

## AMIRA

“I am celebrating my birthday!”  
“You could tell me more. What are your dreams for the future?”  
“To have a husband and a family. To have a good job. I don’t want to worry!”  
“It is all right to worry!”  
“Someone is going to have to think about it.”  
“What do you want for your life?”  
“I want to influence the world.”  
“How do you do that?”  
“Life begins with a moral challenge.”  
“I am always morally-challenged. I am so trashed.”  
“What are you talking about Amira?”  
“I am looking for a doctor.”  
“For alcohol poisoning.”  
“Someone who can guide me about my life.”  
“Do you need guidance?”  
“I feel all fucked up. I can barely stand up.”  
“Is it going to improve?”  
“I need something more to drink.”  
“Where are the spectators?”  
“My entourage.”  
“Are they in worse shape than you are?”  
“They are not doing well at all.”  
“What am I getting out of this?”  
“A blood test.”  
“How is that?”  
“I want to find out why you are so fatigued.”  
“I have done silly things in my life.”  
“Like what?”  
“I have drank so much that my blood has been toxic.”  
“You risked overdose.”  
“I have heard about alcohol poisoning.”  
“Is this an experiment?”  
“Do you like my dress?”  
“You look very excited.”  
“How long did that take?”  
“A whole evening?”  
“Are you good at school?”  
“I know things.”  
“We both do.”  
“What is your name?”  
“Amira.”

“That is my name too.”

“This is going to be an adventure.”

“I am a very clever person. I test well. I know science. I am doing things to change the world. I can assist the world in the changing process.”

“You look glassy-eyed.”

“I am very good in class. Let me explain the lessons which I have learned in school.”

“You are good with math.”

“I am good with pleasure. You know how that works. Do you understand the foundation of pleasure?”

“What is it? Letting go?”

“It is a lot more than letting go.”

“What is there inside?”

“Sugar and spice. I have equations for both.”

“Is this about aerospace engineering?”

“I am asleep while all this occurs.”

“The objects stay in orbit.”

“I am good at this!”

“You better keep those objects in your stomach.”

“I would like another couple of drinks.”

“What is the limit?”

“I will keep drinking until I can’t crawl anymore.”

“This is a birthday wish.”

“To get black out drunk.”

“I need to redo my life.”

“What is redoing that way. You are only getting deeper into your shit.”

“It is my birthday!”

“That is how we work together.”

“And what is my role?”

“To make me drunker.”

“What about the objects in space?”

“They have a mind of their own.”

“Have you practiced being like this?”

“I made a request. There is a song which I want to hear.”

“Who is talking?”

“One of the partiers is Amira, and the other is her interrogator.”

“There is money in this.”

“There is black death in this.”

“I was bit by a flea.”

“Is that how it is passed?”

“No, wonder there is sadness here.”

“Did you eat the bar peanuts?”

“I am really messed up badly.”

“I’ll buy you another drink. Maybe, you can talk to me. Tell me about your life.”

“My Daddy has such expectations for me.”  
 “What does he want you to do?”  
 “He wants me to keep it up in space.”  
 “What is that all about?”  
 “It is a matter of balancing the forces. And there are forces which are disruptive of all the other forces.”  
 “Say what?”  
 “Like a sweeper. You know what that is.”  
 “Not really.”  
 “Something which sweeps away all the problems.”  
 “There is so much time remaining. So much time to get into time.”  
 “I don’t understand.”  
 “Amira, you sound intelligent. What do you want to know that other people know?”  
 “I don’t know how to let go.”  
 “Is that a falling object in space?”  
 “This is all going to connect.”  
 “I need another drink.”  
 “Something with cream in it.”  
 “You are going to get really sick.”  
 “What is your name?”  
 “Amira!”  
 “Amira!”  
 “There is an echo in here!”  
 “I am feeling queasy.”  
 “Do a shot!”  
 “I do a shot, and I am going to puke.”  
 “If you puke, is it okay to kiss after?”  
 “Gargle some mouth wash.”  
 “This is getting so fucking nasty.”  
 “We are being nasty to each other.”  
 “Tie it tight.”  
 “This is such a nasty story!”  
 “Tie it up tight.”  
 “I am losing my panties.”  
 “You are good. Just sit down, and catch your breath.”  
 “This is so fucking out of control.”  
 “I am so fucked up.”  
 “I can’t stop.”  
 “I hear an echo.”  
 “Do a shot!”  
 “Am I talking to myself?”  
 “There is someone important who you need to meet.”  
 “I am not very good at meeting anyone!”

