

## HEAVEN SENT

“Do you have some kind of car-repair plan that is going to get you out of this mess?”  
“This is no longer a car situation.”  
“How long have you been holding your breath?”  
“I assumed.”  
“Are you trying to manhandle me?”  
“Can I trust you with this?”  
“He is my partner.”  
“Can I even trust you with this one simple thing?”  
“Let me hang on to it for a little while.”  
“I could tell you how I got here.”  
“This is not the here that you think that it is.”  
“Is this Heartbeat Hotel?”  
“Not this.”  
“Live with it.”  
“Who is banging on the trash can?”  
“No matter how much time that you take, you will not understand.”  
“You will never understand.”  
“I think that you make a more effective joke.”  
“What does that mean?”  
“Look at yourself.”  
“I want results.”  
“Where will gossip?”  
“You think that things will be better when you wake up.”  
“This is a big event.”  
“Everything is.”  
“What do you want?”  
“I want someone to love me.”  
“I want a mathematical solution.”  
“I want a political solution.”  
“I know what solution mean for you. And it is not going to be pleasant.”  
“The devil ate the cupcake.”  
“Is that all the cake that we get?”  
“One to have and one to eat.”  
“Why does she spend her time cutting mold off the cake?”  
“She is addressing the time issue.”  
“What should I be doing right now?”  
“Consult the family structure.”  
“Do you realize about the cultural rift?”  
“Read or not, here I come.”  
“I wish that someone had cleaned this.”  
“Get a paper towel.”  
“How many do you need?”  
“Destroy a paper towel.”

“Act as if this has nothing to do with human decision-making.”

“Who takes the cake?”

“The clean up crew.”

“I prepared myself for you.”

“Thursday, you really lost the trail.”

“Who are you waiting for?”

“A lot of forever.”

“What is that going to do for you?”

“I dressed for this.”

“And you undressed for this. And you were dressed down for this. What difference does any of this make.”

“We need to win this one.”

“This is something that I love more than anything.”

“All the best.”

“We work on it together.”

“We do.”

“Do you know my name?”

“Today is Thursday. Your name is Thursday.”

“This is some messed up shit.”

“I am very happy.”

“It could be anyone else.”

“Do not interrupt me.”

“Interrupt me.”

“I have my eyes on the security camera.”

“The good stuff is coming later.”

“The good stuff.”

“The body.”

“That could not be more perfect.”

“I tried something new.”

“There is a whole world over there.”

“If we don’t trust them, they will destroy us.”

“We scoop out anything that is important.”

“What is left?”

“So many ways of not saying what you want.”

“You know quite a bit. What are you really about?”

“A love-hate thing.”

“That is the only thing.”

“I was sure that you would say something.”

“I thought that you were going to enumerate the important questions.”

“These are my people.”

“I am working with you.”

“I am working on it.”

“It is not going to be much of anything.”

“Did you solve the problem?”

“Take one of these.”

“It will not happen tomorrow.”  
“We can discuss nutrition facts.”  
“I do not want to be poisoned.”  
“I loved you for one day.”  
“Thursday, that should work.”  
“It is almost Friday?”  
“It will no longer be my birthday.”  
“Is he still turned on?”  
“He lives to turn on.”  
“How did that work?”  
“That gave us everything.”  
“I got turned on.”  
“Of course, you did.”  
“That makes us so comfortable.”  
“What do I get?”  
“I need a better dream.”  
“We will not make it happen.”  
“This requires patience.”  
“I cannot give you everything.”  
“That would be sufficient.”  
“Would that be sufficient for her?”  
“I watched you at the restaurant.”  
“You were not there.”  
“It did not go like that.”  
“That could be an increase of money.”  
“An increase of worth.”  
“Watch me move.”  
“I am staying in place.”  
“I am thinking big change.”  
“This is down to me and me.”  
“You need to execute an alternative.”  
“I want to do this by choice.”  
“Why is that considered a choice?”  
“Take what you would write. And erase it all. What is left?”  
“What is that shit? What does that mean?”  
“Regret.”  
“A policy.”  
“This is going to be some wild shit.”  
“I will take it.”  
“You will have to work more. You will have to stay in the house.”  
“What are you telling me?”  
“What is love to you?”  
“It does hold together.”  
“There is someone else who does it much better.”  
“I just see everything being ripped to shreds.”

“You keep repeating thing and they all become true.”

“And this is your alternative.”

“We can stop this soon.”

“I need to get a little more help.”

“That works.”

“This is you house.”

“What does that mean?”

“I want to read the deed.”

“Is this all that I need to do?”

“That is all that you need to do.”

“Why should I care about that?”

“DO NOT MOVE!”

“I am not even here.”

“I am not even blessed.”

“Close your eyes for a long time.”

“How can we transfer this?”

“Fill all the pages.”

“Do you know what this is?”

“When was the first time?”

“Who else participated?”

“There is a moment of supposed genius.”

“I need to get better at this.”

“It is not that bad right now.”

“It will get a lot worse.”

“It will be a Halloween problem.”

