

## 9. PENNSYLVANIA AVENUE

- This is a whole chapter on nothing but a street.
- No characters.
- Just a length of concrete.
- The road to Oz.
- The Yellow-brick Road.
- Why was it yellow?
- It was paved in gold.
- The reserve stock.
- Yeah, each brick was made out of gold.
- The cobble-stones of industry.
- This is a never-ending story.
- The street is seven miles long.
- It was designed to connect the White House to the Capital.
- To connect our dreams to our reality. Or vice versa.
- Our fantasies to their eventual satisfaction.
- They are fantasies. They can't be satisfied.
- Not as long as we have HM in charge.
- You've got to believe.
- BELIEVE!
- You've got to hope.
- HOPE!
- You've got to move forward.
- MOVE FORWARD!
- Real change for a change.
- Feel the concrete below your feet.
- Take the walk of fame. It's the challenge.
- We need to protect the FREEDOM MILE!
- Free at last!
- Freedom is for those who TAKE IT!
- Take it to the streets.
- I want to be someone. I want to have a face. I want to have an identity.
- Do you want to look attractive? Do you want guys to look at you?
- It's the fashion runway of the country.
- Are you dressed to be free?
- Do you have the body to be free?
- Are you a looker?
- A looker after freedom!
- Free the body!
- I am free. I am jogging along the FREEDOM MILE. I am bringing the good news to the free men.
- From freedom to liberation.

- The liberation of the mind.
- And idea that's real.
- A real banging idea.
- Bring me a mirror. I want to see my face when I go for one.
- You can crawl, or you can walk. Just get there on time.
- Join hands.
- We are expressing our freedom.
- Give me your hand.
- Give me my hand. I need to get there.
- It's this big!
- How big?
- As big as my hands.
- You've got to hope.
- You've got to feel it inside.
- From here, the size of a fist, to here, as far as I can reach.
- We're talking about a big thing.
- Like a big fish.
- Going bang bang away!
- An idea that you can be comfortable with.
- That you can get to know.
- It's this big.
- Bigger than in the beginning.
- More than any man.
- Than any other man.
- A pissing contest.
- A measuring contest.
- And I've got this mush. This big.
- Without that bailout money, none of those porno films could have gotten their completion bonds.
- It's not like they can make a good porno in Saudi Arabia or in Iran.
- Maybe Saudi, but not Iran.
- The Emir was eating his dates!
- The freedom to be as dirty as we want to.
- She wears it well.
- Doesn't she have a website where she doesn't wear it at all.
- She takes its.
- The American way.
- There's some guy somewhere in the world who's fighting for our right to fuck.
- To fuck a porn star.
- The HM himself.
- He just imagines it, and it is so.
- A regular Johnny Wadd.
- The guy before the last guy took it a bit too literally.

- He just rammed the wrong hole.
- No touching.
- Just sucking!
- On your knee to the POPOTUS.
- It's bigger than you know.
- That's his first lesson. He finds out how to bang the whole world.
- To open up that big hole a little wider.
- How to use a fuck drone!
- You either fuck it or you kill it, it's pretty much all the same.
- Just don't torture her on video.
- You guy are evil.
- We're protected.
- By this street.
- And by the Constitution.
- How is it going to change? We have the HM in charge.
- For a change.
- Keep the wages low so that we can keep the dicks high.
- How can we have politics without pornography?
- The internet without all those sites trying to entice my kids.
- How can we clean up content without cleaning up intent?
- Safe sex.
- Something like that!
- Carnal Intent without Carnal Knowledge.
- Semantics without pricks.
- We're working on those equations.
- That's Bill Gates's last request.
- He got a big one going.
- But it's shriveled a lot in the last few years.
- He almost went down with that anti-trust suit.
- Never trust a small dick man. He'll spend his years trying to compensate.
- Never trust a small-intented man. He'll spend his years trying to compensate.
- We just need an HM in there.
- Really in there.
- To do it for us.
- A sex surrogate.
- To bang when we can't.
- I hate to get tired.
- You've got to make that thing out of metal.
- And this thing out of concrete. We have to keep walking.
- We'll get there after all.
- Why didn't you take the shuttle?
- I wanted to take the walk of freedom.
- I wanted to glide through the protected portion.