“This is a bad life.”  
“Why do you hate yourself?”  
“I keep hearing an echo. I do not have enough substance to be important. I am always doing what other people want me to do.”  
“I keep hearing myself talk back to myself.”  
“This is going to get really outrageous”  
“It’s is my birthday.”  
“It is my birthday.”  
“Do you need me to tell you a story?”  
“I live in the present. I have no need of history.”  
“No one really does.”  
“Have a another drink. You won’t notice the difference.”  
“This is getting toxic.”  
“I need surgery.”  
“Now.”  
“I don’t like my body.”  
“I like your body.”  
“Some guy is creeping on me.”  
“I have a lot of time to get this taken care of.”  
“Amira, have another bite of cake.”  
“It’s a birthday cake shot.”  
“What are you afraid of?”  
“I don’t want my father to hate me.”  
“You hate yourself already.”  
“I am not drinking fast enough.”  
“You are going to get sick.”  
“I am already pretty sick.”  
“Are we doing this together.”  
“You do a shot, and I do a shot.”  
“Where is the voice of reason.”  
“He went out with the lights.”  
“Why do we do crazy things at night?”  
“There is not enough money in our bank accounts to cover the party.”  
“Do another shot.”  
“I bought the cake.”  
“What the fuck. I am so fucked up.”  
“Amira cannot walk straight.”  
“You walk sexy.”  
“I am not going back to your place.”  
“I feel taller.”  
“It is the heels.”  
“You are going to fall down from high up.”  
“Yeah!”

“Daddy says to be careful.”  
 “I am afraid that someone is going to put something in one of my drinks.”  
 “This is not something to worry about!”  
 “Daddy, do I look bad?”  
 “I am not your father.”  
 “You are acting like him.”  
 “Do another shot.”  
 “I am going to pull my dress up if I don’t stop.”  
 “It’s your birthday.”  
 “I am afraid that I am going to get left somewhere.”  
 “You are going to get left in the middle of a field!”  
 “Where are my friends?”  
 “You look so cute!”  
 “I need to get out of here. I have an exam in the morning.”  
 “No, you don’t. You don’t have school.”  
 “I am going to take days to recover.”  
 “We are both free.”  
 “Slow down!”  
 “You are pushing too hard. You are trying to live all your life in one night.”  
 “You are making me very happy.”  
 “I am loving happy.”  
 “It is my birthday. It is my right to be happy.”  
 “You are going to end up in the hospital.”  
 “I have drank just enough that I am getting a new perspective about my life. I don’t want to go along with my parents’ wishes for me.”  
 “That is all that you ever do Amira.”  
 “This is my birthday. It is the beginning of a new life.”  
 “Drink another shot.”  
 “Not yet. I am thinking.”  
 “This is your birthday. Don’t think about too much.”  
 “You will be okay.”  
 “I want fate to do something for me.”  
 “Someone can love you twenty-four hours at a time.”  
 “You have what it takes.”  
 “Where is the baby?”  
 “I don’t have a baby. I am the baby.”  
 “Do another shot!”  
 “Does anyone have a coherent thought in here?”  
 “I want to float in the middle of the heavens.”  
 “You know the equations. You give, and then you subtract like crazy.”  
 “That is not going to do it.”  
 “Have some more cake.”  
 “Let me lick cake off your body.”

