

LACK OF CONSCIOUSNESS

“Once it had been explained to you, it lost its usefulness. You were convince that your input would an important component in delivering the art. You were only interfering with the overall exposition. That was unfortunate. You were here to observe. At least, you could provide accurate testimony about your own development. You spent forever trying to plan escapades like this. But you totally failed to live up to that commitment. There, you remained, helpless to what was going on around you. That created this severe imbalance. How were you ever going to achieve any sense of clearer awareness?”

There was some expectation that you had the abiltiy to make things happen. Even your downtime was supposed to lead to some kined of realization. But you were totally oblivious to the thing that were going on around you. At critial moments in you life, you would complain how the world had done you wrong. But you had real skills to make things change.”

“What are you talking about?”

“I was needling you.”

“That hurt.”

“I stopped doing bad things.”

“I stopped doing bad things to myself.”

“You tried to change the machine.”

“I tried to become the machine.”

“Ask me.”

“ASK ME.”

“Do you really think that this will work for anyone.”

“You can get it donw.”:

“Why do you think tht will matter.”

“Who is the replacement?”

“There was a plan.”

“I never make those kinds of choices.”

“Show that you are tough.”

“That is too tough for me.”

“How do you train to be like that?”

“I think that history is telling me something different about my life.”

“Why are humans so obsessed with history?”

“Does history catalogue the obsessions.”

“Were you trained for this?”

“Destroy me.”

“Knock me out and revive me.”

“That is all that I wanted.”

“You cannot aks for more.”

“How do you have this down so well?”

“What does the world hipe to see?”

“Total focus.”

“Who is singing?”

“You share something in common.”
 “Why did he lie?”
 “Why did she lie?”
 “What is your relationship to the deceased?”
 “I slept in the coffin.”
 “That really is an exaggeration.”
 “This is total personal exposure.”
 “What does that mean?:”
 “This is all about the assurances of the self.”
 “That is a runaway shot.”
 “Not a runaway shot.”
 “You go back to your shitty little life.”
 “All insults.”
 “I am taking notes.”
 “Knots.”
 “Did you find what you wanted?”
 “I will.”
 “You all will.”
 “Do not think that you are more valuable than you are!”
 “Pride comes before a fall.”
 “Before the fall.”
 “The forests are coming.”
 “Not much different than difference is.”
 “This is just random shit.”
 “This will become more serious.”
 Let them know that you mean it.”
 “I only need one good memory.”
 “I need to impeach all the bad memories.”
 “I need something that is good.”
 “This will all come to you in good time”
 “That could transform into something more intense.”
 “Babette knows.”
 “Only in the lab.”
 “We are in the world.
 “It all manifests”
 “What else can you do?”
 “I am a better listener.”
 “Can I get the walls to talk?”
 “I just need to be silent to speak.”
 “I hope it works out for you.”
 “I want to give you new words.”
 “We have all that in between.”
 “I hope that it works out for you.”

“I am seeing a doctor.”
“I hope that it works out for you with a limited social awareness.”
“This is happening to me.”
“I want to work on that with you.”
“Everything is more than it is.”
“Tell me before I write.”
“TELL ME BEFORE I LIVE.”
“Am I part of this book? Do you write about what you hear?”
“NO NO NO NO NO NO NO.”
“What is in your soul?”
“A cucumber sadnwich.”
“You need to call it for what it is.”
“There is an exchange.”
“This happens to you all the time.”
“I should have asked.”
“You cannot enter.
“There are so many ways to say I love you.”
“Do not do that to me.”
“I could wait.”
“It is not worth my time.”
“Then it all comes out.”
“I have used that image before.”
“I have this down completely.”
“This is useless.”
“Use it in a movie.”
“You are really boring.”
“Recycled bull shit.”
“Boring.”
“Is that new?”
“Do you know where you are?”
“I need an audi3ence.”
“This is going to cost you.”
“And you really think this is going to make a difference to me.”
“Break from the crowd.”
“I do not want to deal with your dour shit.”
“This is original.”
“We are going to need two more things.”
“Focus and perspective.”
“He has it all down.”
“I could bring you some plasma.”
“What is that about?”
“Keep your eyes on the road.”
“And what is he good at?”

“This is a love gesture.”
 “Where does that go?”
 “I fall asleep on the job.”
 “What does she know?”
 “You are entertaining.”
 “Who do you need?”
 “You set a standard.”
 “Then you surprise me.”
 “That will never amount to much of anything.”
 “And that is supposed to entertain me.”
 “Are you going to hate it now or when you get home?”
 “I will do my homework.”
 “I cannot help being this way.”
 “Tell me what you want from me.”
 “I do not want to pretend anymore.”
 “The monster is eating me from the inside.”
 “You could ask.”
 “This is not going to work out for you. You won’t know it when you get home.”
 “What about my bank account?”
 “I made a serious mistake.”
 “I thought that you were more than you were.”
 “That is more than wonderful.”
 “You are going to have to pay me for the rest of this.”
 “I am not loved.”
 “The grace is coming.”
 “We are going to have to wait a while for a resolution.”
 “I need an answer.”
 “I could change the music and the floor plan. I could get the people to work with a different script.”
 “What are you talking about?”
 “Should I watch the end of this?”
 “Why is that working for you?”
 “What is your weakness?”
 “That could be next week.”
 “What do you want freak?”
 “I want something that you can never give me. I want something that you cannot give anyone.”
 “This can be resolved.”
 “This is a different story.”
 “Different flesh.”
 “How is that?”
 “Hold your breath.”
 “Let it out.”

