want us to be?”
“I want to see.”
“What do you really want to see?”
“Are you studying me?”
“I am back to where I have been,.”
“What did I just do?”
“I will do whatever you need me to do.”
“Take one of these.”
“What is that?”
“It will help you to face the day.”
“I need more.”
“Here is a theory.”
“Some things I can tolerate.”
“That upsets the system.”
“You have so much to tell me. Then you have nothing to tell me.”
“Give me your hand.”
“What do you have to tell me?”
“There is moment that you are totally in control.”
“We have shared some ideas.”
“This is not about ideas.”
“I get so close.”
“That is a good explanation.”
“That is nowhere near enough.”
“It works for now.”
“It is a hefty now.”
“Take this to change the feeling.”
“I need to surprisise you.”
“I am not going to follow this any further.”
“The satisfaction.’

“Before I left.”
“I can do this on my own.”
“Who helps you to sustain this feeling?”
“How is this?”
“That was a real fuck up.”
“You look great.”
“I know that I control this moment before I leave the house.”
“We can build some shops here.”
“There are so many other questions.”
“Why are you keeping to yourself?”
“I am waiting for others like me.”
“I kept thinking that i was on the verge.”
“You have this.”
“I cannot tell you any more.”
“Why do you have to keep moving?”
“This is my means of escape.”
“Where does this work?”
“Our hands touch.”
“I am falling apart.”
“Do you run things.”
“He is excellent at this.”
“Do not remain in place.”
“Whose house is this?”
“I need to leave.”
“I have already lost my distinction.”
“You are going to mount my life on the wall.”
“All this effort. Where did it end up?”
“I neither can nor do want to love the world.”
“I love the world.”
“The savior love complex.”
“I am working on this.”
“There are two agents of the love thing.”
“And that is what we get.”
“Another day on the line.”
“Who’s going to jump off.”
“We do it again.”
“Who is hiding there?”
“This is a form of prayer.”
“How far can you go before you get out?”
“I am trailing you.”
“I will need you for this.”
“This is all overdetermined.”
“I will take it.”

“You are not taking anything.”
“I could if I wanted.”
“This is a special kind of thing.”
There is nothing here.”
“I want there to be.”
“You can figure this out if you want to.”
“I need to show results.”
“Results.”
“This one representation.”
“Does that really work?”
“Of course, it does.”
“Of course, it does not.”
“Why am I here?”
“I wanted to get here.”
“This is a great place.”
“It was built recently.”
“I am concentrating on you.”
“As well as I should.”
“That still does not make sense to me.”
“What is the coin?”
“That works here.”
“That works for the government.”
“What is the process?”
“I can keep you in the basement.”
“What would that do for me?”
“This is all moving ahead.”
“Can I leave the basement?”
“I have no plans to leave the house.”
“We do not have a basement.”
“What is the first floor called?”
“Who else is working with you?”
“Is the work enough?”
“Are you kidding?”
“I have slowed things down.”
“This is good for you.”
“All the greens.”
“I am excited.”
“She is on the verge.”
“Do you want to know or share?”
“I know the layout of your house.”
“I can apprentice.”
“This is not fun work?”
“Why are you any different?”

“I pick up all the cash.”
“Did you drop it?”
“Like in a dream.”
“I found a wallet
“I took out the cash.”
“That is hardly a finding.”
“What did you take while I was sleeping?”
“We can trust each other.”
“That is brilliant.”
“I am alive.”
“I am alive.”
“That is brilliant.”
“This is not the place.”
“This is not the place.”
“You were supposed to find out the organization.”
“There is no organization. These are private contractors.”
“I can explain it all.”
“This is the best of the worse.”
“Or the worst of the best.”
“Every second is counting down.”
“The buzzer rings.”
“Help me to forget.”
“Some people are expert at this.”
“You can learn.”
“He can teach you.”
“There are ways.”
“He will help.”
“You can invest, Or you can work with what you have.”
“That will not work.”
“This is the only thing that will move me.”
“I have been affected like this before.”
“Do you want to know?”
“I can custom this for you.”
“I have what I need.”
“I know where this is headed.”
“Why did it take so long?”
“I was waiting for this moment.”
“And what is there about this.”
“I am holding my breath.”
“You are going to die without oxygen.”
“This goes deeper than that.”
“These are power moves.”
“I am going to fall asleep in my clothes.”