“I want to be covered in cake. And I want cute guys to eat all the cake off of me.”  
 “This is going to be a long story.”  
 “We are playing the long game.”  
 “I want this to be the first day of my new life.”  
 “She is trying to pack her whole life in one night.”  
 “It is all going to slip out of her hand.”  
 “Tez, do you want to take her from here.”  
 “I want nothing to do with her. I just want to make sure that she does not pass out.”  
 “She will be good.”  
 “I don’t understand why this is important.”  
 “This is a critical understanding.”  
 “I am free-falling!”  
 “Shut the fuck up.”  
 “You are showing all your ass!”  
 “Do you like it?”  
 “I want to eat cake off of your body.”  
 “This is going to get perverse.”  
 “That is how we are all made. We are supposed to explore the senses. We are supposed to push ourselves to the ends of time.”  
 “I can’t stop myself.”  
 “I wish that I could live as if there wasn’t a care in the world.”  
 “I am seeing double.”  
 “I know that song.”  
 “We all do.”  
 “Amira, you could be special.”  
 “I have a lover.”  
 “He is not here.”  
 “Do you want to eat cake in the bathroom?”  
 “What are you asking?”  
 “Do you want something sweet?”  
 “This modern story is all about sweetness.”  
 “Too much sweetness will only make you cranky.”  
 “Amira is coming down!”  
 “Are we working together?”  
 “Get me a shot. A candy cane shot.”  
 “You want redemption.”  
 “I meditate. I eat a lot of rice.”  
 “You are sweet.”  
 “Stay here, honey. I want to take you home.”  
 “Who said that you could invade my place?”  
 “This is your palace.”  
 “Do you have anything important to say?”  
 “I am seeing double.”

“Amira wants to eat cake.”  
 “You can’t have your cake and eat it too.”  
 “There is so much cake. There is always something extra.”  
 “Amira, what are you doing?”  
 “We lost Amira!”  
 “There is nothing to lose.”  
 “Do you have Messianic fantasies?”  
 “I am really fucked up!”  
 “Who was that guy kissing on you?”  
 “No one was kissing on me.”  
 “Amira, do you even know what you are doing.”  
 “We need to get you out of here.”  
 “I am never going to graduate.”  
 “That girl is so fucked up. She needs to go to the hospital.”  
 “Here take a beer.”  
 “I have drank too many beers.”  
 “You are going to puke.”  
 “You look cute. Come with me.”  
 “Did you dose me?”  
 “You like my smile.”  
 “This is turning into nightmare.”  
 “Where does this end?”  
 “Exactly where it began.”  
 “I want you to come home with me. I can take care of you.”  
 “Who is this guy?”  
 “My friend.”  
 “I have never seen him before.”  
 “He is going to kidnap you.”  
 “Stop this!”  
 “I need to find my friends.”  
 “You are all going to have to leave. Take that girl with you before she pukes  
 everywhere.”  
 “Why are you being so rude to me? Who the fuck are you?”  
 “I work here.”  
 “Quit being such a dick. Get her some water.”  
 “You really are a dick. You saw that guy coming on to her, and you didn’t do anything.”  
 “You were the one who lost your friend. I kept my eyes on her for you.”  
 “Sorry that I was so mean.”  
 “Where did you park?”  
 “I am not going to do this like that.”  
 “She is going to call an Uber.”  
 “Who is paying?”  
 “That is my doing!”

“We are treating her.”  
“I want to be friends.”  
“We are friends.”  
“Let’s stay friends.”  
“Who is running this show?”  
“This is my show!”  
“Amira, you are embarrassing yourself.”  
“Don’t say this about me!”  
“Get going, honey.”  
“She is fucked up out of her mind. She needs to go to the hospital for alcohol poisoning.”  
“I want another shot.”  
“You are cut off.”  
“Go wait for me on the couch. I will get you another drink.”  
“You are so cute. I want to be with you so badly.”  
“Get the fuck away from my friend.”  
“Who are you?”  
“Who are you?”  
“Tez, we need your help.”  
“She was supposed to be out of here.”  
“This is the middle of a war.”  
“Amira, needs a drink.”  
“Amira needs to get out of here.”  
“Where is Amira?”  
“She is hiding somewhere?”  
“Hide, and go seek!”  
“This image will be etched on you brain.”  
“I can see it now!”  
“Tez, get her out of here.”  
“She is having fun!”  
“She is doing work.”  
“I am feeling so alone.”  
“We need to talk.”  
“Talking is not going to do it!”  
“I feel hopeless.”  
“You look so hopeless.”  
“Why are you being such a bitch to me?”  
“You can’t drink anymore.”  
“Here take this.”  
“Are you trying to drug me?”  
“We are messing with each other in different ways.”  
“What does that mean?”  
“It means something which is not good for either of us.”  
“We are really going somewhere!”