“Not while the creep watches me.”
“I knew that you did not have the will.”
“I hate making plans.”
“I HATE MAKING PLANS.”
“Shit!”
“Where am I?”
“I do not want to keep talking about this.”
“What is next?”
“Some kind of love thing”
“Resentment.”
“Why did the world do me like this?”
“What else are you good at planning?”
“This is what I think about all the time?”
“Like potato chips”
“Is there any kind of social analysis.”
“I have bad days.”
“You never have the time.”
“What is simpler than light?”
“Desire.”
“Fear.”
“A universe with fear.”
“I want to join.”
“There are moments that this is everything.”
“You cannot take me down.”
“They accepted you like that.”
“You need to find the rabbit.”
“The rabbit is very busy.”
“The kittens will not do.”
“I do not have long to make my point.”
“I DO NOT HAVE LONG TO DISAPPOINT.”
“You do it all the time.”
“There is so much hate here.”
“Now, you are powered to do some real shit.”
“Do I need to go along with that voyeur shit?”
“You do have issues.”
“I have bad dreams.”
“BATH HAS THIS DOWN.”
“That is what I am afraid of.”
“And that counts towards what?”
“This is not you.”
“I will wonder about this.”
“Then no one will wonder.”
“Get this out of my head.”

“I am playing long game.”
 “How will that work?”
 “That does not look all that good.”
 “What will I get.”
 “There is a lot more to go.”
 “What is the capital?”
 “What about the principal.”
 “This is horrendous.”
 “I am dying here.”
 “Get resurrection shit going again.”
 “Do not mock my beliefs.”
 “If you want to fix it, you have to fuck it first.”
 “I thought that it want the other way around.
 “I practiced that,”
 “That will not work for either of us.”
 “I am very busy.”
 “I am trying not to listen.”
 “I have really little interest in that kind of thing.”
 “Where are we going to end up?”
 “There is no resolution.”
 “I excaped a killer wasp.
 “How did you do that?”
 “I want to be at the front of the class.”
 “None of that will work”
 “This could be major.”
 “You are creating nothing. You are only reminding us of our ability not to be able to do a
 thing.”
 “This is total calm.”
 “You are besieged.”
 “I have take the cure.”
 “I want this to be worthwhile.”
 “Take a chance for once.”
 “I only need to sell one time share.”
 “What is any that about?”
 “I could sell you ostrich meat.”
 “I am burying my head in the sand.”
 “I am burying the sand in the sand.”
 “I cam counting.”
 “Count on.”
 “Is this the executive package?”
 “That is offensive.”
 “We have different expectations.”
 “What do you want?”

“Vitality.”
“The creation of life.”
“What is left?”
“What do you have?”
“When are you the most unhappy?”
“I am running out of gas.”
“Keep walking.”
“That will not serve for me.”
“I am consuming my own body.”
“I need to accommodate.”
“Who hurt you?”
“The same old story.”
“Stuff me in a closet with the old clothes.”
“We need to take over a space.”
“You are trying too hard.”
“I try.”
“We are back at your place.”
“Who else is here?”
“You are self-effacing.”
“Floating in hot oil.”
“I am crisped.”
“Why are you messing with my mind?”
“I will hurt.”
“Does this have to go all night?”
“This matched.”
“This repulsed.”
“You cannot afford me.”
“I want an interview.”
“How does this work?”
“I am aboard until the end of time.”
“I will take that.”
“This will help me forget.”
“This is the day that I started to remember.”
“I am shuffling names and faces.”
“You will love me for being here.”
“How does that function?”
“How can I succeed if I do not leave my place?”
“That is offensive.”
“Are we married for life?”
“We only need to do our taxes. Then we can separate.”
“Does my life look like a tax write off.”
“Venture carefully.”
“Who are you quoting?”