- Ever since the invasion.
- Yeah, ever since then, we've needed protection.
- Admirable design.
- It feels so natural.
- Someone has to protect the HM
- Before he's ready to go off.
- Once a day, he goes off.
- Another sacrifice to the pagan god.
- Moloch.
- Gog and Magog.
- In there.
- Move around good and vigorously until you feel it take hold.
- Now that is freedom.
- A real man wants to feel unencumbered.
- No law. Just will.
- No will. Just thrill.
- It's all about the sensation.
- feeling free.
- There's the rub.
- And the rubbing.
- Rub it hard.
- Slide it deep.
- I might need a little help.
- It's all in the imagination.
- Think about what you are going to do to the whole world.
- For the whole world.
- Like a humanitarian.
- I am the HM
- I am going to do my head.
- What idea does that correspond to>
- What?
- The Head.
- The tip.
- Mount Everest.
- Doing it to the sky.
- Making it small to make it big.
- Getting it all in there.
- In the world.
- He so loved the world that he sent down his HM!
- Head massage.
- The massage is the message.
- Full body.
- Full head.

- In the head.
- Keep stroking.
- Keep walking.
- We are all going to go to jail for this.
- We make the laws.
- And when the term is up.
- No one wants to mess with a good thing.
- What are you going to tell her? Don't fuck that guy. She wants to feel all of it inside her.
- It's already inside.
- The fuck crazy.
- The mole.
- Who are we talking about?
- Some girl who wants to take it all on.
- Sybil.
- April.
- Cleopatra.
- She'll take it all if she can get it.
- That's all that I can think about.
- Her body is talking to me.
- She know it. Look what she is telling us.
- Do me, baby!
- I don't like that kind of attention.
- She's next to the President.
- A heartbeat away from the action.
- What is the action?
- In and out. It's anthropology. It's all transferred to the whole world.
- All I can think about is cock.
- Don't ask, don't tell.
- Don't touch, no need to tell.
- It's all in the head.
- Keep walking.
- It will be OK, Dorothy.
- They've got to think about it in Kansas.
- We're half-way through, but we've got nowhere.
- We've got intent without content.
- Knowledge without understanding.
- A future without hope.
- You can't offer freedom to a dead man.
- You can raise him from the dead.
- Like getting the Presidential Penis up and ready.
- Another blast.
- Rain down on me.

- Get the umbrellas ready.
- The missile shield.
- Someone has to protect Europe against the Russkies!
- A good offense is a good defense.
- And we need to be as offensive as possible.
- Come on out!
- Show yourself!
- What is the case law for this matter?
- We're looking at it right now.
- They think that they've got him on the run.
- He can go practically anywhere that he wants.
- There's still an advantage to acting like a man.
- Boom, boom, boom!
- There's this top secret program that is going to do something about the weather.
- Using hurricanes as a weapon.
- If it's top secret, how do you know about it.
- I've got clearance.
- How does that make you feel?
- As if my penis was as big as the Empire State building.
- And if you were a woman.
- It would feel really good inside.
- You can't hide the inside.
- No shit!
- Can we really talk about this kind of stuff in public?
- I have clearance.
- To keep it hidden.
- Now I'm showing the world.
- That is why we all love the HM.
- Rub the head.
- You're not going to get it if you don't pay for it.
- I like it like this.
- We all feel this way at some time or other.
- This is our street.
- Keep walking.
- We are going to get to the end soon.
- What about the poppies?
- The temptations.
- It's a short walk.
- And a beautiful day.
- I feel it bigger and stronger than anyone else. And I've got the fireworks to go along with it.
- Bigger and stronger!
- It all started with a tornado in Kansas.

- A weather system in Kansas ends up being a legislative program in Washington,
- Or a missile system in Poland.
- Or a programmed assassination in Afghanistan.
- Buy local sell international.
- Stroke it before you poke it!
- Bingo.
- I feel as if this is all too little too late.
- We can't stop. We're almost there.
- I feel so tired.
- Big, bigger, biggest!
- We're with the man.
- With the man's man.
- His little man.
- Bang and go banging.
- Did I hear thunder?
- Just a butterfly flapping its wings in China.
- Is that the basis of the HM theory?
- All the blood rushes to the head.
- That is how history is made.
- Heat-seeking!
- You give off heat.
- She wants your heat.
- You pack some heat.
- Give me your heat.
- A heat wave.
- Then a tropical depression.
- It goes down.
- The air pressure.
- You're on call.
- Working for the head.
- You can't get it if you don't give it.
- Give it and get it given back.
- I feel so tired.
- You've just had it too good.
- It's not going to get any better.
- Are you ready to go one on one with the world?
- I need to have a nap.
- I am going to talk to my mother.
- How long can you make this happen for?
- Forever.
- From the beginning until the end of time.
- I didn't hear the phone ring.
- I made the call.