“I don’t take no for an answer.”  
“Get away from my girl.”  
“She is digging on me.”  
“We need to get away from your bitchy friend.”  
“You are so cute.”  
“You are so hot, baby. You are burning me up.”  
“Let me show you something.”  
“Oh, lover.”  
“Who the fuck are you? Get away from her.”  
“What are you fucking with me? She liked me. She was going to give it up.”  
“You are a pervert. I have no idea who you are.”  
“I trying to be her friend.”  
“This is too big for the both of us.”  
“Where is the door?”  
“We need an ambulance!”  
“This is getting really ugly!”  
“I can’t stop.”  
“Drink this. “  
”Swallow this.”  
“You are going to kill me.”  
“Have you seen Amira?”  
“Someone was carrying her around the club.”  
“That girl was kicked out of here an hour ago.”  
“Have we lost her?”  
“I know what you need.”  
“What do you need?”  
“I need to take this in small doses.”  
“That is easy to stay now. Amira is gone for good.”  
“Nothing is exclusive.”  
“Have you seen a birthday girl?”  
“She left in an Uber with a guy.”  
“What are you saying?”  
“She is not here.”  
“Someone needs to change the beat!”  
“I know where this came from!”  
“Everything is heading in one direction.”  
“Cough, cough!”  
“This is such a pleasure.”  
“This is pleasing for me, and it is pleasing for you.”  
“I can’t pay for this drink.”  
“Did she really leave, Tez?”  
“If she hadn’t left, I would have had to kick her out.”  
“Some guy captured her.”

“She was napped out of here.”  
“She is no longer!”  
“Amira is somewhere in this bar.”  
“Do you have an upstairs?”  
“She texted me. She is at the Pleasure Zone. She is passed out in the bathroom.”  
“She is passed out, and she texted you. That makes no sense.”  
“What are you doing, Amira?”  
“This guy was going to take me home. Then I escaped.”  
“We need to escape while we can.”  
“What is wrong with you, Amira?”  
“I cannot move.”  
“That is shitty!”  
“I cannot move my body.”  
“Get up, Amira.”  
“You can’t leave her like this.”  
“I need another drink.”  
“What is your story?”  
“She has to leave.”  
“Someone pick her up.”  
“I can stand on my own.”  
“She just puked.”  
“I did not.”  
“It is all over her.”  
“She is making out with some guy on the couch.”  
“You girls need to leave.”  
“Kiss me!”  
“I am falling apart.”  
“I did all the work.”  
“You never came through when I expected.”  
“This is beyond all beyond.”  
“You were making a point!”  
“We are tired of your shit!”  
“I hate myself.”  
“Amira, you need to leave.”  
“Did you see some girl who was celebrating her birthday?”  
“She started making out with a random guy.”  
“It was her birthday. She was wearing a sash that said, ‘Birthday Girl!’”  
“She was no girl. She became trouble.”  
“Who is listening to this?”  
“Amira dragged herself home.”  
“She left with a random guy in an Uber.”  
“Here, she is.”  
“What have you learned?”

“I am getting very philosophical.”  
“This is the birthday girl!”  
“She showed her ass to everyone.”  
“This is closing time.”  
“Get her out of her.”  
“She puked all over herself.”  
“She smells like a flower.”  
“Keep that dick away from her.”  
“Are you running the show?”  
“I want her out of here.”  
“It is closed.”  
“She left in an Uber with some guy. He was kissing on her.”  
“Here, she is.”  
“Let’s get her to the hospital.”  
“I know what this is all about.”  
“Who is counting?”  
“I can’t find my phone.”  
“I am bleeding.”  
“You are okay. You spilled a drink on yourself.”  
“This is getting overboard.”  
“This is a bad story.”  
“Have you seen, Amira?”  
“She drove home.”  
“She came in an Uber. And she left with some guy.”  
“She is with me. I am taking her back to her place. And no one is going to stop me.”