“Love will rescue me.”
“Give me rescue, Lady Overdetermination.”
“I am deep in it.”
“She is tap-dancing through it.”
“I pray at the altar.”
“These are different faiths.”
“This is not going to be easy.”
“Where are you coming from?”
“Where will you end up?”
“I am about to make a power move.”
“What can you offer me?”
“You work for me.”
“There will be someone else sitting in this seat tomorrow.”
“Is he going to tell you what you need to tell to hear?”
“I think so.”
“I am going to assign you a place.”
“Where are they going?”
“What are we anticipating?”
“Is that the end that you expect?”
“Did you get used to it?”
“And this is going to seem like something special for you?”
“This show is already done.”
“What did you learn?”
“We did not learn”
“We would need some researcher to figure this out.”
“Did I play that well?”
“I am revealing myself for the world.”
“We need to get to work.”
“We need to be strategic in sharing.”
“Who is here that can understand?”
“I need this to be short and sweet.”:
“You can join.”:
“This is business.”
“This is business.”
“This is love.”
“That is exactly what I want.”
“I am exactly what you have come to want.”
“We see it in different ways.”
“I am glad that you have another destination.”
“We are producing content.”
“I need two hundred dollars to make this effective.”
“It could be worse.”
“I should be ahead at this table.”

“I am playing from behind.”
“You are not the only one looking.”
“You are going to have to repeat the same thing over and over again. You are going to have to give a great deal of yourself.”
“These things will not work.”
“We only need to open the doors.”
“There is a standard.”
“Who is running this?”
“Who is running his mouth off?”
“Jump in.”
“That works for me.”
“You are not the same person.”
“Who are you working with.”
“What is added?”
“There is this mystery shit.”
“That is why we have a real story here>
“We could keep it going.”
“Where do you want to meet?”
“This pace needs to continue.”
“You either do it or you do not.”
“We all hit a wall.”
“I saw what I need.”
“I am what you need.”
“How do you keep this going?”
“The amateur stuff will work.”
“He wants to do it.”
“You are going to owe some favors.”
“Who else is part of this?”
“I am part of this.”
“What does that mean?”
“The best elements have been taken away.”
“You cannot come in here like this.”
“I thought about it.”
“I am not doing well.”
“I am dying here.”
“I need to leave.”
“Drop dead Phoenix.”
“I am doing just that.”
“Can you fashion what I need.”
“I did that for you many times.”
“This is developed on a totally different line.”
“Do not ask for what you cannot pay for.”
“We are almost there.”

“We need to have actual results.”
“The disease is all around.”
“Something did not go well.”
“You threw everything that you had into this.”
“I really need to step back.”
“There is nothing for me here.”
“That is the moment that you commit yourself completely
“You are the only one who gives me everything that I need.”
“That is tasteful.”
“That accounts for the majority of the economic interests.”
“I want to trust you.”
“You are on the back burner.”
“This is all musical chairs.”
“Who is playing the music?”
“The one who brung you.”
“I need inspiration.”
“The one who brung you.”
“I need to forget about this.”
“I am personally involved.”
“Involved.”
“That is not supposed to affect you at all.”
“We are perfect together.”
“This is serious work.”
“Where will this end up?”
“There is no other possibility.”
“You are officially late.”
“The traffic was a bitch.”
“What does that really mean?”
“This is not an explanation.”
“Welcome to the show.”
“What else do you have there?”
“Make it so!”
“How is it?”
“It in the form of a chicken sandwich.”
“Did they talk to you of the positive effects?”
“Boneless.”
“Only something that we loved for ourselves.”
“We are ourselves.”
“What did you add?”
“The chips.”
“These are really good.”
“And you want to do something about this?”
“I would add the dip.”

“Ranch-style.”
“Dripping.”
“Where have you been when they needed you?”
“We can adjust.”
“They throw on some spices, and they think that changes the equation.”
“What else do we need?”
“That is in there?”
“Where did you disappear?”
“If you believe anything, you say it with feeling.”
“I have been waiting for you all my life.”
“Repeat that sentence.”
“I have been waiting for you all my life.”
“You are the sweetest person whom I have ever met.”
“You really turn me on.”
“We can make beautiful music together.”
“We should buy a place.”
“I do not want to suffer through this together.”
“They added this.”
“Is that the spicy chicken?”
“We had lost something important, and we felt lost forever.”
“There are other options.”
“Listen.”
“How do we contain this excitement?”
“No.”
“Do not refuse me at this time of need.”
“That will not do it for me.”
“Work with me.”
“That will work for me.”
“Do you get the point?”
“This is not New Orleans.”
“I entered a program.”
“How has that change things?”
“DO YOU NEED US TO GIVE YOU SOMETHING?”
“ASK THE NAMELESS WONDER.”
“THE NAMELESS TWIT.”
“You can take my place.”
“Do not stop.”
“This is free.”
“What are you hiding?”
“Have a banana split.”
“That pollutes my mind.”
“Who is missing?”
“I will help you with this.”

“Help me!”

“SMIES.”

“DID YOU MISS A LETTER?”

“WE WILL GET TO THAT”

“Come to the light.”

“This will be an experience.”

“READ THIS.”

“Dinner is served.”

“Dinner is always about to be served.”

“What is a better option.”

“A dessert bar.”

“Are we over?”

“We were over.”

“Keep writing.”