- Rain down on me!
- You are your own boss.
- You have to be the boss, then I have to be the boss, then we both have to be bosses.
- Bosses of ourselves.
- Bosses of our losses!
- We need the completion bond if we're going to get the completion bond.
- We need some bonding time.
- And then it will get sticky.
- I like it good and sticky.
- I like it right in my head.
- I'm glad that I like it the way that I like.
- I like it the way that you like.
- You can't expect the government to get it done for you.
- But we want to get it done.
- Right!
- And the government is doing it.
- Right.
- So why can't we get it done for us!
- How long have we been walking?
- I feel as if this is never going to end.
- We need a good idea.
- A good law.
- Get him to sign up.
- Sign off!
- Sign off, or get off! That's my new motto!
- How many characters are in this story?
- A good HM.
- He's not really in this story. It's three guys who are walking along Pennsylvania Avenue. And they are talking about HM.
- Do they work for HM?
- They are just fans. They are trying to do work for him.
- One is cleared for security.
- And one isn't!
- And one's got a story to tell.
- About three guys walking along Pennsylvania Avenue.
- He's the author of the story?
- The author of the legislation.
- A legislative aid.
- Like a sexual aid.
- A sex toy.
- We can never agree. Call it artistic differences.
- You always want to be the one who puts it in.
- I'm the guy.

- I've got my own ideas.
- How to cook a turkey.
- Just ram this in!
- Where is the witch when we need her.?
- Taking it up the ass.
- I could do that to her.
- It's for her. To her just sounds too brutal.
- This country is becoming a really nasty place.
- We all have big ideas.
- I've only begun to fight.
- I've only begun to put it in. As big as the globe.
- Don't blame me. It's just the world doing it to the world.
- We had a thing.
- Right!
- I slept with you. A girl to guy thing.
- Right!
- And you never called me again.
- Go on!
- You went back to your wife.
- So!
- You were the cute guy at Starbucks.
- Yeah!
- The guy with the good job. Who didn't want to pay too much. So I paid for you. I really paid.
- I told you that I was protected.
- I wanted more than that.
- I gave you more.
- And it was incredible.
- So what!
- So I gave you more!
- Start earning money today!
- The hurricane is coming.
- Is there a story with that.
- It's like the H-bomb!
- We're going to pay for this for the rest of our life!
- We are marked for life.
- And you love it like that.
- If you would like to chat, I am available.
- I like to talk in the nude.
- We can work that out.
- I am reminded of Alexander Hamilton's ideas on a central bank
- The first big redistribution of wealth from the poor to the rich.
- A reversal of the gains of the Revolutionary War.

–This is the first day of the year that I really feel good about things.

–Did you pay off a big bill.

–No, it's this walk. It's made me feel great.

A legislative aid to a congressman, a staffer at the Pentagon, and an employee at the State Department are walking along Pennsylvania Avenue.

–We can cater to your every need.

And the guy who's afraid of his own shadow.

In this story, he is their shadow. But he is not doing a very good job of it.

–Are we being followed?

–That was a couple of chapters back.

–April, did you do something wrong.

–April? This was supposed to be all guys on this little jaunt.

–Between the three of us, we have enough power to rearrange the free world/

–To make it all free.

–Is that girl watching us?

–The one who looks like a model.

–She's working for somebody.

–An extortion scheme.

–We can go to Maryland, and she can extort me to her heart's content.

–And that's all there is to your story.

–This was supposed to be about a street. Now it's turning into this intrigue.

–Freedom has its twist and turns.

–Two guys and a girl.

–Three guys.

–A girl and a guy.

–She's is following us.

–That makes four.

–Three of us. We tell no one else our secret.

–About HM.

–We are all working for HM.

–Keeping the world free for HM.

–For HM to jack the difference.

–Whoa!

–I am going to need a Presidential Pardon for sure.

–Bless me, Father. I am really sorry for what I've done.

–Done to the world.

–I was going in when everyone else was going out.

–In the out door.

–Out the in door.

–You are never going to have her.

–What?

–I mean never!

–Take me I'm yours.

- I am a very suspicious type.
- One on one.
- Or two on one.
- What is your politics?
- I don't mix religion and pleasure.
- Just so I know!
- How deep does this go?
- All the way.
- All the way?
- All the way to the President.
- All the way to China.
- To the POPOTUS.
- A chicken in every pot.
- And some pot in every chicken.
- That's how I like it. Extra crispy.
- I feel really good about this story.
- What will you give us?
- Give us your heart.
- Crucify him!

A legislative aid, a staffer at the Pentagon, and an employee at the State Department walk into a bar.

- Moo!
- The answer is buy the cow.
- Moo!
- You can't get the milk if you don't buy the cow.
- The Wisconsin gambit.
- Someone has to milk the cow in snow.
- Who left the cow in the snow?