“What?”

“Too many souls in one place.”

“The lie was handled so deftly.”

“That is all that matters.”

“You have total belief. I do not believe.”

“I do not want to end like that.”

“You have given so much of your life getting results.”

“We will fix it all tomorrow.”

“You were almost there.”

“Then you realized something.”

“I did too.”

“We will do it.”

“Someone else can do it.”

“I can do it so well.”

“Late arrivals.”

“I am on the wait list.”

“I did not think that you could do it this way.”

“I am not who you think that I am.”

“The train will arrive soon.”

“Who will be on it?”

“The driver.”  
“The other passengers.”  
“Where are we ending up?”  
“We will accept you.”  
“This is my station.”  
“Box me up for takeout.”  
“I have a little bit.”  
“Add to the mix.”  
“Can I take it all with me?”  
“I do kitchens.”  
“That was everything. But it is not everything.”  
“Is Thursday doing a performance? Does she position the camera in her bedroom?”  
“She turned it on at the wrong moment.”  
“We could redo it.”  
“It all must connect somehow.”  
“It connects inside me.”  
“Are you prepared?”  
“It connects inside.”  
“I am good.”  
“You are going to need to bet better.”  
“I am perfect.”  
“That will work.”  
“What do you have instead?”  
“I file.”  
“I turn the world on with my smile.”  
“How does that work?”  
“Some arrangement with machine.”  
“Where have you been all my life?”  
“Get her to a nunnery.”  
“The world is looking to you.”  
“Nothing as lame as a guy.”  
“What does that do for you?”  
“Who stole the energy?”  
“The energy distribution system.”  
“How does it work?”  
“It shifts energy from those who need it to those who don’t need it but want to hoard it.”  
“This is real economics.”  
“This does not need to be said.”  
“Where is that waiting?”  
“You give too much of your soul.”  
“I need your help.”  
“You could have done more.”  
“How educated?”  
“Solve the problem.”  
“I am waiting on my friends.”

“I need that.”  
“That would be a boost.”  
“You own this place.”  
“I am franchising.”  
“You have limited ambitions.”  
“I will climb the hill.”  
“Who is looking down on me?”  
“I can save you.”  
“You are saved.”  
“DAMN!”  
“You don’t have time to close.”  
“It never works like that.”  
“Do you want to do a detailed economic analysis?”  
“You know so much shit, and what are you going to do about. You are completely a product of make nothing and do nothing and count on the world to give you a ride.”  
“Does that work?”  
“Do I end up compromising my morality?”  
“I am going to have to do some destroying.”  
“Will that work?”  
“I am almost to the next stage.”  
“That will work every time.”  
“I have one question.”  
“Did I make a mistake?”  
“Did I throw you off the trail?”  
“I am a planet hurtling through space.”  
“You are collecting bones.”  
“This is human architecture.”  
“I need to do it very quickly.”  
“I can close.”  
“What are you really going to think?”  
“What does it matter?”  
“I am going to rely on you to make the world.”  
“Everything is crashing down.”  
“I have the body.”  
“You can only kill.”  
“I need to teach you something.”  
“We need a place to store this all.”  
“This could be stuff that we destroy.”:  
“That is way beyond me.”  
“I will give you what you want.”  
“Pure red blood.”  
“Blue blood.”  
“Is there poison in your blood?”  
“I forgot what I did.”  
“I want to be part of the party.”

“Do you want me?”  
“I send you out in the world, and what do you do?”  
“When you really want that other thing, it is not there. There is not the edible collective.”  
“That is paradise for you.”  
“But it is not perfect for ll of you.  
“Dance away your pain.”  
“I can reveal.”  
“Who truly knows?”  
“This is more than brilliant.”  
“We will be more than more.”  
“I fell out of favor.”  
“I need to do this all night long.”  
“Is that all that you want?”  
“YOU CANNOT REALLY GIVE OF YOURSELF.”  
“And what can you really do?”  
“I can break a bank.”  
“I can collect pennies.”  
“I can try to finish this.”  
“That is brilliant.”  
“I want to give but give no more. I want you to give everything, but it is evidently not  
enough.”  
“That is nothing whatsoever. And you will play it like that over again But it is all  
nothing.”  
“I can save up.”  
“I can save up for you.”  
“Do it now!”  
“Brilliant in ways that I cannot be.”  
“I have a house.”  
“I will never escape.”  
“WHO ARE YOU?”  
“You would have to know thiw to aknow any of this.”  
“What else is going on?”  
“I had a wonderful day.”  
“I do not want to leave here.”  
“I am stuck.”  
“Chronogenically.”  
“Leave this plae.”  
“That is awful.”  
“Every play is known.”  
“Who has the master sheet?”  
“I will solve it.”  
“Ask me anything.”  
“This is going to rot itself away.”  
“What do you want?”  
“Education, transportation, health.”