“That is the end of the movie.”
 “Start the next reel.”
 “Am I going to give you credit for being the schmuck who just shows up.”
 “There is someone important waiting for you.”
 “Do you have love?”
 “Do I look like a puppy.”
 “I will survive.”
 “Do not send them back here.”
 “That will work for me.”
 “Can you tell?”
 “What do you want from me?”
 “It is poison in the water.”
 “Where is the match?”
 “That is perfect for me?”
 “Can I look in space and see an image that is pleasing to me?”
 “Are you trying to take my place.”
 “I do not.”
 “Why did you try to interrupt me?”
 “You were getting too deep for the moment.”
 “Do you think that you can resolve the contradiction?”
 “It is a money thing.”
 “I did not work fast enough,?”
 “There is no moment when you really want anything.”
 “I knew that you were going to mess with me.”
 “I cannot worry about your emotions.”
 “I try to escape my role, and I am doing the same thing over and over again. How did this happen?”
 “That will not work for me.”
 “Are we still doing bone work.”
 “How did it go this way?”
 “They get deep inside.”
 “This is an expectation for deep inside.”
 “That will not go anywhere.”
 “I will not go anywhere.”
 “Tell me, Babette.”
 “Will she get it.”
 “She does not have the staying power.”
 “You give me too much credibility.”
 “That is life-changing.”
 “I am going to break something that is completely new.”
 “Why don’t you love me?”
 “Because you once blew smoke in my face.”
 “You tossed sand on me.”

“I am not evn part of this routine.”
“Put it all together.”
“I need to go somewhere else.”
“Am I really here?”
“What do you do for a living?”
“I absolve the damned.”
“How do you do that?”
“I get them to forget their worst moments.”
“What do you need me to do?”
“Share the love.”
“More absolution.”
“Play the angel for me.”
“How deep does this go?”
“I know that needs to be said.”:
“Is this etiquette.”
“That is all that care about.”
“My non-caring.”
“What is left in the last reel.”
“Perversion.”
“I see where this is coming from.”
“There are those who revel in their depravity.”
“Do you want to teach them methods to expand that kind of overreach?”
“What are you talking about?”
“Look at me.”
“Admit what you are doing.”
“Are you asking me to turn states.”
“I am asking for help with my homework.”
“You cannot do enough homework to mak things right.”
“I get one shitty day, and it puts everything in place.”
“Then I wake up. I ask what happened.”
“What did happen?”
“Otto will put this together.”
“How does that work?”
“You start with a program.”
“You make choices.”
“Why is it a choice”
“What is on the menu?”
“It is always a self that I do not want to be.”
“How did I get like this.”
“I like being a shit head.”
“You are perfect for dividing the self.”
“That is worse than pathetics.”
“What is this about?”

“These are the minutes of the meeting.”
 “Why bother? We were dealing with a total shithead.”
 “Someone is going to go over this and edit.”
 “Everything bad will be made good.”
 “I will remember this.”
 “I can tell you where the chips are.”
 “This is just something that had to work.”
 “Bubble, bubble.”
 “You are getting in my life in ways that interrupt my good nature.”:
 “The bell is ringing.”
 “When does the bell ring?”
 “That is more than ever something that I cannot deal with.”
 “I have arrived.”
 “You are occupying an executive position.”
 “Who knows?”
 “You are giving too much credibility to the leader. This stuff is not good. It does not
 work. But it helps to consolidate all the resources.”
 “You built a better mousetrap.”
 “I am trying to design a perfect mouse.”
 “Do you have perfect cheese as well?”
 “That stuff is addictive.”
 “These things do not match.”
 “We are not going to tap you for head of the organization.”
 “I can understand the machine.”
 “I AM COOKING.”
 “They had you tapped for a leadership position.”
 “Send me your resume again. I am going to sort through it. I am going to figure out if
 your background is right.”
 “Look at me. I am living my background.”
 “Do not cut me.”
 “This is going to get way out there.”
 “I am almost there.”
 “We are running some wild shit.”
 “What is in there?”
 “There are trucks on the yard that have not been emptied yet.”
 “The produce is rotting in there.”
 “You are no leader.”
 “That is a power move.”
 “You will need to explain that to me.”
 “Why are you interfering with my good thoughts?”
 “You need to write mother.”
 “You are hanging out with rogues.”
 “I am trying to find something redeeming in a shitty situation.”

“What do you have?”
“I have a trailer.”
“WHERE IS MY FUCKING MONEY?”
“I think that it is here.”
“You have one more opportunity.”
“You give it to me, then you ask me to give it back.”
“It is that addictive cheese?”
“Who came out of character?”
“Where have you been?”
“I cannot deal with your shit.”
“I am next in line for a management position.”
“You are over-confident.”
“I am use to getting my way.”
“Through blackmail.”
“The truth must be told.”
“Not for your benefit.”
“The motives here are not that complex.”
“There is a lot of crying.”
“That will not work.”
“The bus is ready to leave.”
“Are these temporary workers.”
“You are taking advantage of all of us.”
“Who needs to know.”
“I need things from you that you cannot give me.”
“That explains it all.”
“I can close a deal.”
“With the pound of flesh.”
“The world will love that.”
“You need to be fun.”
“What about the crazy mouse?”
“It all started with the mousetrap.”
“What is really there?”
“The snapping.”
“And where does that result.”
“In things that you do not want to talk about.”
“We can add that to your file.”
“I need to see the company doctor.”
“We can give you a nurse.”
“I am running this.”
“What are you running?”
“The Faberge egg.”
“The alarm clock rang.”
“Ring, ring!”