“Fix me.”  
“Fix yourself.”  
“You say that until you are ill.”  
“None of this is working.”  
“This is not enough.”  
“Do not disappear on me.”  
“I am going to have to ask you once and for all.”  
“For all.”  
“That will not work.”  
“Did you get it to work?”  
“Who is left?”  
“I am looking at myself?”  
“I have this down.”  
“That works for all of us.”  
“That is all that matters here.”  
“I need to ask real questions.”  
“What do you really know?”  
“You are never getting there.”  
“That is going to get you nowhere.”  
“The body is alive.”  
“Leave now.”  
“Leave now.”  
“Breathe.”  
“I try to leave.”  
“He is going to work.”  
“I need to run this off.”  
“I am so fucking tired.”  
“Where is the master of ceremonies?”  
“Where is the ceremony?”  
“Do not make me feel as if I am less than I am.”  
“Keep talking.”  
“It is not like that.”  
“There is something else involved’  
“I am not part of anything of this.”  
“And that is going to work.”  
“Does that language work for anyone?”  
“If anyone is close, we all are close.”  
“Tell me what turns you on.”  
“Fuck me.”  
“I have to give too much.”  
“How do you boil it down?”  
“Heaven touched my face.”  
“What else is there?”  
“Why did I skid into a wall?”  
“You were driving too fast for conditions.”

“What are the actual conditions?”  
“I need you to play fair with me.”  
“This will work out well.”  
“I need to sit with this.”  
“I am trying to close.”  
“I am trying to be closed.”  
“That all that I care about.”  
“I will take that.”  
“I will not take it.”  
“This is so tough.”  
“I wish that you did not do it like that.”  
“I have it down.”  
“Not here, lover.”  
“You bug me. You are always interfering with my dreams.”  
“Your performance is weak.”  
“I am upset.”  
“And you think that will make a difference.”  
“Everyone has a story.”  
“Buy me a drink.”  
“Now, I remember.”  
“The image works.”  
“YOU ARE REALLY LISTENING TO ME.”  
“He has sketched the design.”  
“I got what I wanted.”  
“We have the look.”  
“The belt, the hair, the shoes.”  
“The geometry.”  
“The accessories.”  
“But what about the bones?”  
“The architecture.”  
“You are detracting from what is really needed.”  
“How is that possible?”  
“This will be forever.”  
“You were voted most likely to take me home.”  
“You are going to need to make this shot.”  
“What else were you wearing.”  
“Do you actually play?”  
“I play the numbers.”  
“My whole body is falling apart as we speak.”  
“Take these new parts.”  
“How does that function?”  
“Confess.”  
“Where do you want to go?”  
“Where will we end up?”  
“Hug me.”

“Be with me.”  
“I am not here anymore.”  
“I will take anything.”  
“You are anything.”  
“I am an expert.”  
“This is the design.”  
“I lost the trail.”  
“That does nothing for me.”  
“This is going to succeed.”  
“You have me on the operating table.”  
“You took out the wrong parts.”  
“WHY DID YOU MAKE ME THIS WAY?”  
“How does that even work?”  
“Let it work the way that you want it to work.”  
“What is this doing to me.”  
“I am not there yet.”  
“That was brilliant.”  
“The body is not that giving.”  
“I need a cure.”  
“Is this stealing time that I need?”  
“You will catch up in a few days.”  
“I am better than this.”  
“There are so many facets.”  
“Read me a nursery story.”  
“This is where I end up.”  
“You have done this before.”  
“I am getting just like this.”  
“I am hating myself for succeeding in this way.”  
“Do not ask.”  
“There is something so fucked up here.”  
“You cannot even ask.”  
“I own the God factory.”  
“There is a moment that will not change.”  
“He was a special kind of buddy.”  
“I am tight with the words.”  
“What does that mean?”  
“This will be your life.”  
“Will you look at the contract?”  
“I need a bit of prudence.”  
“Your temperament is wrong.”  
“I wish that I was a part.”  
“I am not easily tolerant.”  
“There will be no other alternatives.”  
“Please give me an answer.”  
“Is this supposed to be good?”

“This is only a rehearsal.”  
“I want to get to the real thing.  
“Should I go back?”  
“Go to the maple syrup.  
“That still makes me afraid.”  
“No one will understand,”  
“No one will stand.”  
“I do not want go move.”  
“Planet alignment.”  
“I am glad that you like me so much.”  
“That will work.”  
“That will work for here.”  
“We are going go have to take out the rib.”  
“NOT THE RIB.”  
“What are you doing to my body?”  
“They took out the heart.”  
“That is everything.”  
“There is this invisible part.”  
“They have always talked about that.”  
“I close.”  
“Are you serious?”  
“You will become someone else.”  
“There is too much interference.”  
“This is smooth.”  
“It is clean.”  
“How are you going to map those fields?”  
“Do not interfere.”  
“You have to break eggs.”  
“I broke all the eggs.”  
“What is left?”  
“The frame.”  
“Wow!”  
“That hurts down deep.”  
“I will be really honest.”  
“That is not what I am aiming for.”  
“Then it crashed the ground.”  
“Why are you so mean?”  
“WHY ARE YOU SO MEAN?”
